

CONNECTIONS Clue

Use a Specialty Path and you don't need an assignment to a case to enter Health Services information...

When support staff have the responsibility of entering Health Services information they do not need to be assigned a role in the case. They only need the security Business Functions of Maintain Health and Case/Prsn Srch.

1. Select Search/Maintain dropdown
2. Select Case/Stage ID
3. Select Search
4. Select Case/Stage returned on Case List
5. Select Case Summary from newly displayed tabs
6. Select Stage Events from newly displayed tabs
7. Select correct stage; the Health Services link in the navigation pane will enable.
8. Select the Health Services link; the Health window will display.
