

Tracked Child Roster and Tracked Child Roster with Workers

Report Background	The Tracked Child Roster reports can help supervisors and managers monitor the children currently being tracked by their District/Agency
Report Purpose	<p><u>Tracked Child Roster</u>: Provides Local Districts and Voluntary Agencies with a detailed list of tracked children in open Family Services Stages in CONNECTIONS.</p> <p><u>Tracked Child Roster with Workers</u>: Provides Local Districts and Voluntary Agencies with a detailed list of tracked children in open Family Services Stages in CONNECTIONS and the workers assigned to the stage. Workers from all Districts/Agencies that have a role in the Stage are included in the report.</p>
Target Users	Managers and supervisors from Local Districts and Voluntary Agencies
Classification	Operational report
Prompts	<p>Upon opening the report, users are asked to select one or more values from a list of choices for the following report prompts:</p> <ul style="list-style-type: none">• <u>LDSS/Agency Name</u>: Select the name of the Local District or Voluntary Agency for which you want to run the report. Local Districts are listed alphabetically by name with ACS under “New York City DSS”; Voluntary Agencies are listed alphabetically by agency code.• <u>Site Code/Unit Number(s)</u>: Select the office Unit codes to be included in the report. Hold down the Ctrl key to select multiple Units or leave the prompt blank to select all. The list is alphabetical by Site Code-Unit Number to uniquely display the office Units for a particular Local District or Voluntary Agency.• <u>Stage Type</u>: Select the Stage type(s) CCR, CWS that you want to include in the report.• <u>Program Choice(s)</u>: Select one or more Program Choices. If your selections match any of the three Program Choices for a tracked child, the child is included in the report. Choices include: Placement, Preventive Mandated, Preventive Non-Mandated, Protective, and Non-LDSS Custody – Relative Resource Placement.
Notes	<p>A tracked child is defined as a child in a Family Services Stage (FSS) with a Stage Type of CWS or CCR <i>and</i> an active Program Choice and PPG.</p> <p>The Tracked Child Roster has one row of data for each tracked child <u>for each Site/Unit that has a role in the FSS</u>. Therefore, tracked children may be listed multiple times throughout the report – once for each Site/Unit that is involved from the District/Agency selected at the prompt. This report focuses on the child.</p> <p>The Tracked Child Roster with Workers has one row of data for each tracked child for each worker with a role in the FSS.</p>

Data Item	Data Definition
LDSS/Agency Name	<p>The name and 3-digit agency code for the Local District or Voluntary Agency selected at the report prompt. (ACS is listed alphabetically as “New York City DSS”.) This report can be run for only one District or voluntary agency at a time.</p> <p>Since this report provides detailed information, Local District staff must run this report for their own District, and Voluntary Agency staff must run this report for their own Agency.</p>
