

Responses to Questions for IFB# 1012 Automatic Vending Machine Service – Coffee
in Albany, NY

Q1	What does this bid have to do with vending?
A1	See Appendix D within IFB# 1012 for a listing of locations and type(s) of vending machines.
Q2	What is meant by single serve? What type of coffee single serve are you writing about? Keurig? Fractional? There are many types please give me some idea of what this bid is asking for?
A2	<p>There are many different types and brands of single serve coffee machines which would be appropriate for a bidder to propose placing at the locations. It is up to the bidder to determine the specific type/brand of machine to use which meets the requirements of being mounted on a stand and serve a single cup of coffee.</p> <p>As an example, the current contractor uses the following type of single serve coffee machine for both locations:</p> <p>Cafection Quad Bean to Cup with coin changer (<i>some have dollar bill acceptors as well</i>).</p>
