Topic: Migration of the “dfa.state.ny.us” mail servers to 10.70.140.65

Contact(s): Your OFT Customer Relations representative, or call 1-866-789-4OFT

HSEN is planning to migrate the “dfa.state.ny.us” mail servers to 10.70.140.65 on Friday, March 18th at 7 am.

This will only affect counties that have had an NIS.

If you do NOT have an NIS, this will NOT affect you.

This also does NOT affect State HSEN PCs.

If you have an NIS and transfer NYS DNS zones, your County may be affected.

Zones that will experience a change are:

dfa.state.ny.us

labor.state.ny.us

ocfs.state.ny.us

otda.state.ny.us

If local traffic that is destined for 10.70.140.65 already routes to the State, you should not be affected.

If local traffic that is destined for 10.70.140.65 does not route to the State, we recommend that you add a route for 10.70.0.0/16 destined for your State NIS connection.

If you have any issues please call the Enterprise Help Desk at 1-800-697-1323
