## **2.0 EXECUTIVE OVERVIEW**

### **2.1 Introduction/Description of Program Objectives and Background**

On February 9, 2018, The Family First Prevention Services Act (FFPSA), was enacted as part of the federal Bipartisan Budget Act of 2018 (P.L. 115-123). FFPSA reformed federal financing to prioritize family based foster care over residential care. FFPSA supports the notion that when out-of-home placement is deemed a needed intervention, placing a child with a relative leads to stronger family bonds between the parent and child, fewer placement disruptions, shorter lengths of stay, and reduced impacts of trauma. In

accordance with FFPSA, OCFS has implemented provisions to significantly transform the foster care system and promote foster placement with family or close friends (kin) rather than in group homes or institutions.<sup>1</sup> According to GrandFacts, in 2021, an estimated 122,000 children in NYS resided with kin without their biological parent present. Approximately 435,757 children under age 18 resided in homes where householders are grandparents or other relatives.<sup>2</sup>

A robust and meaningful kin-first culture leads to the best outcomes for children and families. Prioritizing the placement of children and youth with kin can help transform the child welfare system into one that truly supports families. Supporting kin caregivers by using family engagement strategies and providing culturally appropriate training, services, and equitable supports can positively impact stability and permanency outcomes for children, youth, and families. OCFS has set a goal that 50% of all youth placed in foster care will be placed with a kinship resource. As of December 31, 2023, the data shows that in NYS, 42% of all children placed in foster care are with a kinship resource.

The purpose of this RFP is to fund Kinship Caregiver Support Programs (KCSPs) to increase the state's capacity to support and strengthen families, and to promote permanency and the well-being of children. The children served by these KCSPs must be between the ages of 0-21. Programs should be designed based on the unique and individual needs of kinship families with a goal to maintain and support child(ren) residing in kinship households. Applicants must agree to provide required services to kinship families in a minimum of two or more NYS counties and/or boroughs of NYC. For the purpose of awards made from this RFP, OCFS will view each NYC borough as a county.

OCFS has developed a Child Welfare Practice Model that aligns all of our work toward achieving specific equitable outcomes. Applicants are required to offer programming for kinship families that supports the OCFS Child Welfare Practice Model, which is available at: [CW-Practice-Model.pdf \(ny.gov\)](#).

OCFS's child welfare vision is that children, families, and adults are protected and supported to achieve safety, permanency, and well-being. To achieve this vision, through this RFP, OCFS is seeking KCSPs that will improve the following outcomes for the most vulnerable children and families:

- **Safety** - Children are safely maintained in their own home, families, and communities, with connections, culture, and relationships preserved.

---

<sup>1</sup> The New York State Family First Prevention Services Act Plan (Family First Plan) is the state's plan to demonstrate the work being done by the state, LDSSs, and providers to prevent removal and facilitate quick returns to family when removal is unavoidable. Approval of the plan and associated cost allocation plan makes federal reimbursement under Title IV-E of the Social Security Act available for a portion of the costs for specified preventive work with eligible children.

<sup>2</sup><https://www.grandfamilies.org/Portals/0/State%20Fact%20Sheets/New%20York%20GrandFacts%20State%20Fact%20Sheet%202021%20Update.pdf>.

- Prevention - Through effective prevention and intervention, parents, caregivers, and families improve their ability to develop and maintain a safe, stable environment for themselves and the children.
- Permanency - When it is necessary to place children in out-of-home care it is a safe, short, and stable experience concluding with permanent attachments to caring adults.
- Well-Being - Parents and caregivers have the capacity to provide for their children's needs. Children are cared for in safe, permanent, and nurturing environments that meet their unique individual needs and develop their physical, cognitive, behavioral/emotional, and social functioning. As youth transition to adulthood, they benefit from services that promote healthy development, academic success, self-sustainability, and safe living conditions.
- Organizational Effectiveness - Organizations are diverse, flexible, professionally and culturally competent, use child-centered, family-focused practice, and demonstrate partnership at all levels.

## **2.2 OCFS Statewide Considerations**

OCFS is guided by the NYS vision for child welfare modernization, which includes three guiding principles intended to support families and communities. These principles include the following:

- Race Equity and Gender Identity – advancing a child welfare system where all children and families, regardless of race and Sexual Orientation, Gender Identity, and Expression (SOGIE) have the same opportunity to reach their potential.
- Social and Economic Well-Being – promoting and supporting a trauma-informed and trauma responsive system where basic human needs are met.
- Parent and Youth Partnership – authentically and effectively sustaining the involvement of parents, youth, and when applicable, kin, in our shared outcomes. Implementation of the NYS Family First Prevention Services Plan (Family First Plan) is a key step toward achieving the state's goal of a family and child well-being system. With the enactment of the Family First Plan, OCFS is placing an even greater focus on providing preventive services that promote family stability, including services for children living in kinship homes and at risk of disruption, as well as children whose parents voluntarily seek local department of social services (LDSS) assistance. This RFP provides OCFS and localities with an opportunity to provide services to our most vulnerable children and families as identified in the Family First Plan.<sup>3</sup>

---

<sup>3</sup> The New York State Family First Prevention Services Act Plan (Family First Plan) is the state's plan to demonstrate the work being done by the state, LDSSs, and providers, to keep children with kin and in family-based settings. Approval makes federal reimbursement (under Title IV-E of the Social Security Act) available for eligible children entering foster care and are placed in the least restrictive environment appropriate for their needs.

OCFS will invest in services that are culturally and linguistically competent, cost efficient, and that contribute toward alleviating issues identified for the respective communities. Organizations interested in applying for OCFS funding are therefore encouraged to review their community's demographic data (i.e., child welfare, home visiting, adoption, and juvenile justice trends), and as indicated and where deemed appropriate, per the target population and/or scope of services for the funding source.

### **2.3 Purpose and Funding Availability**

The purpose of this RFP is to fund Kinship Caregiver Support Programs (KCSPs) to build statewide services for kinship families. The goal of funds awarded through this RFP is to provide effective, evidence-based services to kinship families. Applicants may apply for funding to start a new program or continue and enhance an existing program. The NYS Fiscal Year 2024-2025 State Budget is anticipated to appropriate \$1.9 million to fund KCSPs.

Each applicant may request up to \$175,000 per year per application to serve a minimum of two or more NYS counties and/or boroughs of NYC. For the purpose of awards made from this RFP, OCFS will view each NYC borough as a county. Applicants may submit up to four proposals in response to this RFP and may receive a maximum of four awards. An applicant must submit separate proposals for each award being requested. If an applicant submits more than one proposal, each additional proposal submitted by the applicant must not duplicate the counties/boroughs proposed to be served in any of their other proposals submitted.

Requests for advance payments on state-funded contracts will be allowed up to 40% of the annual contract amount. OCFS will recoup advance payments by 33.3% of subsequent claims until the advance is fully recovered within the contract term.

As noted in **Section 1.7 OCFS Reserved Rights**, OCFS reserves the right to place a monetary cap on the funding amount made in each contract award.

### **2.4 Term of Contract**

The contract(s) awarded in response to this RFP will be for five years. The anticipated start date is **9/1/2024**, and the anticipated end date is **8/31/2029**. However, if the selected awardee is not a current contractor, there may be consideration that the anticipated transition period may require an earlier start date by as much as two months to allow the seamless transition of clients/services from the current contractor to the new contractor. Funding is currently anticipated to be available for the first year of the contract, and the award of a multiyear contract does not guarantee funding will be available for subsequent years. Contractors may not begin to provide services before the contract start date; OCFS has no obligation to pay for services rendered before

that time. Payments cannot be made before the formal execution of a contract and approval by the Office of the State Comptroller (OSC).

### 3.0 MINIMUM QUALIFICATIONS TO PROPOSE AND PREQUALIFICATION PROCESS

#### 3.1 Minimum Qualifications

Minimum Qualifications to propose are as follows:

- **Applicants must be not-for-profit organizations.** Voluntary agencies defined as not-for-profit organizations that are composed of, or function with, the aid of volunteers are strongly encouraged to apply.
  - Please note: Government entities are not eligible to apply. The definition of government entities includes, but is not limited to: LDSSs, other local government entities, state agencies, and American Indian tribes that have entered into a state tribal agreement with OCFS in accordance with section 39(2) of the Social Services Law.
- Applicants must agree to provide the required services identified in this RFP to kinship families with formal or informal arrangements in a minimum of two or more NYS counties and/or boroughs of NYC. For the purpose of awards made from this RFP, OCFS will view each NYC borough as a county. Applicants can only provide services to the families that reside in the specified counties or boroughs proposed to be served. Applicants must identify the primary site address where the proposed KCSP services will be provided within one of the counties or boroughs proposed. The primary service address determines what region the application will be placed in for scoring purposes. See **Attachment 7** for a map of the counties/boroughs and OCFS regions.
- Applicants must complete and submit **Attachment 3 - Case Management Attestation**, certifying a minimum of two years of experience providing case management services that support the safety, permanency, and well-being of children and families in NYS.
- Be prequalified, if not exempt, on the application deadline (preferred) **OR** be prequalified within 30 days of the award letter date if selected for funding. OCFS, in its sole discretion, reserves the right to extend this deadline if it is determined to be in the State's best interest to do so. (See **Section 3.2** for additional information.)

#### 3.2 Prequalification Process

**Important Note:** Prequalification documentation is no longer accepted in the NYS Grants Gateway. All prequalification documentation must be submitted in the Statewide Financial System (SFS) Grants Management.

**Information regarding the transition to SFS can be found on the Grants Management website here: <https://grantsmanagement.ny.gov/transition-SFS>**

New York State requires not-for-profit organizations to complete the Vendor Prequalification process in order for proposals to be evaluated. After becoming prequalified in SFS, not-for-profit organizations will have the responsibility to keep their information current by updating on an annual basis.

**Proposals received from not-for-profit applicants that are not prequalified in SFS in accordance with the timeframe listed in Section 3.1 Minimum Qualifications will be removed from further consideration.**

**NOTE:** Government entities are not required to prequalify but should still be registered in SFS Grants Management (see Subsection 3.2.1).

Below is a summary of the steps that must be completed to meet registration and/or prequalification requirements. The [prequalification page](#) on the [Grants Management website](#) details the requirements.

### **3.2.1 Register for the NYS Statewide Financial System**

- On the Grants Management website, download a copy of the [Registration Form for Vendors](#) and follow the instructions on the [How to Register](#) page located here: <https://grantsmanagement.ny.gov/register-your-organization-sfs>. You will be provided with a username and password allowing you to access SFS as a Vendor/Grantee.
- If you have previously registered and do not know your username, email [HelpDesk@sfs.ny.gov](mailto:HelpDesk@sfs.ny.gov). If you do not know your password, click the [Forgot Password](#) link from the main login page and follow the prompts.

### **3.2.2 Complete Your Prequalification Application**

- Sign in to the [SFS Vendor Portal](#) (be sure to select the checkbox to agree to Vendor Online Services' Terms of Service). If this is your first time logging in, you may be prompted to change your password.
- Please consult the [SFS Grantee User Manual](#) for guidance regarding how to complete this process. The Grantee User Manual can also be obtained by logging into the SFS Vendor Portal and locating the training materials or SFS Coach.
- Click the "Grant Management" tile, then click the "Prequalification Application" tile. On the Welcome Page, under Select an Activity Below, (your Supplier ID will be pre-populated) choose the option that best applies to you and click Next. Complete the fields, including selecting the Business Unit/state agency you expect to do business with.

- Complete the questions by clicking the applicable drop-down or list item responses, and providing additional explanation/comments where needed.
- Upload required documents on the “Required Documents” page. This constitutes your “Prequalification Application.” “Optional Documents” are not required unless specified in this RFP.
- Input required “Contacts” information.
- Specific questions about the prequalification process should be directed to the agency contact listed in **Section 1.1 Procurement Contact**, or to the Grants Management Team at: [HelpDesk@sfs.ny.gov](mailto:HelpDesk@sfs.ny.gov).

### **3.2.3 Submit Your Prequalification Application**

- After completing your prequalification application, on the “Submit” page you can review your information and certify the authorization attestation.
- When you are ready to submit the prequalification application for state agency review, click the “Submit” button. Once submitted, the screen will say “Pending Editor Review”.
- If expedited review of your prequalification application is desired, please send an email request to the agency contact listed in **Section 1.1 Procurement Contact** and identify your organization by including your organization name, Federal EIN, and SFS Vendor ID. It is recommended that you submit this request for expedited review before the Recommended Deadline to Prequalify noted in **Section 1.2 Calendar of Events**.
- Your prequalification application will be routed to a Prequalification Specialist for review. If your Prequalification Specialist requests modifications, you will receive an email notification.
- Requests for modifications should be addressed by the vendor and submitted for review without delay.
- Once your prequalification application has been approved, you will receive an email notification that you are now prequalified to do business with NYS and are eligible to submit bid responses to request funding.

**Vendors are strongly encouraged to complete this process as soon as possible or by the timeframe specified in Section 3.1 Minimum Qualifications to participate in this grant opportunity. Prospective applicants are responsible for monitoring their prequalification status on SFS. OCFS cannot be held responsible in the event an applicant fails to submit their Prequalification Application for review in a timely manner, or**

**if the documents uploaded by the applicant to their Prequalification Application are found deficient.**

### **3.3 Vendor Responsibility Requirements**

Section 163(9)(f) of the NY State Finance Law requires that a state agency make a determination that a bidder is responsible before awarding that bidder a state contract. Vendor responsibility will be determined based on the information provided by the bidder, online, through the NYS VendRep System Questionnaire or through a paper copy of the Vendor Responsibility Questionnaire. OCFS will review the information provided before making an award.

OCFS reserves the right to reject any proposal if, in its sole discretion, it determines the bidder is not a responsible vendor. All proposals are subject to a vendor responsibility determination before the award is made, and the determination can be revisited at any point up to the final approval of the contract by the NYS Office of the State Comptroller (OSC). Vendors must maintain their vendor responsibility throughout the duration of the contract.

Enrolling and completing the questionnaire online through the NYS VendRep System is the best method because both the questionnaire and answers are stored in the system. Thus, subsequent questionnaires in response to contracts or Request for Proposals from any state agency would only need to be updated in the VendRep System.

To access or enroll in the VendRep System or update your existing online questionnaire, click [Online Questionnaire](#). Questionnaires in the VendRep System that have been completed in the last six months in response to contracts or bid announcements do not need to be updated. If the vendor is using the hard copy questionnaire, then it also has to be current within six months of the due date of the proposal.

Vendors opting to complete a paper questionnaire, can access the questionnaire by clicking the following link: [Paper Questionnaire](#). Please note there are separate questionnaires depending on the contractor status. Not-for-profit vendors must use the *Vendor Responsibility Questionnaire Not-For-Profit Business Entity* form. For-profit vendors must use the *Vendor Responsibility Questionnaire For-Profit Business Entity* form.

Vendors are also encouraged to have subcontractors file the required Vendor Responsibility Questionnaire online through the NYS VendRep System. These subcontractors are required to submit a questionnaire when the value of the subcontract is \$100,000 or more.

Before executing a subcontract agreement, the contractor must provide the information required by OCFS to determine whether a proposed subcontractor is a responsible vendor.

Vendors must provide their NYS Vendor Identification Number when enrolling. To request a Vendor Identification Number or for direct VendRep System user assistance, contact the OSC Help Desk at 866-370-4672 or 518-408-4672 or by email at [itservicedesk@osc.ny.gov](mailto:itservicedesk@osc.ny.gov).

The NYS VendRep System offers the following benefits:

- Ease of completion, filing, access to and submission of the questionnaire; efficiencies are multiplied for vendors who bid and contract with the state frequently or with multiple state agencies.
- Questionnaire updates are easily filed by updating only those responses that require change from the previously saved questionnaire (as opposed to a paper copy where a new questionnaire is required each time there is a change).
- The stored questionnaire information eliminates the need to reenter data for each subsequent questionnaire submission.
- Reduction of costs associated with paper documents including copying, delivery and filing
- Online questionnaire information is secure and accessible to authorized vendor users only. State agencies can only view certified and finalized questionnaires.
- VendRep question prompts ensure that the correct forms are completed.
- The VendRep Online System contains links to all definitions of the terms used in the questionnaire.

Note: The vendor responsibility questionnaire must be dated within six months of the proposal due date. Any subcontractors under that proposed contract must also complete a Vendor Responsibility Questionnaire when the value of the subcontract is projected to be \$100,000 or more for the contract term.

**Confirmation of completion of the vendor responsibility process should be included with the email submission of your proposal.** This confirmation can take the form of registration in the VendRep System, or by electronically submitting your completed hardcopy questionnaire. To submit this confirmation with your application, go to the bottom of your certified questionnaire, and click the button called "Form Overview." Print this page and include it with your proposal's email submission. While it is not recommended, you have the alternative option of including a completed hardcopy Vendor Responsibility Questionnaire with your email submission for your proposal.

## **4.0 PROGRAM REQUIREMENTS**

### **4.1 Desired Outcomes and Program Requirements**

OCFS is seeking proposals that are responsive to the desired outcomes identified in this RFP and that align with the OCFS mission. OCFS expects all program services funded by this initiative will be designed to be culturally and linguistically competent and cost efficient. Appropriate planning and

development activities must be conducted by applicants to promote responsiveness to the target population of this RFP.

The following program guidelines must be reflected in your proposal:

- Applicants are expected to be ready to implement and maintain programs within 60 days of the contract start date.
- Applicants must include a plan for sustainability that extends beyond the duration of the contract term.
- Each program must demonstrate how they are:
  - trauma-informed,
  - child-centered and family-focused,
  - understanding of cultural humility and culturally responsive,
  - practicing a strength-based approach to family engagement,
  - non-judgmental and affirming,
  - flexible in adapting services to family need, and
  - easy to access in terms of location and hours.
- The proposed program must be designed to:
  - promote permanency and stability for kinship families,
  - provide assistance to families so children may be cared for in their own homes with their kinship caregiver(s),
  - strengthen kinship families to avoid foster care or other out-of-home placements, and
  - provide equitable delivery of services.

#### **A. Partnerships/Collaboration**

Programs must embed the following six principles of partnership in their program design throughout their culture, services, and practices:

1. Everyone desires respect.
2. Everyone needs to be heard.
3. Everyone has strengths.
4. Judgments can wait.
5. Partners share power.
6. Partnership is a process.

Programs must be designed by partnering with community-based services and programs. Applicants must demonstrate the proposed program model supports the local child welfare strategies and priorities of the community in which the program is located, has a reasonable sustainability plan, and supplements current services provided by LDSSs, the NYC Administration for Children's Services, and/or the Saint Regis Mohawk Tribe.

Program design must include partnership with other area agencies and collaboration with community members. Partnerships with local legal services as well as other NYS agencies such as the Office of Court Administration, the Office of Addiction Services and Supports (OASAS), the Office for the Aging (OFA), the Office of Temporary and Disability Assistance (OTDA), Youth Bureaus, the Department of Health (DOH), Office of Mental Health (OMH), and the State Education Department (SED) are encouraged to improve supports for the target population(s). These collaborations will be reported in required OCFS quarterly reports as well as discussed during annual site visit evaluations.

Other collaborations should include the NYS Kinship Navigator Program and the LDSS Kinship Champions. KCSPs should identify evidence-based programs (EBP) and refer families to those programs within their counties/boroughs when applicable.

## **B. Target Population/Participant Eligibility**

- The KCSP must demonstrate the capacity to serve families in a minimum of two or more NYS counties and/or boroughs of NYC. For the purpose of awards made from this RFP, OCFS will view each NYC borough as a county.
  - KCSPs only provide services to families that reside in the counties or boroughs the applicant proposes to serve.
- The target population for the KCSPs will consist of kinship families with kinship children between the ages of 0-21. The scope of the population to be served is broader than children who were formerly in foster care. Some kinship families may have never had any interaction with the child welfare system.
- The following links provide additional information regarding the number of children entering the Kinship Guardianship Assistance Program (KinGAP):
  - <https://ocfs.ny.gov/programs/kinship/kingap-expansion.php>
  - <https://ocfs.ny.gov/main/sppd/family-first-data.php>
- Children in foster care receive needed services through their LDSS or voluntary agency. Therefore, children in foster care are not eligible for the services funded by this RFP.
- Applicant's staff must complete the adverse childhood experiences (ACEs) questionnaire with each qualifying child within the first 30 days of opening a new case, or document efforts to do so as there are occasions where a family is uncomfortable or unwilling to complete this form and that should not preclude them from services.

- Applicant's staff must obtain a copy of proof of legal status for legal custodian(s) within 30 days of opening a new case. Proof of legal status must include appropriate court orders, such as custody orders. Informal kinship caregivers will not have a court order. Failure of a family to provide such documentation will result in the case needing to close except in the case of an informal kinship home.

### **C. Program Staffing**

- Cultural humility and awareness are considered critical factors. Staffing must be representative of the community, cultures, and languages of the service recipients. See **Section 5.3** for more information.
- The program coordinator is responsible for supervision of the program operation and staffing. Program design must include a program coordinator with a minimum of a master's level degree in social work, psychology, or human services.
- Program design must include sufficient staff with a minimum of one full-time case manager or one full-time equivalent with:
  - a minimum of a bachelor's level degree in social work, psychology, or human services; or
  - a bachelor's level degree in any field with a minimum of two years of case management experience; or
  - an associate's level degree in psychology or human services with a minimum of two years of case management experience.
- Program design must include a minimum of one qualified mental health professional with a master's degree in social work or another mental health related field. This professional must have experience working with children and/or families, can be part- or full-time, and must have the capacity to provide one-on-one, group, and family counseling for program participants, without the need for private insurance reimbursement.
  - Counseling should be client-driven, trauma-informed, and relevant to kinship challenges.
  - Sessions are to be primarily in-person, but the use of virtual platforms can be used with OCFS approval.
- Program design may additionally include staff roles held by individuals with relevant life experience and/or related education, such as peer educators, respite providers, parent/caregiver advocates, etc.
- Applicants must describe required agency trainings based on staff roles and how they will include training for the provision of trauma-informed services, diversity, equity, and inclusion awareness.

## **D. Case Management and Referral**

Applicants must provide case management to every program participant. Case management is client-driven and trauma-informed.

Case management includes the following processes:

- Intake
- Assessment of needs
- Service planning
- Service plan implementation
- Service coordination
- Monitoring and follow-up
- Reassessment
- Case conferencing
- Crisis intervention

Examples of case management services include but are not limited to:

- information and referral services;
- referral to legal services;
- attendance at family court dates;
- transportation;
- housing assistance;
- child care;
- basic family needs (vital needs in emergencies and with expenses that are unforeseen);
- educational advocacy services; and
- facilitating appointments with social services, medical health providers, and mental health services. The use of virtual platforms requires prior authorization from OCFS.

### OCFS Approval

An OCFS program manager must approve all cases that will be open for more than 12 months from the date of intake. Justification to keep a case open longer than 12 months must be documented and provided to the OCFS program manager as soon as possible, preferably before the end of the eighth month of services, to provide adequate time for OCFS to review prior to the 12-month date from intake. Such cases will then be reviewed for continued services every three months, following the completion of the 12<sup>th</sup> month of service. Examples of reasons a case would remain open longer than 12 months include but are not limited to: continued behavioral crises in the home, changes to the family composition such as the loss of a parent, increased risk of harm to the children residing in the home, etc.

### Required Documentation

- Awardees must adhere to document retention requirements as outlined in their contract resulting from this RFP.
- OCFS reserves the right to create, review, edit, and/or finalize forms to be used by KCSPs.
- Awardees must utilize and complete on a timely basis all required OCFS forms, including but not limited to: intake, progress notes, participant satisfaction surveys, discharge summaries, quarterly and final reporting documents. NOTE: If a program is utilizing intake, progress notes, discharge summaries, and/or documents for service plan reviews created by their agency, the program must receive prior OCFS permission to use these documents in place of the official OCFS forms.
- Applicant's staff must maintain accurate program participant records and documentation to support service delivery.
- Applicant's case managers must maintain a file for each family participating in the program. Each file must contain:
  - an intake form,
  - proof of legal status as custodian – including formal court orders – when applicable,
  - service plan documentation,
  - ACEs questionnaire,
  - progress notes,
    - Case manager's progress notes must contain the following:
      - Documentation reflecting monthly home visits and/or in-person contacts separate from support group(s).
      - Dates, locations, and types of contact.
      - Summary of contact/case activity relevant to service goals.
      - Follow-up action (if needed).
      - Service delivery, including participation in agency activities, outings, and/or support groups.
      - Case manager's name and signature.
      - A supervisor's signature of approval that acknowledges progress notes have been reviewed monthly.
  - correspondence,
  - OCFS *Participant Satisfaction Survey (Attachment 4)*,
    - Applicant's staff must administer a satisfaction survey to caregiver(s) as well as to kinship children over the age of 14 to determine participant satisfaction prior to case closure.
    - Feedback from these surveys will be used by OCFS and KCSPs to advise of ongoing needs of families and for possible program enhancements or modifications.
    - The survey asks participants to assess:
      - services and the overall program;

- support groups as beneficial in the reduction of stress;
  - services and the overall program as demonstrating cultural humility, cultural responsiveness, and wholistic engagement;
  - case management services as beneficial in the reduction of stress;
  - program staff and service accessibility;
  - educational materials and meetings as providing necessary, helpful, and relevant information; and
  - applicable referrals to community resources as relevant to their specific family needs.
- consent to release information forms,
  - a discharge summary, and
  - post-case closure documentation.
    - Applicant's staff must conduct and document a follow-up interaction with the kinship families at both six months and 12 months following case closure, to ensure the child(ren) has/have been safely maintained in the home or has/have returned to their parent(s)/caregiver(s).
    - The documentation gathered must be submitted to OCFS for data collection and analysis.

### Family Engagement

Family engagement is critical in service planning.

- Applicant's program must have flexible hours of operation during the week, including after-school, evening, and/or weekend hours to ensure services are available for working families.
- Applicant's program must offer a minimum of three family engagement activities per contract quarter, accessible within each county or each borough of NYC served by the KCSP, to support and enhance family engagement and create strong family interactions.

### Home Visits

A key component of case management is monthly home visits and/or in-person visits. In-person visits can include contacts that take place where clients reside in the community, through the use of virtual platforms, or a combination of both. Virtual platforms may be used with prior approval by OCFS, when necessary to mitigate any health, safety, or transportation issues.

NOTE: Support group meetings do not fulfill the monthly home visit and/or in-person contact requirement.

## Mental Health Support

Program design must include a minimum of one qualified mental health professional with a master's degree in a mental health related field or social work. This professional must have experience working with children and/or families, can be part- or full-time, and have the capacity to provide one-on-one, group, and family counseling for program participants during their time being served by the KCSP, without the need for private insurance reimbursement. Counseling should be client-driven, trauma informed, and relevant to kinship concerns. Sessions are to be primarily in-person, but the use of virtual platforms can be used with OCFS approval.

- Applicant's staff must conduct a minimum of one support group meeting a month that must be accessible to caregivers in each county or borough served by the KCSP.
  - Programs must allocate funds for providing peer-to-peer support groups, including training for peer support group leaders.
  - Support groups should be designed with consideration for the transportation needs of caregivers, child care needs, and the need for virtual platforms on occasion.
  - Support groups will focus on topics relevant to parents and caregivers. Topics might include trauma-informed care, enhancing positive behaviors, and other relevant topics.
- Applicant's staff must conduct a minimum of one support group meeting a month for children, that must be accessible to the family in each county or each borough of NYC served by the program. These support groups must be offered to all children currently residing in the home; however, biological children or foster care placements would not be counted in performance outcomes. Support groups for children will focus on topics relevant to children.
- Applicant's program should consider what types of practices and services best support families who have children who identify as LGBTQIA+. These services can and should be intentional and highly personalized to address the needs of each family, child, and youth, and they should serve to support a kinship child(ren) who may be at risk of disrupting because a child or youth has identified as LGBTQIA+.
- Applicant's program must offer support for families in crisis or be able to make referrals to such services, including crisis intervention. Crisis intervention is provided by experienced, professional social workers who engage with the family to provide immediate support to help defuse stressful situations and to develop longer-range problem-solving techniques. Crisis supports must include having funds available to assist families with non-recurring emergency expenses to equitably distribute amongst all participants. These funds will be used with OCFS approval to assist in housing crises, to secure basic needs such as food and/or

clothing, paying critical bills, referral to legal services, to provide transportation to program services, and needs presented by a participant family.

- Applicant's program must have the capacity to provide staff-supervised respite outings as needed. Respite services should relieve the primary caretaker(s) from a minimum of one hour of supervision of any child residing in their home and may include, but not be limited to, activities with the child(ren) such as bowling, movies, outdoor recreation, and/or library time. Activities should consider the needs, interests, and abilities of the children to the extent possible.

arrangements. Education sessions must include curricula such as Parenting a Second Time Around (PASTA)

## **E. Desired Outcomes, Program Objectives, and Performance Targets**

A KCSP will be deemed successful if the program meets all of the above requirements and achieves the following expectations:

- All families receive, and programs document, the case management services being catered to each individual family's needs.
- Children are safely maintained in the home, families are connected to community services, and culture and relationships are preserved.
- KCSP *Performance Targets (Attachment 5)* are used to measure program outcomes. Applicants **MUST** use targets included in **Attachment 5**. Applicants may include additional targets as they deem necessary.
- Mental health professional holds one-on-one, group, and family counseling for program participants during their time being served by the KCSP. Counseling is client-driven, trauma-informed, and relevant to kinship concerns.

- Caregiver support groups include, but are not limited to, peer-to-peer support groups that are conducted a minimum of one time per month and are accessible within each county or each borough of NYC served by the KCSP.
- Support groups for all children in the family are conducted a minimum of one time per month and are accessible within each county or each borough of NYC served by the KCSP.
- Applicant's program offers a minimum of three community educational sessions per contract quarter that are accessible within each county or each borough of NYC served by the KCSP.
- Applicant's program offers a minimum of three family engagement activities per contract quarter that are accessible within each county or each borough of NYC served by the KCSP.
- The OCFS *Participant Satisfaction Survey (Attachment 4)* is provided to all program participants over the age of 14 at the time of case closure. The goal of the survey is that respondents confirm whether the programming met or exceeded expectations or for program staff to use the information to assess and modify service delivery as needed.

Applicants may subcontract components of the scope of work. For those applicants who propose subcontracting, it is preferable to identify subcontracting agencies during the application process. Applicants who plan to subcontract are expected to state in the application the specific components of the scope of work to be performed through subcontracts. Applicants should understand that, if awarded a contract, as the contract holder (prime contractor) they will have total responsibility for all contract activities, including those performed by subcontractors, and will be the primary contact for OCFS. If requested by OCFS, the contractor agrees not to enter into any subcontracts, or revisions to subcontracts, in excess of \$100,000 for the performance of the obligations contained herein until it has received the prior written permission of the state, which shall have the right to review and approve each and every subcontract in excess of \$100,000 before giving written permission to the contractor to enter into the subcontract. All subcontractors must be approved by OCFS.

#### **4.2 Accessibility of Web-Based Information and Applications**

Any web-based Intranet and Internet information and applications development or programming delivered pursuant to this procurement must comply with New York State Enterprise IT Policy [NYS-P08-005](#), *Accessibility Web-Based Information and Applications*, and NYS Enterprise IT Standard NYS-S08-005, *Accessibility of Web-Based Information Applications*, as such policy or

standard may be amended, modified or superseded, which requires that state agency web-based intranet and internet information and applications are accessible to persons with disabilities. Web content must conform to NYS Enterprise IT Standards NYS-S08-005 as determined by quality assurance testing. OCFS will conduct such quality assurance testing and the test results must be satisfactory to OCFS before web content will be considered a qualified deliverable under the contract or procurement.

## 5.0 PROPOSAL CONTENT AND SUBMISSION

### 5.1 Technical Proposal Content/Work Plan

This section describes the content requirements of the Work Plan and how to prepare your Work Plan to assist you with your application. The purpose of the Work Plan is to provide a clear description of what requested project funds will pay for, the expected outcomes for the proposed project services and the programmatic rationale for the proposed project budget. The Work Plan must be in compliance with all applicable state and federal laws, rules, and regulations and be responsive to the desired outcomes identified in **Section 4.1 Desired Outcomes and Program Requirements** and provide value to the OCFS mission. OCFS expects all project services funded by this initiative will be designed to be culturally and linguistically competent and cost efficient. Appropriate planning and development activities must be conducted by applicants to promote responsiveness to the target population of this RFP. Services provided must accommodate cultural and linguistic requirements of the target population and/or community to be served.

Your proposal will be rated based on your organization's responses to the sections listed below. **Applicants must respond to the Program-Specific Questions within the provided Attachment 2 – Application Template and will submit that completed document in accordance with Section 5.4 Proposal Content and Section 5.5 Proposal Submittal Process.**

The **Attachment 2 - Application Template** is available for download from the [OCFS funding opportunities page](#) or the [NYS Contract Reporter](#). Note: Save your completed Application Template for future reference. If the applicant is awarded a contract their submitted Application Template will be the basis for the Work Plan in the subsequent contract for services.

The Work Plan consists of the following sections:

- A. Community**
- B. Target Population(s)**
- C. Objectives, Tasks, and Performance Measures**
- D. Proposed Program Description**
- E. Commitment to Diversity, Equity, and Inclusion**
- F. Organization**
- G. Program Staff**

Please be sure to address all questions in each section comprehensively, yet succinctly. The number of points allocated to each area in the technical review appear in (parentheses) after each section below. OCFS reserves the right to add additional bonus points to the final score/rating for proposals that are responsive to **Section 2.2 OCFS Statewide Considerations**. RFP's that include the applicants' ability to receive additional bonus points will state such in **Section 6.3 Bonus Points: RECC**.

### **Guidelines for Each Section**

Applicants must utilize **Attachment 2 – Application Template** to address the questions in **Section 5.4 A.** through **G.** below.

#### **A. Community (Up to 21 points)**

The proposal must clearly demonstrate the applicant's knowledge of the demographics, cultures, linguistic requirements, issues, and service needs of the community to be served by the proposed program.

- Describe the community to be served, inclusive of the location of services. Identify families to be served which must include those with informal or formal kinship arrangements. Children in foster care receive needed services through their LDSS or voluntary agency; therefore, children in foster care are not eligible for the services funded by this RFP.
- Describe the planning activities conducted that contributed to the development of the proposal.
- Identify resources reviewed or consulted to develop your proposal, e.g., county plans, goals, and/or statewide needs assessment(s).
- Discuss trends that support the demand for the proposed program services, identify demographic data (including data on the community's racial and ethnic composition, families that may be comprised of LGBTQIA+ youth, and information related to disconnected youth),<sup>4</sup> and social and economic changes that may be of significance to the target community to receive program services.
- Explain how the proposed program relates to the overall needs of the community.
- Describe how the community is involved in planning for the proposal.
- Identify community agency partners that will assist with the program and community readiness to receive program services.

#### **B. Target Population(s) (Up to 21 points)**

The target population (individual, community, families, children, in some instances staff, etc.) is the intended recipient of program services for whom

---

<sup>4</sup> Disconnected or high-need youth are: youth aging out of foster care, youth in or reentering the community from the juvenile justice system, and children of incarcerated parents.

proposed program outcomes will be achieved, and those for whom you want to preserve and sustain family stability.

- Describe the characteristics of the target population(s) to be involved in the program, the geographic area or community to be served, and discuss why the client group is targeted to receive services.
- Describe your organization's understanding of client eligibility for services for informal and/or formal custody kinship arrangements.
- Identify families to be served – must be those with informal or formal kinship arrangements.
- Address a minimum of one significant identified need of the target population(s).
- Discuss other indicators that contribute to the target populations' need for program services (e.g., disconnected youth, historically oppressed or marginalized communities, low-income/high-poverty rates).
- Describe how the program will conduct outreach to clients and how you will engage individuals and/or families who are the recipients of the proposed services.
- Provide data sources used to determine each of the target populations within proposed service areas, by completing and submitting **Attachment 6 - Target Population**.

### **C. Objectives, Tasks, and Performance Measures (Up to 35 points)**

OCFS uses an outcome-based approach to contracting. Outcome-based contracting is the provision of funding to achieve predefined demonstrated benefits for a specified population. It shifts the focus of contracting from service provision to the results of those services.

It is critical to know the number of children in informal and formal kinship care arrangements and those caregivers who successfully achieve performance outcomes, safety, permanency, and well-being as a result of program services.

Objectives are the desired benefits or changes for the target population following their interaction with a program. They are the expected results of program intervention. Objectives may relate to knowledge, skills, attitudes, behaviors, or conditions. Objectives are broad, often long term, and are more general than tasks. Program objectives must be consistent with the desired RFP objectives and address identified problems, conditions, needs, and behaviors of the target population.

Prior to program implementation, OCFS may further refine successful applicants' performance objectives.

- Identify the expected results (changes in the condition, status, or behavior of the target population) that will significantly contribute to the

achievement of the desired objectives as opposed to the activities designed to produce those results.

- Submit completed RFP **Attachment 5 - Performance Targets** with your grant application.
- Describe the methodology used to determine the proposed performance targets.
- Describe clearly defined tasks that are measurable. Explain how the tasks are achievable with the resources available to the program. Identify appropriate and realistic methods to verify task attainment.

#### **D. Proposed Program Description (Up to 30 points)**

This section describes the specific service model, services, and activities to be conducted by the program.

- Discuss how the proposed model will address the current status of the target population(s).
- Describe the role the target population(s) had in the design of the program and why this approach is the best way to achieve the expected objectives.
- Describe your plan to implement services within 60 days after the contract start date.
- Describe all interactions with clients from first contact to completion of services. Interactions include intake, outreach, mental health counseling, crisis support, case management, home visits, and family engagement.
- Outline the number of home visits and/or in-person contacts (separate from support group attendance) that will occur during the first three months of services and thereafter. With prior OCFS approval, this may include the use of virtual platforms as needed to mitigate attendance barriers, though virtual platforms should not be the primary source of contact with families.
- Identify plans for outreach, collaboration, and coordination in and with the community. Cite any special outreach efforts the program will conduct related to disproportionality and/or disconnected youth.
- Describe collaboration with existing community partners and discuss how the program will interface with other in-house services and services available in the community.
- Discuss which specific services, core features, or essential elements will be funded by the proposed program. Include sufficient detail to demonstrate that the design and delivery of the program is likely to result in attainment of the performance objectives you selected.
- Discuss cultural and linguistic considerations for the delivery of services to each of the target populations and how the program will encourage successful case objectives for each of the target populations, considering how unique cultural experiences influence case objectives.
- Discuss what activities will be conducted to instill diversity, inclusivity, belonging, and cultural responsiveness in program services.

- Discuss how the applicant will obtain ongoing input regarding customer satisfaction with program services from the population served.
- Demonstrate how the program will implement the OCFS *Participant Satisfaction Survey (Attachment 4)* at the time of discharge of a program participant(s) to ensure completion of survey by participant(s).

#### **E. Commitment to Diversity, Equity, and Inclusion (Up to 21 points)**

This section describes the commitment to diversity, equity, and inclusion.

- Describe the plan to ensure program staffing is racially, ethnically, and linguistically representative of the population(s) proposed to be served.
- If applicable, demonstrate that your organization is led by\* Black, Indigenous, Persons of Color+ as defined below (BIPOC) and has developed the organizational capacity to accomplish diversity, equity, and inclusion activities, by completing **Attachment 8** to include the BIPOC individual's name, title, date of appointment to the position, and a brief description of the individual's responsibility in the organization. Provide an organizational chart that clearly identifies the title and name of the BIPOC leader and their position in the organizational chart.

**\*The definition of "led by" means the highest-ranking individual in charge of the entire organization (not including board members).**

**\*For the purposes of this solicitation, "Persons of Color" means Black, Indigenous, Multiracial, or Persons of Color.**

Additional documents or information to be submitted to document that the BIPOC leader has developed the organizational capacity to accomplish diversity, equity, and inclusion include, but are not limited to:

- Explanation of the diversity trainings provided to their employees.
- Explanation of the process by which the organization handles complaints of discrimination by employees which includes:
  - a) who conducts the investigation,
  - b) who decides whether discrimination has occurred, and
  - c) what relief is offered to the victim.
- Description of what, if any, charitable work the organization performs to reduce barriers within the community.

#### **F. Organization (Up to 21 points)**

This section describes the history, attributes, and functions of the organization.

- Identify the key people in the organization who are primarily responsible for delivering the program and reaching the performance objectives. Please describe them in terms of capacity including knowledge, skills, expertise, professional credentials, and commitment.
- Provide evidence of your organization's ability to recruit, hire, and retain staff.
- Describe what activities your organization has initiated to accommodate cultural and linguistic requirements of your community, and how the organization will promote effective coordination with other key partners and service providers in your community to maintain this program. Include any affiliations with other community groups.
- Specify if you will include key partners as part of the proposal and describe their involvement. If applicable, submit a copy of any memoranda of understanding (MOUs) with your grant application.
- Submit an organizational chart with your grant application that shows how this proposed KCSP fits into your organization's goals and mission.

#### **G. Program Staff (Up to 21 points)**

This section provides a comprehensive overview of the proposed program's staffing pattern, staff qualifications, staff development, and program supervision. When a program is in operation, an adequate number of qualified staff must be on duty to protect the health and well-being of the children and/or families in their care.

- Describe the title(s), role(s), and number of all staff to be hired by the program, required staff qualifications, responsibilities, and whether staff will be paid with requested program funds.
- Explain how staff orientation and training will be provided and how supervision of staff will be provided, inclusive of the required program staff identified in **Section 4.1(I)(A)**.
- Describe how the staffing pattern for the proposed program is representative of the community, cultures, and languages of persons identified to receive services. Cultural humility, relevance, and awareness are considered critical factors.
- Discuss what activities will be conducted to instill diversity and cultural responsiveness in program services. Applicants must describe their agency's hiring and background check process, and efforts made to encourage staff retention.

## 5.2 **Proposed Budget**

To streamline the contract process and to obtain a more favorable cost score, applicants are strongly encouraged to submit budgets that reflect realistic and necessary expenses and that include justifiable and allowable costs only.

Budgets must include travel and lodging for program representatives to attend any professional development events as required by OCFS. All staff travel must be approved by OCFS in advance and is restricted to training which directly supports service delivery and program operations. All budgets must comply with applicable state and federal laws and regulations.

Failure to submit any documents could result in the loss of funding. If there are extenuating circumstances, the grantee must communicate with OCFS to obtain prior approval for a delayed submission of required documents. However, in order to be considered for award, **Attachment 1 - Budget Template** must be completed and included with your email submission.

**Please note:** Your proposed budget should reflect a one-year contract period representing the first year of the multiyear contract to serve all counties and/or boroughs proposed to be served, for a maximum dollar amount of \$175,000, and include clearly identified startup costs (if applicable).

A passing score of a proposal does not indicate that the submitted attachments, including the budgets, will be the final contract documents. The documents may require revision during contract development.

If awarded, vendors will be required to develop and provide a multiyear budget in their contract.

Each program applicant may request up to \$175,000 per year per application.

Budget-related responses to be included in your application narrative can be found in RFP Section 5.4(H) Budget Section (Up to 42 points).

Follow these instructions carefully as you complete the budget. The budget for this project must be in compliance with all applicable state and federal laws, rules, and regulations. Use the following directions to briefly describe the expenses included in each budget category. The detail requested is essential to expedite the contract process. Accuracy and completeness are critical.

### **Ensure the following:**

- The cost of items is described in the budget narrative and for every line item of expense, the specific calculations for determining the total cost of each item is included in the narrative.
- All items covered by OCFS funds are directly related to the provision of

services indicated in the proposal.

- All expenses are incurred *within* the contract period.
- All shared costs are prorated and the basis of the proration explained.
- Reimbursement for travel, lodging, and mileage costs do not exceed the state rates currently in effect.
- All amounts listed on the budget summary form reconcile with the relevant budget narrative information.
- The total Grant Funds requested agrees with the total amount requested in the OCFS Grant Funds Column of the Budget Template.

### **Non-Allowable Costs**

The following items *cannot be included* as OCFS-funded costs within the project budget. This list is not comprehensive.

- **Major capital expenditures such as acquisition, construction, or structural renovation of facilities.**
- **Interest costs, including costs incurred to borrow funds.**
- **Costs for preparation of continuation agreements and other proposal development costs.**
- **Costs of organized fundraising.**
- **Legal fees to represent agency/staff.**
- **Advertising costs, except for recruitment of program personnel, program outreach, and recruitment of participants.**
- **Entertainment costs, including social activities for program and staff, unless directly associated with the program.**
- **Costs for dues, attendance at conferences, or meetings of professional organizations, unless attendance is necessary in connection with the program.**

### **Local Match**

Not Applicable.

### **Program Budget**

Applicant budgets must be reasonable and appropriate to cover program expenses.

#### **A. Personal Services**

##### **1. Personal Services - Personnel**

###### **Personal Services (Salaries):**

- List only staff titles included in the funded project.
- List the percentage of time each title will spend on this project.

- The percentage of time an employee (title) is engaged in this project (or projects) cannot exceed 100%.
- List the base (annual) salary for each staff title. The base salary should reflect the employee's (title's) actual annual salary. The annual salary should be consistent across all projects that the employee's time is charged to.
- Applicants are encouraged to ensure employees are fairly compensated with a salary comparable to a living wage. Please refer to the NYS Department of Labor's "Occupational Wages" guidance at <https://dol.ny.gov/occupational-wages-0> and the US Bureau of Labor Statistics at <https://www.bls.gov/ooh/community-and-social-service/health-educators.htm>.
- If a title has both administrative and programmatic responsibilities, show the title on two lines, one for programmatic responsibilities with associated percentage of time and one for administrative responsibilities with associated percentage of time. Identify administrative positions in the "Personal Narrative." The percentage of time for the position cannot exceed 100%.
- If the proposed project is currently operational, provide information on the percentage of salary increases, if any, included in the requested budget. Justification for raises must be provided. If you anticipate cost-of-living adjustments (COLA) or merit raises during the contract year, include the increases in the base annual salary charged to the project and note the effective date of the raise. All salaries paid under the contract must adhere to current and future applicable NYS DOL minimum wage adjustments throughout the contract term.

Personal Services Salary Narrative: Give a brief description of the administrative or program-related responsibilities of each staff title supported by the grant funds.

## **2. Personal Services – Fringe Benefits**

Fringe benefits should be budgeted in line with your organization's policy. The total fringe benefits chargeable to this contract should not exceed the current approved fringe rate, which can be found on the OSC website at [Fringe Benefits](#). A higher rate may be considered with justification; any such justification must be included with your application.

Fringe Benefits Narrative:

- List the fringe benefit rate(s) and the titles to which the rate(s) apply.
- Provide a complete list of benefits used to calculate rate(s) (e.g., Social Security-FICA, New York State Unemployment Insurance-SUI; New York State Disability Insurance and Worker's

Compensation). These can be listed on the extra lines under “Personal Services.” Be sure to clearly identify “Fringe.”

## B. Non-Personal Services (NPS)

### Use of MWBE/SDVOBs for Discretionary Purchases

In compliance with [Article 15-A](#) of the NYS Executive Law and Article 3 of Veterans Service Law, contractors are required to spend 30% of their overall discretionary budget through a New York State-certified Minority- or Women-owned Business Enterprise (MWBE) and 6% with Service-Disabled Veteran-Owned Businesses (SDVOB) unless stated otherwise in Sections 7.10 and 7.11 of this RFP. As your organization develops its NPS budget for this contract, you must identify the discretionary purchases subject to the MWBE/SDVOB goals (See **Section 7.10 & Section 7.11** for more information). The following NPS budget categories are subject to review for goals:

<b>NPS Budget Category</b>	<b>MWBE/SDVOB Goal</b>
1. Contractual/Consultant	Discretionary expenses in this category subject to goals.
2. Travel	Travel expenses are Non-discretionary and exempt. Please note: if/when placed under this category Transportation (i.e., chartering of buses), is subject to goals.
3. Equipment	Discretionary expenses in this category subject to goals.
4. Supplies	Discretionary expenses in this category subject to goals.
5. Other Expenses	
a. Space/Property (Own)	Non-discretionary – exempt.
b. Utilities	Non-discretionary – exempt.
c. Operating Expenses	Discretionary expenses in this category subject to goals.
d. Printing Services	Discretionary expenses in this category subject to goals.
e. Other Expenses/Miscellaneous	Discretionary expenses in this category subject to goals
f. Administrative Expense	Non-discretionary – exempt.

\*If MWBE/SDVOB are not going to be utilized, you should include enough detail in the applicable Budget Narrative section(s) to show why that spending category line should not be considered discretionary and counted toward your goals (i.e., ‘There are no MWBE/SDVOB vendors for this commodity/service in our area.’ ‘We have established contracts with vendor xxx for this commodity/service.’ etc.). The OCFS Contract Compliance Unit

may reach out to you for further details/explanations and will require justification and information documenting good-faith efforts.

### NPS Budget Categories

All budget items to be purchased during the contract period must be for commodities that are in direct support of services related to the project, or for contractual/consultant services to be rendered during the contract period that directly support the project.

#### **1. Contractual/Consultant Services**

This category includes costs for institutions, individuals, or organizations external to the agency.

- Specify the services to be provided and indicate how the cost was determined.
- Delineate between administrative and program cost.
- If an award is made, the contractor must get prior written approval from OCFS for any agreement, or series of agreements, with a single subcontractor that exceeds \$50,000 or 50% of the total contract value during the contract term. The contractor must receive such approval before executing the subcontract agreement, implementing any activity under its term, or expending contract funds under its term. Prior approval is also required for any cost or term amendment to approved subcontracts or as otherwise requested by OCFS. All subcontract agreements, regardless of dollar value, must be submitted to OCFS before claim for services is submitted.
- For office or other program space rental or lease include copy of rental or lease agreement and method of cost allocation of space.
- For equipment rentals:
  - Clearly describe item(s).
  - Include model # and specifications, if possible.
  - Indicate term and rate of rental.
  - Provide a justification for the rental of all equipment by giving a brief description of the program-related need supported by grant funds.
- Vehicle lease for participant travel, when such travel has been approved by OCFS, must be programmatically justified. A copy of the lease agreement must be provided to OCFS before claim payment. Also, the OCFS share of travel expense must be based upon state guidelines; payment cannot exceed the state rates currently in effect.
  - Explain the purpose of the travel.
  - Number of participants.
  - Estimated miles.
  - Frequency of travel (e.g., per day, per week).
  - Be as clear as possible in explanation of need and cost.

- Show the percentage of time the vehicle will be used by the project, and only include requested funds for this percentage.
- If a subcontractor or consultant expense is more than \$15,000, three written bids are required. If you are unable to obtain three written bids, a justification as to price reasonableness is required. If other than the lowest bidder was selected, please provide justification.
- If the consultant/contractor is reimbursed at an hourly rate, the hourly rate and the number of hours must be calculated accurately and be included in the budget narrative.
- Indicate whether consultant's rate includes travel and lodging.

## 2. Travel

- Travel costs include the following: air, train, bus and taxi fare; personal auto, parking fees, tolls, lodging and meals. Conference fees or outside training costs for staff to attend that are an integral and essential part of this particular program and necessary in connection with the project to be funded.
- Explain which staff will be traveling and the destination, purpose and frequency of travel.
- For local/day travel and extended travel, list the following for each trip: destination, length of stay, purpose, number of travelers, mode of transportation and its cost, meals and lodging costs.
- Includes staff travel only.
  - Consultant travel should be shown under the "Contractual/Consultant Services" category.
  - Client travel should be shown under the "Other Expenses" category.
- Reimbursement for travel, lodging and mileage costs will not exceed the state rates then in effect.

**NOTE:** The OCFS share of travel expense must be based upon state guidelines; payment cannot exceed the state rates currently in effect. Refer to <https://www.osc.state.ny.us/state-agencies/travel>.
- All out of state travel must be preapproved by OCFS.

## 3. Equipment

This section is used to itemize the purchase of equipment.

- Equipment is defined as tangible personal property having a useful life of more than one year and an acquisition value of \$1,000 or more per unit.
- Obtain three written bids for any single item. If a bidder other than the low bidder is selected, a statement must be submitted explaining why that vendor was selected.
- Any budget requests for equipment purchase using grant funds must be fully explained and justified by program need. Note that

equipment purchases are generally not allowed for a contract with a term of 12 months or less.

- Delineate between administrative and program costs.
- If the item is to be used by more than one program, the cost must be prorated.
- Explain the program function and need for each item. Be as specific as possible.
- Clearly describe each item, including type and cost.
- Vehicles cannot be purchased. They may be leased if required for program operation. If vehicles are leased, the costs must be listed under the “contractual/Consultant Services” section of the budget.

Equipment Narrative: Give a brief description of the program-related equipment supported by grant funds. Include basis of allocation of costs between programs, if applicable.

#### **4. Supplies**

- List major supply items (used for office, program, janitorial, etc.)
- Supplies are defined as tangible personal property (including computers, computer equipment, tables, etc.) having an acquisition value of less than \$5,000 per unit. Obtain three written bids for any single item costing over \$2,500. Obtain three written or verbal quotes for any single item costing \$2,500 or less. If a bidder other than the low bidder is selected, a statement must be submitted explaining why that vendor was selected.
- Delineate between administrative and program items.
- Describe items to be purchased and provide details showing how estimated costs were developed.
- Justify these costs in terms of number of staff and programmatic functions, and how the request relates to service provision.

#### **5. Other Expenses**

“Other Expenses” are costs that do not fall under the previous budget categories. Examples are occupancy costs for owned buildings, utilities, operation expenses, printing services, allowable administrative overhead, and other miscellaneous expenses.

##### **a. Space/Property (Own)**

If the contractor owns the building, they must charge occupancy costs rather than rental costs. Occupancy costs must be true costs made to a third party; for example, mortgage payment (exclusive of property/school taxes), cleaning costs, snow removal and general maintenance.

- Provide description of space.
- Provide justification.

- Provide itemization of total costs.
- Provide method of cost allocation of space.

Space/Property (Own) Narrative: Provide a detailed explanation of all space and property costs supported by grant funds.

**b. Utilities**

Provide a budget line for each utility cost. This may include electric, heat, telephone, other communication services and internet.

Utilities Narrative: Provide a detailed explanation of all utility costs and how costs here are allocated to this grant.

**c. Operating Expenses**

This section is used to itemize costs associated with the operation of the program, including but not limited to, insurance, bonding, photocopying and advertising. Provide a budget line for each item.

Operating Expenses Narrative: Provide a detailed explanation of each operating expense and how costs are allocated to this grant.

**d. Printing Services**

- All agencies and subcontractors must make reasonable efforts to secure the lowest responsible bidder for printing services.
- In instances where the cost of a printing job exceeds \$5,000, documentation of three telephone bids is required showing that the lowest cost source has been used. This information must be provided with the *payment* claim. The state strongly encourages the participation and utilization of MWBE and SDVOB printing firms.
- Program materials to be printed using these funds must be preapproved by OCFS.

Printing Services Narrative: Provide a detailed explanation of all printing expenses.

**e. Miscellaneous Expenses**

- Food and refreshments are not allowable expenses for staff.
- Include items that are not applicable under any other category and that are directly related to the services to be provided.
- These items may include postage, client travel, shipping, delivery and messenger services audiovisual services, (see note below for more specific instructions), materials, development costs,

advertising costs for recruiting new hires, books, journals, periodicals, computer time, and library services.

- Information on these costs, including how the estimates were calculated (e.g., cost per hour, cost per page, cost per square foot, etc.) should be provided in the budget narrative.
- Delineate between administrative and program items.
- Itemize any additional miscellaneous expenses that are allowed for this project that do not fall under any other budget category.

Miscellaneous Expenses Narrative: Provide a detailed explanation of each miscellaneous expense.

**f. Administrative Expense**

This category cannot include any items directly charged in other budget categories. Include the base on which the administrative expense will be charged.

**A. For Federally Funded Awards**

Not applicable.

**B. For State-Funded Awards**

Total administrative costs are limited to **15%** of the total grant award as established by OCFS policy. OCFS reserves the right to adjust this limit at its sole discretion.

- Total administrative expenses are limited to 15% of the grant award, less expenses for equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subcontract in excess of \$25,000.
- Administrative expenses include, and are not limited to,
  - that portion of the salaries and benefits of staff performing administrative and coordination functions that cannot be attributed to particular program services, including but not limited to the executive director or chief executive officer, financial officers such as the chief financial officer or controller; accounting personnel; billing, claiming or accounts payable and receivable personnel; human resources personnel; public relations personnel; administrative office support personnel; and information technology personnel, where such expenses cannot be attributed directly to the provision of program services;
  - that portion of expenses for office operations that cannot be attributed directly to the provision of program services,

including telephones, computer systems and networks, professional and organizational dues, licenses, permits, subscriptions, publications, audit services, postage, office supplies, conference expenses, publicity and annual reports, insurance premiums, equipment that is expensed (rather than depreciated) in cost reports, where such expenses cannot be attributed directly to the provision of program services; and

- up to the first \$25,000 of each subcontract.
- Indirect costs are considered in the total administrative costs for this project (indirect cost plus any directly charged administrative personnel, related fringes and non-personal services).
- Some common methods of allocating indirect costs are based upon time, space, units of service or percentage of funding.
- All administrative costs must be individually identified.

All costs included in the direct cost categories must be directly attributable to the project. State Finance Law and Generally Accepted Accounting Principles require that any expense incurred over more than one funding source or program must be charged proportionately, and the method of allocation must be documented.

### **5.3 Key Concepts**

*Kinship families* refers to:

- families caring for a child(ren) age 0-21 who has either:
  - formal custody (supplies the caretaker with a court-issued order detailing the custody agreement) or
  - informal custody (child[ren]) that is being cared for by someone who does not have legal custody of the child(ren).

*Kinship care* refers to:

- grandparents, other relatives, and/or family friends who are caring for children. Though some may be certified foster parent(s), most kinship caregiver(s) are not foster parent(s) and privately provide full-time care for child(ren). Children in foster care receive needed services through their LDSS or voluntary agency. Therefore, children in foster care are not eligible for the services funded by this RFP.

*Respite care* refers to:

- a brief period of rest or relief for the primary caretaker(s) from supervising the child(ren) in their home for a minimum of one hour, with the intent to decrease family stressors and relieve the caretaker(s) from the constantly demanding responsibility of providing care. Respite services may include, but are not limited to, supervising and engaging the child(ren) in activities

such as bowling, movies, outdoor recreation, and/or library time, community outings, supervision in the kinship home, or time spent at a KCSP office/location.

*Cultural humility* refers to:

- the ability of all agency staff to provide the highest quality of services to our clients, the children, youth, families and vulnerable adults of NYS, by responding respectfully and effectively to people of all cultures, socio-economic statuses, races, ethnic backgrounds, genders, sexual orientations, ability status, and faiths or religions, and in a manner that recognizes, affirms, and values the worth of individuals, families, tribes, and communities, and protects and preserves the dignity of each.

*Crisis intervention* refers to:

- when experienced, professional social workers engage with the family to provide immediate support to help defuse stressful situations and to develop longer-range problem-solving techniques.

- B. Prospective applicants are **strongly encouraged** to submit their applications well in advance of the deadline allow sufficient opportunity for the applicant to obtain assistance and take corrective action should there be a technical issue with the submission process. **OCFS highly recommends submitting at least 48 hours prior to the final deadline.** Failure to leave adequate time to address issues identified during the submission process may jeopardize an applicant's ability to submit their application.
- C. Proposals received after the deadline for submission of proposals may be rejected. Receipt of late proposals, as a general rule, cannot be accepted.
- D. Email delivery receipts are recommended. Upon submission of the online form portion of the application, bidders will automatically receive a confirmation email from [funding@ocfs.ny.gov](mailto:funding@ocfs.ny.gov). For the email submission portion of the application, where applicants are submitting required forms and attachments to OCFS via email, **OCFS will reply to provide confirmation that your supporting documents have been received.** Please provide at least 24 hours for OCFS to respond to your email. Applicants are responsible for contacting OCFS prior to the deadline if confirmation has not been received. If applicants contact OCFS too close to the deadline, there might not be sufficient time for you to receive assistance. **To help reduce the possibility of OCFS emails being blocked by spam filtering, please ensure [funding@ocfs.ny.gov](mailto:funding@ocfs.ny.gov) is added to your email system's address book.**
- E. Proposals must be signed by an individual who is authorized to legally bind the offerer to the provisions of the proposal. The successful applicant's proposal and the RFP will be made part of the contract.
- F. **Proposal submissions for this procurement should only contain proposals for this specific funding opportunity and applicants should only submit one proposal per submission form and submission email.** No information beyond that specifically requested is required and applicants are requested to keep their submissions to

the shortest length consistent with making a complete presentation of qualifications and services being proposed. The proposal must contain sufficient information to assure the State of its accuracy. - G. A proposal's email submission should contain multiple document attachments. No facsimile or hard copy bids will be accepted. All proposal documents must be sent as attachments, as OCFS is unable to download linked documents. Documents must be attached to the email submission in a manner that results in the electronic document(s) being transmitted with the email. Clickable links to download the proposal and/or the use of third-party file hosting services are **not** permissible, as the applicant's email submission is not transmitting the electronic document(s) of the proposal to OCFS. Please ensure all documents are clearly identified and labeled.
- H. **Documents that are incomplete or cannot be viewed may result in disqualification.** Document file names are encouraged to be logical and make the attachment(s) easily identifiable. ## 6.0 MINIMUM CRITERIA/EVALUATION PROCESS

## **6.1 Minimum Criteria (Pass/Fail Review Criteria)**

Bidders must meet the Minimum Qualifications to submit a Proposal in accordance with **Section 3.1 Minimum Qualifications** and **Section 3.2 Prequalification Process**. Bidders not meeting these requirements will be disqualified from further consideration.

## **6.2 Evaluation Process**

Applications will be evaluated and scored by trained reviewers using a structured, preapproved evaluation instrument. The final score will be based on the average of the reviewer scores. Applications that receive a minimum average score of 140 points or more, out of a total of 212, will be considered for funding. Award recommendations will be based on the highest-scoring applications within each of the OCFS regions (**Attachment 7**), ranked by final average score. Geographic need will be taken into consideration for the counties within each OCFS region to maximize statewide coverage. If additional funds become available, awards will be made from the approved but not funded list.

Applicants may submit up to four proposals in response to this RFP and may receive a maximum of four awards. An applicant must submit separate proposals for each award being requested. If the number of allowable proposals is exceeded, then the first four proposals received will be reviewed. If an applicant submits more than one proposal, each additional proposal submitted by the applicant must not duplicate the counties/boroughs proposed to be served in any of their other proposals submitted.

The six OCFS regions are: Region 1 - Buffalo, Region 2 - Rochester, Region 3 - Syracuse, Region 4 - Albany, Region 5 - Westchester, and Region 6 - New York City. Please refer to the regional coverage map (**Attachment 7**) for the counties within each region.

In the event of a tie between two or more proposals within a region, the applicant who scores higher in **Section C. Objectives, Tasks, and Performance Measures**, will be awarded. If the proposals remain tied, the applicant who scores higher in **Section D. Proposed Program Description**, will be awarded.

In the event two or more applicants propose serving one or more of the same counties/boroughs, OCFS reserves the right to award the duplicative counties solely to the highest-scoring applicant to avoid duplicative coverage.

If, after making awards to the highest-scoring applicants for all counties proposed by the awardees, there are counties/boroughs that are unserved and applicants who meet the minimum passing score and proposed to serve the unawarded counties, OCFS reserves the right to award the unserved counties/boroughs to such applicants in score order. If this process occurs, it is possible that awardees might serve fewer counties/boroughs than they

originally proposed to serve and awards may be reduced.

OCFS reserves the right to make adjustments to the funding amount requested and/or counties/boroughs being served based on programmatic need, funding availability, geographic areas to be served, geographic distribution of awards, and the total dollar values of all applications receiving a passing score.

**6.3 Bonus Points**

Not applicable.

**6.4 OCFS Procedure for Handling Debriefing Requests, Formal Protests, and Appeals**

**A. Applicability**

The intent and purpose of these procedures is to define the debriefing process, as well as the protest and appeal procedures. This includes the steps that must be taken when an interested party challenges a contract award from OCFS. These procedures shall apply to all contract awards made by OCFS.

**B. Definitions**

1. "Interested party" shall mean a participant in the procurement process and those whose participation in the procurement process has been foreclosed by OCFS.
2. "Contract award" shall mean a written determination from OCFS to an offerer, indicating that OCFS has accepted the offerer's bid or offer.
3. "Debriefing" is the practice whereby, upon request of a bidder, OCFS reviews with such bidder the reasons its bid was not selected for an award. OCFS views debriefing as a learning process so that the bidder will be better prepared to participate in future procurements.
4. "Formal Protest" shall mean a written challenge to an OCFS contract award.
5. "Procurement" shall mean any method used to solicit or establish a contract (e.g., invitation for bid, request for proposal, single/sole source, etc.)
6. "Protesting party" is the party who is filing a protest to the bid, contract award or other aspect of procurement.
7. "Formal protest determination" shall mean the determination of a formal protest by OCFS' deputy commissioner for administration of OCFS or his or her designee.
8. "Decision after appeal" shall mean the decision on the appeal of a formal protest by OCFS' commissioner or his or her designee.

**C. Debriefing Request**

In accordance with [section 163](#) of the NY State Finance Law, OCFS must, upon request, provide a debriefing to any unsuccessful offerer that responded to the RFP, regarding the reasons that the proposal or bid submitted by the unsuccessful offerer was not selected for an award.

1. OCFS will provide notice in writing or electronically to all unsuccessful offerers that the offerer will not receive a funded award under the RFP. An unsuccessful offerer wanting a debriefing must request a debriefing in writing, within 15 calendar days of receiving the notice from OCFS that the offerer's proposal did not result in an award.
2. When OCFS receives of a timely written request from the unsuccessful offerer, OCFS will schedule the debriefing to occur within a reasonable period of time. Debriefings will be conducted in-person, unless OCFS and the offerer mutually agree to utilize other means, including, but not limited to, telephone, video-conferencing or other types of electronic communications.
3. Such debriefing will include: (a) the reasons that the proposal, bid or offer submitted by the unsuccessful offerer was not selected for an award; (b) the qualitative and quantitative analysis employed by OCFS in assessing the relative merits of the proposals, bids or offers; (c) the application of the selection criteria to the unsuccessful offerer's proposal; and (d) when the debriefing is held after the final award, the reasons for the selection of the winning proposal, bid or offer. The debriefing will also provide, to the extent practicable, general advice and guidance to the unsuccessful offerer concerning potential ways for their future proposals, bids or offers to be more responsive.

#### **D. Formal Protest and Appeal Procedure**

Any interested party who believes that they have been treated unfairly in the application, evaluation, bid award, or contract award phases of the procurement, may present a formal protest to OCFS and request administrative relief concerning such action.

##### **1. Submission of Bid or Award Protests**

Formal protests **must** be in writing and received by OCFS within five business days after the protesting party knows or should have known of the facts that constitute the basis of the formal protest.

In addition, formal protests concerning a pending contract award **must** be in writing and received by OCFS within 10 business days from notice of award/non-award or, if a debriefing was requested by the interested party, within five business days from the date the debriefing was held (whichever is later).

Formal protests will not be accepted by OCFS concerning a contract award after the contract between OCFS and the offerer who received

the contract award has been approved by the NYS Office of the State Comptroller (OSC).

2. Review and Formal Protest Determination

- a. Formal protests must be filed with the OCFS deputy commissioner for administration. Any protests filed with the OCFS program division responsible for the procurement will be forwarded to the deputy commissioner for administration. Copies of all formal protests will be provided by the deputy commissioner for administration to the OCFS Division of Legal Affairs and other necessary parties within OCFS, as determined by the deputy commissioner for administration.
- b. Formal protests shall be resolved through written correspondence; however, either the protesting party or OCFS may request a meeting to discuss a formal protest. Where further formal resolution is required, the program division responsible for the procurement may designate a state employee not involved in the procurement ("designee") to determine and undertake the initial attempted resolution or settlement of any formal protest.
- c. The OCFS program division responsible for the procurement will conduct a review of the records involved in the formal protest, and provide a memorandum to the deputy commissioner for administration or the deputy commissioner's designee summarizing the facts, an analysis of the substance of the protest, and a preliminary recommendation including: (a) an evaluation of the findings and recommendations; (b) the materials presented by the protesting party and/or any materials required of or submitted by other bidders; (c) the results of any consultation with the OCFS Division of Legal Affairs; and (d) a draft response to the formal protest.
- d. The OCFS deputy commissioner for administration, or his or her designee, shall hear and make a formal protest determination on all formal protests. A copy of the formal protest determination, stating the reason(s) upon which it is based and informing the protesting party of the right to appeal an unfavorable decision to the OCFS commissioner, shall be sent to the protesting party or its agent within 30 business days of receiving the formal protest, except that upon notice to the protesting party, OCFS may extend such period. The formal protest determination will be recorded and included in the procurement record, or otherwise forwarded to the OSC.

3. Appeal of Formal Protest Determination

- a. If the protesting party is not satisfied with the formal protest determination, the protesting party **must** submit a written notice of appeal to OCFS' commissioner no more than 15 business days after

the date the formal protest determination is sent to the protesting party.

- b. The commissioner or his or her designee shall review the formal protest documentation and make a decision on all appeals.
- c. An appeal may not introduce new facts unless responding to facts or issues unknown to the protesting party before the formal protest determination.

4. Reservation of Rights and Responsibilities of OCFS

- a. OCFS reserves the right to waive or extend the time requirements for protest submissions, decisions and appeals herein prescribed when, in its sole judgment, circumstances so warrant to serve the best interests of the state.
- b. If OCFS determines that there are compelling circumstances, including the need to proceed immediately with contract award and development of final contracts in the best interests of the state, then these protest procedures may be suspended, and such determination shall be documented in the procurement record.
- c. OCFS will consider all information relevant to the protest, and may, at its discretion, suspend, modify, or cancel the protested procurement action, including solicitation of bids, or withdraw the recommendation of contract award before issuance of a formal protest decision.
- d. Unless a determination is made to suspend, modify or cancel the protested procurement action, or withdraw the recommendation of contract award, OCFS will continue procurement and contract award activity before the formal protest determination. The receipt of a formal protest will not otherwise stop action on the procurement and award of the contract(s) or on development of final contracts.
  - i. The procurement record and awarded contract(s) will be forwarded to OSC, and a notice of the receipt of a formal protest and any appeal will be included in the procurement record. If a formal protest determination, or a decision after appeal, has been reached before transmittal of the procurement record and the contract(s) to OSC, a copy of the formal protest determination or decision after appeal will be included in the procurement record and with the contract(s).
  - ii. If a formal protest determination or decision after appeal is made after the transmittal of the procurement record and contract(s) to OSC, but before OSC approval, a copy of the formal protest determination or decision after appeal will be

forwarded to OSC when issued, along with a letter either: a) confirming the original OCFS recommendation for award(s); b) modifying the proposed award recommendation; or c) withdrawing the original award recommendation.

- iii. All records related to formal protests and appeals shall be retained for at least one year following resolution of the formal protest. All other records concerning the procurement shall be retained according to the applicable requirements for records retention.

#### **E. Appeal to the Office of the State Comptroller**

If the protesting party is still not satisfied with the result of its protest after conclusion of the formal protest and appeal procedure described above, the protesting party may file a written appeal with the OSC within 10 business days of the date the protesting party received OCFS' protest determination. An appeal to the OSC's Bureau of Contracts must be in writing and must contain the specific factual and/or legal allegations setting forth the basis upon which the protesting party challenges the contract award by OCFS. Such appeal must be filed with the director of the Bureau of Contracts at the NYS Office of the State Comptroller, 110 State Street, 11<sup>th</sup> Floor, Albany, NY 12236.

### **7.0 MANDATORY CONTRACTING REQUIREMENTS**

#### **7.1 Contract Readiness**

New York State's Prompt contracting laws require all state agencies to complete contract development and the signatory process within statutorily prescribed time frames. Awardees must be available and prepared to respond within the required time frames. If selected, awardees may be required to travel to Rensselaer, New York for contract development and will be expected to cover the costs of that travel. OCFS may rescind the awards of awardees who cannot satisfactorily complete the contracting process to commence services by the anticipated contract start date.

#### **7.2 Standard Contract Language**

The terms and conditions for all funded projects are specified in a detailed contract that must be signed by OCFS and approved by the NYS Office of the Attorney General (OAG) and the OSC before payments may be made. Contractor obligations or expenditures before the contract start date shall not be reimbursed. This RFP includes all relevant contract terms and conditions, which can be found in **SECTION 8.0 CONTRACT DOCUMENTS**. Upon contract award and completion of negotiations, OCFS will send successful awardees the complete contract for development and signature before submitting it to the OAG and to OSC for approval.

### 7.3 **Workers' Compensation Insurance and Disability Benefits Coverage**

Sections 57 and 220 of the [Workers' Compensation Law](#) (WCL) and [section 142](#) of the State Finance Law require that businesses contracting with New York State have and maintain and provide evidence of appropriate workers' compensation and disability benefits insurance coverage. If an award is made from this RFP, updated proof of coverage must be provided during contract development. Failure to submit the proof will delay the contract development process, and may result in the award being rescinded. Municipalities are not required to show proof of coverage.

**Please note: The ACCORD form is not acceptable proof of Workers' Compensation or Disability Insurance coverage.**

#### 1. Proof of Workers' Compensation Coverage

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate workers' compensation insurance coverage, submit ONE of the following forms. Access the forms at: <http://www.wcb.ny.gov/content/main/forms/AllForms.jsp>.

- **Form C-105.2** - *Certificate of Workers' Compensation Insurance* issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund<sup>3</sup>; or
- **Form SI-12<sup>4</sup>** - *Certificate of Workers' Compensation Self-Insurance*; or **Form GSI-105.2<sup>5</sup>** *Certificate of Participation in Workers' Compensation Group Self-Insurance*; or
- **CE-200<sup>6</sup>** - *Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability and Paid Family Leave Benefits coverage*.

#### 2. Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate disability benefits insurance coverage, submit ONE of the following forms. Access the forms at: <http://www.wcb.ny.gov/content/main/forms/AllForms.jsp>

- **Form DB-120.1<sup>3</sup>** - *Certificate of Disability Benefits Insurance*; or
- **Form DB-120.2** – *Certificate of Participation in Disability Benefits Group Insurance*; or
- **Form DB-155<sup>7</sup>** - *Certificate of Disability Benefits Self-Insurance*; or

- **CE-200<sup>6</sup>** - *Certificate of Attestation of Exemption* from NYS Workers' Compensation and/or Disability Benefits Coverage.

#### **7.4 Confidentiality and Awardee, Contractor, Employee, and Volunteer Background Checks**

OCFS is responsible for maintaining the safety of the youth served by OCFS programs.

##### **7.4.1 Confidentiality**

New York State law requires that any client identifiable information be kept confidential. Any awardee, or contractor, employee, or volunteer of the awardee, who will be provided with confidential information of recipients served by the awardee must complete and sign form [OCFS-4715, Confidentiality Non-Disclosure Agreement](#). This form must be completed before the start date of the contract and before any such awardee, contractor, employee or volunteer is permitted access to youth served by an awardee or to any financial or client identifiable information concerning such youth. For additional information see Attachment A-1, Section 7 Confidentiality and Protection of Human Subjects, located at the link to a standard contract listed in **SECTION 8.0**.

##### **7.4.2 Criminal History Background Checks**

Any awardee, or contractor, employee or volunteer of the awardee, who will have the potential for regular and substantial contact with youth in care or receiving residential services must be subject to background screening before hire or utilization in a position paid through this award. The screening must include a review of individuals' backgrounds through the following three services: NYS Justice Center for the Protection of Persons with Special Needs Staff Exclusion List (SEL), New York Statewide Central Register of Child Abuse and Maltreatment (SCR); and a criminal history background check via a vendor that will submit information to both the division of criminal justice services and the federal bureau of investigation. Additional information regarding all three services will be provided upon the grant of an award. Please note that the grant of an award may be negatively impacted if background checks reveal that an individual proposed to provide services is on the SEL, is the subject of any indicated reports of child abuse and maltreatment, or has convictions for one or more prior criminal offenses. Awardees are responsible for notifying OCFS if a background check reveals that a contractor, employee or volunteer of the awardee proposed to provide services has a criminal history. Any criminal history revealed as a result of such screening will be evaluated by OCFS pursuant to Correction Law [Article 23-A, section 752](#) on a case-by-case basis taking into consideration the duties of the position and those factors set forth in Correction Law [Article 23-A, section 753](#). OCFS will evaluate the results of the screening in accordance with Correction Law Article 23-A and notify the awardee of its determination. The awardee shall be responsible for the cost

associated with any required background screens of the individuals identified in this section.

**7.5 Charities Registration (not-for-profit corporations only)**

Not-for-profit vendors must be registered with the NYS Office of the Attorney General as a charitable organization, and the registration must be up-to-date at the time of contracting. Vendors must be sure all their documents are up-to-date and comply with the vendor responsibility requirements as outlined below. To determine the status of your charity's registration information, contact:

[https://www.charitiesnys.com/RegistrySearch/search\\_charities.jsp](https://www.charitiesnys.com/RegistrySearch/search_charities.jsp)

**7.6 Federal Requirements (if federally funded)**

See Attachment A-2, *Federal Assurances and Certifications*, which is in the Master Contract for Grants and is referenced in **SECTION 8.0 CONTRACT DOCUMENTS**.

**7.7 Required Electronic Payments and Substitute Form W-9**

The Governor's Office of Taxpayer Accountability has issued a directive that all state agency and state authority contracts, grants and purchase orders executed after February 28, 2010, shall require vendors, contractors, and grantees to accept electronic payment (e-pay).

As NYS proceeds with implementing the new Statewide Financial System (SFS), the OSC is preparing a centralized vendor file. To assist OSC in this project, vendors are directed to provide a *Substitute Form W-9* which includes the taxpayer identification number, business name, and business contact person. This data is critical to ensure that the vendor file contains the information state agencies need to contract with and pay vendors.

Please note that the contractor payee name and address provided to OSC for the pay program must match exactly the contractor's name and address contained in the contractor's contract with OCFS. If these do not match, then a check is printed and mailed to the payee. Note that limited exemptions may be granted for extenuating circumstances.

Vendors should file a *Substitute Form W-9* with their Electronic Payment Authorization form.

Further information concerning these requirements, including forms and contacts for questions, can be found at the following links:

## **7.8 Iran Divestment Act**

By submitting a bid in response to this solicitation or by assuming the responsibility of a contract awarded hereunder, bidder/contractor (or any assignee) certifies that it is not on the “Prohibited Entities List,” as defined by the *Entities Determined To Be Non-Responsive Bidders/Offerers Pursuant to The New York State Iran Divestment Act of 2012* (the Act), which is posted on the OGS website at <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf> and further certifies that it will not utilize on such contract any subcontractor that is identified on the “Prohibited Entities List.” Bidder/contractor is advised that should it seek to renew or extend a contract awarded in response to the solicitation, it must provide the same certification at the time the contract is renewed or extended.

During the term of the contract, should OCFS receive information that a person (as defined in State Finance Law §[165-a](#)) is in violation of the above-referenced certifications, OCFS will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased engagement in the investment activity that is in violation of the Act within 90 days after the determination of such violation, then OCFS shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, seeking compliance, recovering damages, terminating the contract and/or declaring the contractor in default.

OCFS reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List before the award, assignment, renewal or extension of a contract and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the “Prohibited Entities List” after contract award.

## **7.9 Statewide Financial System**

Recipients of grant awards must also be registered in the NYS Statewide Financial System (SFS) Central Vendor Registry File and provide their identification number at the time of contracting. To register and for additional information on the vendor file, visit:

<https://www.osc.state.ny.us/vendors/vendorselfservicesystem.htm>

## **7.10 Minority- and Women-owned Business Enterprises (MWBE) – Equal Employment Opportunity (EEO) - Requirements and Procedures**

This section outlines contractor requirements and procedures for business participation opportunities for New York State-certified Minority- and Women-owned Business Enterprises (MWBE) and Equal Employment Opportunities (EEO) for minority group members and women. All forms can be found [here](#).

### **7.10.1 New York State Executive Law (Article 15-A)**

Pursuant to NYS Executive Law [Article 15-A](#) and Parts 140-145 of Title 5 of the New York Codes, Rules, and Regulations OCFS is required to promote opportunities for the maximum feasible participation of New York State-certified MWBE and the employment of minority group members and women in the performance of OCFS contracts. OCFS has established its overall agency goal of 30% MWBE participation, 15% for New York State-certified Minority-owned Business Enterprises (MBE) and 15% for New York State-certified Women-owned Business Enterprises (WBE). OCFS supports the establishment of partnerships with MWBE as subcontractors, suppliers, protégés, or in other supporting roles to the maximum extent practicable and consistent with the legal requirements of the State Finance Law and Executive Law Article 15-A. Certified MWBE may be readily identified through the directory of NYS certified MWBE at: <https://ny.newnycontracts.com>.

### **7.10.2 MWBE Business Participation Opportunities – OCFS-Established Goals**

Procurement and contract goals are established based on the current availability of MWBE to assist in the execution of a distinct element of the work of the contract. The goal for this procurement may be higher or lower than the percentage level of the Agency’s overall goal depending on such factors as the type of services involved, the location of these services, and the availability of MWBE who are able to provide a Commercially Useful Function (CUF) in the performance of services required. For purposes of this solicitation, OCFS hereby establishes an overall goal of **0%** of discretionary non-personnel service spending for New York State-certified MWBE participation, **0%** for MBE participation and **0%** for WBE participation. A contractor (“contractor”) on any contract resulting from this procurement (“contract”) must document its good-faith efforts to provide meaningful participation by MWBE as subcontractors and suppliers who will perform a CUF in the performance of the contract. To that end, by submitting a response to this RFP, the respondent agrees that OCFS may withhold payment pursuant to any contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of NYS certified MWBE can be viewed at: <https://ny.newnycontracts.com>. For guidance on how OCFS will evaluate a contractor’s “good-faith efforts,” refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBE for the performance of a CUF, as defined in 5 NYCRR § 140.1, and include responsibility for the execution of a distinct element of the work of the contract, evidencing the responsibilities and risks of the business owner may be applied towards the achievement of the applicable MWBE participation goal. The portion of a subcontract with an MWBE serving as a broker which can be credited towards the goal shall be 25% of the sum paid on the subcontract.

### **7.10.3 Contract Compliance**

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a contract resulting from this RFP, such finding constitutes a breach of contract and OCFS may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBE had the contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBE for work performed or materials supplied under the contract.

By submitting a bid or proposal, a respondent agrees to demonstrate its good-faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State contract System (NYSCS), which can be accessed at <https://ny.newnycontracts.com>, provided, however, that a respondent may arrange to provide such evidence via a nonelectronic method by contacting OCFS.

Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:

- A. An MWBE Utilization Plan must be completed in the NYSCS within 20 days of receipt of Award Letter notification. Contracts will not be executed until the MWBE Utilization Plan has been approved in the NYSCS.

OCFS will review the submitted MWBE Utilization Plan and advise the respondent of OCFS acceptance or issue a notice of deficiency within 30 days of receipt.

- B. If a notice of deficiency is issued, the respondent will be required to respond to it within seven business days of receipt by submitting to the OCFS a written remedy in response to the notice of deficiency to [contractcompliance@ocfs.ny.gov](mailto:contractcompliance@ocfs.ny.gov). If the written remedy that is submitted is not timely or is found by OCFS to be inadequate, OCFS shall notify the respondent and direct the respondent to submit, within five business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

OCFS may disqualify a respondent as being non-responsive under the following circumstances:

- a) If a respondent fails to submit an MWBE Utilization Plan;
- b) If a respondent fails to submit a written remedy to a notice of deficiency;
- c) If a respondent fails to submit a request for waiver; or
- d) If OCFS determines the respondent has failed to document good-faith efforts.

The successful respondent will be required to attempt to use, in good faith, any MBE or WBE identified within its approved MWBE Utilization Plan, during the performance of the contract. Requests for a partial or total waiver of established goal requirements made subsequent to contract award may be made at any time during the term of the contract to OCFS, but MUST be made before the submission of a request for final payment on the contract.

The successful respondent will be required to submit an MWBE quarterly Contractor Compliance and Payment Audit Report to OCFS in the NYSCS by the 10<sup>th</sup> day following each end of quarter over the term of the contract, documenting the progress made toward achievement of the MWBE goals of the contract.

#### **7.10.4 Equal Employment Opportunity (EEO) Requirements**

By submitting a bid or proposal in response to this solicitation, the respondent agrees with all terms and conditions of the State of New York Master Contract for Grants Standard Terms and Conditions. The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the work), except where the work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the contract; or (ii) employment outside New York State.

The respondent will be required to submit [OCFS-3460, Minority- and Women-owned Business Enterprises \(MWBE\) and Equal Employment Opportunity Policy Statement](#), as referenced in **Section 5.4 Proposal Content**, to OCFS with its bid or proposal.

If awarded a contract, respondent shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit the same, in a format that OCFS requires, on a quarterly basis during the term of the contract.

Pursuant to [Executive Order No. 162](#), non-grant contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to [Article 15](#) of the Executive Law (the Human Rights Law), all other state and federal statutory and constitutional non-discrimination provisions, the contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

**Please note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the contract, leading to the withholding of funds, suspension or termination of the contract or such other actions or enforcement proceedings as allowed by the contract.**

#### **7.11 Service-Disabled Veteran-Owned Business (SDVOB)**

[The Service-Disabled Veteran-Owned Business Act](#), signed into law by Governor Andrew M. Cuomo on May 12, 2014, allows eligible veteran business owners to become certified as a NYS Service-Disabled Veteran-Owned Business (SDVOB) in order to increase the participation of such businesses in New York State's contracting opportunities. The SDVOB Act, which is codified under [Article 3 of Veterans' Services Law](#), acknowledges that SDVOBs strongly contribute to the economies of the state and the nation. Therefore, consistent with its Master Goal Plan, OCFS has an established agency goal of 6% and strongly encourages vendors who contract with OCFS to consider using certified SDVOBs that are responsible and responsive for at least 0% of discretionary non-personnel service spending in the fulfillment of the requirements of their contracts with OCFS. Such partnering may include utilizing certified SDVOBs as subcontractors, suppliers, protégés, or in other supporting roles to the maximum extent practicable, and consistent with the legal requirements of the State Finance Law and the Veterans' Services Law. Certified SDVOBs may be readily identified through the directory of certified businesses at: [List of Certified NYS Service-Disabled Veteran-Owned Businesses](#).

#### **7.12 Omnibus Procurement Act**

It is the policy of NYS to maximize opportunities for the participation of NYS business enterprises, including MWBE and SDVOB as offerers, subcontractors, and suppliers on its procurement contracts.

The Omnibus Procurement Act of 1992 requires that by signing a bid proposal, contractors certify that whenever the total bid amount is greater than \$1 million:

1. The contractor has made reasonable efforts to encourage the participation of NYS Business Enterprises as suppliers and subcontractors on this project and has retained the documentation of these efforts to be provided upon request to the State of New York.
2. The contractor has documented their efforts to encourage the participation of NYS Business Enterprises as suppliers and subcontractors by showing that they have done the following:
  - Solicited offers, in a timely and adequate manner, from New York State Empire State Development (ESD) business enterprises, including certified MWBE; or

- Contacted ESD to obtain listings of NYS Business Enterprises and MWBE; or
  - Placed notices for subcontractors and suppliers in newspapers, journals or other trade publications distributed in NYS; or
  - Participated in offerer outreach conferences; and
  - Provided a statement indicating the method by which they determined that NYS Business Enterprises are not available to participate on the contract as subcontractors or suppliers, *if the contractor has determined such*; and
  - Provided a statement verifying no intention of using subcontractors if *the contractor has no such intention*.
3. The contractor has complied with the federal Equal Opportunity Act of 1972 (P.L. 92-961), as amended.
  4. The contractor will be required to notify NYS residents of employment opportunities by listing any such positions with the Community Services Division of the NYS Department of Labor, providing for such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The agency agrees to document these efforts and to provide said documentation to OCFS upon request.
  5. Offerers located in a foreign country are notified that the State may assign or otherwise transfer offset credits to third parties located in NYS, and the offerers shall be obligated to cooperate with the State in all respects in making such assignment or transfer, including, but not limited to, executing all documents deemed by the State to be necessary or desirable to effectuate such assignment or transfer, and using their best efforts to obtain the recognition and accession to such assignment or transfer by any applicable foreign government.
  6. Offerers are hereby notified that State agencies and authorities are prohibited from entering into contracts with businesses whose principal place of business is in a “discriminatory jurisdiction.” This is defined as a state or political subdivision that employs a preference or price distorting mechanism to the detriment of or otherwise discriminates against a NYS business enterprise in the procurement of commodities and services by the same or a non-governmental entity influenced by the same. A list of discriminatory jurisdictions is maintained by Commissioner of the NYS ESD.

### **7.13 Executive Order Numbers 14 and 16**

#### **7.14 Executive Order Number 175 (if Applicable)**

In accordance with the requirements of [Executive Order No. 175](#), contractor will be expected to adhere to net neutrality principles in the provision of internet services under any contract entered into as a result of this RFP, regardless of delivery method unless the director of contracts, or his/her designee as noted in **Section 1.1 Procurement Contact**, determines that adherence to net neutrality principles for a particular purpose is not in the best interests of the state. Nothing in this provision supersedes any obligation or authorization a provider of broadband Internet access service may have to address the needs of emergency communications or law enforcement, public safety, or national security authorities, consistent with or as permitted by applicable law, or limits the provider’s ability to do so. As used herein, “net neutrality” means that contractor will not block, throttle, or prioritize internet content or applications or require that end users pay different or higher rates to access specific types of content or application. For the purposes of this contract, the prohibition against blocking or throttling of internet content or applications does not apply to reasonable network management practices.

## **9.0 GLOSSARY OF OUTCOME-BASED CONTRACTING TERMS**

**Fiscal Documentation:** Documentation necessary for payment.

**Grants Gateway:** The NYS Grants Gateway went into operation on May 15, 2013, and served as the primary outlet for state agencies to post upcoming and available funding opportunities. Effective January 16, 2024, the Grants Gateway was deactivated in favor of the Statewide Financial System (SFS) Grants Management module.

**Guide to Financial Operations (GFO):** This website was created as the central storehouse of OSC policies and is intended to replace individual OSC Bulletins. The GFO can be found at <http://www.osc.state.ny.us/agencies/guide/MyWebHelp>.

**Legal Documents:** Legally required application/contract components.

**Organizational Qualifications:** The organizational characteristics and capacity (e.g., agency mission, past accomplishments/experience in serving the target population or in providing similar services to a different population, experience in collaborating with community agencies needed for program success, key people, and fiscal capability) that are likely to result in successful performance target attainment.

**Baseline Estimate:** The projected status of the target population without the proposed intervention. A baseline is the best estimate, using prior program experience, collected data, and/or research results, of what would happen to the target population without the program's intervention and its benefits. Projection should be numerical (a number or a percentage). A baseline estimate is required for each performance target.

**Outcomes:** The desired benefits or changes for the target population following their interaction with a program. These are the expected results of program intervention. Outcomes may relate to knowledge, skills, attitudes, behaviors or conditions. Either the investor or provider may set them. (They are broader and more general than performance targets. They do not require numerical projection). In some instances, the outcome may be a system change rather than an individual behavior change.

**Performance Targets:** Performance targets are the *measurable* verifiable improvements in the condition or behavior of program recipients that the provider expects to achieve *by the end of the contract period*. Targets are quantifiable and verifiable indicators of program performance. They contribute to the attainment of the desired outcomes for the target population. Attainment of several performance targets may be needed to indicate the achievement of a single outcome. Performance targets must include a description of the methods that will be used to verify target achievement.

**Milestones:** *Measurable interim* changes in the condition or behavior of the target population used to track whether the program is on course to achieve its performance targets. These are critical points of change or target population achievement that must occur to progress towards the performance targets. You must include a description of the methods that will be used to verify milestone achievement.

**Program Budget:** Definition of program expenditures and funding sources.

**Program Description:** Detailed explanation of the means (service model, plan or approach) the provider will use to achieve its performance targets and outcomes. This should include a description of the program's core features (i.e., the kinds of services provided, their intensity and duration, the essential elements, theoretical approach, delivery strategies, involvement of target population in planning, etc.).

**Project Work Plan:** Steps necessary to implement a program.

**Staffing Pattern:** Please identify the staff assigned to a program, regardless of whether it is paid through OCFS funds.

**Statewide Financial System (SFS) Grants Management:** The Grants Management Module of SFS went into operation on January 16, 2024, and serves as the primary outlet for state agencies to post upcoming and available funding opportunities.

**Target Population:** Please describe the specific group of people (individuals, families, community members or, in certain instances, the specified personnel or entity/entities) that are the focus of change, and who will directly interact with the program. In certain instances where the desired outcome is systemic change, an agency as a whole may be considered the target population.

**Verification:** Statement of methods used to verify performance target and milestone attainment and/or submission of actual documentation.

**Vendor Responsibility:** Compliance with New York State Finance Law and guideline provisions related to vendor integrity providing reasonable assurance that the potential contractor has the capacity to perform the requirement of the contract. This includes authority to do business in the state, capacity, and performance in addition to the aforementioned integrity.

**Vision:** OCFS Program Area Statement of ideal end-state sought for a population (e.g., prevention of child abuse and neglect).
