*Note: The letter next to the report name refers to whether the data for the report is refreshed daily (D), weekly (W), monthly (M), or annually (Y).*

Reports shaded in gray are still in development.

<b>Out of Home Settings</b>		
Contains reports about facilities and foster homes		
W	Currently Active Certified Foster Homes and Parents by Location	Counts Certified Foster Homes and Foster Parents by the county in which the foster home is located.
W	Facility Detail Report	Provides detailed information for each accepted-active and emergency congregate care facility and foster home for a District/Agency.
W	Facility Summary List Report	Lists all accepted-active and emergency congregate care facilities and foster homes for a District/Agency.
W	Congregate Care Summary List Report	Lists accepted-active and emergency congregate care facilities for a District/Agency.
W	Out of Home Settings with Therapeutic Program Type	Lists facilities that have a therapeutic program. Note: Not all children in these facilities receive therapeutic services.
W	Foster Home Reauthorization Coming Due	Lists accepted-active and emergency foster homes that require reauthorization during a specific time period.
W	Facility Status Change History with Closure Reason Code	Provides a detailed list of when the status of a facility changed.
W	Closed Facility Report	Lists congregate care facilities and foster homes that closed in the past 3 months for a District/Agency.
W	Closed and Transferred Home Detail	Provides a list of foster homes that have closed or transferred agencies since 2001.
W	Foster Parent Training	Lists the most recent training class that foster/adoptive home members attended and all trainings within 12 months of the most recent one. Only members over age 18 from Accepted-Active or Emergency status homes are included.

<b>Vacancy Control Reports</b>		
Contains reports about temporarily unavailable beds and vacant beds in NYC		
D	Temporarily Unavailable Beds Report 1 - Borough Community District Summary	Displays the temporarily unavailable FBH beds for all Community Districts within a specific Borough. (A historical version with date prompt is also available.)
D	Temporarily Unavailable Beds Report 2 - Agencies Within Community District by Borough	Displays the temporarily unavailable FBH beds for all agencies within a specific Community District. (A historical version with date prompt is also available.)

## OCFS Data Warehouse Predefined Reports

*Note: The letter next to the report name refers to whether the data for the report is refreshed daily (D), weekly (W), monthly (M), or annually (Y).*

Reports shaded in gray are still in development.

<b>Vacancy Control Reports</b>		
Contains reports about temporarily unavailable beds and vacant beds in NYC		
D	Temporarily Unavailable Beds Report 3 - Agency Facility Summary Within Community District by Borough	Displays the temporarily unavailable FBH beds for all facilities associated with a specific agency. (A historical version with date prompt is also available.)
D	Temporarily Unavailable Beds Report 4 - Agency Organization Report by Borough and Community District	Displays the temporarily unavailable FBH beds for all Community District associated with a specific agency. (A historical version with date prompt is also available.)
D	Temporarily Unavailable Beds Report 5 - Facility Detail Report	Displays detailed temporarily unavailable FBH bed status for a specific facility. (A historical version with date prompt is also available.)
D	Vacancy Control Report 1 - Borough Community District Summary	Displays the vacant FBH beds for all Community Districts within a specific Borough. (A historical version with date prompt is also available.)
D	Vacancy Control Report 2 - Agencies Within Community District by Borough	Displays the vacant FBH beds for all agencies within a specific Community District. (A historical version with date prompt is also available.)
D	Vacancy Control Report 3 - Agency Facility Summary Within Community District by Borough	Displays the vacant FBH beds for all facilities associated with a specific agency. (A historical version with date prompt is also available.)
D	Vacancy Control Report 4 - Agency Organization Report by Borough and Community District	Displays the vacant FBH beds for all Community District associated with a specific agency. (A historical version with date prompt is also available.)
D	Vacancy Control Report 5 - Facility Detail Report	Displays detailed vacant FBH bed status for a specific facility. (A historical version with date prompt is also available.)

<b>CFSR Program Improvement Plan</b>		
Contains reports about the six National Indicators		
Y	AFCARS First-Time-Entry Summary Data Profile	Provides information on placement, permanency goals, and length of stay for children entering care for the first time, as part of the AFCARS data submission.
Y	AFCARS Point-In-Time Summary Data Profile	Provides information on placement, permanency goals, and length of stay for children in care, as part of the AFCARS data submission.

## OCFS Data Warehouse Predefined Reports

*Note: The letter next to the report name refers to whether the data for the report is refreshed daily (D), weekly (W), monthly (M), or annually (Y).*

Reports shaded in gray are still in development.

<b>CFSR Program Improvement Plan</b>		
Contains reports about the six National Indicators		
Y	Six National Indicators (1999 – 2006)	Displays success rates of six indicators for each District – Length of Time to Adoption, Recurrence of Maltreatment, Incidence of Abuse/Neglect in FC, Length of Time to Reunification, Stability of Placement, and Re-entry to FC. Based on the Federal Fiscal Year (Oct 1 - Sept 30).
