Approved Transportation Plan

(Until further revisions due to a change in services or a new school year)

Once the regular transportation arrangements are made, the child will (check appropriate box):

- Walk (only if this is consistent with home-to-school travel policy for students living a similar distance from school)
- Use public transportation (only if this is consistent with home-to-school travel policy for students in similar circumstances)
- School-operated or contracted travel on a bus or other vehicle
 - a. If school-operated or contracted travel is the choice above, the student will travel on a vehicle owned and operated by:
 - b. If a transfer between school buses is necessary, please describe:
 - c. This is existing route # (where applicable)
- Private transportation services provided by the child welfare agency

These transportation procedures were agreed to on the following date: / /

Authorized Signature for District of Attendance (if not district of origin):
Authorized Signature for District of Origin (only needed for student who has IEP with transportation as a related service):
