## **Children in Care 9-30-04 by Location, Agency and District**

The data in the spreadsheet documents the inter-relationships between local districts and voluntary (foster care) agencies.

### **Column definitions:**

- ***District with Custody*** - A numeric code corresponding to the Local Social Services District having legal custody of the children counted in Column "G" (e.g., 001 = Albany DSS)
- ***Agency Where Placed*** - The CCRS code corresponding to the Voluntary Agency in which the children in Column "G" are placed. The local district's own programs are also listed.
- ***Agency Where Placed Name*** - The name of the Voluntary Agency in which the children in Column "G" are placed. The local district's own programs are also listed.
- ***Agency Location*** - The location of the corporate headquarters of the Agency or District listed in Column "C"
- ***Facility Type*** - The CCRS facility designation in which the children counted in Column "G" are placed. A given agency may have multiple facility types and locations
- ***Facility Location*** - The location of the specified facility type from column "E". A given agency may have multiple facility types and locations
- ***Child Count*** - The number of children placed in the specified Facility Type and Location for the Agency and District. For example, two children in the legal custody of Albany DSS are placed in the Anderson School's "Other" program located in Dutchess County
