Date: September 5, 1990

Division: Income Maintenance

TO: Local District Commissioners

SUBJECT: New York State Plan for Coordination of Training, Employment
and Related Programs

ATTACHMENTS: NYS Plan for Coordination of Training, Employment
and Related Programs - not available on-line.

Attached is a copy of the New York State Plan for Coordination of Training, Employment and Related Programs for the period July 1, 1990 - June 30, 1992. This Plan identifies the goals and objectives for the State's workforce preparation programs and seeks to provide a framework for improving service delivery to individuals and employers in our State.

As the implementation of the Job Opportunities and Basic Skills Training (JOBS) Program will depend heavily upon the coordination of client services across social services, job training, and education agencies, we urge you to share the Governor's Coordination Plan with local department of social services staff involved in the preparation of the local JOBS Plan. In particular, we would like to draw your attention to Pages 16 and 17 which identify a number of program objectives for improving the economic self-sufficiency prospects for public assistance recipients.

Questions concerning the Governor's Plan can be directed to Joseph Capobianco at 1-800-342-4100, extension 4-9287.
