

~ The CONNECTIONS WEEKLY ~
November 30 – December 7, 2007

NOTICE: OFT Customer Relations Memo: Emergency SAN Volume Controller Repair...

On Sunday, December 2, 2007, from 3 AM until 9 AM, OFT IATS will be performing an emergency repair to the IBM Storage Area Network (SAN) Volume Controller clusters. This repair may affect your agency's use of NYSeMail during this time period. Please read the OFT Customer Memo posted on the OFT Customer Relations site at: <http://sdc.of.state.nyenet/crcc/>

OFT Customer Relations Memo: Statewide DNS Platform Change...

Beginning December 7, 2007 CIO/OFT will be retiring the current Statewide DNS servers configured with the names and IP addresses listed below.

Retiring: NS6 - 10.48.0.6
NS7 - 10.48.0.157 and 10.48.0.158

A letter announcing the new Statewide Domain Name Services (DNS) Platform was issued on October 16, 2007. A copy of the letter, with instructions on converting and testing the new DNS platform, is attached to the OFT Customer Relations Memo for your reference. Please read the OFT Customer Memo posted on the OFT Customer Relations site at: <http://sdc.of.state.nyenet/crcc/>

ATTENTION: The OCFS Data Warehouse Team is closing ReportNet...

Now that Cognos 8 is up-and-running, the OCFS Data Warehouse Team is closing the older ReportNet environment. All district, agency, regional office, and State staff should be using Cognos 8 to access the predefined reports and data packages that were in ReportNet. From now on, new users will receive access to the Cognos 8 environment only.

For more information on Cognos 8, visit the Intranet site at <http://ocfs.state.nyenet/connect/datawarehouse> or email the Data Warehouse Team at data.warehouse@ocfs.state.ny.us.

Attention ReportNet users: The Data Warehouse team will be sending out an email sometime in the next month or so, with instructions on what to do with reports in the
