1.0 GENERAL INFORMATION/CALENDAR OF EVENTS

The New York State Office of Children and Family Services on behalf of the Commission on National and Community Service (hereafter “the Commission”) seeks applicants for 2024-2025 AmeriCorps Competitive grant funding. The Commission is a governor-appointed commission with a diverse, non-partisan body of, among others, representatives of business, labor, education, government, human service agencies and community-based organizations. The Commission directs national service policy for the state and directly administers funding awarded by The Corporation for National and Community Service (hereafter “AmeriCorps”) to support New York State AmeriCorps programs.

The Commission, while independent, is hosted by the New York State Office of Children and Family Services (hereafter “OCFS”). OCFS provides valuable and critical support to the Commission and is the designated state agency for purposes of issuing the Commission requests for proposals and administering grant contracts. There will be instances within this Request for Proposal (hereafter “RFP”) for documents, forms and other information requested by OCFS. The Commission supports the mission and priorities of OCFS, and applicants should prepare their proposals to address the specific parameters of this RFP. All documents and forms requested by OCFS must be submitted before the deadline for submission of proposals indicated in [Section 1.2 \(Calendar of Events\)](#). If awarded subgrants under this RFP, your agency must agree to comply with all applicable state and federal laws, rules and regulations, and all OCFS contract and reporting procedures.

Once applicants have been determined to have met the minimum qualifications outlined in [Section 3.1](#) OCFS is NOT responsible for further review or evaluation of applications. All recommendations to AmeriCorps to fund applications, or the decision to not recommend an applicant for funding, are within the discretion of the Commission. Final award determinations are made by AmeriCorps. AmeriCorps does not allow an appeal of any award decisions.

This RFP’s funding comes from AmeriCorps national service annual funding. The recommendations made by the Commission must be approved by AmeriCorps before grants may be awarded. The Commission will recommend funding a single organization or agency, or multiple organizations or agencies to establish and administer an AmeriCorps program or programs.

You should only respond to this RFP if you are proposing an AmeriCorps program that will operate and provide service solely within the geographic borders of New York State. If your proposal encompasses programming that will cross these borders, or if you will place AmeriCorps members funded under this proposal at sites outside of New York State, DO NOT RESPOND TO THIS RFP. You are proposing a national direct program and must respond directly to the Corporation’s national RFP, which can be found at <https://americorps.gov/sites/default/files/document/1%20FY%202024%20ASN%20Competitive%20-%20FINAL.508.pdf>

Note: Throughout this document, the terms *proposals*, *bids*, *offers*, and *applications* are used interchangeably, as are *applicants*, *bidders*, and *offerers*. If the offerer discovers any ambiguity, conflict, discrepancy, omission, or other error in this RFP, the offerer shall immediately notify OCFS ([see Section 1.1 Procurement Contact](#)) of such error in writing and request clarification or modification of the document.

If before the deadline for submission of written questions listed in the Calendar of Events, an offerer fails to notify OCFS of a known error in or omission from the RFP, or of any error or omission or prejudice in bid specification or documents with the RFP that the offerer knew or should have known, the offerer agrees that it will assume such risk if awarded funds, and the offerer agrees that it is precluded from seeking further administrative relief or additional compensation under the contract by reason of such error, omission, or prejudice in bid specification or documents.

2.0 EXECUTIVE OVERVIEW

2.1 Introduction / Description of Program Objectives and Background

The Commission was established in 1993 by an executive order of Governor Mario Cuomo. The Commission administers the state's AmeriCorps national service portfolio, which seeks to improve lives, strengthen communities, and foster civic engagement through service and volunteerism in New York State. The Commission promotes volunteerism and community service as methods to solve local problems.

[The National and Community Service Act of 1990, as amended by the Serve America Act, of 2009](#) emphasizes measuring the impact of service and focusing on a core set of issue areas. In order to carry out Congress's intent and to maximize the impact of investment in national service, and to achieve the goals laid out in their [Strategic Plan \(2022-2026\)](#), AmeriCorps has the following focus areas:

1. Disaster services
2. Economic opportunity
3. Education
4. Environmental stewardship
5. Healthy futures
6. Veterans and military families

New York State AmeriCorps subgrants are awarded to public or private nonprofit organizations (including faith-based), other community organizations, Native American tribes, institutions of higher education, local governments, nonprofit organizations, state agencies or other non-federal governmental entities within states or territories (e.g., cities, counties), labor organizations, partnerships and consortia, and intermediaries that will operate solely in New York State and focus on one (1) or more of the six (6) focus areas. Each of the organizations and agencies, in turn, is expected to use AmeriCorps funding to recruit, place, and supervise AmeriCorps members who engage in intensive service to address pressing community problems.

After successful completion of their terms of service, AmeriCorps members may earn a [Segal AmeriCorps Education Award](#) that may be used to pay for college or graduate school at Title IV-eligible schools or to repay [qualified student loans](#). Most AmeriCorps members receive a modest living allowance and health care benefits and may be eligible for childcare assistance during their terms of service.

2.2 OCFS Statewide Considerations

Not Applicable

2.3 Purpose and Funding Availability

The Commission anticipates that AmeriCorps will be highly selective in choosing the awardees for the 2024-2025 Competitive funding. To maximize the impact of the public investment in national service, the Commission will recommend applications for funding that demonstrate community impact and the ability to solve community problems using an evidence-based or evidence-informed approach (e.g., performance data, research).

Most awards made under this RFP have two components:

1. Operating funds, and
2. AmeriCorps member positions

Pursuant to the [FY24 NOFO](#), p. 4, an AmeriCorps member is an individual who engages in community service through an approved national service position. AmeriCorps members will be recruited, trained, supervised, and managed by the funded organization. Award amounts vary both in the level of operating funds and in the type and amount of AmeriCorps member positions, as determined by the scope of the projects. Please see RFP **Section 5.1 Technical Proposal Content/Work Plan, 4. Member Experience** and [FY24 NOFO](#), p. 24

Applicants responding to this New York State RFP must adhere to the time frames specified in [Section 1.2 Calendar of Events of this RFP](#).

AmeriCorps has certain responsibilities related to the federal awards they make. Title 2 of the Code of Federal Regulations (CFR) §200.210 of the “Information Contained in a Federal Award” provides the federal award information that must be provided to each subrecipient of a federal award. **Please note that the Commission has determined that awardees under this procurement are deemed *subrecipients* as described in 2 CFR §200.330 for the purpose of carrying out a portion of a federal award.** The Commission will be providing this information to awardees in accordance with federal regulatory requirements and to assist awardees in meeting their federal regulatory requirements as subrecipients.

Operating Funds – Annual Competitive Funding

AmeriCorps improves lives, strengthens communities, and fosters civic engagement through service and volunteering. AmeriCorps brings people together to tackle some of the country’s most pressing challenges through national service and volunteerism. AmeriCorps members serve with organizations dedicated to the improvement of communities and those serving. AmeriCorps helps make service a cornerstone of our national culture.

2.4 Term of Contract

Awards in response to this RFP for new or re-competing grants will result in multiyear contracts for a term of no more than thirty-nine (39) months from the contract start date, which consists of three (3) 15-month contract periods. Applicants who receive awards of federal funding under this RFP will be subject to all applicable state and federal laws, rules and regulations, to include AmeriCorps program regulations found under [45 CFR Part 2522](#).

The 15-month contract periods allow the contractor a covered period to recruit members and remain compliant with federal regulations, which provide full-time AmeriCorps members up to twelve (12) months to complete their terms of service, only AmeriCorps member costs can be paid in months 13-15 of each period. In addition, programs must budget money for National Service Criminal History Checks (NSCHCs) and may expend the NSCHC funds for staff or members recruited during the contract period. The contract start date must be in accordance with the anticipated contract start date stated in **Section 1.2 Calendar of Events**. Expenses incurred in a 15-month contract period may only be reimbursed with funds granted for that same 15-month contract period.

In approving a multiyear project, AmeriCorps will approve initial funding for the first 15-month contract period. Continuation funding is not guaranteed. Applicants that are awarded a multiyear contract **must** reapply for funding for the second and third 15-month period and are subject to AmeriCorps's approval process for each period. Contracts awarded from this RFP to applicants that do **NOT** reapply will be terminated at the end of their 15-month period. Factors considered in awarding continuation grants include satisfactory performance of the contractor.

All awards made as a result of this RFP are conditioned upon the continued availability of federal funds. The Commission and AmeriCorps reserve the right to adjust the amount of an award made under this RFP or elect not to continue funding for subsequent years.

Note: Contractors may not begin to provide services before the approved contract start date; OCFS has no obligation to pay for services rendered before that time. Payments cannot be made before the formal execution of a contract and approval by the New York State Office of the Attorney General (AG) and the New York State Office of the State Comptroller (OSC).

3.0 MINIMUM QUALIFICATIONS TO PROPOSE AND PREQUALIFICATION PROCESS

3.1 Minimum Qualifications

- New York State AmeriCorps grants are awarded to public or private nonprofit organizations including, but not limited to, faith-based, other community organizations, institutions of higher education, state agencies or other non-federal governmental entities within states or territories (e.g., cities, counties), Native American tribes, labor organizations, partnerships and consortia, and intermediaries that will operate solely in New York State.
- AmeriCorps *Competitive Pool* contractors who have an existing multiyear contract with OCFS and are in periods 1 or 2 of their contract term must submit continuation requests in eGrants for year 2 or 3 of their contract. Existing contractors will be sent instructions in separate correspondence provided by their AmeriCorps program administrators.
- New and re-competing applicants **must** be prequalified, if not exempt, in the New York State Grants Gateway on the application deadline. See **Section 3.2 Prequalification Process** for additional information.

New York State requires non-profit organizations to complete the Vendor Prequalification process in order for proposals to be evaluated. Non-profit organizations must prequalify once every three (3) years and are responsible for keeping their information current throughout the three-year period.

Proposals received from non-profit applicants that are not prequalified in the Grants Gateway on the proposal due date and time listed in [Section 1.2 Calendar of Events](#) will be disqualified from further consideration.

Note: Government entities are not required to prequalify in the Grants Gateway but **must register** in order to submit an application.

Below is a summary of the steps that must be completed to meet registration and prequalification requirements. [The Vendor Prequalification Manual](#) on the [Grants Management website](#) details the requirements and an [online tutorial](#) is available to walk users through the process.

- After completing your prequalification application, click the “Submit Document Vault” link located below the “Required Documents” section to submit your prequalification application for state agency review. Once submitted, the status of the document vault will change to “In Review.”
- If expedited review of your prequalification application is desired, please send an email request to the agency contact listed in [Section 1.1 Procurement Contact](#) and identify your organization by including your Grants Gateway Document Vault (GDV) number, organization name, and federal EIN or SFS Vendor ID. It is advised that you submit this request before, or as soon as possible after, the **Recommended Deadline to Prequalify in the Grants Gateway** noted in [Section 1.2 Calendar of Events](#).
- Your document vault will be assigned to a prequalification specialist for review. If your prequalification specialist has questions or requests modifications, you will receive an email notification from the GGS.
- Once your prequalification application has been approved, you will receive an GGS notification that you are now prequalified to do business with New York State.

Vendors are strongly encouraged to begin this process as soon as possible and at the latest by the date specified in [Section 1.2 Calendar of Events](#) to participate in this opportunity.

3.3 Vendor Responsibility Requirements

In section 163(9)(f) of the New York State Finance Law requires that a state agency make a determination that a bidder is responsible before awarding that bidder a state contract. Vendor responsibility will be determined based on the information provided by the bidder, online, through the New York State VendRep System Questionnaire or through a paper copy of the Vendor Responsibility Questionnaire. OCFS will review the information provided before making an award.

OCFS reserves the right to reject any proposal if, in its sole discretion, it determines the bidder is not a responsible vendor. All proposals are subject to a vendor responsibility determination before the award is made, and such determination can be revisited at any point up to the final approval of the contract by the OSC. Vendors must maintain their vendor responsibility throughout the duration of the contract.

Enrolling and completing the questionnaire online through the New York State VendRep System is the best method because both the questionnaire and answers are stored in the system. Thus, subsequent questionnaires in response to contracts or RFPs from any state agency would only need to be updated in the VendRep System.

To access or enroll in the VendRep System or update your existing online questionnaire, click [Online Questionnaire](#). Questionnaires in the VendRep System that have been completed in the last six months in response to contracts or bid announcements do not need to be updated. If the vendor is using the hard copy notarized questionnaire, then it also has to be current within six months of the due date of the proposal.

Vendors opting to complete a paper questionnaire can access the questionnaire by clicking the following link: [Paper Questionnaire](#). Please note that there are separate questionnaires depending on the contractor status. Non-profit vendors must use the *Vendor Responsibility Questionnaire Non-Profit Business Entity* form. For-profit vendors must use the *Vendor Responsibility Questionnaire For-Profit Business Entity* form.

Vendors are also encouraged to have subcontractors file the required *Vendor Responsibility Questionnaire* online through the New York State VendRep System. These subcontractors are required to submit a questionnaire when the value of the subcontract is \$100,000 or more.

Before executing a subcontract agreement, the contractor must provide the information required by OCFS to determine whether a proposed subcontractor is a responsible vendor.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor Identification Number or for direct VendRep System user assistance, the OSC Help Desk may be reached at 866-370-4672 or 518-408-4672, or by email at ciohelpdesk@osc.state.ny.us.

The New York State VendRep System offers the following benefits:

- Ease of completion, filing, access to and submission of the questionnaire; efficiencies are multiplied for vendors who bid and contract with the state frequently or with multiple state agencies.
- Questionnaire updates are easily filed by updating only those responses that require change from the previously saved questionnaire (as opposed to a paper copy where a new questionnaire is required each time there is a change).
- The stored questionnaire information eliminates the need to reenter data for each subsequent questionnaire submission.
- Reduction of costs associated with paper documents including copying, delivery, and filing
- Online questionnaire information is secure and accessible to authorized vendor users only. State agencies can only view certified and finalized questionnaires.
- VendRep question prompts ensure that the correct forms are completed.
- The VendRep Online System contains links to all definitions of the terms used in the questionnaire.

Note: The *Vendor Responsibility Questionnaire* must be dated within six months of the proposal due date. Any subcontractors under that proposed contract must also complete a *Vendor Responsibility Questionnaire* when the value of the subcontract is projected to be \$100,000 or more for the contract term.

Confirmation of **completion** of the vendor responsibility process should be submitted with your proposal. This confirmation can take the form of registration in the VendRep System or by submitting your completed hardcopy questionnaire. To submit this confirmation with your application, go to the bottom of your certified questionnaire and click the button called, "Form Overview." **Print this page and submit it as part of the New York State Supporting Documents according to the instruction provided in Section 1.6 of this RFP.**

4.0 PROGRAM REQUIREMENTS

4.1 Desired Outcomes and Program Requirements

A. Funding Priorities – Annual Competitive Applications

Information on AmeriCorps, the federal agency's goals and objectives to advance the agency's mission to improve lives and strengthen communities, can be found in the [2022-2026 Strategic Plan](#).

AmeriCorps seeks to prioritize the investment of national service resources in the following areas:

- Organizations leading service in communities with concentrated poverty, rural communities, tribal communities, and those organizations serving historically underrepresented and underserved individuals, including but not limited to communities of color, immigrants and refugees, people with disabilities, people who identify as part of the LGBTQIA+ community, people with arrest and/or conviction records, and religious minorities;
- Evidence-based interventions on the [AmeriCorps Evidence Exchange](#) that are assessed as having Moderate or Strong evidence. Please note that many of these interventions have demonstrated effectiveness in improving outcomes for individuals living in underserved communities and that the agency has committed resources to supporting grantees seeking to replicate and evaluate these interventions in similar communities;
- Veterans and Military Families, Caregivers, and Survivors – a program model that improves the quality of life of veterans and improves the well-being of military and veteran families, caregivers, and survivors;
- Faith-based organizations;
- Programs that provide additional benefits to AmeriCorps members aimed at enhancing member experience and bolstering member recruitment and retention, such as paying more than the minimum living allowance, transportation, housing, food, etc.;
- Programs that create workforce pathways for AmeriCorps members, including deliberate training, certifications, and hiring preferences or support; and

- Environmental stewardship, including supporting communities to become more resilient through measures that reduce greenhouse gas emissions, conserve land and water, increase renewable energy use and improve at-risk ecosystems, especially in underserved households and communities.
- Community-based programs that enhance and expand services to second chance youth and/or engage those youth as AmeriCorps members;
- Programs that support civic bridgebuilding programs and projects to reduce polarization and community divisions; and providing training in civic bridgebuilding skills and techniques to AmeriCorps members;
- Programs focused on implementing or expanding access to high- quality early learning and those that prepare Americorps members to enter early learning careers

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes and must include a high-quality program design. Proposing programs that receive priority consideration does not guarantee funding.

Focus Areas for AmeriCorps Programming

Applications must focus on one (1) or more of the six (6) focus areas identified by the Edward M. Kennedy Serve America Act. These focus areas are:

1. **Disaster Services** grants will assist individuals and communities prepare for, respond to, recover from, and mitigate the effects of disasters and increase community resiliency.
2. **Economic Opportunity** grants will improve the economic well-being and security of underserved individuals.
3. **Education** grants will improve educational outcomes for underserved people, especially children. AmeriCorps is particularly interested in program designs that support youth engagement and service learning as strategies to achieve high educational outcomes.
4. **Environmental Stewardship** grants will support communities to become more resilient through measures that reduce greenhouse gas emissions, conserve land and water, increase renewable energy use and improve at-risk ecosystems, especially in underserved households and communities.

5. **Healthy Futures** grants will provide support for health needs within communities, including mitigating the impacts of COVID-19 and other public health crises, access to care, aging in place, and addressing childhood obesity, especially in underserved communities.
6. **Veterans and Military Families** grants will improve the quality of life of veterans, military families, caregivers, and survivors.

4.2 Program Requirements Based on AmeriCorps Grant Award and Application Types

A. FY24 Competitive Allocation Funding Overview

New Applicants

The Commission encourages organizations that have never received AmeriCorps funding to apply for the funding described in this RFP. AmeriCorps's general practice is to award no more than fifty (50) member positions (slots) to organizations receiving an AmeriCorps grant for the first time. See below in section i for the member slot types chart.

New applicants are eligible to apply for cost reimbursement and the Education Award Program (EAP) grants but are NOT eligible to apply for Full-Cost Fixed Amount grants

The Commission has determined that an AmeriCorps program funded under this RFP must propose a minimum of ten (10) Member Service Years (MSYs). See [FY24 MSI](#) on p. 7 for the definition of MSY.

Note: New York State governmental entities approved for AmeriCorps funding will be compensated on a cost reimbursement basis only; please submit your budget accordingly.

New or Additional Proposal

Current and previous grantees may not operate a new project within the same grant type (e.g., a new or second project in Competitive allocation) without the prior written approval of AmeriCorps.

New projects will be considered the "same" if they

- address the same issue areas,
- address the same priorities,
- address the same objectives,
- serve the same target communities and population, or
- utilize the same sites.

AmeriCorps will consider a project to be “new” if there is a meaningful difference between it and previous projects in a comparison of several characteristics.

Please see [FY24 MSI](#) “Same Project” on pp. 8 – 9 for a full description of criteria

To request permission to apply for a new or more than one (1) project, the Commission requires that applicants complete [this request form](#) and email to the Commission at:

AmeriCorps.RFP@newyorkersvolunteer.ny.gov.

AmeriCorps requires applicants to request new projects “significantly in advance” of the application deadline date specified in [Section 1.2 Calendar of Events](#). Please submit your requests as early as possible.

The Commission will forward these types of requests to AmeriCorps, which has sole discretion to determine approval of these requests. The Commission cannot assure applicants that AmeriCorps will determine such requests before the Commission’s deadline for submission of applications as stated in the Calendar of Events. The Commission will not publish responses to these requests but will directly notify potential applicants of AmeriCorps’s determination.

Continuation Requests

This RFP is for new and recompeting applicants in the third and final year of a competitive funding cycle and applying for a new Competitive grant cycle.

Programs that are currently in their first or second year of operation within a grant cycle are continuing applicants. These programs are considered current programs with AmeriCorps Competitive contract terms that will not end before December 31, 2024.

Commission AmeriCorps program administrators will send continuing programs the *AmeriCorps Competitive Continuation Instructions for 2024-2025*, under separate cover from this RFP, to be

considered for continuation of funding for an additional period within their contract term.

** Per [42 U.S.C. § 12581a](#), the Corporation may provide the operational support under this section for a program in an amount that is not more

than \$800 per individual enrolled in an approved national service position, or not more than \$1,000 per such individual if at least 50 percent of the persons enrolled in the program are disadvantaged youth.

***FT = Full Time, TQT = Three Quarter Time, HT = Half Time, RHT = Reduced Half Time, QT = Quarter Time, MT = Minimum Time, AT = Abbreviated Time

AmeriCorps Operating Grants: AmeriCorps may award a cost reimbursement or a fixed-amount grant to any successful applicant, but the availability of a full-cost fixed-amount grant is limited to certain applicants. Professional Corps (as defined in [FY24 MSI](#) on p. 7) are not eligible to apply for cost reimbursement grants. See [FY24 NOFO](#) pp. 8 C.1. Eligible Applicants for more information. AmeriCorps will not provide both types of grants for the same program in any one (1) federal fiscal year.

ii. Member Living Allowance

A living allowance is not considered a salary or a wage. Programs are not required to provide a living allowance for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must comply with the maximum limits in the table below. For cost reimbursement grants, the amount must be included in the proposed budget as either AmeriCorps or grantee share. Exceptions are noted below.

While fixed-amount grant applicants are not required to submit detailed budgets, they are still required to provide a living allowance to members that complies with the minimum and maximum requirements. Exceptions are noted below. Fixed-amount grant applicants should indicate that amount in the application.

Table: Minimum and Maximum Living Allowance

Service Term	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full Time	1,700	\$18,700	\$37,400
Three-Quarter Time	1,200	n/a	\$26,180

Reduced Half Time	675	n/a	\$14,212
Quarter Time	450	n/a	\$9,724
Minimum Time	300	n/a	\$7,854

Abbreviated Time	100	n/a	\$2,244
------------------	-----	-----	---------

Funded organizations are responsible for withholding federal income tax and FICA. In accordance with the New York State Department of Labor’s memorandum issued in 1995, which clarified that service with AmeriCorps is not covered employment in New York State, funded organizations do not withhold unemployment insurance premiums for AmeriCorps members. See NOFO [here](#) in section **D.6.a.1 Member Living Allowance** for more information and exceptions to requirements.

iii. Maximum Cost per Member Service Year (MSY)

The maximum cost per MSY is NOT to be confused with the maximum Member Living Allowance (see Section 4.2.A.ii, above).

AmeriCorps cost per MSY is determined by dividing the federal AmeriCorps share of budgeted grant costs by the number of MSYs requested; it does not include childcare or the value of the education award a member may earn. The maximum amount an applicant may request from AmeriCorps per MSY is determined on an annual basis. New and re-competing Commission subgrantees/applicants will be held to the maximum cost per MSY for their grant type. The maximum costs per MSY for this funding opportunity are set forth in the Federal Award Information, Maximum Cost per Member Service Year [here](#).

Table: Maximum Cost per MSY

Grant Program	Maximum Cost/MSY
AmeriCorps FY24 NOFO	Competitive Funding
Individual Competitive State Program (Cost Reimbursement)	\$25,000
Professional Corps Competitive Fixed-Amount Applicants/Grantees	\$1,000*
Full-Cost Competitive Fixed-Amount Grant	\$25,000
Education Award Program (EAP) Fixed Amount Grant	\$800 or \$1,000**

*AmeriCorps requires Professional Corps programs to cover the operating expenses associated with the AmeriCorps program through non-AmeriCorps resources. AmeriCorps will only consider operating funds of up

to \$1,000 per MSY if an applicant is able to demonstrate significant organizational financial need.

** Per 42 U.S.C. 12581a, AmeriCorps may provide the operational support under this section for a program in an amount that is not more than \$800 per individual enrolled in an approved national service position, or not more than \$1,000 per such individual if at least 50 percent of the persons enrolled in the program are disadvantaged youth.

AmeriCorps reserves the right to 1) treat an applicant that meets the statutory requirements of a Professional Corps as such, whether or not they submitted their application as a Professional Corps program; and 2) determine whether an applicant has demonstrated inability to effectively operate in the absence of AmeriCorps operating funds. Please see [45 CFR 2522.110\(b\)\(3\)\(ii\)](#) for additional information.

New and re-competing subgrantees must not submit a budget that exceeds the maximum cost per MSY for their grant subtype. The per member per year service cost for each member must be charged within the 15-month contract period that the member was appointed in.

iv. Segal AmeriCorps Education Award Program (EAP)

AmeriCorps members who successfully complete a term of service will be eligible for an Education Award from the National Service Trust. The amount of the Education Award is linked to the value of the Pell Grant. A member has up to seven (7) years after their term of service to use the Education Award. The amount of the Education Award for program year 2024-2025 is dependent upon the annual federal budget, which as of this writing has not been enacted. Applicants should not include the amount of the Education Awards associated with their application in their budgets. Applicants that are awarded grants will be notified of the amount of the Education Award at a later date.

v. Cost Sharing or “Match” Requirements

AmeriCorps requires that 2024 AmeriCorps Competitive applicants submit their applications with the required match and any alternate match schedule.

Fixed-Amount Grants – Re-competing Applicants Only

There is no match requirement for fixed-amount grants. AmeriCorps does not provide all the funds necessary to operate a fixed-amount grant program;

therefore, organizations should raise the additional revenue required to operate the program

Note: New applicants can only apply for cost reimbursement and Education Award Program (EAP) grants, not fixed-amount grants.

Cost-Reimbursement Grants

Applicants are required to match funds based on the chart below. The applicant’s match can be non-AmeriCorps cash and/or in-kind contributions. Applicants must indicate whether the match is proposed or secured. Applicants must demonstrate the ability to meet the match requirement at the time of application submission.

A first-time successful applicant for a cost-reimbursement grant is required to match at twenty-four (24) percent for each period of the first thirty-nine (39) month contract term. Applicants must indicate whether the match is proposed or secured and must continue to demonstrate the ability to meet the match requirement at the time of application submission.

Following the first three-year-contract term, and each time an applicant recompetes, the match requirement gradually increases every year to 50 percent by year ten (10), according to the minimum overall share chart found in 45 CFR 2521.60 and below. Additional information can be found in the [FY24 NOFO](#) on p.10.

AmeriCorps Funding Year	1, 2, 3	4	5	6	7	8	9	10+
Grantee Share Requirements	24%	26%	30%	34%	38%	42%	46%	50%

Note/FEDERAL FUNDS AS MATCH: Section 121(e)(5) of NCSA ([42 U.S.C. 12571\(e\)](#)) requires programs that use other federal funds as match for an AmeriCorps grant to report the amount and source of these funds to AmeriCorps.

Awardees who use federal funds as match will be required to submit documentation of approval from the other federal funding agency(ies) before reimbursement and report the sources and amount on the expenditure claim(s). All New York State AmeriCorps grantees and subgrantees must report this match to the Commission on a schedule included in their OCFS contract.

Organizations awarded funding through this RFP must provide written permission from federal agencies other than AmeriCorps to use such funds as program operating costs match on the AmeriCorps grant. All applications recommended to AmeriCorps by the Commission must provide proof of this in writing to the Commission upon the Commission's request.

Match Waiver

Please see the Match Waiver information for AmeriCorps State and National Grantees located on the AmeriCorps website's [Manage Your Grant](#) webpage.

Alternative Match

Under certain circumstances [see [FY24 NOFO FEDERAL AWARD INFORMATION, Cost Sharing or Matching, pp. 10 - 11 for qualifications](#)], applicants may qualify to meet alternative matching requirements that increase over the years to 35 percent instead of 50 percent as specified in 45 Code of Federal Regulations [CFR 2521.60\(b\)](#).

To qualify, applicants must demonstrate that the proposed program is either located in a rural county or in a severely economically distressed community as defined in the Application Instructions. Applicants who plan to request an alternative match schedule must submit a request at the time the application is submitted. Programs applying through this RFP must submit requests for alternative match to the Commission, which will submit it to AmeriCorps on their behalf. See [FY24 Application Instructions](#) (Attachment G pp. 37-38).

Commissions and National Directs will submit requests via the Alternative Match Request form located on the AmeriCorps.gov Manage Your Grant webpage.

Applicants that qualify should email a request for Alternative Match to the Commission at the same time they submit their application to eGrants. Please mail the request to AmeriCorpsRFP@ocfs.ny.gov by the Deadline for Submission of Proposals specified in [Section 1.2 Calendar of Events](#).

vi. Indirect Costs

Applicants' budgets may include indirect costs. Based on qualifying factors, applicants may either use a federally approved indirect cost rate, a 10 percent de minimis rate of modified total direct costs, or may claim certain costs directly, as outlined in [2 CFR 200.413](#). States, local governments, and Indian tribes may use previously approved indirect cost allocation plans. All methods must be applied consistently across all federal awards.

Applicants that have a federal negotiated indirect cost rate or that will be using the 10 percent de minimis rate must enter that information in the Organization section in eGrants. **However, under Section 121(d) of the NCSA and AmeriCorps' regulations at 45 CFR 2521.95 and 2540.110, no more than 5 percent of award funds may be used to recover indirect costs on AmeriCorps State and National grants.** For definition and available options, please see **Attachment B. Section III. Administrative/Indirect Costs** [FY24 Application Instructions](#) on p. 25.

vii. Performance Measures

The Commission recommends that applicants use the National Performance Measures as part of their comprehensive performance measurement strategy if the National Performance Measures are part of the applicant's Theory of Change. All applicants should use both performance and evaluation data to assess their work and be prepared to make tactical and strategic adjustments to achieve their goals.

All applications must include at least one (1) aligned performance measure (output and outcome) that corresponds to the proposed primary intervention. This may be a National Performance Measure or an applicant-determined measure. For more information, please refer to the [National Performance Measure Instructions](#).

Additional performance measures, including output-only National Performance Measures, may be included if desired; however, all performance measures must be consistent with the program's Theory of Change and represent significant program activities. AmeriCorps does not expect applicants to select performance measures to correspond to every potential member activity or community impact. AmeriCorps values the quality of performance measures over the quantity of performance measures.

Important Notes:

- AmeriCorps does not require applicants to use National Performance Measures but expects them to do so if National Performance Measures reflect key outputs and/or outcomes of the theory of change.
- Applicants may not create applicant determined outputs or outcomes that duplicate existing National Performance Measures.

All performance measures, including output-only measures, must be associated with one or more interventions (service activities). Applicants are expected to use the system-defined intervention categories if they appropriately represent the applicant's program activities. Applicants may not create user-defined intervention labels that duplicate existing intervention categories

viii. National Service Criminal History Check

The National Service Criminal History Check (NSCHC) is a specific screening procedure established by law to protect the beneficiaries of national service. The law requires grantees, including any subgrantees funded through this RFP, to conduct and document NSCHCs on designated persons.

- In general, award recipients and subrecipients must conduct an NSCHC for AmeriCorps members, AmeriCorps Seniors volunteers, and staff funded under, or whose salary is reflected as match on, the award.
- AmeriCorps strongly encourages applicants to review the regulations and additional guidance to fully understand how to comply with the requirements. NSCHC regulations and guidance: <https://americorps.gov/grantees-sponsors/history-check>
- AmeriCorps strongly encourages funded applicants to utilize the two AmeriCorps-approved vendors to conduct the required NSCHCs. Two preapproved NSCHC vendors: <https://americorps.gov/grantees-sponsors/history-check>
- Failure to conduct a compliant NSCHC may result in significant disallowed costs.
- The cost of conducting NSCHC is an allowable expense under the award, and the individual subject to the NSCHC may not be required to cover the cost without being reimbursed.

NSCHC consists of a check of the following:

1. National sex offender public website through [NSOPW.gov](https://www.nsopw.gov) (nationwide check);

2. State criminal history record repository or agency-designated alternative for the individual's state of residence and state of service; and
3. Fingerprint-based check of the FBI criminal history record database through the state criminal history record repository or agency-approved vendor.

All checks must be conducted, reviewed, and an eligibility determination made before the individual begins work or service.

An individual is not eligible to serve or work in a position subject to the NSCHC requirements if

- the individual refuses to consent to a criminal history check;
- makes a false statement in connection with a criminal history check;
- is registered, or is required to be registered, on a state sex offender registry or the National Sex Offender Registry, or has been convicted of murder.

See [45 CFR 2540.200– 2540.207](#) and [National Service Criminal History Check Resources](#) for complete information and FAQs.

Note: Failure to conduct compliant NSCHCs may result in significant disallowed costs.

ix. Official Guidance

All AmeriCorps active guidance is available on the [agency's Guidance webpage](#). The contents of these documents do not have the force and effect of law and are not meant to bind the public in any way unless incorporated into a contract or grant agreement. These documents are intended only to provide clarity to the public regarding existing requirements under the law or agency policies.

4.3 Accessibility of Web-Based Information and Applications

Any web-based intranet and internet information and applications development or programming delivered pursuant to this procurement must comply with New York State Enterprise IT Policy NYS-P08-005, *Accessibility Web-Based Information and Applications*, and the New York State Enterprise IT Standard NYS-S08-005, *Accessibility of Web-Based Information*

Applications, as such policy or standard may be amended, modified, or superseded, which requires that state agency web-based intranet and internet information and applications are accessible to persons with disabilities. Web content must conform to New York State Enterprise IT Standards NYS-S08-005 as determined by quality assurance testing. OCFS will conduct such quality assurance testing, and the test results must be satisfactory to OCFS before web content will be considered a qualified deliverable under the contract or procurement.

5.0 PROPOSAL CONTENT AND SUBMISSION

5.1 Technical Proposal Content/Work Plan¹

Each applicant must describe a project that will deploy AmeriCorps members effectively to solve a significant community problem. Applicants are urged to submit high-quality applications that carefully follow the guidance in this RFP. The quality of an application is an important factor in determining whether an organization will receive funding.

A. Proposal Content

Complete applications must include the following elements:

- Standard Form 424 (SF-424) Face Sheet: Automatically generated when applicants complete the data elements in the eGrants system.
- Narrative Sections
 - Executive Summary:
 - Program Design
 - Organizational Capability
 - Cost-Effectiveness & Budget Adequacy
 - Evaluation Summary/Plan
- Logic Model
- Performance Measures
- Standard Form 424A Budget
- Continuation Changes
- Clarification
- Authorization, Assurances, and Certifications²

B. Page Limits for Application Submissions

There are page limits for the Narratives and Logic Model:

- Narratives

¹ These terms correlate to the “Narrative” section of the eGrants application.

² <https://egrants.cns.gov/cnsmisc/ECERTS.HTM>.

Applications must not exceed 10 double-spaced pages for the Narrative or 12 pages for multi-state applications with more than five operating sites as the pages print out from eGrants.

- The application sections that count towards the page limit include:
 - SF-424 Face Sheet
 - Executive Summary
 - Program Design, Organizational Capability, and Cost-Effectiveness &
 - Budget Adequacy narratives
- The application page limit does not include:
 - Evaluation Summary/Plan
 - Clarification Summary
 - Continuation Changes
 - Budget, Performance Measures
 - Any required additional documents
- Logic Model
 - The Logic Model may not exceed eight pages when printed with the application from the “Review” tab in AmeriCorps’ web-based management system.

Please note that the length of the application as a word processing document may differ from the length of the document printed out from eGrants. The character limits in eGrants do not align with page limits set in the Notice. **AmeriCorps strongly encourages applicants to print out the application from the “Review and Submit” tab in eGrants prior to submission in order to confirm that the application does not exceed the page limit.**

Neither AmeriCorps nor the Commission will consider the results of printing using any alternative formats when determining if application sections comply with the page limits. Reviewers will not consider material that is over the page limit, even if eGrants allows applicants to enter and submit additional text.

1. Criteria for Operating Grants (Traditional Cost-Reimbursement Grants and Fixed-Amount Grants)

Each applicant must describe a project that will deploy AmeriCorps members effectively to solve a significant community problem. The Commission urges applicants to submit high quality applications that carefully follow the guidance in this RFP. The quality of an application is an important factor in determining whether an organization will be recommended for funding.

Applications should include a well-designed plan with clear and compelling justifications for receiving the requested funds. Reviewers will assess the quality of applications by using the selection criteria described below and will rate them accordingly.

Categories/Subcategories	Points
Executive Summary	0
Program Design	50
• Community and Logic Model	24
• Evidence Tier	12
• Evidence Quality	8
• Notice Priority	0
• Member Experience	6
Organizational Capability	25
• Organizational Background and Staffing	15
• Member Supervision	6
• Commitment to Diversity, Equity, Inclusion and Accessibility	4
Cost Effectiveness and Budget Adequacy	25
• Member Recruitment	7
• Member Retention	8
• Data Collection	7
• Budget Alignment to Program Design	3

A. Executive Summary (Required - 0 points)

Please fill in the blanks of these sentences to complete the Executive Summary. Do not deviate from the template below.

The [name of the organization] will have [number of] AmeriCorps members who will [service activities the members will be doing] in [the locations the AmeriCorps members will serve]. At the end of the first program year, the AmeriCorps members will be responsible for [anticipated outcome of project]. In addition, the AmeriCorps members will leverage [number of leveraged volunteers, if applicable] who will be engaged in [what the leveraged volunteers will be doing].

The AmeriCorps investment will be matched with \$[amount of projected match], \$[amount of local, state, and federal funds] in public funding and \$[amount of non-governmental funds] in private funding.

Fixed-amount grant applicants (EAP, Full-Cost Fixed, No-Cost Slots) should list their Other Revenue (see Mandatory Supplemental Information

found [here](#)) because although they are not required to provide a specific amount of match, they must still raise significant additional resources to operate the program.

B. Program Design (50 percent):

Reviewers will consider the quality of the application's response to the criteria below. Do not assume all sub-criteria are of equal value. Please ensure the Community and Logic Model incorporates the funding priorities listed above, for example supporting communities historically excluded and/or underserved from government services, addressing structural and institutional inequities, or increasing opportunity in order to achieve sustainable change in communities.

1. Community and Logic Model (24 points)

The applicant will provide a detailed summary of the community problem, including:

- The role current or historical inequities faced by underserved communities may play in contributing to the problem.
- The community need as it relates to the [CDC's Social Vulnerability Index](#) and to communicate the severity and prevalence of the problem.

The applicant's intervention is likely to lead to the outcomes identified in the organization's Logic Model. No narrative is needed other than what is contained within the logic model.

The applicant will depict in the Logic Model:

- The inputs or resources that are necessary to deliver the intervention, including but not limited to:
 - Locations or sites in which members will provide services
 - Context in which the intervention is delivered (e.g., the setting where the intervention is delivered)
 - Number of AmeriCorps members who will deliver the intervention
 - Characteristics of Americorps members, including specific knowledge, skills, and abilities required to implement the intervention
- The core activities that define the intervention or program model that members will implement or deliver, including:
 - Duration of the intervention (e.g., the total number of weeks, sessions or months of the intervention)
 - Dosage of the intervention (e.g., the number of hours per session or sessions per week)
 - Target population for the intervention (e.g., disconnected youth, third graders at a certain reading proficiency level)

- The measurable outputs that result from delivering the intervention (i.e., number of beneficiaries served, types and number of activities conducted, equity gaps closed). If applicable, identify which [National Performance Measures](#) will be used as output indicators.
- Outcomes that demonstrate meaningful changes in knowledge/skill, attitude, behavior, or condition that occur as a result of the intervention. If applicable, identify which National Performance Measures will be used as outcome indicators.

Note: The Logic Model is a visual representation of the applicant's Theory of Change. Programs should include short, medium, or long-term outcomes in the Logic Model. Applicants are not required to measure all components of their Logic Model. The applicant's performance measures should be consistent with the program's Logic Model and should represent significant program activities.

Rationales and justifications should be informed by the organization's performance data (e.g., program data observed over time that suggests targets are reasonable), relevant research (e.g., targets documented by organizations running similar programs with similar populations), or prior program evaluation findings.

Applicants with multiple interventions should complete one Logic Model chart which incorporates each intervention. Logic Model content that exceeds eight pages will not be reviewed.

2. Evidence Base (20 points)

The assessment of an applicant's evidence base has two parts. First, the applicant will be assigned to an evidence tier (use the [Mandatory Supplemental Information](#)). Second, the quality of the applicant's evidence and the degree to which it supports the proposed program design, including program aligned with the priority areas (use the [A.2 Funding Priorities section](#)), will be assessed and scored.

Evidence Tier (12 points)

An evidence tier will be assessed for each applicant for the purpose of understanding the relative strength of each applicant's evidence base and the likelihood that the proposed intervention will lead to outcomes identified in the Logic Model.

In 2023, the evidence tiers of successful AmeriCorps State and National applicants that were competing were as follows: Strong 25 percent,

Moderate 12 percent, Preliminary 20 percent, and Pre-Preliminary 43 percent. As these figures indicate, AmeriCorps values and funds programs at all points along the evidence continuum and expects programs to progress along the evidence continuum over time. Thus, **applicants should not be deterred from applying for funding due to their current evidence level.**

Applicants who have outcome or impact evaluation reports of the same intervention described in the application and Logic Model (use the [Mandatory Supplemental Information](#) for a definition of “same intervention”) may submit up to two of those reports, plus (if applicable) the evaluation report from their last three-year grant cycle, to qualify for the Preliminary, Moderate, or Strong evidence tier. In order to qualify for consideration, the intervention evaluated in the submitted report(s) must match the intervention proposed by the applicant in the following areas, all of which must be clearly described in the Community and Logic Model sections of the application:

- Characteristics of the beneficiary population, including evidence of current or historic inequities facing the population;
- Characteristics of the population delivering the intervention;
- Dosage (frequency and duration) and design of the intervention, including all key components and activities;
- The context in which the intervention is delivered; and
- Outcome of the intervention.

Submitted reports that do not sufficiently match the intervention proposed by the applicant in all areas noted above will not be considered applicable and will not receive any points. Submission of additional documents that are not consistent with the guidance and requirements described in the notice (e.g., advocacy pieces, policy briefs, other narratives that are not research studies or program evaluations) will not be reviewed.

In the Evidence Tier section of the application narrative, applicants must (1) summarize the study design and key findings of any outcome or impact evaluation report(s) submitted and (2) describe any other evidence that supports their program, including past performance measure data and/or other research studies that inform their program design. Applicants who submit evaluation reports for consideration must describe in the Evidence-Base section of the application narrative how the intervention described in the submitted reports is the same as the intervention described in the application (see [FY24 MSI](#)).

Applicants should provide citations for the studies they describe, if applicable; however, reviewers will not review any documents external to

the application other than evaluation report(s) submitted in accordance with the notice instructions.

Applicants must meet all requirements of an evidence tier in order to be considered for that tier.

If the evaluation reports submitted by the applicant do not meet the definitions in the [FY24 MSI](#) the applicant may be considered for a lower evidence tier.

Evidence Quality (8 points)

After the applicant's evidence tier has been assessed, the quality of the applicant's evidence and the extent to which it supports the proposed program design will be assessed and scored.

For applicants who are assessed as being in the Preliminary, Moderate, or Strong evidence tiers, reviewers will score the submitted evaluation reports using the following standards:

- The submitted reports are of satisfactory methodological quality and rigor for the type of evaluation conducted (e.g., adequate sample size and statistical power, internal and/or external validity, appropriate use of control or comparison groups, etc.).
- The submitted reports describe evaluations that were conducted relatively recently, preferably within the last six (6) years.
- The submitted reports show a meaningful and significant positive effect on program beneficiaries in at least one (1) key outcome of interest.

For applicants who are assessed as being in the Pre-Preliminary evidence tier, reviewers will score the narrative provided in the Evidence-Base section of the application using the following standards:

- The applicant uses relevant evidence, including past performance measure data and/or cited research studies, to inform their proposed program design.
- The described evidence is relatively recent, preferably from the last six years (6).
- The evidence described by the applicant indicates a meaningful positive effect on program beneficiaries in at least one (1) key outcome of interest.

Applicants assessed in the Pre-Preliminary evidence tier who do not provide adequate responses to the Evidence Quality standards will not meet the threshold requirements for this notice and may not be considered for

funding by AmeriCorps.

3. Notice Priority (0 points)

The applicant proposed program fits within one or more of the AmeriCorps funding priorities and meets all of the requirements within that bullet/section as outlined in the A.2 Funding Priorities section and more fully described in the [Mandatory Supplemental Information](#).

4. Member Experience (6 points)

- The applicant details how AmeriCorps members will be provided an opportunity to be leaders and gain skills during their term of service that will be valued by future employers (e.g., workforce pathways, increasing levels of responsibility and leadership roles for members).

The applicant details how AmeriCorps members will be provided a high quality orientation to the community they will serve in that is from an asset based frame and guided and informed by the community.

C. Organizational Capability (25 points)

Reviewers will consider the quality of the application's response to the following criteria below. Do not assume all sub-criteria are of equal value.

1. Organizational Background and Staffing (15 points)

- The applicant details the roles, responsibilities, and structure of the staff that will be implementing, providing oversight, and monitoring the program.
- The applicant has facilitated, partnered, or participated in educational or workforce development programs (i.e., pre-apprenticeship/registered apprenticeship, work experience and job training programs, etc.)
- The applicant describes their organization's mission and relevant experience in areas such as volunteer recruitment and management, community outreach, overcoming project implementation challenges, etc.

2. Member Supervision (6 points)

- The applicant details how AmeriCorps members will receive sufficient guidance and support from their supervisor to provide effective service (e.g., structure for member supervision: cadence and format of supervisor/AmeriCorps member check-ins, member

and supervisor opportunities to assess strengths and opportunities for growth, member training plan, etc.).

- The applicant details how AmeriCorps supervisors will be adequately trained/prepared to follow AmeriCorps and program regulations, priorities, and expectations (e.g., structure for support of supervisors, training plan for supervisors related to supervision and AmeriCorps rules and regulations, cadence and format of AmeriCorps supervisors/their supervisors check ins, opportunities to assess strengths and opportunities for growth of supervisors, etc.).

3. Commitment to Diversity, Equity, Inclusion, and Accessibility (4 points)

- The application should explain how the organization's recruitment and retention policies focus on hiring and maintaining leadership and staff that have similar lived experience as the beneficiary population and/or community being served.
- Document how the applicant's definitions of diversity, equity, inclusion, and accessibility is demonstrated by the organization (e.g., diversity on the Board of Directors, agency staff and leadership, and/or volunteers) and how the organization upholds a supportive and safe environment for individuals of diverse backgrounds.

D. Cost Effectiveness and Budget Adequacy (25 points)

Reviewers will assess the quality of the application's response to the following criteria below.

1. Member Recruitment (7 points)

The applicant provides a description of budget expenses to support successful recruitment of AmeriCorps members best suited to serve the community, for example from geographic or demographic communities in which the program operates.

2. Member Retention (8 points)

The applicant provides a description of budget expenses to support retention of AmeriCorps members (e.g., additional member benefits such as increasing above the minimum living allowance, supporting workforce pathways, certifications, coaching for members, resume building, individual benefit as well as community building, network building, member recognition, alumni programming, etc.).

3. Data Collection (7 points)

The applicant provides a description of budget expenses to support data collection, continuous improvement activities, and evaluation in service to evaluating the interventions and impact on the community and the member experience).

4. Budget Alignment to Program Design (3 points)

The applicant's budget is aligned to the program design outlined in the narrative, meaning activities discussed in the narrative are incorporated in the budget in the agency or applicant share.

E. Evaluation Plan (Required for re-competing applicants - 0 percent):

If the applicant has previously received three or more years of AmeriCorps competitive or formula funding for the same project being proposed (see the [FY24 MSI](#) for the AmeriCorps definition of "same project"), the applicant must submit an evaluation plan as an attachment (see the Submission of Additional Documents section for more information). If the applicant has previously received six or more years of formula or competitive funding for the same project being proposed, the applicant must submit both an evaluation plan and an evaluation report as attachments.

Applicants should use the [evaluation plan template](#) available on the notice webpage to craft their evaluation plans. The template document provides detailed information about the AmeriCorps evaluation requirements ([45 CFR 2522.700-710](#)) and specifies the information that must be provided for the evaluation plan to be approved by AmeriCorps. The evaluation plan will not be scored and will not be reviewed until after funding decisions have been made.

All applicants should enter "N/A" in the "Evaluation Summary or Plan" field of the narrative. Any other text entered in this field will not be reviewed.

AmeriCorps state and national evaluation resources are available at <https://www.americorps.gov/grantees-sponsors/evaluation-resources>

F. Amendment Justification (0 percent)

Enter N/A. This field will be used if the applicant is awarded a grant and needs to amend it.

G. Clarification Information (0 percent)

Enter N/A. This field will be used to enter information that requires clarification in the post-review period.

H. Continuation Changes (0 percent)

Enter N/A. This field will be used to enter changes in the narratives in continuation requests.

5.3 Proposed Budget

All New York State AmeriCorps programs applying for operating funds are required to budget at least \$2,000 for travel to attend the annual New York State AmeriCorps Service Summit (location and date to be announced) and to work collaboratively with other national service programs in their region on national and New York State service days, including but not limited to, National Day of Service and Remembrance (September 11), Martin Luther King Day, and “I Love My Park Day” (first Saturday in May of each year). The Commission may announce additional federal or state service days throughout the life of any grant awarded.

Matching funds may be required based on the application type. For specific instructions and regulations on match requirement, please see Sections C.2 Cost Sharing or Matching [here](#)

Please see [FY24 Application Instructions](#) for the budget instructions. The attachments included in the instructions can be found on the pages referenced below.

Attachment B: *Detailed Budget Instructions for Cost-Reimbursement Grants*, pp.22-27

Attachment C: *Budget Worksheet*, pp.28-31

Attachment D: *Detailed Budget Instructions for Fixed-Amount Grants*, pp.32-33

Attachment E: *Fixed-Amount Budget Worksheet*, p.34

Attachment F: *Budget Checklist*, pp.35-37

Attachment G: *Alternative Match Instructions*, pp. 37-38

These attachments to the [FY24 Application Instructions](#) are worksheets only. All information must be entered in eGrants.

Non-Allowable Costs

Programs must comply with all applicable federal laws, regulations, and the requirements of the Omni Circular. Please refer to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200) for allowable, allocable, and reasonable cost information as well as audit requirements. The OMB Omni Circular can be found online at:

https://www.ecfr.gov/cgi-bin/textidx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl

NOTE: New York State governmental entities applying for AmeriCorps funding, not including local governmental entities, may not budget for personal service costs.

Local Match

AmeriCorps requires that 2024 AmeriCorps applications include the required match and any alternate match schedule request. If applicable, AmeriCorps will note any match waiver on any notice of grant award it issues.

There is a required local share match of the grant award for cost-reimbursement grants, per **Section 4.2 Program Requirements Based on AmeriCorps Grant Award and Application Types**.

AmeriCorps legislation permits the use of non-AmeriCorps federal funds as match for the applicant share of the budget. Please discuss your intention of using federal funds to match an AmeriCorps grant with the other agency before submitting your application. Section 121(e)(5) of the National Community Service Act requires that awardees who use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to AmeriCorps. If you use other federal funds as match, you must ensure you can meet the requirement and purpose of both grants. Awardees who use federal funds as match will be required to submit documentation of approval from the other federal funding agency(ies) before reimbursement and report the sources and amount on the expenditure claim.

The applicant must report the use of these funds to AmeriCorps in accordance with [42 U.S.C. 12571\(e\)](#).

The local share match may be reflected in any budget category. It does not need to be in the same category as the required AmeriCorps funds.

The local match can be cash or in-kind.

Proposal Submission

Proposals must be submitted online via the eGrants website (<https://egrants.cns.gov/espan/main/login.jsp>) by the deadline for submission of proposals posted in RFP [Section 1.2 Calendar of Events](#).

Supporting Documents

All supporting documents must be emailed to AmeriCorpsRFP@ocfs.ny.gov by the date specified in RFP [Section 1.2 Calendar of Events](#). See RFP [Section 1.6 Submission of Proposals](#) for additional information.

Proposals will not be accepted outside of eGrants except under the circumstances noted below.

Submission of Proposals Outside of eGrants

The Commission will only accept the submission of proposals outside of eGrants for the following circumstances:

eGrants Technical Issues: All applicants are required to submit their proposals electronically utilizing eGrants; however, the Commission recognizes that technical issues may arise. In order for the Commission to accept your application outside of eGrants, applicants must first make at least one attempt to submit via eGrants. If a technical issue with the eGrants system is discovered on or before the proposal due date, the applicant must immediately contact the National Service Hotline at 800-942-2677 or via [eGrants Questions](#) to secure a Ticket Number (National Service Hotline hours can be found at the link above). Be prepared to provide the Application ID, organization's name, and the name of the notice to which the organization is

applying. If the issue cannot be resolved by the deadline, applicants must continue working with the AmeriCorps Hotline to submit via eGrants.

If the issue cannot be resolved after contacting the National Service Hotline, the following materials must be sent by email to AmeriCorpsRFP@ocfs.ny.gov and arrive at the email address no later than the deadline for submission of proposals posted in [Section 1.2 Calendar of Events](#). The following must be included with your submission: (1) the National Service Hotline Ticket Number and a brief paragraph explaining the technical issues that prevented submission of your application in eGrants by the deadline for submission of proposals; (2) a complete copy of the applicant's 2024-2025 State AmeriCorps Application including all Application Components and Required Application Forms. Due to file size limitations, it may be necessary to email a compressed zip file or utilize multiple emails, all of which must be received by the deadline for proposal submission.

You will be required to enter your exact application in eGrants after the technical issues are resolved.

You must retain proof of application submission outside of eGrants via email to AmeriCorpsRFP@ocfs.ny.gov in the form of a time-stamped delivery confirmation receipt.

All applications must arrive no later than the deadline for submission of proposals posted in [Section 1.2 Calendar of Events](#).

6.0 MINIMUM CRITERIA/REVIEW PROCESS

6.1 Minimum Criteria (Pass/Fail Review Criteria)

Bidders must meet the minimum qualifications to submit a proposal in accordance with [Section 3.1 Minimum Qualifications](#) and [Section 3.2 Prequalification Process](#). Bidders not meeting these requirements will be disqualified from further consideration.

6.2 Review Process

The Commission will use the following procedures to select applications for recommendation to AmeriCorps:

1. If a proposal meets the minimum qualifications, it will be reviewed and scored by independent reviewers selected by the Commission. The reviewers will review the proposal as a team to agree on a consensus score. A structured evaluation instrument will be used to score proposals. The evaluation instrument will align with the requirements, outline, and point values specified in this RFP.

2. The role of the Commission staff is to facilitate the best possible review by the reviewers through training, technical assistance, and support. Commission staff will be available to the reviewers for such support throughout the review process but do not score applications.
3. At the conclusion of the review process, the reviewers will submit their consensus score sheets for each application to the Commission and the applications will be ranked according to score from highest to lowest.

Post-Review Procedure:

1. The Commission will consider and act upon applications to recommend to AmeriCorps for funding. Decisions will be based upon an applicant's score from the process described above. Applications that receive a total score of 90 or above will automatically be recommended for funding. Applications that receive a total score between 70 and 89 may, within the discretion of the Commission, be recommended for funding. **Applications scoring below a total of 70 points will not be recommended for funding.**
2. If a proposal is selected for recommendation, applicant may be asked to work with Commission staff to make technical and other minor changes to the proposal so that it adheres to all applicable laws, rules, and regulations, including AmeriCorps statutes and regulations. Applicant may be asked to clarify areas of the proposal that are vague, or confusing. No changes made during this period will affect the recommendations as previously determined by the Commission. Applicant will be asked to enter any changes to the proposal into eGrants by a date specified by the Commission.

Note: If the Commission recommends an application to AmeriCorps, applicants may or will be required to provide additional documents such as: 1) Labor union concurrence; 2) [Operational and Financial Management Survey \(OFMS\)](#); and/or other required documents. The Commission recommends that applicants begin work on their OFMS in anticipation of funding. Please see Section D.7.B Submission of Additional Document under this [NOFO](#). Applicants will be provided with more detailed instructions by the Commission staff if proposal is recommended to AmeriCorps for funding.

3. The Commission will determine, within its discretion, the number of proposals it will recommend to AmeriCorps, the amount of funding requested in total and for any one (1) proposal it recommends, and any technical or other minor changes it determines are necessary before a proposal is recommended to AmeriCorps. After the Commission determines its recommendations, the Commission staff will notify applicants via email if their applications will be forwarded to AmeriCorps.
4. The Commission will not submit an application to AmeriCorps for review if the applicant does not have an active SAM registration.
5. If an applicant is awarded a grant, it must maintain an active SAM registration throughout the life of the award. Please note [SAM.gov](https://sam.gov) has a new login process. Please go to the General Services Administration (GSA) SAM Update page for more information.
6. If a proposal is accepted by AmeriCorps for funding, the applicant will receive an award letter from OCFS and be contacted by the Commission to begin contract development. All final grant determinations are subject to the issuance of a notice of grant award by AmeriCorps.
7. AmeriCorps has no process for appeals of its funding decisions.
8. AmeriCorps is expected to announce its final Competitive grant selections no earlier than the date specified in **Section 1.2 Calendar of Events**.

6.3 OCFS Procedure for Handling Debriefing Requests

Debriefing Request

In accordance with Section 163(9)(c) of the New York State Finance Law, OCFS must, upon request, provide a debriefing to any unsuccessful offerer that responded to the RFP regarding the reasons that the proposal or bid submitted by the unsuccessful offerer was not selected for an award.

1. OCFS will provide notice in writing or electronically to all unsuccessful offerers that the offerer will not receive a funded award under the RFP. AmeriCorps does not allow for an appeal of the denial of an award. An unsuccessful offerer wanting a debriefing must request a debriefing in writing, within 15 calendar days of receipt of the notice from OCFS that the offerer's proposal did not result in an award. There are no appeal rights with respect to the decisions to deny funding made by AmeriCorps.

2. OCFS, upon receipt of a timely written request from the unsuccessful offerer, will schedule the debriefing to occur within a reasonable period of time following the receipt of such request. Debriefings will be conducted in-person, unless OCFS and the offerer mutually agree to utilize other means, including, but not limited to, telephone, video-conferencing, or other types of electronic communications.
3. Such debriefing will include: (a) the reasons that the proposal, bid time frame or offer submitted by the unsuccessful offerer was not selected for an award; (b) the qualitative and quantitative analysis employed by OCFS in assessing the relative merits of the proposals, bids or offers; (c) the application of the selection criteria to the unsuccessful offerer's proposal; and (d) when the debriefing is held after the final award, the reasons for the selection of the winning proposal, bid or offer. The debriefing will also provide, to the extent practicable, general advice and guidance to the unsuccessful offerer concerning potential ways that their future proposals, bids or offers could be more responsive.
4. Any further inquiries regarding award determinations of the National AmeriCorps must be directed to the National AmeriCorps.

7.0 MANDATORY CONTRACTING REQUIREMENTS (Post Award)

7.1 Contract Readiness

New York State's Prompt Contracting laws require all state agencies to complete contract development and the signatory process within statutorily prescribed time frames. Awardees must be available and prepared to respond within the required time frames. If selected, awardees may be required to travel to Rensselaer, New York, for contract development and will be expected to cover the costs of that travel. OCFS may rescind the awards of awardees who cannot satisfactorily complete the contracting process in order to commence services by the anticipated contract start date. Please see Section 2.4 for discussion of the start date.

7.2 Standard Contract Language

The terms and conditions for all funded projects are specified in a detailed contract that must be signed by OCFS and approved by the New York State Office of the Attorney General (OAG) and the OSC before payments may be made. Contractor obligations or expenditures before the contract start date shall not be reimbursed. This RFP includes all relevant contract terms and conditions, which can be found in [Section 8: CONTRACT DOCUMENTS](#). Upon contract award and completion of negotiations, OCFS will send successful awardees the complete contract for

development and signature before submitting it to the AG and to OSC for approval.

7.3 Workers' Compensation Insurance and Disability Benefits Coverage

Sections 57 and 220 of the Workers' Compensation Law (WCL) and section 142 of the State Finance Law require that businesses contracting with New York State have and maintain and provide evidence of appropriate workers' compensation and disability benefits insurance coverage. If an award is made from this RFP, updated proof of coverage must be provided during contract development. Failure to submit the proof will delay the contract development process and may result in the award being rescinded. Municipalities are not required to show proof of coverage.

Please note: The ACCORD form is not acceptable proof of Workers' Compensation or Disability Insurance coverage.

A. Proof of Workers' Compensation Coverage

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate workers' compensation insurance coverage, submit ONE of the following four forms:

<http://www.wcb.ny.gov/content/main/forms/AllForms.jsp>

- **Form C-105.2** - *Certificate of Workers' Compensation Insurance* issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund³; or
- **Form SI-12⁴** - *Certificate of Workers' Compensation Self-Insurance*; or **Form GSI-105.2⁵** *Certificate of Participation in Workers' Compensation Group Self-Insurance*; or
- **CE-200⁶** - *Certificate of Attestation of Exemption* from New York State Workers' Compensation and/or Disability Benefits Coverage.

B. Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate disability benefits insurance coverage, submit ONE of these three forms:

<http://www.wcb.ny.gov/content/main/forms/AllForms.jsp>

- **Form DB-120.1³** - *Certificate of Disability Benefits Insurance*; or
- **Form DB-120.2** – *Certificate of Participation in Disability Benefits Group Insurance*; or
- **Form DB-155⁷** - *Certificate of Disability Benefits Self-Insurance*; or
- **CE-200⁶** - *Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability Benefits Coverage*.

7.4 Confidentiality and Awardee, Contractor, Employee, and Volunteer Background Checks

OCFS is responsible for maintaining the safety of the youth served by OCFS programs.

7.4.1 **Confidentiality** - New York State law requires that any client identifiable information be kept confidential. Any awardee, or contractor, employee, or volunteer of the awardee, who will be provided with confidential information of recipients served by the awardee must complete and sign form OCFS-4715, *Confidentiality Non-Disclosure Agreement*. This form must be completed before the start date of the contract and before any such awardee, contractor, employee, or volunteer is permitted access to youth served by an awardee or to any financial or client identifiable information concerning such youth. For additional information see Attachment A-1, **Section 7 Confidentiality and Protection of Human Subjects**, located at the link to a standard contract listed in Section 7.2 above.

7.4.2 **Criminal History Background Checks** - Any awardee, or contractor, employee, or volunteer of the awardee, who will have the potential for regular and substantial contact with youth in care or receiving residential services must be subject to background screening before hire or utilization in a position paid through this award. The screening must include a review of individuals' backgrounds through the following three (3) services: New York State Justice Center for the Protection of Persons With Special Needs Staff Exclusion List (SEL), New York Statewide Central Register of Child Abuse and Maltreatment (SCR), and a criminal history background check via a vendor that will submit information to both the New York State Division of Criminal Justice Services and the Federal Bureau of Investigation. Additional information regarding all three (3) services will be provided upon the grant of an award. Please note that the grant of an award

may be negatively impacted if background checks reveal that an individual proposed to provide services is on the SEL, is the subject of any indicated reports of child abuse and maltreatment or has convictions for one or more prior criminal offenses. Awardees are responsible for notifying OCFS if a background check reveals that a contractor, employee or volunteer of the awardee proposed to provide services has a criminal history. Any criminal history revealed as a result of such screening will be evaluated by OCFS pursuant to Correction Law Article 23-A, section 752, on a case-by-case basis taking into consideration the duties of the position and those factors set forth in Correction Law Article 23-A, section 753. OCFS will evaluate the results of the screening in accordance with Correction Law Article 23-A and notify the awardee of its determination. The awardee shall be responsible for the cost associated with any required background screens of the individuals identified in this section.

7.5 Charities Registration (non-profit AmeriCorps only)

Non-profit vendors must be registered with the New York State Office of the Attorney General as a charitable organization, and the registration must be up to date at the time of contracting. Vendors must be sure all their documents are up-to-date and comply with the vendor responsibility requirements as outlined below. To determine the status of your Charities registration information, contact:

https://www.charitiesnys.com/RegistrySearch/search_charities.jsp.

7.6 Federal Requirements

See Attachment A-2, *Federal Assurances and Certifications*, which is in the Master Contract for Grants and is referenced in [Section 8.0 CONTRACT DOCUMENTS](#).

7.7 Required Electronic Payments and Substitute Form W-9

The Governor's Office of Taxpayer Accountability has issued a directive that all state agency and state authority contracts, grants, and purchase orders executed after February 28, 2010, shall require vendors, contractors, and grantees to accept electronic payment (epay).

As New York State proceeds with implementing the new Statewide Financial System (SFS), the OSC is preparing a centralized vendor file. To assist the OSC in this project, vendors are directed to provide a *Substitute Form W-9*, which includes the taxpayer identification number, business

name, and business contact person. This data is critical to ensure that the vendor file contains the information state agencies need to contract with and pay vendors.

Please note that the contractor payee name and address provided to OSC for the epay program must match exactly the contractor's name and address contained in the contractor's contract with OCFS. If these do not match, then a check is printed and mailed to the payee. Note that limited exemptions may be granted for extenuating circumstances.

Vendors should file a *Substitute Form W-9* with their *Electronic Payment Authorization* form.

Further information concerning these requirements, including forms and contacts for questions, can be found at the following links:

<http://osc.state.ny.us/vendors/epayments.htm>

(Guide to Financial Operations)

7.8 Iran Divestment Act

By submitting a bid in response to this solicitation or by assuming the responsibility of a contract awarded hereunder, bidder/contractor (or any assignee) certifies that it is not on the "Prohibited Entities List," as defined by the Entities Determined to Be Non-Responsive Bidders/Offerers Pursuant to The New York State Iran Divestment Act of 2012 (the Act), which is posted on the OGS website at <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf> and further certifies that it will not utilize on such contract any subcontractor that is identified on the "Prohibited Entities List." Bidder/contractor is advised that should it seek to renew or extend a contract awarded in response to the solicitation, it must provide the same certification at the time the contract is renewed or extended.

During the term of the contract, should OCFS receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, OCFS will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased engagement in the investment activity that is in violation of the Act within 90 days after the determination of such violation, then OCFS shall take such action as may be appropriate and provided for by law, rule, or contract including, but not limited to, seeking compliance, recovering damages, terminating the contract, and/or declaring the contractor in default.

OCFS reserves the right to reject any bid, request for assignment, renewal, or extension for an entity that appears on the “Prohibited Entities List” before the award, assignment, renewal, or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the “Prohibited Entities List” after contract award.

7.10 Minority- and Women-Owned Business Enterprises (MWBE) – Equal Employment Opportunity (EEO) - Requirements and Procedures

This section outlines contractor requirements and procedures for business participation opportunities for New York State-certified Minority- and Women-Owned Business Enterprises (MWBE) and Equal Employment Opportunities (EEO) for minority group members and women. All forms can be found [here](#).

7.10.1 New York State Executive Law (Article 15-A)

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations, OCFS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-Owned Business Enterprises (“MWBE”) and the employment of minority group members and women in the performance of OCFS contracts.

7.10.2 MWBE Business Participation Opportunities – OCFS Established Goals

For purposes of this solicitation, OCFS hereby establishes an overall goal of **0** percent for MWBE participation, **0** percent for New York State-certified Minority-Owned Business Enterprise (“MBE”) participation, and **0** percent for New York State-certified Women-Owned Business Enterprise (“WBE”) participation (based on the current availability of MBEs and WBEs). A contractor (“contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBE as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the respondent agrees that OCFS may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the

required MWBE documentation. The directory of MWBE can be viewed at: <https://ny.newnycontracts.com>. For guidance on how OCFS will evaluate a contractor's "good faith efforts," refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBE for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied toward the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

7.10.3 Contract Compliance

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFP, such finding constitutes a breach of contract, and OCFS may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBE had the contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBE for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a respondent may arrange to provide such evidence via a non-electronic method by contacting OCFS.

Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:

- A. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to OCFS for review and approval.

OCFS will review the submitted MWBE Utilization Plan and advise the respondent of OCFS acceptance or issue a notice of deficiency within 30 days of receipt.

- B. If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the OCFS a written remedy in response to the notice of deficiency to contractcompliance@ocfs.ny.gov. If the written remedy that is submitted is not timely or is found by OCFS to be inadequate, OCFS shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

OCFS may disqualify a respondent as being non-responsive under the following circumstances:

- a) If a respondent fails to submit an MWBE Utilization Plan
- b) If a respondent fails to submit a written remedy to a notice of deficiency
- c) If a respondent fails to submit a request for waiver
- d) If OCFS determines that the respondent has failed to document good faith efforts

The successful respondent will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to OCFS but must be made no later than before the submission of a request for final payment on the Contract.

The successful respondent will be required to submit a quarterly M/WBE contractor Compliance and Payment Report to OCFS by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

7.10.4 Equal Employment Opportunity (EEO) Requirements

By submission of a bid or proposal in response to this solicitation, the respondent agrees with all the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts, including Clause 12 - Equal Employment Opportunities for Minorities and Women. The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without

discrimination because of race, creed, color, national origin, sex, age, disability, or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The respondent will be required to submit a Minority- and Women-Owned Business Enterprise and Equal Employment Opportunity Policy Statement, as referenced in [Section 1.6 Submission of Proposals](#), to OCFS with its bid or proposal.

If awarded a Contract, the respondent shall submit a Workforce Utilization Report and shall require each of its subcontractors to submit a Workforce Utilization Report, in such format as shall be required by OCFS on a quarterly basis during the term of the Contract.

Pursuant to Executive Order #162, non-grant contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other state and federal statutory and constitutional non-discrimination provisions, the contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility, and/or a breach of the Contract, leading to the withholding of funds, suspension, or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

7.11 Service-Disabled Veteran-Owned Business (SDVOB)

[The Service-Disabled Veteran-Owned Business Act](#), signed into law by Governor Andrew M. Cuomo on May 12, 2014, allows eligible veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB) in order to increase the participation of such businesses in New York State's contracting opportunities. The SDVOB

Act, which is codified under Article 17-B of the Executive Law, acknowledges that SDVOBs strongly contribute to the economies of the state and the nation. Therefore, and consistent with its Master Goal Plan, OCFS strongly encourages vendors who contract with OCFS to consider the utilization of certified SDVOBs that are responsible and responsive for at least **six (6) percent** of discretionary non-personnel service spending in the fulfillment of the requirements of their contracts with OCFS. Such partnering may include utilizing certified SDVOBs as subcontractors, suppliers, protégés, or in other supporting roles to the maximum extent practical, and consistent with the legal requirements of the State Finance Law and the Executive Law. Certified SDVOBs may be readily identified through the: [directory of certified businesses](#).

7.12 Omnibus Procurement Act

The Omnibus Procurement Act of 1992 requires that by signing a bid proposal, contractors certify that whenever the total bid amount is greater than \$1 million

1. the contractor has made reasonable efforts to encourage the participation of New York State business enterprises as suppliers and subcontractors on this project, and has retained the documentation of these efforts to be provided upon request to the State of New York; and has
2. documented their efforts to encourage the participation of New York State business enterprises as suppliers and subcontractors by showing that they have done the following:
 - Solicited bids, in a timely and adequate manner, from ESD business enterprises, including certified minority/women-owned businesses; or
 - Contacted ESD to obtain listings of New York State business enterprises and MWBE; or
 - Placed notices for subcontractors and suppliers in newspapers, journals or other trade publications distributed in New York State; or
 - Participated in bidder outreach conferences; and
 - Provided a statement indicating the method by which they determined that New York State business enterprises are not available to participate on the contract as subcontractors or suppliers, *if the contractor has determined such*; and
 - Provided a statement verifying no intention of using subcontractors, *if the contractor has no such intention*.

3. The contractor has complied with the federal Equal Opportunity Act of 1972 (P.L. 92-961), as amended.
4. The contractor will be required to notify New York State residents of employment opportunities by listing any such positions with the Community Services Division of the New York State Department of Labor, providing for such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The agency agrees to document these efforts and to provide said documentation to OCFS upon request.
5. Bidders located in a foreign country are notified that the state may assign or otherwise transfer offset credits to third parties located in New York State, and the bidders shall be obligated to cooperate with the state in any and all respects in making such assignment or transfer, including, but not limited to, executing any and all documents deemed by the state to be necessary or desirable to effectuate such assignment or transfer, and using their best efforts to obtain the recognition and accession to such assignment or transfer by any applicable foreign government.
6. Bidders are hereby notified that state agencies and authorities are prohibited from entering into contracts with businesses whose principal place of business is located in a “discriminatory jurisdiction.” Discriminatory jurisdiction is defined as a state or political subdivision that employs a preference or price distorting mechanism to the detriment of or otherwise discriminates against a New York State business enterprise in the procurement of commodities and services by the same or a nongovernmental entity influenced by the same. A list of discriminatory jurisdictions is maintained by the commissioner of the New York State Empire State Development AmeriCorps.

7.13 Executive Order Number 175 (If Applicable)

In accordance with the requirements of Executive Order No. 175, the contractor will be expected to adhere to net neutrality principles in the provision of internet services under any Contract entered into as a result of this RFP, regardless of delivery method unless the director of contracts, or his/her designee as noted in [Section 1.1 Procurement Contact](#), determines that adherence to net neutrality principles for a particular purpose is not in the best interests of the state. Nothing in this provision supersedes any obligation or authorization a provider of broadband internet access service may have to address the needs of emergency communications or law enforcement, public safety, or national security authorities, consistent with or as permitted by applicable law, or limits the provider’s ability to do so. As used herein, “net neutrality” means that a contractor will not block, throttle,

or prioritize internet content or applications or require that end users pay different or higher rates to access specific types of content or application. For the purposes of this contract, the prohibition against blocking or throttling of internet content or applications does not apply to reasonable network management practices.

7.14 Executive Order Number 14, 16 & 177

Executive Order No. 14, dated February 27, 2022, requires State agencies to terminate any contracts and to refrain from entering into any new contracts with an institution or company that is determined to be a Russian or Russia supporting entity.

Executive Order No. 16, dated March 17, 2022, requires State agencies to refrain from entering into any new contract or renewing any existing contract with an entity conducting business operations in Russia.

Executive Orders 14 and 16 include the following definitions:

- “Russian entity” means an institution or company that is headquartered in Russia or has its principal place of business in Russia.
- “Supporting entity” means any institution or company providing assistance to the Russian government in its campaign to invade the sovereign country of Ukraine, either through in-kind support or for-profit.
- “Entity conducting business operations in Russia” means an institution or company, wherever located, conducting any commercial activity in Russia or transacting business with the Russian Government or with commercial entities headquartered in Russia or with their principal place of business in Russia in the form of contracting, sales, purchasing, investment, or any business partnership.

By submission of a response to this solicitation the offerer certifies that the Offeror:

- a. is not a Russian or Russia supporting entity, as those terms are defined in the Executive Order No. 14 (dated February 27, 2022).
- b. is not an entity conducting business operations in Russia, as those terms are defined in the Executive Order No. 16 (dated March 17, 2022).

Executive Order No. 177, dated February 3, 2018, directs New York State agencies and authorities not to enter into any contracts with entities that have institutional policies or practices that fail to address the harassment and discrimination of individuals on the basis of their age, race, creed, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military status, or other protected basis. The contractor must provide the EO 177 certification statement before any award being made by OCFS.

7.15 State Finance Law §139-I; Statement on Sexual Harassment in Bids

New York State Finance Law §139-I, effective January 1, 2019, requires, in relevant part, that “[e]very bid . . . made to the state or any public department or agency thereof, where competitive bidding is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, shall contain [a] statement subscribed by the bidder and affirmed by such bidder as true under the penalty of perjury. . . [that] ‘[b]y submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of section two hundred one-g of the labor law.’” The Contractor must provide the foregoing certification before any award being made by OCFS. For additional guidance on drafting an appropriate sexual harassment policy and developing appropriate training please refer to State Finance Law §139-I and <https://www.ny.gov/combating-sexual-harassment-workplace/employers#top>.

9.0 GLOSSARY OF OUTCOME-BASED CONTRACTING TERMS³

Fiscal Documentation: Documentation necessary for payment.

³ For the purposes of this RFP, these standard contracting terms should not be substituted for definitions contained elsewhere in this RFP, the [FY24 NOFO](#), [FY24 MSI](#), [FY24 Application Instructions](#) and [FY24 PMI](#)

Grants Gateway: The New York State Grants Gateway went into operation on May 15, 2013, and serves as the primary outlet for state agencies to post upcoming and available funding opportunities.

Guide to Financial Operations (GFO): This website was created as the central storehouse of OSC policies and is intended to replace individual OSC bulletins. The GFO can be found at <http://www.osc.state.ny.us/agencies/guide/MyWebHelp>.

Legal Documents: Legally required application/contract components.

Organizational Qualifications: The organizational characteristics and capacity (e.g., agency mission, past accomplishments/experience in serving the target population or in providing similar services to a different population, experience in collaborating with community agencies needed for program success, key people, and fiscal capability) that are likely to result in successful performance target attainment.

Baseline Estimate: The projected status of the target population without the proposed intervention. A baseline is the best estimate, using prior program experience, collected data, and/or research results of what would happen to the target population without the program's intervention and its benefits. Projection should be numerical (a number or a percentage). A baseline estimate is required for each performance target.

Outcomes: The desired benefits or changes for the target population following their interaction with a program. These are the expected results of program intervention. Outcomes may relate to knowledge, skills, attitudes, behaviors, or conditions. Either the investor or provider may set them. (They are broader and more general than performance targets. They do not require numerical projection.) In some instances, the outcome may be a system change rather than an individual behavior change.

Performance Targets: Performance targets are the *measurable* verifiable improvements in the condition or behavior of program recipients that the provider expects to achieve *by the end of the contract period*. Targets are quantifiable and verifiable indicators of program performance. They contribute to the attainment of the desired outcomes for the target population. Attainment of several performance targets may be needed to indicate the achievement of a single outcome. Performance targets must include a description of the methods that will be used to verify target achievement.

Milestones: Measurable interim changes in the condition or behavior of the target population used to track whether the program is on course to achieve its performance targets. These are critical points of change or target population achievement that must occur to progress towards the performance targets. You must include a description of the methods that will be used to verify milestone achievement.

Program Budget: Definition of program expenditures and funding sources.

Program Description: Detailed explanation of the means (service model, plan or approach) the provider will use to achieve its performance targets and outcomes. This should include a description of the program's core features (i.e., the kinds of services provided, their intensity and duration, the essential elements, theoretical approach, delivery strategies, involvement of target population in planning, etc.).

Project Work Plan: Steps necessary to implement a program.

Staffing Pattern: Please identify the staff assigned to a program, regardless of whether it is paid through OCFS funds.

Target Population: Please describe the specific group of people (individuals, families, community members, or in certain instances, the specified personnel or entity/entities) that are the focus of change, and who will directly interact with the program. In certain instances where the desired outcome is systemic change, an agency as a whole may be considered the target population.

Verification: Statement of methods used to verify performance target and milestone attainment and/or submission of actual documentation.

Vendor Responsibility: Compliance with New York State Finance Law and guideline provisions related to vendor integrity providing reasonable assurance that the potential contractor has the capacity to perform the requirement of the contract. This includes authority to do business in the state, capacity and performance, in addition to the aforementioned integrity.

Vision: OCFS program area statement of ideal end-state sought for a population (e.g., prevention of child abuse and neglect).
