The New York State Office of Children and Family Services (OCFS) is soliciting applications to start new, expand existing, or continue existing local and regional Child Fatality Review Teams (CFRTs). Please refer to RFP **Section 2.1 Purpose and Procurement Objectives** and RFP **Section 2.2 Background** for additional information.

**Applicants must operate in accordance with all applicable laws, rules, and regulations.**

**Note:** Throughout this document, the terms *proposals*, *bids*, *offers*, and *applications* are used interchangeably, as are *applicants*, *bidders*, and *offerors*.

If the offeror discovers any ambiguity, conflict, discrepancy, omission, or other error in this RFP, the offeror shall immediately notify OCFS (see **Section 1.1 Procurement Integrity/Restrictions on Communication**) of such error in writing and request clarification or modification of the document.

If, before the deadline for submission of written questions, an offeror fails to notify OCFS of a known error in or omission from the Request for Proposal (RFP), or of any error or omission or prejudice in bid specification or documents with the RFP that the offeror knew or should have known, the offeror agrees that it will assume such risk if awarded funds, and the offeror agrees that it is precluded from seeking further administrative relief or additional compensation under the contract by reason of such error, omission, or prejudice in bid specification or documents.

### 1.1 Procurement Integrity/Restrictions on Communication

This procurement is subject to, and shall be conducted in accordance with, the New York State Finance Law, including but not limited to Article IX. Contracts §§ 139-j. and 139-k.

Please be advised that state law prohibits any vendor from exerting or attempting to exert any improper influence relating to its proposal. "Improper influence" means any attempt to achieve preferential, unequal, or favored consideration of a proposal based on considerations other than the merits of the proposal, including but not limited to any conduct prohibited by the Ethics in Government Act, as set forth in Public Officers Law §§ 73 and 74.

All inquiries concerning this procurement must be addressed to the director of contracts in the Procurement Unit or his/her designee(s) at OCFS, via email (preferred) [RFP@ocfs.ny.gov](mailto:RFP@ocfs.ny.gov) or via hard copy mailed to:

This prohibition applies to any oral, written, or electronic communication under circumstances where a reasonable person would infer that the communication was intended to influence this procurement. Violation of any of the requirements described in this **Section 1.1 Procurement Integrity/Restrictions on Communications** may be grounds for a determination that the offeror is non-responsible and, therefore, ineligible for this contract award. Two violations within four years of the rules against impermissible contacts during the “restricted period” may result in the violator being debarred from participating in an OSC procurement for a period of four years.

24. make additional awards based on the remaining proposals submitted in response to this RFP and/or provide additional funding to awardees if such funds become available;
25. make inquiries of third parties, including but not limited to, bidders' references, regarding applicants' experience or other matters deemed relevant to the proposal by OCFS. By submitting a proposal in response to this RFP, the applicant gives its consent to any inquiry made by OCFS;

29. cancel this RFP, in whole or in part, at any time and to reject any and all proposals when appropriate in the best interests of the state;

30. make adjustments to the funding amount requested based on program need and based on the total dollar value of the applications submitted; and

All other individuals will have to check the Contract Reporter or the OCFS website for any changes as well as the posted Q&As.

## **2.0 EXECUTIVE OVERVIEW**

### **2.1 Purpose and Procurement Objectives**

The New York State Office of Children and Family Services (OCFS) is soliciting applications to start new, expand existing, or continue existing local and regional Child Fatality Review Teams (CFRTs). The purpose of the CFRT is to promote safety through comprehensive, multi-disciplinary examination of the cause, manner, and circumstances of a child's death and to prevent future deaths.

### **2.2 Background**

OCFS's mission is to serve New York's public by promoting the safety, permanency and well-being of our children, families, and communities. OCFS effectuates results by setting and enforcing policies and building partnerships at the federal, state, county and community levels that impact practice. OCFS funding investments assist communities to create and/or enhance the provision of quality services in the areas of child welfare, juvenile justice, adult protective services, and services for the legally blind and visually impaired.

Objectives of Child Fatality Review Teams:

- accurately identify, and uniformly and consistently report the cause and manner of every death of a child;
- improve communication and linkages among local and state agencies and enhance coordination of efforts;
- improve agency responses in the investigation of child deaths;
- improve agency response to protect siblings and other children in the homes of deceased children;
- improve criminal investigations and the prosecution of child homicides;
- improve delivery of services to children, families, providers and community members;
- identify specific barriers and system issues involved in the deaths of children;
- identify significant risk factors and trends in child deaths;
- identify and advocate for needed changes in legislation, policy and practices and expanded efforts in child health and safety to prevent child deaths; and
- increase public awareness and advocacy for the issues that affect the health and safety of children.

An OCFS approved CFRT is authorized in accordance with Social Services Law (SSL) §422-

## RFP # 1096 Child Fatality Review Team

b to review the death of any child:

- whose care and custody or custody and guardianship has been transferred to an authorized agency (other than a vulnerable child as defined in Article 11 of Chapter 55 of the SSL);
- for whom child protective services has an open case;
- for whom the local department of social services (LDSS) has an open preventive service case;
- whose death has been reported to the New York Statewide Central Register of Child Abuse and Maltreatment (SCR); and
- any unexplained or unexpected death of any child under the age of eighteen.

An OCFS approved CFRT may exercise the same authority as OCFS regarding the preparation of a fatality report as set forth in SSL §20(5)(b) and (c). Such reports are subject to the review and approval of OCFS and the same redisclosure provisions as fatality reports prepared by OCFS.

As required by law (SSL §20(5)), OCFS reviews fatalities of children whose care and custody or custody and guardianship has been transferred to an authorized agency (other than a vulnerable child as defined in [SSL §488 \(15\)](#), or for whom child protective services has an open case, or for whom the LDSS has an open preventive services case, or whose death has been reported to the SCR. For each of these categories of fatalities, OCFS issues an individual fatality report which evaluates all aspects of the local department of social services investigation. Per [SSL §20\(5\)\(b\)](#), such report shall include (i) the cause of death, whether from natural or other causes; (ii) identification of child protective or other services provided or actions taken regarding such child and the child's family; (iii) any extraordinary or pertinent information concerning the circumstances of the child's death, (iv) whether the child or the child's family had received assistance, care or services from the social services district prior to the child's death; (v) any action or further investigation undertaken by the department or by the local social services district since the death of the child; and as appropriate (vi) recommendations for local or state administrative policy changes. Such report shall contain no information that would identify the name of the deceased child, the child's siblings, the parent or other person legally responsible for the child or any other members of the child's household.

[SSL §422-b](#) authorizes the creation of local or regional CFRTs that have similar authority as OCFS in regard to the review of fatalities and the issuance of child fatality reports. Such CFRTs are subject to OCFS approval in accordance with [SSL §422-b\(1\)](#).

OCFS approved CFRTs bring together community agencies to conduct a comprehensive multi-disciplinary examination of the cause, manner and circumstances surrounding a child's death. These reviews are done either concurrently to the investigation or retrospectively. The findings from the review can then lead to collaborative efforts to improve child safety and to reduce future fatalities.

CFRTs must be comprised of team members from the statutorily mandated (SSL §422-b(3)) agencies specified in **Section 3.1**. (Regional teams will have two or more designated representatives on the team; one from each required discipline of the participating counties.)

## Child Fatality Review Teams

**Local Team:** a team where all mandatory and permissive members are from the same geographic New York State County.

**Regional Team:** a team where mandatory and permissive members are from two or more neighboring New York State counties.

Offerors submitting proposals for “Group 1” (large) and “Group 2” (medium) counties identified below may submit a proposal for either a local team or a regional team. Offerors submitting a proposal for “Group 3” (small) counties may only propose a regional team.

**Each county can submit one application to be on one team; it can be local or regional. An individual county is not permitted to be on more than one CFRT.**

The state fiscal year 2022-23 state budget includes \$829,100 to support local and regional CFRTs. OCFS intends to fund contracts as described herein. This amount is subject to the continued availability of funding.

Funding for teams will be based on the total number of counties on the team, and the number of child fatalities in accordance with the New York State Annual Child Fatality Report 2010-2018.

**Group 1 (large) counties:** Albany, Broome, Erie, Monroe, Nassau, New York City (including all five boroughs), Niagara, Oneida, Onondaga, Orange, Schenectady, Suffolk, Westchester.

**Group 2 (medium) counties:** Cayuga, Chautauqua, Chemung, Chenango, Clinton, Columbia, Dutchess, Fulton, Greene, Jefferson, Oswego, Rensselaer, Rockland, Saratoga, Seneca, St. Lawrence, Steuben, Sullivan, Tompkins, Ulster, Washington, Wayne.

**Group 3 (small) counties:** Allegany, Cattaraugus, Cortland, Delaware, Essex, Franklin, Genesee, Hamilton, Herkimer, Lewis, Livingston, Madison, Montgomery, Ontario, Orleans, Otsego, Putnam, Schoharie, Schuyler, St. Regis, Tioga, Warren, Wyoming, Yates.

### Funding allocations will be available as follows:

- **Regional Teams Funding (strongly preferred)** will receive funding based on the size and number of counties in the team:
  - When a Group 1 county is a member of the regional team: the base award will be \$70,000 for the first Group 1 county and up to an additional \$15,000 for each additional Group 1 county added to the team, up to an additional \$10,000 for each Group 2 county added to the team, and up to an additional \$5,000 for each Group 3 county added to the team.
  - When a Group 2 county is the largest member of the regional team: the base award will be \$55,000 for the first Group 2 county and up to an additional \$10,000 for each additional Group 2 county added to the team, and up to an additional \$5,000 for each Group 3 county added to the team.

**RFP # 1096 Child Fatality Review Team**

- When a Group 3 county is the largest member of the regional team: the base award will be \$35,000 for the first Group 3 county and up to an additional \$5,000 for each additional Group 3 county added to the team.
- **Local Teams Funding** will receive funding based on the size of county:
  - Group 1 Local teams consisting of one Group 1 county may request up to \$70,000.
  - Group 2 Local teams consisting of one Group 2 county may request up to \$55,000.
  - Group 3 Local teams are not permitted. Group 3 counties must be in a regional team.

Examples of how to calculate the maximum allowable award that can be requested:

- A regional team consisting of one (1) Group 1 county, two (2) Group 2 counties, and one (1) Group 3 county submits a proposal:

\$70,000 (the largest county in the regional team is a Group 1 county)  
+\$20,000 (there are two (2) additional Group 2 counties at \$10,000 each)  
+ \$5,000 (there is one (1) additional Group 3 county at \$5,000 each)  
**\$95,000 (maximum allowable award amount that can be requested)**

- A regional team consisting of three (3) Group 3 counties submits a proposal:

\$35,000 (the largest county in the regional team is a Group 3 county)  
+\$10,000 (there are two (2) additional Group 3 counties at \$5,000 each)  
**\$45,000 (maximum allowable award amount that can be requested)**

- A local team consisting of one (1) Group 2 county submits a proposal:

\$55,000 (the local team represents a Group 2 county)  
+ \$0 (there are no additional counties, as this is not a regional team)  
**\$55,000 (maximum allowable award amount that can be requested)**

### **2.3 Term of Contract**

The contracts awarded in response to this RFP will be for five (5) years with an anticipated start date of **February 1, 2024**, and the anticipated end date of **January 31, 2029**. Funding is anticipated to be available for the first year of the contract. The award of a multi-year contract does not guarantee that funding will be available for subsequent years. Contractors may not begin to provide services prior to the contract start date; OCFS has no obligation to pay for services rendered prior to that time.

### 3.0 MINIMUM QUALIFICATIONS TO PROPOSE

#### 3.1 Minimum Qualifications

It is strongly encouraged that all mandated member letters of commitment be submitted together with the applicant's proposal. If the applicant is unable to collect all the letters of commitment in time for the submission deadline, the letters must be submitted within 45 days from the deadline for submission of proposals specified in RFP **Section 1.2 Calendar of Events**. Please note that the mandated agencies may sign a letter of commitment with more than one Lead CFRT applicant.

Please note even if your proposal is missing mandated member letters of commitment, your proposal must still be received by OCFS by the Deadline for Submission of Proposals. DO NOT SUBMIT YOUR PROPOSAL LATE.

**\* Submission of Letters of Commitment for OCFS signature: To obtain a signed Attachment 3 – Mandated Member Letter of Commitment from OCFS, all prospective applicants should submit their partially completed letter that indicates the name of the CFRT Team Lead Applicant Organization via email to [RFP@ocfs.ny.gov](mailto:RFP@ocfs.ny.gov). It is encouraged that this be done as early as possible. It is also recommended to provide some basic information about your proposed team in the body of the email, which includes a list of the counties proposed to be served. OCFS signature on the Attachment 3 will not be unreasonably withheld.**

### **3.2 Vendor Responsibility Requirements**

Section 163(9)(f) of the New York State Finance Law requires that a state agency make a determination that a bidder is responsible before awarding that bidder a state contract. Vendor responsibility will be determined based on the information provided by the bidder, online, through the New York State VendRep System Questionnaire or through a paper copy of the *Vendor Responsibility Questionnaire*. OCFS will review the information provided before making an award.

OCFS reserves the right to reject any proposal if, in its sole discretion, it determines the bidder is not a responsible vendor. All proposals are subject to a vendor responsibility determination before the award is made, and the determination can be revisited at any point up to the final approval of the contract by the New York State Office of the State Comptroller (OSC). Vendors must maintain their vendor responsibility throughout the duration of the contract.

Enrolling and completing the questionnaire online through the New York State VendRep System is the best method because both the questionnaire and answers are stored in the system. Thus, subsequent questionnaires in response to contracts or RFPs from any state agency would only need to be updated in the VendRep System.

To access or enroll in the VendRep System or update your existing online questionnaire, click [Online Questionnaire](#). Questionnaires in the VendRep System that have been completed in the last six months in response to contracts or bid announcements do not need to be updated. If the vendor is using the hard copy questionnaire, then it also must be current within six months of the due date of the proposal.

Vendors opting to complete a paper questionnaire can access the questionnaire by clicking the following link: [Paper Questionnaire](#). Please note that there are separate questionnaires, depending on the contractor status. Not-for-profit vendors must use the *Vendor Responsibility Questionnaire Not-For-Profit Business Entity* form. For-profit vendors must use the *Vendor Responsibility Questionnaire for Profit Business Entity* form.

Vendors are also encouraged to have subcontractors file the required *Vendor Responsibility Questionnaire* online through the New York State VendRep System. These subcontractors are required to submit a questionnaire when the value of the subcontract is \$100,000 or more.

Before executing a subcontract agreement, the contractor must provide the information required by OCFS to determine whether a proposed subcontractor is a responsible vendor.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request a Vendor Identification Number or for direct VendRep System user assistance, contact the OSC Help Desk at 866-370-4672 or 518-408-4672 or by email at [itservicedesk@osc.ny.gov](mailto:itservicedesk@osc.ny.gov).

The New York State VendRep System offers the following benefits:

- Ease of completion, filing, access to, and submission of the questionnaire. Efficiencies are multiplied for vendors who bid and contract with the state frequently or with multiple state agencies.
- Questionnaire updates are easily filed by updating only those responses that require change from the previously saved questionnaire (as opposed to a paper copy where a new questionnaire is required each time there is a change).
- The stored questionnaire information eliminates the need to reenter data for each subsequent questionnaire submission.
- Reduction of costs associated with paper documents, including copying, delivery, and filing.
- Online questionnaire information is secure and accessible to authorized vendor users only. State agencies can only view certified and finalized questionnaires.
- VendRep question prompts ensure that the correct forms are completed.
- The VendRep Online System contains links to all definitions of the terms used in the questionnaire.

Note: The *Vendor Responsibility Questionnaire* must be dated within six months of the proposal due date. Any subcontractors under that proposed contract must also complete a *Vendor Responsibility Questionnaire* when the value of the subcontract is projected to be \$100,000 or more for the contract term.

Confirmation of **completion** of the vendor responsibility process must be submitted with your proposal. This confirmation can take the form of registration in the VendRep System, or by submitting your completed hard copy questionnaire. To submit this confirmation with your application, go to the bottom of your certified questionnaire, and click the button called "Form Overview." Print this page and include it with your application.

## 4.0 SCOPE OF WORK

### The Purpose of Child Case Review

Case review is a formal process by which knowledge, experience and expertise of CFRT members is shared so that: informed decisions can be made, collaborative efforts are nurtured, formal and informal communication is promoted, and mutual support is provided. Case review encourages mutual accountability and helps to determine whether all the family and surviving siblings' needs are met sensitively, effectively and in a timely manner. Case review is also an opportunity for CFRT members to raise and discuss the complex issues surrounding child fatalities and formulate prevention activities. For this collaboration to occur, it is necessary for mandated members to attend and participate in each quarterly meeting.

**Each CFRT lead must:**

- Conduct a CFRT meeting a minimum of once every three months (quarterly). Depending on the number of child fatalities which occur in the county/region, the CFRT may need to meet more often to conduct child fatality case reviews. In addition to conducting child fatality reviews, meetings are to be used to develop and implement prevention strategies aimed at reducing child fatalities. (See below for additional information regarding case reviews).

Notes:

- For all teams, a representative from each mandated agency (mandatory members) and the coordinator must attend team meetings. In addition, regional teams require at least two representatives from each county on the team and in attendance at team meetings; one of these representatives must be from CPS.
  - Every member must have a designated back-up from their agency who can substitute at a meeting in their absence. Attendance by phone can be an option when a mandatory member and the designated back-up are unable to attend in person. If a member attends by phone, the member must sign and submit a confidentiality agreement to the coordinator prior to the scheduled meeting. If there is a pattern of multiple mandatory members missing meetings, funding for the quarter may be withheld at the discretion of OCFS.
  - Child Advocacy Centers (CACs) must hold their CFRT meetings separate from their Multi-Disciplinary Team (MDT)/CAC meetings.
- 
- Provide team development and fatality review training as needed.
  - Facilitate the review of all [SSL §20\(5\)](#) fatalities occurring in the county/region during the contract period. Teams may choose to review non-SSL §20(5) fatalities.
  - Discuss, during each review, the investigation and the delivery of services provided to the child's family prior to and since the fatality, identify risk factors and identify potential systemic issues.
  - Identify, develop, implement and monitor prevention strategies to address risk factors and themes. All CFRTs must also implement safe sleep prevention activities.
  - Identify, develop, implement and monitor action plans to address systemic improvements.
  - Track and report the total number and type of child fatalities reviewed by category (SSL §20(5) and non-SSL §20(5)) and provide aggregate information regarding risk factors, systemic issues, themes and action plans.
  - Enter the information from all fatalities reviewed into the National Child Fatality Review and Prevention system within one month of the fatality review.
  - Submit quarterly and annual program and fiscal reports per OCFS requirements, including meeting minutes and attendance lists.
  - Develop interagency CFRT protocols in collaboration with your fiscal team member. These protocols will document a plan for processing claims on time and confidentiality procedures; these are subject to the review and approval of OCFS, prior to case review.
  - Seek review and written approval by OCFS to amend approved protocols.
  - Teams may review the child fatality either concurrently, during an open CPS and/or law enforcement investigation or retrospectively, after the CPS and/or law enforcement investigation is done, but minimally within one year of notification of the child's death.

- CFRTs may choose to prepare Individual Child Fatality Review Reports on SSL §20(5) fatalities they review. Pursuant to SSL §422(4)(A)(w), a CFRT has access to information on pending or indicated CPS reports, whether or not the CFRT is preparing a fatality report, but only has access to sealed, unfounded Child Protective Services (CPS) reports, foster care or any Family Assessment Response (FAR) case history where the CFRT is preparing a fatality report.
- SSL §422-b(5) states that “Members of a local or regional fatality review team, persons attending a meeting of a local or regional fatality review team, and persons who present information to a local or regional fatality review team shall have immunity from civil and criminal liability for all reasonable and good faith actions taken pursuant to this section, and shall not be questioned in any civil or criminal proceedings regarding any opinions formed as a result of a meeting of a local or regional fatality review team. Nothing in this section shall be construed to prevent a person from testifying as to information obtained independently of a local or regional fatality review team or which is public information.”

## 5.0 PROPOSAL REQUIREMENTS

### 5.1 General

#### 5.1.1 Incurred Costs

Neither New York State nor OCFS shall be liable for any costs incurred by an offeror in the preparation and production of a proposal. Neither New York State nor OCFS shall be liable for any costs incurred for work performed by the offeror under the contract before the approval of an executed contract or future task order by the New York State Office of the State Comptroller (OSC).

#### 5.1.2 Content of Proposals

To be considered responsive, an offeror must submit complete proposals that are in compliance with all applicable state and federal laws, rules, and regulations and satisfy all of the requirements stated in this RFP. Proposals not conforming to the proposal requirements as specified in this **Section 5.0** may be rejected as nonconforming. The offeror's proposals must include a statement that the proposal will remain valid for a period of 180 days.

#### 5.1.3 Security, Nondisclosure, and Confidentiality Agreement

The content of each bidder's proposal will be held in strict confidence by New York State and OCFS during the bid evaluation process and will not be disclosed except to the evaluation panels, and to the New York State Office of the Attorney General and OSC, as may be necessary, to obtain the approvals of those agencies for the final contract except as required by law. The successful bidder's proposal and a copy of the specifications will be made a part of the contract and hence available for public inspection and disclosure.

Public inspection of a proposal is regulated by the Freedom of Information Law (Article 6 of the New York Public Officer's Law, hereinafter FOIL). Proposals are presumptively available for public inspection. If this would be unacceptable to

## RFP # 1096 Child Fatality Review Team

bidders, they should apply to the New York State Division of Budget (DOB) for trade secret protection for their bid.

Confidential, trade secret or proprietary materials as defined by the laws of the State of New York must be clearly marked and identified as such upon submission by the bidder. Marking the bid as “confidential” or “proprietary” on its face or in the document header or footer shall not be considered to be sufficient without specific justification as to why disclosure of particular information in the bid would cause substantial injury to the competitive position of the bidder.

Bidders/contractors intending to seek an exemption from disclosure of these materials under the FOIL must request the exemption in writing, setting forth the reasons for the claimed exemption. Acceptance of the claimed materials does not constitute a determination on the exemption request, which will be made in accordance with statutory procedures.

The Public Officers’ Code of Ethics (Section 74 of the Public Officers Law) sets the standard that no officer or employee of a state agency shall disclose confidential information that he/she acquires during the course of his/her official duties. These standards control the confidentiality of a bidder’s proposal unless DOB grants a petition for records access in accordance with FOIL.

Bidders should be advised that the confidentiality of their proposals is founded upon statute, as described above. A nondisclosure agreement, whether prescribed by DOB or the bidder, would not alter the rights and responsibilities of either party under FOIL. Bidders should not include with their bid a nondisclosure agreement for DOB employees, as it would not alter the provisions of the FOIL or the code of ethics with respect to the disclosure.

The provisions of the FOIL will also govern the confidentiality of any and all products or services supplied by the successful bidder.

### **5.2 Overview of Submission Requirements**

This section identifies the information that all bidders must include in their proposals to the OCFS.

For the purposes of evaluation, each proposal must be submitted in three parts:

- Part I is the Administrative Proposal
- Part II is the Technical Proposal
- Part III is the Cost Proposal

Each part must be complete in and of itself for an independent and concurrent evaluation. Cost information is **not** to be included in the Administrative Proposal or the Technical Proposal. Each part must be **submitted as separate email attachments in PDF format.**

The requirements for proposal content and format will be enforced. Failure by an offeror to respond to a requirement stated in this RFP may cause the proposal to be found non-responsive and the proposal disqualified.

All proposals **must** be submitted electronically by email to [RFP@ocfs.ny.gov](mailto:RFP@ocfs.ny.gov) by the deadline indicated in Section 1.2 Calendar of Events. Proposals received after the Deadline for Submission of Proposals may be rejected. All proposal documents must be sent as attachments as OCFS is unable to download documents. The email subject line should include the following information: RFP # 1096 and Vendor Name. If proposal requires files be sent in multiple emails, indicate the email number, e.g., 1 of 2. No facsimile or hard copy bids will be accepted. Proposal submissions for this procurement should only contain proposals for this specific funding opportunity and only one proposal should be submitted per email per vendor.

Proposals **must** be attached to the email in a manner that results in the electronic document(s) being transmitted **with** the email. The proposal must be received by OCFS secure email servers to be considered properly received. Clickable links to download the proposal and/or the use of third-party file hosting services are not permissible as the applicant's email submission is not transmitting the electronic document(s) of the bid proposal to OCFS.

Email delivery or read receipts are recommended. OCFS will provide a confirmation email that the proposal has been received including the number of attachments. Applicants are responsible for contacting OCFS prior to the deadline if confirmation has not been received.

Electronic proposals must contain the information and proposal submission formats and forms requested herein, or attached hereto, under the terms and conditions of this solicitation. Proposals that cannot be read, require a password (locked), or are incomplete, or that contain any omissions, erasures, alterations, additions or items not required by the RFP or that contain irregularities of any kind may be rejected. All costs associated with the preparation of a proposal are the responsibility of the Bidders and cannot be charged to OCFS. Bidders may modify, in writing, the content of any proposal at any time prior to the deadline for submission of proposals, however a complete re-submission of all proposal documents is required. OCFS will not substitute sections of a proposal. The email should state that previous proposal(s) submitted are withdrawn. If this is not clear in the email, OCFS will only consider the latest proposal submitted for award. Proposals may be withdrawn or canceled before the deadline for submission of proposals.

### **General Proposal Appearance**

#### **A. Front Cover**

The legal name of the organization and the RFP number should appear on the front page of each proposal.

#### **B. Table of Contents**

The Administrative Proposal should contain a table of contents. It is through this table of contents that OCFS will evaluate conformance to uniform proposal content and format.

#### **C. Page Numbering**

Each page of the Administrative Proposal should be numbered consecutively from the beginning of the respective proposal through all appended material. Consecutive numbering of pages within consecutively number sections of the proposal is an acceptable alternative.

**D. Font**

Administrative Proposals should utilize 12-point font. Arial, Times New Roman, and Calibri fonts are considered acceptable.

**E. Margins**

Administrative Proposals should utilize standard one-inch margins. It is permissible to use headers and footers inside the margins.

All proposals and accompanying documentation submitted in response to this RFP will become the property of the State of New York and will not be returned. The content of each bidder's proposal will be held in strict confidence during the bid evaluation process, and no details of any proposal will be discussed outside the evaluation process. The successful bidder's proposal and the RFP will be made part of the contract. Therefore, only an individual who is authorized to legally bind the offeror may sign the proposal.

**5.3 Part I - Administrative Proposal**

The following is a list of required forms and documents that must be included in the Administrative Proposal. Most can be accessed electronically throughout this RFP and via the links below. Those available only in hard copy are identified and attached in this section of the RFP.

## RFP # 1096 Child Fatality Review Team

- Describe the relationship between funds requested and proposed activities. Describe the extent to which expenses are realistic, reasonable, necessary, allowable, and justified. For Groups one and two as defined in **Section 2.2**, the budget narrative must clearly define the amount being requested for the local team as well as the additional funding requested for each neighboring county added to the team. This information is entered in the “Budget Narrative” fields in **Attachment 2**.

**Please note: your proposed budget should reflect a contract period of 2/1/2024-1/31/2025 with a funding allocation in accordance with RFP Section 2.0 Background. Please ensure the amount being requested is appropriate for the size and number of counties proposed to be served. The amount requested should not exceed the maximum allowable amount.**

RFP **Section 6.4 Cost Evaluation** explains how the cost proposals will be scored. This RFP utilizes the “best value” concept. This means that proposers requesting less funding (or proposing to serve more counties) may receive a better cost score than other proposers requesting higher levels of funding (or proposing to serve fewer counties). Please refer to **Section 6.4** for detailed information.

Use the following directions to briefly describe the expenses included in each budget category. The detail requested is essential to expedite the contract process. Accuracy and completeness are critical.

Ensure the following:

- The cost of items is described in the budget narrative and for every line item of expense, the specific calculations for determining the total cost of each item is included in the narrative.
- All items covered by OCFS funds are directly related to the provision of services indicated in the proposal.
- All expenses are incurred *within* the contract period.
- All shared costs are prorated, and the basis of the proration explained.
- Reimbursement for travel, lodging, and mileage costs do not exceed the state rates currently in effect.
- All amounts listed on the budget summary form reconcile with the relevant budget narrative information.
- The total funds requested agrees with the amount requested in Total Project Cost of the Budget Template.

### Non-Allowable Costs

The following items *cannot be included* as OCFS-funded costs within the project budget:

- Major capital expenditures such as acquisition, construction or structural renovation of facilities
- Interest costs, including costs incurred to borrow funds
- Costs for preparation of continuation agreements and other proposal development costs
- Costs of organized fundraising

## RFP # 1096 Child Fatality Review Team

- List the percentage of time each title will spend on this project.
- The percentage of time an employee (title) is engaged in this project (or projects) cannot exceed 100 percent.
- List the base (annual) salary for each staff title. The base salary should reflect the employee's (title's) actual annual salary. The annual salary should be consistent across all projects that the employee's time is charged to.
- If a title has both administrative and programmatic responsibilities, show the title on two lines, one for programmatic responsibilities with associated percentage of time and one for administrative responsibilities with associated percentage of time. Identify administrative positions in the "Personal Narrative." The percentage of time for the position cannot exceed 100 percent.
- If the proposed project is currently operational, provide information on the percentage of salary increases, if any, included in the requested budget. Justification for raises must be provided. If you anticipate cost of living or merit raises during the contract year, include the increases in the base annual salary charged to the project and note the effective date of the raise.

Personal Services Salary Narrative: Give a brief description of the administrative or program-related responsibilities of each staff title supported by the funds.

### **2. Personal Services – Fringe Benefits**

Fringe benefits should be budgeted in line with your organization's policy. The total fringe benefits chargeable to this contract should not exceed the current approved fringe rate, which can be found on the OSC website at [Fringe Benefits](#). A higher rate may be considered with justification; any such justification must be included with your application.

Fringe Benefits Narrative:

- List the fringe benefit rate(s) and the titles to which the rate(s) apply.
- Provide a complete list of benefits used to calculate rate(s) (e.g., Social Security-FICA, New York State Unemployment Insurance-SUI; New York State Disability

**RFP # 1096 Child Fatality Review Team**

Insurance and Workers' Compensation). These can be listed on the extra lines under "Personal Services." Be sure to clearly identify "Fringe."

**B. Non-Personal Services (NPS)**

Use of MWBE and SDVOBs for Discretionary Purchases

In compliance with Article 15-A of the New York State Executive Law, contractors are required to spend thirty (30) percent of their overall discretionary budget through a New York State-certified Minority-owned or Women-owned Business Enterprise (MWBE). Additionally, in compliance with [Article 3 of Veterans' Services Law](#), contractors are required to spend six percent of their overall discretionary budget through a Service-Disabled Veteran-Owned Business (SDVOB). As your organization develops its NPS budget for this contract, you must identify the discretionary purchases that are subject to the MWBE and SDVOB goals (See **Sections 7.10 and 7.11** of the RFP for more information.) The following NPS budget categories are subject to MWBE and SDVOB goals:

<b>NPS Budget Category</b>	<b>MWBE/SDVOB Goal</b>
1. Contractual/Consultant	Discretionary expenses in this category subject to goals
2. Travel	Non-discretionary – exempt.
3. Equipment	Discretionary expenses in this category subject to goals
4. Supplies	Discretionary expenses in this category subject to goals
5. Other Expenses	
a. Space/Property (Own)	Non-discretionary - exempt

e. Other Expenses/Miscellaneous	Discretionary expenses in this category subject to goals
f. Administrative Expense	Non-discretionary - exempt

\*If MBE/WBE/SDVOB are not going to be utilized, you should include enough detail in the applicable Budget Narrative section(s) to show why that spending category line should not be considered discretionary and counted toward your goals (i.e., "There are no M/WBE or SDVOB vendors for this commodity/service in our area." "We have established contracts with vendor xxx for this commodity/service." etc.). The OCFS Contract Compliance Unit may reach out to you for further details/explanations and will require justification and information documenting good faith efforts.

Use the DISCRETIONARY BUDGET NARRATIVE WORKSHEET of Attachment B – BUDGET SUMMARY to specify the portion of your NPS budget subject to the MWBE spending goal.

- Provide an explanation for all items excluded from the MWBE spending goal.
- Calculate the amount of the MWBE participation goal to be met based on this total discretionary NPS.

## NPS Budget Categories

All budget items to be purchased during the contract period must be for commodities that are in direct support of services related to the project, or for contractual/consultant services to be rendered during the contract period that directly support the project.

Also, the OCFS share of travel expense must be based upon state guidelines; payment cannot exceed the state rates currently in effect.
  - Explain the purpose of the travel.
  - Number of participants.
  - Estimated miles.
  - Frequency of travel (e.g., per day, per week).
  - Be as clear as possible in explanation of need and cost.
  - Show the percentage of time the vehicle will be used by the project, and only include requested funds for this percentage.
- If a subcontractor or consultant expense is more than \$15,000 over the 5-year contract term, three written bids are required. If you are unable to obtain three written bids, a justification as to price reasonableness is required. If other than the lowest bidder was selected, please provide justification.

## 3. Equipment

This section is used to itemize the purchase of equipment.

- Equipment is defined as tangible personal property having an acquisition value of \$5,000 or more per unit.
- Obtain three written bids for any single item. If a bidder other than the low bidder is selected, a statement must be submitted explaining why that vendor was selected.
- Any budget requests for equipment purchase must be fully explained and justified by program need. Note that equipment purchases are generally not allowed for a contract with a term of 12 months or less.
- Delineate between administrative and program costs.
- If the item is to be used by more than one program, the cost must be prorated.
- Explain the program function and need for each item. Be as specific as possible.

Obtain three written bids for any single item costing over \$2,500. Obtain three written or verbal quotes for any single item costing \$2,500 or less. If a bidder other than the low bidder is selected, a statement must be submitted explaining why that vendor was selected.
- Delineate between administrative and program items.
- Describe items to be purchased and provide details showing how estimated costs were developed.
- Justify these costs in terms of number of staff and programmatic functions, and how the request relates to service provision.

### 5. Other Expenses

“Other Expenses” are costs that do not fall under the previous budget categories. Examples are occupancy costs for owned buildings, utilities, operation expenses, printing services, allowable administrative overhead, and other miscellaneous expenses.

#### a. Space/Property (Own)

If the contractor owns the building, they must charge occupancy costs rather than rental costs. Occupancy costs must be true costs made to a third party; for example, mortgage payment (exclusive of property/school taxes), cleaning costs, snow removal, and general maintenance.

- Provide description of space.
- Provide justification.
- Provide itemization of total costs.
- Provide method of cost allocation of space.

Space/Property Narrative: Provide a detailed explanation of all space and property costs supported by grant funds.

#### b. Utilities

Operating Expenses Narrative: Provide a detailed explanation of each operating expense and how costs are allocated to this project.

**d. Printing Services**

- All agencies and subcontractors must make reasonable efforts to secure the lowest responsible bidder for printing services.
- In instances where the cost of a printing job exceeds \$5,000, documentation of three telephone bids is required showing that the lowest cost source has been used. This information must be provided with the *payment* claim. The state strongly encourages the participation and utilization of minority and MBE, WBE and SDVOB.
- Program materials to be printed using these funds must be preapproved by OCFS.

**Printing Services Narrative:** Provide a detailed explanation of all printing expenses.

**e. Miscellaneous Expenses**

- Food and refreshments are not allowable expenses for staff.
- Include items that are not applicable under any other category and that are directly related to the services to be provided.
- These items may include postage, client travel, shipping, delivery and messenger services, audiovisual services, (see note below for more specific instructions), materials, development costs, advertising costs for recruiting new hires, books, journals, periodicals, computer time, and library services.
- Information on these costs, including how the estimates were calculated (e.g., cost per hour, cost per page, cost per square foot, etc.) should be provided in the budget narrative.
- Delineate between administrative and program items.
- Itemize any additional miscellaneous expenses that are allowed for this project that do not fall under any other budget category.

**Miscellaneous Expenses Narrative:** Provide a detailed explanation of each miscellaneous expense.

**f. Administrative Expense**

This category cannot include any items directly charged in other budget categories. Include the base on which the administrative expense will be charged.

A. For Federally Funded Awards

Not applicable.

B. For State Funded Awards

Total administrative costs are limited to 15 percent of the total award.

Administrative expenses include, but are not limited to:

- that portion of the salaries and benefits of staff performing administrative and coordination functions that cannot be attributed to particular program services, including but not limited to the executive director or chief executive officer; financial officers such as the chief financial officer or controller and accounting personnel; billing, claiming or accounts payable and receivable personnel; human resources personnel; public relations personnel; administrative office support personnel; and information technology personnel, where such expenses cannot be attributed directly to the provision of program services;
  - that portion of expenses for office operations that cannot be attributed directly to the provision of program services, including telephones, computer systems and networks, professional and organizational dues, licenses, permits, subscriptions, publications, audit services, postage, office supplies, conference expenses, publicity and annual reports, insurance premiums, and equipment that is expensed (rather than depreciated) in cost reports, where such expenses cannot be attributed directly to the provision of program services; and
  - Up to the first \$25,000 of each subcontract.
- Indirect costs are considered in the total administrative costs for this project (indirect cost plus any directly charged administrative personnel, related fringes and non-personal services).
  - Some common methods of allocating indirect costs are based upon time, space, units of service, or percentage of funding.
  - All administrative costs must be individually identified.

All costs included in the direct cost categories must be directly attributable to the project. State Finance Law and Generally Accepted Accounting Principles require that any expense incurred over more than one funding source or program must be charged proportionately, and the method of allocation must be documented.

Bidders may modify, in writing, the content of any proposal at any time prior to the deadline for submission of proposals, however a complete re-submission of all proposal documents is required. OCFS will not substitute sections of a proposal. The email should state

## 6.0 EVALUATION AND SELECTION METHODOLOGY

### 6.1 General Information

OCFS will evaluate each proposal based on the "Best Value" concept. This means that the proposal that best "optimizes quality, cost, and efficiency among responsive and responsible offerors" shall be selected for award (New York State Finance Law, Article 11, §163[1][j]).

OCFS, at its sole discretion, will determine which proposal(s) best satisfies its requirements. OCFS reserves all rights with respect to the award. All proposals deemed to be responsive to the requirements of this procurement will be evaluated and scored for technical qualities and cost. Proposals failing to meet the requirements of this document may be eliminated from consideration. The evaluation process will include separate technical and cost evaluations, and the result of each evaluation shall remain confidential until both evaluations have been completed and a selection of the winning proposal is made.

The evaluation process will be conducted in a comprehensive and impartial manner, as set forth herein, by an evaluation committee. The Technical Proposal and compliance with other RFP requirements (other than the Cost Proposal) will be weighted **80%** of a proposal's total score and the information contained in the Cost Proposal will be weighted **20%** of a proposal's total score.

Award selections will be based on the highest scores.

## RFP # 1096 Child Fatality Review Team

- Proposals will be rated by a review team of trained evaluators using a scoring rubric and pre-approved evaluation instrument.
- The evaluation process will be overseen by a team leader who will monitor the review teams in accordance with the approved evaluation plan.
- Awards resulting from tied scores will be determined based on the county(ies) with the highest number of fatalities reviewed in 2010-2018. If there continues to be a tie, the decision as to the winning proposal will be made by the commissioner or agency head, and the basis for determining the award shall be documented in the procurement record in accordance with the State Finance Law §163(10)(a).
- If more than one application is received for a local team, only the application with the highest score will be considered for approval.
- Each county can only apply to be a member of one regional team.
- OCFS reserves the right to make awards based on score, group, or geographic coverage if found to be in the best interest of the state.

The score breakdown of the technical proposal will be as follows, and as specified above in RFP **Section 5.4.1 Proposal Content**. Please refer to **Section 5.4.1** for additional information regarding how these categories will be scored.

- Experience/Capacity (up to 20 points)
- Workplan (up to 35 points)
- Data (up to 15 points)
- Regional team (10 points)

Proposers may be requested by OCFS to clarify the contents of their proposals. Other than to provide such information as may be requested by OCFS to clarify information contained in the proposal, no proposer will be allowed to alter its proposal or add information after the deadline for submission of proposals.

### **6.2 Submission Review**

All proposals will undergo a preliminary technical evaluation to verify Minimum Qualifications to Propose (**Section 3.0**). OCFS will examine all proposals that are received in a proper and timely manner to determine if they meet the proposal submission requirements, as described in **Section 5.0 Proposal Requirements**, and include the proper documentation. Proposals that are materially deficient in meeting the submission requirements or have omitted material documents, may be rejected.

### **6.3 Technical Evaluation**

The evaluation process will be conducted in a comprehensive and impartial manner. A Technical Evaluation Committee comprised of program staff of OCFS, and other evaluators as deemed appropriate by OCFS, will review and evaluate all proposals.

The Technical Evaluation Committee members will independently score each Technical Proposal that meets the submission requirements of this RFP. The individual committee member scores will be averaged to calculate the Technical Score for each responsive proposer.

#### **6.4 Cost Evaluation**

The Cost Evaluation Committee will examine the cost proposal documents. The cost proposals will be opened and reviewed for responsiveness to cost requirements. If a cost proposal is found to be non-responsive, that proposal may not receive a cost score and may be eliminated from consideration.

Each proposal that meets the submission requirements, passes the Preliminary Evaluation, and meets the cost proposal requirements will receive a cost score. The Cost Proposals will be scored based on a maximum cost score of 20 points within each of the three groups as defined in **Section 2.2**.

For all groups, the cost score will be normalized to account for the number of counties being utilized by regional teams.

After taking the normalization into account (if applicable), the maximum cost score for each group will be allocated to the proposal with the lowest all-inclusive price. All other responsive proposals in that group will receive a proportionate score based on the relation of their Cost Proposal to the proposals offered at the lowest final cost, using this formula:

Cost points awarded = 20 potential points x (Lowest Cost Proposal / Cost of Proposal Being Evaluated)

#### **6.5 Preliminary Composite Score**

A preliminary composite score will be calculated by adding the preliminary Technical Proposal points and the Cost Proposal points. Finalists will be determined based on preliminary composite scores.

#### **6.6 Interviews**

Not applicable.

#### **6.7 Reference Checks**

Not applicable.

#### **6.8 Final Composite Score**

A Final Composite Score will be calculated by reflecting any adjustments that may result from interviews or reference checks (if applicable) to the Preliminary Composite Score.

#### **6.9 OCFS Procedure for Handling Debriefing Requests, Formal Protests, and Appeals**

##### **A. Applicability**

The intent and purpose of these procedures is to define the debriefing process, as well as the protest and appeal procedures. This includes the steps that must be taken

when an interested party challenges a contract award from OCFS. These procedures shall apply to all contract awards made by OCFS.

## **B. Definitions**

1. "Interested party" shall mean a participant in the procurement process and those whose participation in the procurement process has been foreclosed by OCFS.
2. "Contract award" shall mean a written determination from OCFS to an offeror, indicating that OCFS has accepted the offeror's bid or offer.
3. "Debriefing" is the practice whereby, upon request of a bidder, OCFS reviews with such bidder the reasons its bid was not selected for an award. OCFS views debriefing as a learning process so that the bidder will be better prepared to participate in future procurements.
4. "Formal protest" shall mean a written challenge to an OCFS contract award.
5. "Procurement" shall mean any method used to solicit or establish a contract (e.g., invitation for bid, RFP, single/sole source, etc.)
6. "Protesting party" is the party who is filing a protest to the bid, contract award or other aspect of procurement.
7. "Formal protest determination" shall mean the determination of a formal protest by OCFS' deputy commissioner for administration or his or her designee.
8. "Decision after appeal" shall mean the decision on the appeal of a formal protest by OCFS' commissioner or his or her designee.

## **C. Debriefing Request**

In accordance with section 163 of the NY State Finance Law, OCFS must, upon request, provide a debriefing to any unsuccessful offeror that responded to the RFP, regarding the reasons that the proposal or bid submitted by the unsuccessful offeror was not selected for an award.

1. OCFS will provide notice in writing or electronically to all unsuccessful offerors that the offeror will not receive a funded award under the RFP. An unsuccessful offeror wanting a debriefing must request a debriefing in writing, within 15 calendar days of receipt of the notice from OCFS that the offeror's proposal did not result in an award.
2. When OCFS receives a timely written request from the unsuccessful offeror, it will schedule the debriefing to occur within a reasonable period of time following the receipt of such request. Debriefings will be conducted in person, unless OCFS and the offeror mutually agree to utilize other means, including but not limited to telephone, videoconferencing, or other types of electronic communications.
3. Such debriefing will include: (a) the reasons that the proposal, bid or offer submitted by the unsuccessful offeror was not selected for an award; (b) the qualitative and quantitative analysis employed by OCFS in assessing the relative merits of the proposals, bids, or offers; (c) the application of the selection criteria to the unsuccessful offeror's proposal; and (d) when the debriefing is held after the final award, the reasons for the selection of the winning proposal, bid, or offer. The debriefing will also provide, to the extent practicable, general advice and

guidance to the unsuccessful offeror concerning potential ways for their future proposals, bids, or offers to be more responsive.

#### **D. Formal Protest and Appeal Procedure**

Any interested party who believes that they have been treated unfairly in the application, evaluation, bid award, or contract-award phases of the procurement may present a formal protest to OCFS and request administrative relief concerning such action.

##### **1. Submission of Bid or Award Protests**

- a. Formal protests concerning a pending contract award must be received within five business days after the protesting party knows or should have known of the facts that constitute the basis of the formal protest. OCFS will not accept formal protests concerning a contract award after the contract between OCFS and the offeror has been approved by the OSC.

In addition, where a debriefing was requested, a bidder may file a protest within five business days from the debriefing (in addition to the original 10-day window from notice of award).

##### **2. Review and Formal Protest Determination**

- a. Formal protests must be filed with the OCFS deputy commissioner for administration. Any protests filed with the OCFS program division responsible for the procurement will be forwarded to the deputy commissioner for administration. Copies of all formal protests will be provided by the deputy commissioner for administration to the OCFS Division of Legal Affairs and other necessary parties within OCFS, as determined by the deputy commissioner for administration.
- b. Formal protests shall be resolved through written correspondence; however, either the protesting party or OCFS may request a meeting to discuss a formal protest. Where further formal resolution is required, the program division responsible for the procurement may designate a state employee not involved in the procurement (designee) to determine and undertake the initial attempted resolution or settlement of any formal protest.
- c. The OCFS program division responsible for the procurement will conduct a review of the records involved in the formal protest and provide a memorandum to the deputy commissioner for administration or the deputy commissioner's designee summarizing the facts, an analysis of the substance of the protest, and a preliminary recommendation, including: (a) an evaluation of the findings and recommendations, (b) the materials presented by the protesting party and/or any materials required of or submitted by other bidders, (c) the results of any consultation with the OCFS Division of Legal Affairs, and (d) a draft response to the formal protest.

## RFP # 1096 Child Fatality Review Team

- d. The OCFS deputy commissioner for administration or his or her designee shall hear and make a formal protest determination on all formal protests. A copy of the formal protest determination, stating the reason(s) upon which it is based, and informing the protesting party of the right to appeal an unfavorable decision to the OCFS commissioner, shall be sent to the protesting party or its agent within 30 business days of receiving the formal protest, except that upon notice to the protesting party, OCFS may extend such period. The formal protest determination will be recorded and included in the procurement record or otherwise forwarded to the OSC.

### 3. Appeal of Formal Protest Determination

- a. If the protesting party is not satisfied with the formal protest determination, the protesting party **must** submit a written notice of appeal to OCFS' commissioner no more than 15 business days after the date the formal protest determination is sent to the protesting party.
- b. The commissioner or his/her designee shall review the formal protest documentation and make a decision on all appeals.
- c. An appeal may not introduce new facts unless responding to facts or issues unknown to the protesting party before the formal protest determination.

### 4. Reservation of Rights and Responsibilities of OCFS

- a. OCFS reserves the right to waive or extend the time requirements for protest submissions, decisions, and appeals herein prescribed when, in its sole judgment, circumstances so warrant to serve the best interests of the state.
- b. If OCFS determines that there are compelling circumstances, including the need to proceed immediately with contract award and development of final contracts in the best interests of the state, then these protest procedures may be suspended, and such determination shall be documented in the procurement record.
- c. OCFS will consider all information relevant to the protest and may, at its discretion, suspend, modify, or cancel the protested procurement action, including solicitation of bids, or withdraw the recommendation of contract award before issuance of a formal protest decision.
- d. Unless a determination is made to suspend, modify, or cancel the protested procurement action, or withdraw the recommendation of contract award, OCFS will continue procurement and contract award activity before the formal protest determination. Receiving a formal protest will not otherwise stop action on the procurement and award of the contract(s) or on development of final contracts.
  - i. The procurement record and awarded contract(s) will be forwarded to OSC, and a notice of the receipt of a formal protest and any appeal will be included in the procurement record. If a formal protest determination or a decision after appeal has been reached before transmittal of the

## RFP # 1096 Child Fatality Review Team

procurement record and the contract(s) to OSC, a copy of the formal protest determination or decision after appeal will be included in the procurement record and with the contract(s).

- ii. If a formal protest determination or decision after appeal is made after the transmittal of the procurement record and contract(s) to OSC, but before OSC approval, a copy of the formal protest determination or decision after appeal will be forwarded to OSC when issued, along with a letter either:
  - a) confirming the original OCFS recommendation for award(s),
  - b) modifying the proposed award recommendation, or
  - c) withdrawing the original award recommendation.
- iii. All records related to formal protests and appeals shall be retained for at least one year following resolution of the formal protest. All other records concerning the procurement shall be retained according to the applicable requirements for records retention.

### E. Appeal to the Office of the State Comptroller

If the protesting party is still not satisfied with the result of its protest after conclusion of the formal protest and appeal procedure described above, the protesting party may file a written appeal with the OSC within 10 business days of the date the protesting party received OCFS' protest determination. An appeal to the OSC's Bureau of Contracts must be in writing and must contain the specific factual and/or legal allegations setting forth the basis upon which the protesting party challenges the contract award by OCFS. Such appeal must be filed with the director of the Bureau of Contracts at the New York State Office of the State Comptroller, 110 State Street, 11<sup>th</sup> Floor, Albany, NY 12236.

## 7.0 MANDATORY CONTRACTING REQUIREMENTS

### 7.1 Contract Readiness

It is expected that all offerors awarded a contract will negotiate with New York State in good faith and cooperatively work with OCFS to move from an award to an approved contract before the anticipated contract start date that is noted in **Sections 1.2 and 2.3** of this RFP. It is expected that this process will be expedited, and awardees will need to be available and prepared to respond in required time frames. OCFS may revoke an award made under this RFP, if it determines it is in the best interest of New York State, if awardees do not meet the time frames needed for contract development and/or signature to meet the anticipated contract start date.

Before submitting a bid, an offeror is responsible for various verifications that validate its capacity and organizational authority to receive public funding and operate a business in New York State. All suppliers of goods and services to New York State must be registered in the New York Statewide Financial System (SFS) Central Vendor Registry file and provide their identification number at the time of contracting. For additional information on the vendor file, contact:

<https://www.osc.state.ny.us/vendors/vendorselfservicesystem.htm>.

## 7.2 Standard Contract Language

The terms and conditions can be viewed [online](#) by clicking on this link and are hereby incorporated into this RFP. By applying to this RFP offerors agree that they have reviewed and understand the contract terms and conditions. Contracts awarded under this RFP must be approved by the New York State Office of the Attorney General (OAG) and the New York State Office of the State Comptroller (OSC). Upon contract award and completion of negotiations, OCFS will send successful awardees the complete contract for development and signature before submitting it to the OAG and to OSC for approval. Contractors may not begin to provide services before the contract start date; OCFS has no obligation to pay for services rendered before that time.

## 7.3 Contract Management System (CMS)

OCFS has developed a comprehensive, web-based Contract Management System (CMS) providing technology that automates the contract development, claiming, and program reporting process. Vendors awarded contracts under this procurement may develop and electronically sign contracts through CMS. The opportunity to submit claims and program reports online is also available to CMS users. For online contract development and claims processing, all vendors are required to include form OCFS-4821, [Contract Management System \(CMS\) Authorization Form](#). In addition to the authorization form, a current organization chart that indicates where the organization head or the chief administrative officer and the contract developers, contract signatories, and claim signatories appear in relation to the board of directors and the organization as a whole must be on file with OCFS, and must be included with the proposal.

A description of CMS, including benefits to vendors, follows:

CMS standardizes the contract development process, automating labor-intensive tasks and providing system edits that reduce common errors. Interactive budget and contract documents streamline the development process. Intuitive screens provide a user-friendly environment. Online claiming functionality allows for expedited payment of claims through the use of system edits, elimination of mailing time, and consolidation of all supporting documentation into one easy-to-access location. CMS features will permit vendors to do the following online:

- Develop, manage, and electronically sign a contract online
- Receive alerts and notifications regarding the status of contract approval
- Permit correspondence between the vendor and OCFS
- Upload and download contract documents into CMS
- Process online budget modifications
- Process online claims, including both advances and expenditures
- Upload supporting documentation for budget modifications and claims
- Submit program reports online
- Check the status of contracts and payments

CMS has no hardware requirements and may be accessed at the following link <https://my.ny.gov/>. Minimum computer requirements for participating are simply internet access, Chrome or Edge internet browser, and Acrobat Reader (CMS is not

compatible with Acrobat Reader DC). Acrobat Reader can be obtained free of charge at: <http://get.adobe.com/reader>.

For Macintosh users, Safari 3.1 or higher is recommended and can be obtained free of charge at: <http://www.apple.com/support/mac-apps/safari/>.

#### **7.4 Workers' Compensation Insurance and Disability Benefits Coverage**

Sections 57 and 220 of the Workers' Compensation Law (WCL) and section 142 of the State Finance Law require that businesses contracting with New York State have and maintain and provide evidence of appropriate workers' compensation and disability benefits insurance coverage. If an award is made from this RFP, updated proof of coverage must be provided during contract development. Failure to submit the proof will delay the contract development process and may result in the award being rescinded. Municipalities are not required to show proof of coverage.

**Please note: The ACCORD form is not acceptable proof of Workers' Compensation or Disability Insurance coverage.**

##### **A. Proof of Workers' Compensation Coverage**

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a state contract submit appropriate proof of coverage to the state contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers' compensation insurance coverage. Access the forms at:

<http://www.wcb.ny.gov/content/main/forms/AllForms.jsp>

- **Form C-105.2** - *Certificate of Workers' Compensation Insurance*, issued by private insurance carriers, or **Form U-26.3**, issued by the State Insurance Fund;<sup>3</sup> or
- **Form SI-12<sup>4</sup>** - *Certificate of Workers' Compensation Self-Insurance*, or **Form GSI-105.2**,<sup>5</sup> *Certificate of Participation in Workers' Compensation Group Self-Insurance*; or
- **CE-200<sup>6</sup>** - *Certificate of Attestation of Exemption* from New York State Workers' Compensation and/or Disability and Paid Family Leave Benefits coverage.

##### **B. Proof of Disability Benefits Coverage**

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate disability benefits insurance coverage, submit ONE of these three forms: <http://www.wcb.ny.gov/content/main/forms/AllForms.jsp>

- **Form DB-120.1<sup>3</sup>** - *Certificate of Disability Benefits Insurance*; or
- **Form DB-120.2** – *Certificate of Participation in Disability Benefits Group Insurance*; or

- **Form DB-155<sup>z</sup>** - *Certificate of Disability Benefits Self-Insurance*; or
- **CE-200<sup>e</sup>** - *Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability and Paid family Leave Benefits coverage*.

## **7.5 Confidentiality and Awardee, Contractor, Employee, and Volunteer Criminal History Background Checks**

OCFS is responsible for maintaining the safety of the youth served by OCFS programs.

**7.5.1 Confidentiality** - New York State law requires that any client identifiable information be kept confidential. Any awardee or contractor, employee, or volunteer of the awardee who will be provided with confidential information of recipients served by the awardee must complete and sign form OCFS-4715, [Confidentiality Non-Disclosure Agreement](#). This form must be completed before the start date of the contract and before any such awardee, contractor, employee, or volunteer is permitted access to youth served by an awardee or to any financial or client identifiable information concerning such youth. For additional information, see **Attachment A-1, Section 7 Confidentiality and Protection of Human Subjects**, located at the link to a standard contract listed in **Section 7.2** above.

**7.5.2 Criminal History Background Checks** - Any awardee or contractor, employee, or volunteer of the awardee, who will have the potential for regular and substantial contact with youth receiving services must be subject to background screening and be cleared to hire before the start date of the contract and before such persons are permitted any unrestricted contact with youth. The screening must include a review of individuals' backgrounds through the following three services: New York State Justice Center for the Protection of People With Special Needs Staff Exclusion List (SEL), New York Statewide Central Register (SCR) list; and a criminal background check vendor that will conduct both a federal check and a check of all 50 states. Additional information regarding all three services will be provided upon the grant of an award. Please note that the grant of an award may be negatively impacted if background checks reveal that an individual proposed to provide services is on the SEL, is the subject of any indicated report of child abuse and/or maltreatment or has convictions for one or more prior criminal offenses. Awardees are responsible for notifying OCFS if a background check reveals that a contractor, employee, or volunteer of the awardee proposed to provide services has a criminal history. Any criminal history revealed as a result of such screening will be evaluated by OCFS pursuant to Correction Law Article 23-A, section 752, on a case-by-case basis taking into consideration the duties of the position and those factors set forth in Correction Law Article 23-A, section 753. OCFS will evaluate the results of the screening in accordance with Correction Law Article 23-A and notify the awardee of its determination. The awardee shall be responsible for the cost associated with any required background screens of the individuals identified in this section.

## **7.6 Minority-owned and Women-owned Business Enterprise (MWBE) – Equal Employment Opportunity (EEO) - Requirements and Procedures**

This section outlines contractor requirements and procedures for business participation opportunities for New York State-certified Minority-owned and Women-Owned Business Enterprises (MWBE) and Equal Employment Opportunities (EEO) for minority group members and women. All forms can be found [here](#).

### **7.6.1 New York State Executive Law (Article 15-A)**

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations OCFS is required to promote opportunities for the maximum feasible participation of New York State-certified MWBE and the employment of minority group members and women in the performance of OCFS contracts.

### **7.6.2 MWBE Business Participation Opportunities – OCFS Established Goals**

For purposes of this solicitation, OCFS hereby establishes an overall goal of **30%** for MWBE participation, **15%** for New York State-certified Minority-Owned Business Enterprise “MBE” participation and **15%** for New York State-certified Women-Owned Business Enterprise “WBE” participation (based on the current availability of MBEs and WBEs). A contractor on any contract resulting from this procurement must document its good faith efforts to provide meaningful participation by MWBE as subcontractors and suppliers in the performance of the contract. To that end, by submitting a response to this RFP, the respondent agrees that OCFS may withhold payment pursuant to any contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBE can be viewed at: <https://ny.newnycontracts.com>. For guidance on how OCFS will evaluate a contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBE for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

### **7.6.3 Contract Compliance**

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a contract resulting from this RFP, such finding constitutes a breach of contract, and OCFS may withhold payment as liquidated damages.

## RFP # 1096 Child Fatality Review Team

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBE had the contractor achieved the contractual MWBE goals and (2) all sums actually paid to MWBE for work performed or materials supplied under the contract.

By submitting a bid or proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (NYSCS), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a respondent may arrange to provide such evidence via a nonelectronic method by contacting OCFS.

Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:

A. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the contract award and during the term of the contract must be reported on a revised MWBE Utilization Plan and submitted to OCFS for review and approval.

OCFS will review the submitted MWBE Utilization Plan and advise the respondent of OCFS acceptance or issue a notice of deficiency within 30 days of receipt.

B. If a notice of deficiency is issued, the respondent will be required to respond to it within seven business days of receipt by submitting to the OCFS a written remedy in response to the notice to [contractcompliance@ocfs.ny.gov](mailto:contractcompliance@ocfs.ny.gov). If the written remedy that is submitted is not timely or is found by OCFS to be inadequate, OCFS shall notify the respondent and direct the respondent to submit, within five business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

OCFS may disqualify a respondent as being nonresponsive under the following circumstances:

- a) If a respondent fails to submit an MWBE Utilization Plan
- b) If a respondent fails to submit a written remedy to a notice of deficiency
- c) If a respondent fails to submit a request for waiver
- d) If OCFS determines that the respondent has failed to document good faith efforts

The successful respondent will be required to attempt to use, in good faith, any MBE or WBE identified within its MWBE Utilization Plan during the performance of the contract. Requests for a partial or total waiver of established goal requirements made subsequent to contract award may be made at any time during the term of the contract to OCFS but must be made before submitting a request for final payment on the contract.

The successful respondent will be required to submit a quarterly M/WBE contractor Compliance and Payment Report to OCFS, by the 10<sup>th</sup> day

following each end of quarter over the term of the contract, documenting the progress made toward achievement of the MWBE goals of the contract.

The respondent will be required to submit an MWBE and Equal Employment Opportunity Policy Statement, as referenced in **Section 5.6 Submission of Proposals**, to OCFS with its bid or proposal.

If awarded a contract, respondent shall submit a Workforce Utilization Report and shall require each of its subcontractors to submit the same, in a format that OCFS requires on a quarterly basis during the term of the contract.

Pursuant to Executive Order #162, non-grant contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the Human Rights Law), all other state and federal statutory and constitutional non-discrimination provisions, the contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

The SDVOB Act, which is codified under [Article 3 of Veterans' Services Law](#), acknowledges that SDVOBs strongly contribute to the economies of the state and the nation. Therefore, and consistent with its Master Goal Plan, OCFS strongly encourages vendors who contract with OCFS to consider the utilization of certified SDVOBs that are responsible and responsive for at least **six percent** of discretionary non-personnel service spending in the fulfillment of the requirements of their contracts with OCFS. Such partnering may include utilizing certified SDVOBs as subcontractors, suppliers, protégés, or in other supporting roles to the maximum extent practical, and consistent with the legal requirements of the State Finance Law and the Veterans' Services Law.
