Directions from Rensselaer:

Take 1-787 North to the Interchange with 1-90. Take 1-90 East to Exit 12, for Hudson, Route 9. This exit is shortly before the NYS Thruway toll booths. Turn right from the exit onto Route 9 South. Travel south on Route 9 to the intersection with Route 9H. Travel on Route 9H approximately 15 miles through Claverack, where 9H and Route 23 combine to head south, continue on 9H/23 to the intersection with Route g, Take Route 9 South. Continue on Route 9 for approximately 10 miles into Dutchess County. Approximately 2 miles after crossing the County line turn left onto County Route 56. Travel approximately 2 1/2 miles to a then bear right onto County Route 56 East. Continue 1/2 mile to the facility, on the left-hand side.

Alternate Route from Rensselaer:

Take the NYS Thruway to Exit 19. Kingston. Travel from the exit into a traffic circle, then make the first right turn from the circle onto Route 28, Take Route 28N to Route 209 North. Travel on Route 209 North and cross the Kingston-Rhinecliff Bridge. Continue on Route 199 to Route 9G. Turn left onto Route 9G. Travel on 9G North, at the first traffic light, turn right onto Route 199, Follow Route 199 into the Town of Red Hook. At traffic light turn left onto Route 9 North. Continue on Route 9 North approximately 3 1/2 miles, and look for the Hearthstone Motel on the right.

Travel past this motel to County Route 56, the second road on the right-hand side. Tu right onto County Route 56. Travel approximately 2 1/2 miles to a "Y"F then bear right onto Count Route 56 East. Continue 1/2 mile to the facility on the left-hand side.

Directions from New York City via the Taconic State Parkway:

Take the Taconic State Par*way north for approximately Get off the exit for Red Hook/ Rhinebeck. Travel on Route 199 West into the Town of Red hook (approximately 7 miles). At the light turn right onto Route 9 North. Continue on 9 North 2 miles and took for County Route 56 on your right. (If you pass the Cornucopia Deli, you just missed County Route 56), Go right on to County Route 56 about 3 mites and took for , the facility on the left-hand side of the road.
Public Transportation:

Amtrak to Rhinecliff: Trailways Bus service to Kingston, from Albany or New York City.

SPDES PERMIT RENEWAL
2/4/2014

LAWRENCE BRADT
NYS OFFICE OF CHILDREN & FAMILY SERVICE
52 WASHINGTON ST RM 106 S
RENSSELAER NY 12144-2735

Permittee Name: NYS OFFICE OF CHILDREN & FAMILY SERVICES
Facility Name: EDDIE A PARKER YOUTH CENTER
Ind. Code: 8999 County: DUTCHESS
DEC m: 3-1348-00045/00001 SPDL’S No.: NY0141925
Permit Effective Date: 11/1/2014
Permit Expiration Date: 10/31/2019

Dear Permittee,

The State Pollutant Elimination System (SPDES) permit renewal for the facility referenced above is approved with the new effective and expiration dates, this letter together with the previous valid permit for this facility effective on 1/01/2009 and any subsequent modifications constitute authorization to discharge wastewater in accordance with all terms, conditions and limitations specified in the previously issued permit(s).

IMPORTANT NOTICE - In accordance with Article 7, Title 8 (State Pollutant Discharge Elimination System) and Article 70 (Uniform Procedures) of the Environmental Conservation Law, your permit is subject to the Discharge Notification Act (DNA). This law requires permittees to post a sign near each outfall of a wastewater discharge to surface waters, and also to provide a public repository for discharge Monitoring Reports (DMRs) required by the SPDES permit. To initiate your complying with the provisions of the DNA, your permit is hereby modified and the DNA requirement pages are made a part of your permit.

Please note, however, that compliance with DNA requirements can be waived in certain cases. If an outfall satisfies any of the criteria listed in item (g) of the enclosed Discharge Notification Requirements, you are eligible for seeking a waiver from the DNA. To do so, you must notify the Department by completing the enclosed Notice of Waiver form and sending it to the Bureau of Water Permits, NYSDEC, 625 Broadway, Albany, NY 12233-3505. Construction of a sign and the maintaining of DMRs at a public repository is not required for the specific outfall or outfalls identified in the Notice of Waiver.

As a reminder, SPDES permits are renewed at a central location in Albany in order to make the process more efficient. All other concerns with your permit, including applications for permit modification or transfer to a new owner, a name change, and other questions, should be directed to:

Regional Permit Administrator, NYSDEC REGION 3 HEADQUARTERS
Exhibit 3

21 SOUTH PUTT CORNERS RD, NEW PALTZ, NY 12561-1620 (845) 256-3185

If you have already filed an application for Modification of your permit, it will be processed separately by that office.

If you have questions concerning this permit renewal, please contact LINDY SUE CZU13ERNAT at (518) 402-3185.

Sincerely,

Stuart M. Fox
Deputy Chief Permit Administrator

New York State Department of Environmental Conservation
Division of Environmental Permits
Programs and Systems, 4th Floor
625 Broadway, Albany, NY 12233-1750
Phone: (518) 402-9167 Fax: (618) 402-9168
Website: www.dec.nyse.y

Dear SPDES Permittee;

Enclosed please find a validated NOTICE/RENEWAL APPLICATION/PERMIT form renewing your State Pollutant Discharge Elimination System (SPDES) permit for the referenced facility, this validated form, together with the previously issued permit (see issuance date of this permit in Part 3 of the NOTICE/RENEWAL APPLICATION/PERMIT form), and any subsequent permit modifications constitute authorization to discharge wastewater in accordance with all terms, conditions and limitations specified therein.

IMPORTANT NOTICE - In accordance with Article 171 Title 8 (State Pollutant Discharge Elimination system) and Article 70 (Uniform procedures) of the Environmental Conservation Law, your permit is subject to the Discharge Notification Act (DNA), This law requires permittees to post a sign near each outfall of a wastewater discharge co surface waters, and also to provide a public repository for discharge Monitoring Reports (DMRs) required by the SPDES permit To Initiate your complying with the provisions of the DNA, the Department has elected to modify your permit during this renewal period.
Please note, however, that \textit{compliance with DNA} requirements can be waived in certain cases. If an outfall satisfies any of the criteria listed in item (g) of the enclosed \textbf{DISCHARGE NOTIFICATION REQUIREMENTS}, you are eligible for seeking a waiver from the DNA. To do so, you must notify the Department by completing the enclosed \textbf{UQt1ce-gf.mäu1el} form and sending it to the Bureau of Water Permits, NYSDEC/ 625 Broadway, Albany, NY 122333505, Construction of a sign and the maintaining of DMRs at a public repository is not required for the specific outfall or outfalls identified in the Notice of Waiver.

The instructions and other information that you received with the \textbf{NOTICE/RENEWAL APPLICATION/PERMIT} package fully described procedures for renewal and modification of your SPDES permit under the \textbf{Environmental Benefit Permit Strategy (EBPS)}. As a reminder, SPDES permits are renewed at a central location in Albany in order to make the process more efficient. All other concerns with your permit such as applications for permit modifications, permit transfers to a new owner if name changes, and other questions should be directed to the Regional Permit Administrator at the following address:

Margaret Duke  
NYSDEC - Region 3  
21 South Putt Corners Road  
New Paltz, NY 12561-1696  
(845)256-3054

If you have already filed an application for modification of your permit, it will be processed separately through our regional office. If you have questions concerning this permit renewal, please contact Lihdy Sue Czubernat at (518) 402-9165.

Sincerely,

\textbf{William R. Albreine}  
Chief Permit Administrator

DEC/ 3-1348-45/1-0

Definition of Daily Average and Daily Maximum
The daily average discharge is the total discharge by weight or in other appropriate units as specified herein, during a calendar month divided by the number of days in the month that the production or commercial facility was operating. Where less than daily sampling is required by this permit, the daily average discharge shall be determined by the summation of all the measured daily discharges in appropriate units as specified herein divided by the number of days during the calendar month when the measurements were made.

The daily maximum discharge means the total discharge by weight or in other appropriate units as specified herein, during any calendar day.

Monitoring Locations
Permittee shall take samples and measurements to meet the monitoring requirements at the location(s) indicated below:
(Show locations of outfalls with sketch or flow diagram as appropriate).

Outfall 001: At M.H. 1/5 or at the outfall.

Special Condition:
Permittee must, comply with all terms and conditions of any effective Dutchess County Health Department Order.
MONITORING, RECORDING AND REPORTING

a) The permittee shall also refer to the General Conditions (Part II) of this permit for additional information concerning monitoring and reporting requirements and conditions.

b) The monitoring information required by this permit shall be:

- Summarized, signed, and retained for a period of three years from the date of sampling for subsequent inspection by the Department or its designated agent.
- Summarized and reported by submitting completed and signed Discharge Monitoring Report forms once every month(s) to the locations specified below. Blank forms available at department offices listed below.

The first report will be due no later than ________________

Thereafter, reports shall be submitted no later than the 26th of the following month(s): ________________

- Department of Environmental Conservation
  - Regional Water Engineer
  - 202 Mamaroneck Avenue
  - White Plains, NY 10601
- Dutchess County Health Department
  - 22 Market Street
  - Poughkeepsie, NY 12601
- Department of Environmental Conservation
  - Division of Water
  - 50 Wolf Road
  - Albany, New York 12233

(Applicable only if checked)

______________________________
Chief

Permit Administration Branch
Planning & Management Division
USEPA Region I I, 26 Federal Plaza New York, New York 10278

c) Monthly Wastewater Treatment Plant Operators Reports should be submitted to the Regional Engineer specified above, by the 10th day

d) Monitoring must be conducted according to test procedures approved under 40 CFR Part 136, unless other test procedures have been specified in this permit.

e) If the permittee monitors any pollutant more frequently than required by the permit, using test procedures approved under 40 CFR 1 36 or as specified in the permit, the results of this monitoring shall be included in the calculations and recording of the data on the Discharge Monitoring Reports.

f) Calculations for all limitations which require averaging of measurements shall utilize an arithmetic mean unless otherwise specified in this permit.
Unless otherwise specified, all information recorded on the Discharge Monitoring Report shall be based upon measurements and sampling carried out during the most recently completed reporting period.

On or after April 1, 1984 any laboratory test or sample analysis required by this permit for which the State Commissioner of Health issues certificates of approval pursuant to section five hundred two of the Public Health Law shall be conducted by a laboratory which has been issued a certificate of approval. Inquiries regarding laboratory certification should be sent to the Laboratory Certification Quality Assurance Group, New York State Health – Department Center for Laboratories and Research, Division of Environmental Sciences, The Nelson A. Rockefeller Empire State Plaza, Albany, New York 12201.
