

JOB IMPACT STATEMENT

The regulations address various functions of social services districts, the St. Regis Mohawk Tribe and voluntary authorized agencies in relation to achieving permanency for children in foster care. It is anticipated that these functions will be assumed by the current staff of such agencies and that the regulations will not have a substantial impact on jobs or employment opportunities in either public or private child welfare agencies. A full job statement has not been prepared for the regulations that are implementing Chapter 3 of the Laws of 2005. The regulations would not result in the loss of any jobs.
