

CONNECTIONS Weekly Technical Bulletin

Issue with Activities Management Quarterly Reports

Two of the quarterly Activities Management Reports that are derived from the Activities Window (formerly CCRS) were run for the wrong time period. These reports are:

- *Quarterly Summary of Characteristics of Children in Foster Care Report*
- *Quarterly Detailed Demographics of Children in Foster Care Report*

Both of these quarterly reports should have been run for the period between 10/02/2014 and 12/31/2014, but instead were run for 4/01/2013 to 6/30/2013.

Reports run for the incorrect time period may be discarded. New reports for the correct time period will be generated starting 2/05.
