Build Postponed: Organizational Hierarchy, Agency Access, and Progress Notes Windows

Due to issues identified in testing, the next build to the CONNECTIONS application, which will include the modernization of Organizational Hierarchy and Agency Access windows, as well as the Progress Notes module of the Family Service Stage (FSS), will *not* be implemented over the weekend of September 25, as originally planned.

A schedule detailing the new implementation date will be provided as soon as it is available.

CONNECTIONS Monthly OCI Reports Now Available

Staff who have been identified to receive monthly management reports can access the OCI and other management reports via the Reports tab of the CONNECTIONS application.
