## APPENDIX M

### Reasonable Distance, Very Low Income, Family Share, Case Closing and Openings, Recertification Period, Fraud and Abuse Control Activities (Required)

---

#### Reasonable Distance

Define “reasonable distance” based on community standards for determining accessible child care.

The following defines “reasonable distance”: 45 miles one way from home to work activity, with a stop at a child care provider.

Describe any steps/consultations made to arrive at your definition: The farthest distance a participant would be required to travel to an activity is 35 miles. Based on the location of child care providers and activity sites, 10 miles added to stop at child care provider.

#### Very Low Income

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 160% of the State Income Standard.

#### Family Share

“Family share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. In establishing family share, your district must select a percentage from 10% to 35% to use in calculating the family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the county 10%.

**Note:** The percentage selected here must match the percentage selected in Title XX Program Matrix in WMS.

#### Case Closings

The district must describe below how priority is given to federally mandated priorities and describe local priorities. If all NYSCCBG funds are committed, the district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Describe below how districts will select cases to be closed in the event that there are insufficient or no funds available.

1. Identification of local priorities in addition to the required federal priorities (select one).
  - The district has identified local priorities in addition to the required federal priorities (Complete Section 2)
  - The district has not identified local priorities in addition to the required federal priorities (Complete Section 3).
2. Describe how priority is given to federally mandated priorities and describe local priorities. If all NYSCCBG funds are committed, the district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Describe in the space below how the district will select cases to be closed in the event that there are insufficient or no funds available.
  - a. The district will select cases to be closed based ONLY on income.

- No.
- Yes. Check 1 or 2 below.
- 1)  The district will close cases from the highest income to lowest income.

- Very low income     Rank 1     Rank 2
- Families that have a child with special needs     Rank 1     Rank 2
- 3.** If all NYSCCBG funds are committed, case closings for families that are not eligible under a child care guarantee and are not a federally mandated priority must be based on the length of time in receipt of services. The length of time used to close cases may be based either on the shortest or longest time the family has received child care services, but must be consistent for all families.
- a.** Identify how the district will prioritize federal priorities. Cases that are ranked 1 will be closed last.
- Very low income     Rank 1     Rank 2
- Families that have a child with special needs     Rank 1     Rank 2

The district will close cases based on the federal priorities and the amount of time the family has been receiving child care services.

Shortest time receiving child care services

### Transportation, Differential Payment Rates, Enhanced Market Rate for Legally-Exempt and In-Home Providers, and Sleep (Optional)

---

#### Transportation

Describe any circumstances and limitations your county will use to reimburse for transportation. - Limitations to the above differentials:

Payments may not exceed 15% above market rate. However, if your district wishes to establish a payment rate that is more than 15% above the applicable market rate, describe below why the 15% maximum is insufficient to provide access within the district to accredited programs and/or care provided during non-traditional hours.

#### Enhanced Market Rate for Legally-Exempt Family and In-Home Child Care Providers
