

**Amendment Log****New York  
2014**

<b>Section Amended</b>	<b>Amendment Number</b>	<b>Summary of Amendment</b>	<b>Effective / Proposed Effective Date</b>	<b>Initial Date Submitted to ACF (Date Certified)</b>	<b>Final Date Submitted to ACF (Date Certified)</b>	<b>Date Approved by ACF</b>
2.7.1	1	The State Plan is revised to reflect that the child care market rates were adjusted effective April 1, 2014 based on a survey of regulated child care providers in New York State conducted during the period February through July 2013. These rate adjustments were enacted into State regulation, effective April 1, 2014.	04/01/2014	05/20/2014	05/20/2014	06/23/2014
2.7.3	1	Revised the description of the market rate survey sample to reflect the composition by provider type and county cluster group of the final sample of 4,474 New York State providers that completed a telephone Child Care Rate Survey during the period from February through July 2013.	04/01/2014	05/20/2014	05/20/2014	06/23/2014
2.7.4a	1	Adjustments are made to the child care market rates based on New York State's market rate survey that was conducted from February through July, 2013.	04/01/2014	05/20/2014	05/20/2014	06/23/2014
2.7.4b	1	Adjustments are made to the child care market rates based on New York State's market rate survey that was conducted from February through July, 2013.	04/01/2014	05/20/2014	05/20/2014	06/23/2014
2.7.4c	1	Adjustments are made to the child care market rates based on New York State's market rate survey that was conducted from February through July, 2013.	04/01/2014	05/20/2014	05/20/2014	06/23/2014
2.7.4d	1	Adjustments are made to the child care market rates based on New York State's market rate survey that was conducted from February through July, 2013.	04/01/2014	05/20/2014	05/20/2014	06/23/2014
2.7.5	1	The State Plan is revised to reflect that the payment rate ceilings for license-exempt providers are the same as the payment rate ceilings for licensed day care providers, which are set at the 69th percentile.	04/01/2014	05/20/2014	05/20/2014	06/23/2014
2.7.9	1	Revised the explanation to reflect that the child care market rates were adjusted effective April 1, 2014, based on a survey of regulated child care providers in New York State conducted during the period February through July 2013. Also changed the verb tense in the first sentence from future tense to past tense to reflect the fact that adjustments to the child care market rates based on New York State's market rate survey during the period February through July 2013, became effective on April 1, 2014 and are attached as Attachment 2.7.3.	04/01/2014	05/20/2014	05/20/2014	06/23/2014
