

## CONNECTIONS WEEKLY

June 17-24, 2005

### ***The Revised CONNECTIONS Build 18 Job Aid on Interfaces Is Here!***

In light of feed back from our valued users, as well as ideas from the CONNECTIONS Regional Implementation team, we have revised the CONNECTIONS Build 18 Interfaces Job Aid. The revised version was communicated to Implementation Coordinators and Directors of Services and is posted on the CONNECTIONS website on the Desk & Job Aids page.

### ***Build 18.3 Is on the Horizon...***

Just a quick reminder, the Build 18.3 planned implementation date is Friday, June 24<sup>th</sup>. Information related to the content of the Build will be forwarded on Monday, June 20<sup>th</sup>.

### ***Just a Reminder....CONNECTIONS Help***

For many of you this may serve as a reminder, but it doesn't hurt hearing it again! Remember, there is direct 'help' in the CONNECTIONS application. You just need to click on the icon and ask away!

### ***"Quick Tip"...***

#### ***JD/PINS Cases...***

In a JD/PINS case, only the child to whom services are being provided must be tracked. The other children will appear in the child scales and the worker may opt to complete the information, but is not required.
