Transmittal No: 90 LCM-49

Date: April 9, 1990

Division: Medical Assistance

TO: Local District Commissioners

SUBJECT: WINR5265 - PRESUMPTIVE PRENATAL CASES DUE FOR ELIGIBILITY
DETERMINATIONS.

WINR5266 - PRESUMPTIVE PRENATAL CASES OVERDUE FOR ELIGIBILITY
DETERMINATIONS

ATTACHMENTS: There are no attachments to this LCM.

This is to inform you that the weekly WINR5265 Report is scheduled to be available in local districts effective Monday, April 16, 1990, and the monthly WINR5266 is scheduled to be available effective Monday, May 14, 1990. Therefore, local district MA Directors should contact their BICS coordinator to obtain these reports.

The WINR5265 Report will provide upstate districts with a weekly listing of MA cases containing pregnant women with MA Coverage Codes 13 (Presumptive Eligibility - Prenatal Care A) and 14 (Presumptive Eligibility - Prenatal Care B) who are nearing the end of the 45 day presumptive coverage period. The purpose of the report is to alert MA staff that such individuals will require MA eligibility determination by the date specified on the report. The individuals appearing on the report will become due for eligibility determination during the two week period following the report date.

The WINR5266 Report will provide upstate districts with a monthly listing of MA cases containing pregnant women with MA Coverage Codes 13 and 14 whose 45 day presumptive MA coverage period has expired. The purpose of the report is to alert MA staff that such cases are overdue for eligibility determination as of the report date.
