To access or enroll in the VendRep System, or to update your existing online questionnaire click here: http://www.osc.state.ny.us/vendrep/vendor_index.htm. Questionnaires in the VendRep System that have been completed in the last six months in response to contracts or bid announcements from OCFS or other state agencies do not need to be updated.

V. WHERE TO SUBMIT THE BID DOCUMENTS

All bids **must** be submitted electronically by e-mail to funding@ocfs.ny.gov by the Bid Due Date and time set forth in Calendar of Events. All bid documents must be sent as attachments as OCFS is unable to download any documents. The e-mail subject line should include the following information: IFB # 1177 and Vendor Name. If bid requires files be sent in multiple e-mails, indicate the e-mail number, e.g., 1 of 2. No facsimile or hard copy bids will be accepted. Bid submissions for this procurement should only contain bid proposals for this

specific funding opportunity and bidders should submit only one bid proposal per submission e-mail.

Bid proposals must be attached to the e-mail in a manner that results in the electronic document(s) being transmitted with the e-mail. The bid proposal must be received by OCFS secure e-mail servers to be considered properly received. Clickable links to download the bid proposal and/or the use of third-party file hosting services are not permissible as the bidder's e-mail submission is not transmitting the electronic document(s) of the bid proposal to OCFS.

E-mail delivery or read receipts are recommended. OCFS will provide a confirmation e-mail that the bid has been received including the number of attachments. Bidders are responsible for contacting OCFS prior to the deadline if confirmation has not been received. Refer to **Section II Contents of Bid Submission** of this IFB for a list of documents that should be included in your bid proposal.

**BID PROPOSALS MUST BE RECEIVED BY OCFS NO LATER THAN
