I. Purpose

The purpose of this Local Commissioners Memorandum (LCM) is to issue the Maximum State Aid Rates (MSARs) for Foster Care Programs and the In-State Committee on Special Education (CSE) Maintenance Rates for State Education Department (SED) approved Residential Schools for the period July 1, 2005, to June 30, 2006. This LCM also includes Foster Care Maintenance Rates currently in effect for Long-Term Residential Chemical Dependency Programs licensed by the State's Office of Alcoholism and Substance Abuse Services (OASAS).

II. Background

Annually, the Office of Children and Family Services (OCFS) issues MSARs and CSE Maintenance Rates to local social services districts (LSSDs) advising them of the methodology approved by the State's Division of Budget. The MSARs provide a maximum reimbursement rate for State and Federal claiming purposes.

MSARs may be used by LSSDs in negotiating contracts with authorized foster care providers, pursuant to Social Services Law §398-a and 18 New York State Codes, Rules and Regulations (NYCRR) 427. The new minimum payment requirements, pursuant to Section 398-a (2-a) of the Social Services Law (SSL), require LSSDs to pay at least the MSARs established by OCFS for each congregate care rate and for each administrative/services rate for a therapeutic, special needs, or emergency foster home programs, except in limited circumstances. This requirement is phased in over a two-year period. The details of the new requirement are specified in 05-OCFS-ADM-04.

CSE Maintenance Rates must be used as the basis for making payments for children placed by local school districts into SED-approved residential schools, pursuant to sections 4402 and 4405 of Education Law.

Rates for Long-Term Residential Chemical Dependency (RCD) Programs licensed by OASAS must be used for foster children placed in such settings, pursuant to SSL §398(6)(g)(2), based upon a foster care rate methodology agreed to in 1993 between OASAS and the State Department of Social Services (now OCFS). This LCM includes the most currently available Foster Care Maintenance Rates for these Title IV-E eligible OASAS programs for youth.

III. Program Implications

A. MSARs and In-State CSE Maintenance Rates for Group Care Programs: The following policies are applicable to all MSARs and In-State CSE Maintenance Rates that were calculated for the effective period July 1, 2005, through June 30, 2006:

1. MSARs for Group Care: The following aggregate growth factors were used in the calculation of MSARs for group care programs:

- a. Personal Service (PS): The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 5.3 percent for PS, which includes an aggregate increase of 2.75 percent for 2005-2006.
 - b. Other-Than–Personal Service (OTPS): The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 10.7 percent for OTPS, which includes an aggregate increase of 5.9 percent for 2005-2006.
2. In-State CSE Maintenance Rates: The In-State CSE Maintenance Rates for Special Act School Districts and on-campus schools affiliated with Article 81 institutions is composed of the 2005-2006 MSAR for the institution program plus the 2004-2005 Medical per diem established by the Department of Health (DOH). When the 2005-2006 Medical per diems are approved by DOH, the In-State CSE Maintenance Rates will be revised to reflect those changes.

The LSSD where the child is a legal resident is responsible for the 10-month CSE maintenance payment, in the first instance. Changes in the Education Law and SSL brought about by passage of Chapter 62 of the Laws of 2003 provide that the school district of residence must reimburse the LSSD for 20 percent of the maintenance costs for such children. Pursuant to the 2003 amendments, the local school district placing the child will be responsible for the 10-month CSE tuition payment and a portion of the 10-month CSE maintenance payment. The LSSD is not responsible for either the maintenance or tuition payments for CSE summer school placements.

03-OCFS-LCM-22 and 04-OCFS-LCM-13 provided specific information regarding the procedures for implementing these statutory amendments.

CSE Maintenance Rates for children placed by local school districts are not negotiable and must be paid as published.

3. Program Classification Reviews: For group care settings, OCFS is continuing its policy of allowing program rate classification self-surveys in response to requests from agencies that claim their populations have changed.
4. Capital Projects for Congregate Care Facilities Operated by Voluntary Agencies: Chapter 472 of the Laws of 2004 authorizes capital financing through the Dormitory Authority of the State of New York (DASNY) to improve the health and safety of residents in residential institutions operated by voluntary agencies for which OCFS establishes a maintenance rate. However, this financing will not be an appropriate mechanism for some congregate care programs that currently want to improve their programs. Thus, OCFS has approved a policy to recalculate an MSAR for an OCFS-licensed congregate care program to support a capital project that is required to replace or reconfigure residences, either to address the health and safety needs of children or to meet the clinical requirements of specialized populations. The application procedures for both the DASNY financing and this

separate capital project rate setting process, as well as the payment/claiming mechanisms, will be specified in a separate communication.

B. MSARs for Foster Boarding Home (FBH) Programs: The following policies are applicable to the FBH rates that were calculated for the effective period July 1, 2005, through June 30, 2006:

1. Payments to Agencies: The following aggregate growth factors were used in the calculation of MSARs for the agency component of the FBH programs:
 - a. PS: The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 5.3 percent for PS, which includes an aggregate increase of 2.75 percent for 2005-2006.
 - b. OTPS: The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 16.8 percent for OTPS, which includes an aggregate increase of 6.9 percent for 2005-2006.
2. Property Cost Transfer Policy: OCFS is continuing its policy of supporting an offset of an FBH program's property deficit with available dollars that are not being spent in the program's administrative cost center. In the 2005-06 rate calculations, the offset is automatically calculated, which means the published MSAR will reflect the property transfer of available growth in the administrative component of each agency's FBH program rate, to offset any overage of property expenditures.
3. Payments to Foster Parents: The 2005-2006 policies regarding MSARs related to pass-through payments for the foster parent components of the FBH program are as follows:
 - a. Basic Room and Board Payment to Foster or Adoptive Parents: A growth factor of 4.4 percent was applied to the MSARs for basic room and board payments to foster or adoptive parents in 2005-2006, including MSARs for adoption subsidy payments for adoptions finalized prior to July 1, 1987.
 - b. Clothing Allowance: A growth factor of 8.8 percent was applied to the MSARs for clothing allowances paid to foster parents in 2005-2006.
 - c. Diaper Allowance: A growth factor of 8.8 percent was applied to the MSARs for diaper allowance payments made to foster parents in 2005-2006 for infants from birth through three years of age.
 - d. Payments to Foster Parents for Emergency Placements: The MSAR for this type of payment for 2005-2006 is calculated as 200 percent of the 2005-2006 MSAR for a non-special or non-exceptional child.
 - e. AIDS Per Diem Add-On: The \$15 AIDS per diem add-on remains in effect for 2005-2006 for children with HIV/AIDS placed in regular FBH programs. The

treatment of the \$15 per diem revenue for rate setting purposes is as follows: revenue from the \$15 AIDS per diem was subtracted from the allowable direct care costs for each FBH program, and the adjusted costs were compared with the direct care parameter to determine the rate base.

- f. Finder's Fee for New Foster Homes: OCFS is continuing the policy of allowing LSSDs to pay a voluntary finder's fee of up to \$200 to existing foster parents who recruit new foster parents. For detailed information regarding how to apply this policy, please refer to Chapter 8, Section G, of the Standards of Payment for Foster Care of Children Program Manual.
- C. IT CONNECTIONS Specialists: OCFS has approved a policy that includes additional technology specialists in each MSAR for the purpose of assisting voluntary agencies with CONNECTIONS implementation. The basis for determining an amount to include in the MSAR for each program was a projection of one IT specialist for every twenty-five CONNECTIONS workers.
- D. Rate Stabilization for New Programs: OCFS is continuing the rate stabilization policy for all new programs for which we are first using historical program expenses. There is a ten (10) percent margin of rate variance. No new program rate was allowed to go up or down by more than ten (10) percent of the prior year's budget-based rate.
- E. Supervised Independent Living Programs (SILPs): The MSARs for double occupancy SILPs, triple occupancy SILPs, and four- and five-bed mother/child SILPs for 2005-2006 were, on average, increased by 4.1 percent over the 2004-2005 MSARs for SILPs.
- F. Foster Care Maintenance Rates for Residential Chemical Dependency Programs licensed by OASAS: All rates approved by OASAS for foster children placed into Residential Chemical Dependency Programs are accepted by OCFS for purposes of payment and reimbursement. These rates are not negotiable and must be paid as published.
- G. CSE Maintenance Rates for Out-of-State Schools: Annually, OCFS issues out-of-state CSE Maintenance Rates to LSSDs based on rate information approved by other states, recommended by SED, and reviewed and approved by OCFS. CSE Maintenance Rates approved by OCFS must be used by LSSDs as the basis for making CSE Maintenance payments for children approved by SED for placements in out-of-state private residential schools. Issuance of, and payment responsibilities for, these rates are governed by Section 4405 of Education Law. These rates are not negotiable and must be paid as published. OCFS will continue its policy of publishing a separate LCM for Out-of-State CSE Maintenance Rates.
- The recent changes in Education Law and SSL regarding reimbursement for CSE Maintenance for in-state CSE residential placements, as mentioned in III.A.2. above, are also applicable to CSE Maintenance payments for out-of-state schools.
- H. Rates Under Review: Where the published MSAR is coded as "under review," it means that the MSAR is likely to be revised. An MSAR designated as "under review" is published as an

interim rate so that payment and claiming functions can continue while the review is completed. Such a rate may be adjusted, if needed, once OCFS receives additional cost-related information from the relevant voluntary agency.

IV. Other

Rate Consultations/Rate Adjustments: The purpose of the MSAR is to provide guidance to LSSDs in their contract negotiations with providers of foster care, as well as to provide a maximum reimbursement rate for State and Federal claiming purposes. As stated above, there are also new minimum MSAR payment requirements, pursuant to Section 398-a (2-a) of the SSL, that prohibit LSSDs from paying less than the MSARs established by OCFS for each congregate care rate and for each administrative/services rate for a therapeutic, special needs, or emergency foster home program operated by a voluntary agency, as specified in 05-OCFS-ADM-04.

Where a local district agrees to contract for a rate that is greater than the published MSAR, OCFS can assist the local district and/or the voluntary agency in developing a program intensification request to increase the MSAR.

OCFS regulation 18 NYCRR 427.9 allows the LSSD and/or the voluntary foster care agency to request a rate consultation in regard to a promulgated MSAR. **OCFS regulations require that all requests for rate consultations be initiated in writing, and be received by OCFS within 30 days of the date a rate is issued (as specified in 18 NYCRR 427.9 and in Chapter 9 of the Standards of Payments for Foster Care of Children Program Manual). The rate calculation policies specified above are not subject to consultation or appeal.**

All requests for a rate consultation should be directed to:
