

CONNECTIONS Weekly Technical Bulletin

CONNECTIONS Database Move Completed

Work involved in relocating the CONNECTIONS database infrastructure was completed over the weekend of July 17.

Noisy Alerts Active as of July 22

Noisy Alert functionality used by the Statewide Central Register to alert local districts to the presence of a new Child Abuse or Neglect Report was disabled earlier in the week. As of the morning of Wednesday, July 22, all Noisy Alert functionality should be back in operation.

Updated NYTD Tip Sheet Now Available

An updated version of the National Youth in Transition Database (NYTD) Reporting Requirements tip sheet is now available, revised in July 2015. The tip sheet can be accessed at the following links:
