**Section II
Purpose of the Amendment**

Both Federal and State law require that payments for an adoption subsidy and non-recurring adoption expenses must be made in accordance with a written agreement. Once the Agreement is completed and signed by the adoptive parent(s) and the appropriate social services district and receives final approval by the Office of Children and Family Services (OCFS), or by the social services district if OCFS has authorized the district to give final approval to the Agreement, it constitutes a contract between the adoptive parent(s) and the social services district or OCFS subject to the laws of the State of New York and the regulations of OCFS.

A request for a change(s) in the Agreement following finalization of the adoption requires the modification of the Agreement to reflect the approved change(s) to the original provisions. All other terms and conditions of the Agreement not otherwise amended shall remain in effect.

The adoptive parent(s), legal guardian(s)/custodian(s), representative payee, or adult adoptee will be given a copy of the approved Amendment and should retain their copy along with the copy of the original approved Agreement and Summary of New York's Adoption Subsidy and Non-Recurring Adoption Expenses Programs.

The Child is eligible for subsidy based on the selected category.

OR

3. A substantial disfigurement, such as the loss or deformation of facial features, torso or extremities.

OR

4. A diagnosed personality or behavior problem, psychiatric disorder, serious intellectual incapacity or brain damage which seriously affects the child's ability to relate to his/her peers and/or authority figures, including mental retardation or developmental disability.

OR

8. who has not been placed for adoption within six months from the date the child's guardianship and custody were committed to the social services official or voluntary authorized agency. **[State Subsidy Only]**
