NEW YORK STATE
OFFICE OF CHILDREN AND FAMILY SERVICES
Board Of Directors Profile

Not-For-Profit Organizations

INSTRUCTIONS FOR BOARD OF DIRECTORS PROFILE FORM

The Board of Directors Profile form, OCFS-4552, must be completed. This includes name, address, email, current occupation and employer, position on the board and board chairperson's signature and date (or the signature of the board chairperson's designee). See the example on the following page.

The outlined points noted below must be followed with regard to the board of directors for not-for-profit organizations.

- **For the purposes of this Request for Proposal, the number of members on the board of directors must not be less than three (3).**
- Be sure ALL columns are filled in for each board member; list both occupation and employer for each board member. If one or more board members are retired, or otherwise not employed (ex.: "community volunteer," or "homemaker"), please note that status in the second column as well as their previous or current occupation. If the board member is self-employed, the name and nature of their business must be included.
- Where the corporation is licensed by OCFS to operate residential facilities for victims of domestic violence, no board member (including non-voting, ex-officio members) of the corporation may be a paid employee of the applicant organization. This provision is non-waivable, and applies even if the contract in question is for an activity other than the operation of a residential facility for victims of domestic violence. If the *Board of Directors Profile* submitted lists a paid employee as a member of the board of directors, the contract cannot be approved until that individual is removed from the *Board of Directors Profile*.
- No paid employee of a corporation requiring OCFS approval to incorporate may sit on the agency's board, except that the CEO of a voluntary authorized agency may be a non-voting member of the board. There is no waiver available for this scenario. If the *Board of Directors Profile* for a voluntary authorized agency lists a paid employee other than the CEO as a member of the board of directors, the contract cannot be approved until that individual is removed from the *Board of Directors Profile*. If the *Board of Directors Profile* for a voluntary authorized agency lists a CEO as a member of the board, and does not specify that the CEO is a non-voting board member, the contract cannot be approved until the status of the CEO as a non-voting board member is specified in the Board of Directors Profile.
- Board members must avoid transactions involving the applicant organization in which they personally benefit or which create the appearance that they could personally benefit. Board members who are employed by government organizations must avoid situations in which they could use their official position or capacity for the benefit of the applicant organization or which create the appearance that they could use their official position or capacity for the benefit of the applicant organization. As such, OCFS will examine situations where social services district or other county employees serve as members on a corporation's board of directors. OCFS will determine whether a conflict of interest or appearance of impropriety exists, and how, if at all, it can be rectified such that the individual can remain a board member.
- For any board member employed by the local social services district or other county government agency whose board of directors services presents a potential conflict of interest or appearance of impropriety, a letter must be submitted with this application from the county ethics board, county attorney or other appropriate local entity, stating that their service on the board does not constitute a conflict or otherwise violate applicable ethics provisions. OCFS will review the information submitted and advise the applicant organization accordingly. OCFS may request additional information in instances in which the potential for a conflict of interest or appearance of impropriety arises.
- You can attach a board listing, using a different form, as long as you use the OCFS form as your first page, entering "See attached list" under number 1, and entering your agency name, date, and board chairperson's signature on the OCFS form.
- If you attach a board listing, using a different form, make sure all the required information on the OCFS form is conveyed on the attached form.
