

Children with Admissions During the Period - with District Prompt

Report Background	The Children with Admissions During the Period report can help users identify children admitted to foster care during a specified period.
Report Purpose	Provides Local Districts with a list of children admitted to foster care during a specified period. The report includes demographic information about the child as well as a listing of historical admissions within the period.
Target Users	Managers and supervisors from Local Districts and Regional Offices
Classification	Operational report
Prompts	Upon opening the report, users are asked to select one or more values from a list of choices for the following report prompts: <ul style="list-style-type: none"> • <u>Admission Start Date</u>: Select a start date for the Admission Period • <u>Admission End Date</u>: Select an end date for the Admission Period • <u>District</u>: Select a district for the report.
Notes	Since this report provides detailed information, Local District staff must run this report for their own District. Data security allows Local District staff to see only activity for children in their district.

Data Item	Data Definition
Total Admissions	The total number of admissions during the selected period.
Total Distinct Children	The total distinct number of distinct children admitted during the selected period. These children are listed in the detail of the report.
Report Date	The date on which the report was run.
Data as of Date	The latest refresh date of the OCFS Data Warehouse – that is, the last time data was retrieved from CCRS. Data for this report is refreshed weekly.
County Name	The name of the Local District selected at the report prompt. (ACS is listed alphabetically as “New York City”.) Since this report provides detailed information, Local District staff must run this report for their own District.
Office ID	Office ID within the District that has responsibility for the case.
Unit ID	Unit ID within Office of the District that has responsibility for the case.
Worker ID	Worker ID for the worker that has responsibility for the case
CIN	Child’s CIN ID
Child Name	The full name of the child.
Case ID	The Case ID associated with the CIN.
Case Name	The Case Name associated with the CIN.

Data Item	Data Definition
Gender Code	Gender of the child
Race	Race of the child
Hispanic Origin	An indicator as to whether the child is of Hispanic/Latino origin.
Age Group	Age range of the child at admission.
Activity Code	Activity code associated with the admission. This report displays movement code M910 (admission)
Activity Date	Date on which the admission occurred. Activities are displayed in chronological order for each Case, with the most recent activity listed first.
Agency Where Placed	The name of the Local District or Voluntary Agency in which the child is placed.
Goal Text	Permanency planning goal from the latest service assessment at the time of the Activity.
Facility ID	The ID of the facility in which the child was placed.
Facility Type	The facility type of the facility in which the child was placed.
Previous Admission Text	Time lapse record from child's previous admission. Note that this reflects the time lapse from the most previous admission.
