

NOTE TO All Bidders,

Please note that the rating criteria for a) Proposer Experience cited in the Introduction section, Item #6. Proposal Evaluation and Selection Process indicates that 20% of the total possible points awarded will be based upon experience requirements in Section A, Item 2 of the RFP document(s). The 20% of the total possible points for experience will be based upon all experience requirements described in Section A. Description of Services Requested, Items 2., 3., 4., 5. and 6. Likewise, references required in Section C, Item 1c should be able to speak to the organization's experience in Section A, Items 2 through 6 as well.

Q&As Solicitation #1402 – Sexual Abuse and Intervention Training and Interviewing Children (CC06)

1Q. Can private non-profit and private non-profit educational institutions bid on this project?

1A. Yes. See RFP Introduction, Item 5. Minimum Qualifications – Eligible Applicants.

2Q. Is this the project that is currently with SUNY Stonybrook now?

2A. Yes.

3Q. Are these new services or existing and, in the case of their being existing, who is the current vendor for these services, and whether that vendor is reapplying/eligible to reapply?

3A. Solicitations #1402 is a competitive procurement for existing services. The State University of New York (SUNY) Stony Brook School of Social Welfare is the existing vendor. Eligible bidders are listed in the RFP.

4Q. Can you provide the total allocation or funding level budgeted for each RFP?

4A. Per the RFP: "There are no pre-set minimum or maximum bidding amounts for the project described in this procurement."

5Q. Is it possible to apply as a partnership among several training entities, or would any partnerships necessarily have to be subcontractors.

5A. This procurement is expected to result in a single award to one entity. As per the RFP document, subcontracting is allowed.
