APPENDIX M

Reasonable Distance, Very Low Income, Family Share, Case Closing and Openings, Recertification Period, Fraud and Abuse Control Activities (Required)

Reasonable Distance

Define “reasonable distance” based on community standards for determining accessible child care.

The following defines “reasonable distance”: Reasonable distance is child care available within a fifteen-mile radius of the parent's workplace.

Describe any steps/consultations made to arrive at your definition: Sullivan County explores the issues of child care at initial assessment. A contract with the Center for Workforce Development exists to implement the County's employment services. Sullivan is a primarily rural county, necessitating flexibility regarding "reasonable distance."

Very Low Income

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 100% of the State Income Standard.

Family Share

“Family share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. In establishing family share, your district must select a percentage from 10% to 35% to use in calculating the family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the county 35%.

Note: The percentage selected here must match the percentage selected in Title XX Program Matrix in WMS.

Case Closings

The district must describe below how priority is given to federally mandated priorities and describe local priorities. If all NYSCCBG funds are committed, the district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Describe below how districts will select cases to be closed in the event that there are insufficient or no funds available.

1. Identification of local priorities in addition to the required federal priorities (select one).

- The district has identified local priorities in addition to the required federal priorities (Complete Section 2)
- The district has not identified local priorities in addition to the required federal priorities (Complete Section 3).

2. Describe how priority is given to federally mandated priorities and describe local priorities. If all NYSCCBG funds are committed, the district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Describe in the space below how the district will select cases to be closed in the event that there are insufficient or no funds available.

a. The district will select cases to be closed based ONLY on income.

Very low income Rank 1 Rank 2

Families that have a child with special needs Rank 1 Rank 2

3. If all NYSCCBG funds are committed, case closings for families that are not eligible under a child care guarantee and are not a federally mandated priority must be based on the length of time in receipt of services. The length of time used to close cases may be based either on the shortest or longest time the family has received child care services, but must be consistent for all families.
- a. Identify how the district will prioritize federal priorities. Cases that are ranked 1 will be closed last.
- Very low income Rank 1 Rank 2
- Families that have a child with special needs Rank 1 Rank 2
- b. The district will close cases based on the federal priorities and the amount of time the family has been receiving child care services.

6. The district will establish a waiting list when there are not sufficient funds to open all eligible cases.
- No.
- Yes. Describe how these cases will be selected to be opened when funds become available:

The district's recertification period is every six months twelve months

Fraud and Abuse Control Activities

Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payment in addition to procedures for referring such applications to the district's front-end detection system.

The CCC's Eligibility Specialist (ES) meets face to face with subsidy applicants. All original documents submitted for the application are verified unless otherwise directed by the County. Referrals are made to the Special Investigations unit by the Child Care unit, the DFS fiscal office, Employment and TA/MA/FS workers. There is a designated form that is used when there is suspicion of fraud or the finding of discrepancies.

Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

Sullivan County conducts child care certifications every six months of all subsidy recipients. The recipient is required to provide verification of the need for continued child care services including, but not limited to, wage stubs, school verification and medical documents.

Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

Due to the small size of the County and the ES's familiarity with the child care providers and the families, the CACFP Coordinator, Registrar and Subsidy Specialist, who are all located in the same office, regularly confer if any information regarding the providers conflicts with their records. The providers' status is also discussed at monthly staff meetings. Legally exempt providers who are enrolled in CACFP are required to provide a schedule of when the children attend and what meals are being provided. The Child Care Council does an unannounced visit with the provider three times per year. The provider must provide verification of the meals served and the children's attendance.

APPENDIX N

5. Describe the steps for evaluating whether the additional local standard has been met.

A. A legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours a week is required to participate in the Child and Adult Care Feeding Program (CACFP) as a condition of enrollment to provide child care subsidized by the Sullivan County Department of Family Services (DFS). All legally-exempt family child care providers will be required to sign the Sullivan County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form (to be created) to initiate the enrollment process. The enrollment packet for any provider of legally-exempt family child care will be considered “incomplete” if the Sullivan County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form is not signed and submitted with the enrollment packet.

The Sullivan County DFS will consider a legally-exempt family child care provider to be “compliant” and meeting the Sullivan County additional local enrollment standard of participation in CACFP when:

1. The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week has completed, signed, dated and submitted the Sullivan County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form as a part of the “Enrollment Form for Provider of Legally-Exempt Family Child Care” (OCFS-LDSS- 4699) to the EA, which is the Sullivan County Child Care Council, Inc. (SCCCC); and

2. The legally exempt family child care provider caring for a subsidized child an average of 30 or more hours per week has enrolled with the CACFP program including signing the CACFP Pre-Approval checklist (CACFP-106) and the Continuous Application and Agreement for Day Care Homes Participation (DOH-3705) and has completed the follow-up visit with CACFP, all within the CACFP required time frames; and

3. The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week fully cooperates with all requirements of CACFP, including inspections and/or follow-up visits; and

4. The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week begins claiming CACFP reimbursement no later than the month following the sign-up date and continues to submit monthly claims to CACFP on a timely basis.

B. The Sullivan County Child Care Council, Inc. will consider the legally-exempt family child care provider “non-compliant” and NOT meeting the Sullivan County additional local enrollment standard for participation in CACFP when:

1. The legally-exempt family child care provider does not submit a completed Sullivan County Legally-Exempt Family Child Care Additional Standard Acknowledgement Agreement form; and/or

2. The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week refuses to sign up for CACFP; and/or

3. The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week does not cooperate with any part of the CACFP enrollment process; and/or

4. The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week does not remain in compliance with the CACFP regulations; and/or

5. The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week fails to cooperate with any CACFP inspection or home visit; and/or

6. The legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week fails to submit monthly claims to CACFP on a timely basis; and/or

7. The legally-exempt family child care provider, which was not initially required to participate in CACFP due to providing child care an average of less than 30 hours per week, fails to notify the EA of an increase in hours of care which would require the legally-exempt family child care provider to comply with the additional standard; and/or

8. The legally-exempt family child care provider which changes location of care –and provides an average of 30 hours or more of child care per week fails to notify the Sullivan County DFS, the EA and CACFP of the change.

Any legally-exempt family child care provider caring for a subsidized child an average of 30 or more hours per week which does not participate with the Sullivan County additional local standard for enrollment described above is non-compliant and considered to be ineligible to provide subsidized child care to Sullivan County DFS. No subsidy payments will be issued for care provided by such providers who are non-compliant with the requirement to participate in CACFP.

The provider is noncompliant with the additional standard for participation with CACFP when the provider has signed the legally-exempt family child care additional standard agreement and the provider fails to participate fully with CACFP. When the provider is non-compliant the additional standard is not met and the provider will not be eligible for payment for child care services provided retro-active to the first date child care services were provided.

6. Indicate how frequently reviews of the additional standard will be conducted. Check all that apply.

Legally-Exempt Programs:

- Initial enrollment During the 12-month enrollment period
 Re-enrollment Other

7. In the space below, described the procedures the district will use to notify the Legally-Exempt Caregiver Enrollment Agency (EA) as to whether the legally-exempt provider is in compliance with the additional local standards. Districts must notify the EA within 25 days from the date they received the referral from the EA. (Districts need to describe this procedure only if the additional local standard is applied to legally-exempt child care providers.)

The Sullivan County Child Care Council, Inc. is the EA and as such is responsible for the legally exempt enrollment services and administering the CACFP. The District will require the EA to submit quarterly reports of compliance and non-compliance with the additional local standard.

a. Once the EA fully enrolls a provider who is required to participate in CACFP due to caring for a subsidized child an average of 30 or more hours per week, the EA will notify CACFP by providing them with the completed CACFP Additional Standard Tracking form (to be created).

b. Within approximately 5 business days of notification CACFP will notify the EA whether the legally-exempt family child care provider is or is not “actively participating” in CACFP via the CACFP Additional Standard Tracking form.

C . Information from the Additional Standard Tracking forms will be summarized by the Sullivan County Child Care Council, Inc. and submitted to the District for review and approval on a quarterly basis.

8. Describe the justification for the additional standard in the space below.

Implementation of the additional standard will occur at re-enrollment of existing enrolled providers and with all new enrollments. The additional standard will aid in improving the health and nutrition of children cared for by Legally Exempt Family Child Care Providers receiving subsidy payments within the district. Implementation of the additional standard will also create an opportunity to better monitor legally exempt family child care homes for verification of care as well as quality of care.
