Section 2

I. Purpose

The purpose of this Local Commissioners Memorandum (LCM) is to issue the CSE Maintenance Rates for SED approved private schools located out-of-state. These CSE Maintenance Rates are effective for the period July 1, 2001 to June 30, 2002.

II. Background

Annually, the Office of Children and Family Services (Office) issues out-of-state CSE Maintenance Rates to local social services districts advising them of the approved rates. These rates are promulgated by other states, recommended by SED, and approved and accepted by this Office. Rates contained in the attached rate chart must be used by local social services districts as the basis for making CSE Maintenance payments for children

approved by SED for residential placements in out-of-state private schools. Issuance of and payment responsibilities for these rates is governed by Section 4405 of Education Law.

III. Program Implications

The CSE Maintenance Rates published in the attached chart are 12-month rates except where noted. The social services district where the child is a legal resident is responsible for the 10-month CSE Maintenance payment, and the local school district placing the child is responsible for the 10-month CSE tuition payment. The social services district is not responsible for either maintenance or tuition payments for CSE summer school placements.

The CSE Maintenance Rates in the attached chart are the rates that must be paid for eligible children. These rates are not negotiable pursuant to Section 4405 of Education Law.

IV. Other

Copies of this LCM should be shared with Child Welfare Staff and Accounting Supervisors.
