

SSPS Phase II-A Regional Training Information

What is SSPS Phase II-A?:

SSPS Phase II-A enhances BICS to provide for voluntary agency payments providing the same functionality that is currently available for direct foster care and adoption subsidy payments. Voluntary agency payments will be based on rate tables as well as providing functionality for retroactive payment and retroactive claiming.

What is the regional training for SSPS Phase II-A?

The regional training will consist of a one-day session where the enhancements to BICS under SSPS Phase II-A will be discussed. There will be on-site training at both ACS and the Erie County pilot sites.
