2.0 EXECUTIVE OVERVIEW

2.1 Introduction/Description of Program Objectives and Background

As part of OCFS's commitment to improving outcomes for youth and young adults who have been in foster care, the youth justice system, and/or have been homeless, OCFS is seeking one vendor to manage a statewide Youth Advisory Board (YAB). The YAB is made up of young adults ages 18-26 with lived experience in New York State's child welfare system, juvenile justice system, and/or who have experienced homelessness as a youth. YAB board members are compensated financially for their time.

Initially launched in 2017, the YAB partners with OCFS to provide perspectives of impacted youth during the development and implementation of regulations, state policies, programs, and other OCFS initiatives. Centering on youth voices is a critical strategy in OCFS's work in dismantling systemic barriers and harms, particularly to children who are youth of color, part of the LGBTQAI+ community, and/or have a disability. OCFS is seeking youth-led and youth-driven organizations as part of our strategy and commitment to centering on youth voices.

The YAB must be comprised of a diverse group of young adults ages 18-26 from across the state, with an equitable representation of the various regions within New York State, including the five boroughs of New York City. The YAB must consist of between 10 and 20 active members, and the members must represent youth most impacted by New York State's child welfare system, juvenile justice system, and/or who have experienced homelessness.

Young adults with lived experience in child welfare, youth justice, and homelessness often have significant trauma. The successful vendor must have a deep understanding of the nature of trauma in relationship to the purpose of the YAB, and must provide necessary supports and organizational culture to nurture and support YAB members. YAB members must also be provided with appropriate, ongoing training and leadership development.

2.2 OCFS Statewide Considerations

OCFS's mission is to serve New York's public by promoting the safety, permanency, and well-being of our children, families, and communities. OCFS effectuates results by setting and enforcing policies and building partnerships at the federal, state, county, and community levels that impact practice. OCFS funding investments assist communities to create and/or enhance the provision of quality services in the areas of child welfare, juvenile justice, adult protective services, and services for the legally blind and visually impaired.

OCFS conducts ongoing analysis of demographic data and fiscal expenditures to aid counties and communities in administering safe, effective, and cost-efficient services to the residents of our state. Paramount is ongoing self-assessment within "the system" to identify changes in service needs,

interventions, and partnerships. OCFS data reveals that many children and families who are involved with the child welfare and juvenile justice systems in NYS are disproportionately Black and Latino, and many are poor. For the blind and visually impaired service area, Black and Latino adults are underrepresented in the receipt of services from the legally blind and visually impaired service network.

In response to this situation, OCFS has been implementing various activities to:

- assess relevant data;
- identify which communities across the state are affected;
- identify evidence-based and/or best-practice strategies and/or approaches that can be replicated in New York State to respond to the issue; and
- provide funding to designated high-need communities to facilitate implementation of programs and services that address disproportionality and disparity rates.

This RFP provides OCFS and localities an opportunity to provide services to our most vulnerable children and families and to implement activities that address disproportionality in identified communities. OCFS will invest in services that are culturally and linguistically competent, cost efficient, and contribute toward alleviating issues identified for the respective communities. Organizations that are interested in applying for OCFS funding are therefore encouraged to review their community's demographic data (i.e., child welfare, home visiting, adoption, and juvenile justice) and as indicated and were deemed appropriate per the target population and/or scope of services for the funding source, consider the following element(s) in their proposal design:

- **Disconnected/High-Need Youth**

OCFS's priority is to "protect those in greatest need" through ongoing assessment and enhancement of services that promote safety and general well-being for at-risk children, adolescents, families and adults. This priority includes targeting services for "disconnected/high need youth" who are: youth aging out of foster care; youth in or reentering the community from the juvenile justice system; and children of incarcerated parents. Grant applications that propose to serve the "disconnected/high-need youth" population must consider that the clients cited above often require service intervention from multiple service systems. Where required by the OCFS RFP narrative, applications must demonstrate capacity and scope for cross-agency collaborations and partnership with relevant community organizations.

- **Racial Equity and Cultural Competence**

OCFS continues work in the area of Racial Equity and Cultural Competence (RECC). Effort to address RECC includes examination of the issues related

to the overrepresentation of Black, Latino and Native American children and their families in the State's child welfare and juvenile justice systems. It also entails a consideration of issues related to the underrepresentation of Blacks, Native Americans and Latinos in various service delivery systems to identify how best to enhance outreach and preventive measures that support the safe reduction of out-of-home placements for children and adults, and focus on the well-being of children, youth and families. OCFS has enlisted the participation of our state and local partners in this effort and is working with a number of counties to examine local data and develop strategies to address, reduce and ultimately eliminate racial and ethnic disparities and to seek equity within the systems of care and custody. We continue to partner with national experts Casey Family Programs and have also collaborated with the Center for the Study of Social Policy (CSSP) and other national experts dedicated to this work. The effort must be data driven and therefore, we have generated and shared county-level data with partners and stakeholders in our effort to encourage transparency and collaboration.

Current OCFS statewide data indicates that Black and Latino children and families continue to comprise 75% of the state's children in foster care and about 85% of the juvenile justice placements. OCFS views this RFP as an opportunity to heighten public awareness of disproportionality and to begin to promote policies and practices that will gradually reduce it.

Specific areas that every applicant and community are requested to consider in the design of their program and scope of services identified in their application for OCFS funding include, but are not limited to the following:

- Providing service strategies, approaches, and linguistic capacities that promote the delivery of services that are culturally competent and reflective of the population and community to be served
- Collecting and analyzing data relevant to disproportionality and service provision
- Strategically locating services within communities, to promote better access to service delivery in high-need areas
- Promoting cross-agency dialogue and partnership regarding service planning to address disproportionality (including, but not limited to, social services, mental health, health, education, housing, substance abuse, probation agencies, and community-based providers)
- **Disproportionate Minority Representation (DMR) in the Child Welfare and Juvenile Justice Systems**

Disproportionate Minority Representation (DMR) or disproportionality occurs when the percentage for the representation of a particular minority group (racial, ethnic) involved with a service system is significantly higher or lower than that group's percentage or representation in the general

population. Disproportionality has implications across all services administered by OCFS, including child welfare, juvenile justice, child care, youth development, and those services for the blind and visually impaired. In some service categories, disproportionality manifests itself by over-representation of racial/ethnic groups, and in other service categories, it is manifested by under-representation of racial/ethnic groups.

Further information regarding Disproportionate Minority Representation (DMR) and data in New York State can be found through the following link: [Disproportionate Minority Representation \(DMR\)](#).

2.3 Purpose and Funding Availability

The purpose of the YAB is to provide youth voice and input to OCFS on policies and youth-friendly documents, websites, and materials related to topics including but not limited to the following:

- child welfare policies
- youth homelessness
- youth justice
- youth engagement/youth voice
- improving outcomes for system-involved, older youth
- transition supports for youth
- higher education and education stability
- trauma response
- runaway and homeless youth/human trafficking
- LGBTQAI+ youth
- race equity

This RFP may be funded by both federal and state funds. Federal funding is from the federal grant, John H. Chafee Foster Care Program for Successful Transition to Adulthood (CFCP), which provides an allocation to OCFS. State funds are from the Youth Development Appropriation contained in the NYS budget. Available funding for the YAB is estimated to be \$135,000 per year, which includes an estimated \$60,000 payments to YAB members. The operational cost of this project will be \$75,000. It is the intention of OCFS to make one award from this procurement for the management of the YAB.

Requests for advance payments on state-funded contracts will be limited to a 25% of the contract value. OCFS will recoup advance payments by crediting 33.3% of subsequent claims, and such claims will be reduced until the advance is fully recovered within the contract period.

As noted in **Section 1.7 OCFS Reserved Rights**, OCFS reserves the right to place a monetary cap on the funding amount made in each contract award.

2.4 Term of Contract

The contract awarded in response to this RFP will be for five years. The anticipated start date is June 1, 2025, and the anticipated end date is May 31, 2030. Funding is currently anticipated to be available for the first year of the contract, and the award of a multiyear contract does not guarantee funding will be available for subsequent years. Contractors may not begin to provide services before the contract start date; OCFS has no obligation to pay for services rendered before that time. Payments cannot be made before the formal execution of a contract and approval by the Office of the State Comptroller (OSC).

3.0 **MINIMUM QUALIFICATIONS TO PROPOSE AND PREQUALIFICATION PROCESS**

3.1 Minimum Qualifications

The applicant to this RFP must:

- be a not-for-profit (NFP) organization.
- have a minimum of two years of experience with facilitating or managing a statewide group of up to 20 young adults related to the target population identified in this RFP.
- have at least five years of experience as an NFP organization providing services and supports to system-involved youth.
- have at least two years of experience working with the child welfare system, juvenile justice system, and/or homelessness.
- provide a minimum of two references for services similar and/or relevant to the scope of work of this RFP that will result in a satisfactory reference check.
- be prequalified, if not exempt, on the application deadline (See **Section 3.2** below for additional information.)

3.2 Prequalification Process

New York State requires not-for-profit organizations to complete the Vendor Prequalification process in order for proposals to be evaluated. After becoming prequalified in SFS Grants Management, not-for-profit organizations will have the responsibility to keep their information current by updating on an annual basis.

Proposals received from not-for-profit applicants that are not prequalified in SFS in accordance with the timeframe listed in Section 3.1 Minimum Qualifications will be removed from further consideration.

NOTE: Government entities are not required to prequalify but should still be registered in SFS Grants Management (see **Subsection 3.2.1**).

Below is a summary of the steps that must be completed to meet registration and/or prequalification requirements. The [prequalification page](#) on the [Grants Management website](#) details the requirements.

3.2.1 Register for the NYS Statewide Financial System

- On the Grants Management website, download a copy of the [Registration Form for Vendors](#) and follow the instructions on the [How to Register](#) page. You will be provided with a username and password allowing you to access SFS as a Vendor/Grantee.
- If you have previously registered and do not know your username, email HelpDesk@sfs.ny.gov. If you do not know your password, click the [Forgot Password](#) link from the main login page and follow the prompts.

3.2.2 Complete Your Prequalification Application

- Sign in to the [SFS Vendor Portal](#) (be sure to select the checkbox to agree to Vendor Online Services' Terms of Service). If this is your first time logging in, you may be prompted to change your password.
- Please consult the [SFS Grantee User Manual](#) for guidance regarding how to complete this process. The Grantee User Manual can also be obtained by logging into the SFS Vendor Portal and locating the training materials on SFS Coach.
- Click the "Grant Management" tile, then click the "Prequalification Application" tile. On the Welcome Page, under Select an Activity Below, (your Supplier ID will be pre-populated) choose the option that best applies to you and click Next. Complete the fields, including selecting the Business Unit/state agency you expect to do business with.
- Complete the questions by clicking the applicable drop-down or list item responses, and providing additional explanation/comments where needed.
- Upload required documents on the "Required Documents" page. This constitutes your "Prequalification Application." "Optional Documents" are not required unless specified in this RFP.
- Input required "Contacts" information.
- Specific questions about the prequalification process should be directed to the agency contact listed in **Section 1.1 Procurement Contact**, or to the Grants Management Team at: HelpDesk@sfs.ny.gov.

3.2.3 Submit Your Prequalification Application

- After completing your prequalification application, on the “Submit” page you can review your information and certify the authorization attestation.
- When you are ready to submit the prequalification application for state agency review, click the “Submit” button. Once submitted, the screen will say “Pending Editor Review”.
- If expedited review of your prequalification application is desired, please send an email request to the agency contact listed in **Section 1.1 Procurement Contact** and identify your organization by including your organization name, Federal EIN, and SFS Vendor ID. It is recommended that you submit this request for expedited review before the Recommended Deadline to Prequalify noted in **Section 1.2 Calendar of Events**.
- Your prequalification application will be routed to a Prequalification Specialist for review. If your Prequalification Specialist requests modifications, you will receive an email notification.
- Requests for modifications should be addressed by the vendor and submitted for review without delay.
- Once your prequalification application has been approved, you will receive an email notification that you are now prequalified to do business with NYS and are eligible to submit bid responses to request funding.

Vendors are strongly encouraged to complete this process as soon as possible or by the timeframe specified in Section 3.1 Minimum Qualifications to participate in this grant opportunity. Prospective applicants are responsible for monitoring their prequalification status on SFS. OCFS cannot be held responsible in the event an applicant fails to submit their Prequalification Application for review in a timely manner, or if the documents uploaded by the applicant to their Prequalification Application are found deficient.

3.3 Vendor Responsibility Requirements

Section 163(9)(f) of the NY State Finance Law requires that a state agency make a determination that a bidder is responsible before awarding that bidder a state contract. Vendor responsibility will be determined based on the information provided by the bidder, online, through the NYS VendRep System Questionnaire or through a paper copy of the Vendor Responsibility Questionnaire. OCFS will review the information provided before making an award.

OCFS reserves the right to reject any proposal if, in its sole discretion, it determines the bidder is not a responsible vendor. All proposals are subject to a vendor responsibility determination before the award is made, and the determination can be revisited at any point up to the final approval of the contract by the NYS Office of the State Comptroller (OSC). Vendors must maintain their vendor responsibility throughout the duration of the contract.

Enrolling and completing the questionnaire online through the NYS VendRep System is the best method because both the questionnaire and answers are stored in the system. Thus, subsequent questionnaires in response to contracts or Request for Proposals from any state agency would only need to be updated in the VendRep System.

To access or enroll in the VendRep System or update your existing online questionnaire, click [Online Questionnaire](#). Questionnaires in the VendRep System that have been completed in the last six months in response to contracts or bid announcements do not need to be updated. If the vendor is using the hard copy questionnaire, then it also has to be current within six months of the due date of the proposal.

Vendors opting to complete a paper questionnaire, can access the questionnaire by clicking the following link: [Paper Questionnaire](#). Please note there are separate questionnaires depending on the contractor status. Not-for-profit vendors must use the *Vendor Responsibility Questionnaire Not-For-Profit Business Entity* form. For-profit vendors must use the *Vendor Responsibility Questionnaire For-Profit Business Entity* form.

Vendors are also encouraged to have subcontractors file the required Vendor Responsibility Questionnaire online through the NYS VendRep System. These subcontractors are required to submit a questionnaire when the value of the subcontract is \$100,000 or more.

Before executing a subcontract agreement, the contractor must provide the information required by OCFS to determine whether a proposed subcontractor is a responsible vendor.

Vendors must provide their NYS Vendor Identification Number when enrolling. To request a Vendor Identification Number or for direct VendRep System user assistance, contact the OSC Help Desk at 866-370-4672 or 518-408-4672 or by email at itservicedesk@osc.ny.gov.

The NYS VendRep System offers the following benefits:

- Ease of completion, filing, access to and submission of the questionnaire; efficiencies are multiplied for vendors who bid and contract with the state frequently or with multiple state agencies.
- Questionnaire updates are easily filed by updating only those responses that require change from the previously saved questionnaire (as opposed

to a paper copy where a new questionnaire is required each time there is a change).

- The stored questionnaire information eliminates the need to reenter data for each subsequent questionnaire submission.
- Reduction of costs associated with paper documents including copying, delivery and filing
- Online questionnaire information is secure and accessible to authorized vendor users only. State agencies can only view certified and finalized questionnaires.
- VendRep question prompts ensure that the correct forms are completed.
- The VendRep Online System contains links to all definitions of the terms used in the questionnaire.

Note: The vendor responsibility questionnaire must be dated within six months of the proposal due date. Any subcontractors under that proposed contract must also complete a Vendor Responsibility Questionnaire when the value of the subcontract is projected to be \$100,000 or more for the contract term.

Confirmation of completion of the vendor responsibility process should be included with the email submission of your proposal. This confirmation can take the form of registration in the VendRep System, or by electronically submitting your completed hardcopy questionnaire. To submit this confirmation with your application, go to the bottom of your certified questionnaire, and click the button called “Form Overview.” Print this page and include it with your proposal’s email submission. While it is not recommended, you have the alternative option of including a completed hardcopy Vendor Responsibility Questionnaire with your email submission for your proposal.

4.0 PROGRAM REQUIREMENTS

4.1 Desired Outcomes and Program Requirements

OCFS is seeking proposals that are responsive to the desired outcomes identified in this RFP and that provide value to the OCFS mission. OCFS expects that all work funded through this initiative will be culturally and linguistically competent and cost effective.

The awardee of this RFP will effectively recruit and retain young adults with lived experience in New York’s child welfare, juvenile justice, and/or homeless youth systems. They will provide the infrastructure to train the advisory board members to understand policy and practice, and to provide focused input in collaboration with OCFS to meet the overall goals of improving outcomes for children, youth, and families. The awardee will train youth to work through a lens of equity across race, gender, class, ability, sexual orientation, and gender identity to ensure that policy recommendations are not contributing to inequities. The awardee will facilitate youth development and leadership skills through activities and planning discussions with YAB members. The awardee will also facilitate YAB management, recruitment, retention, and collective organizational development activities. This includes the ability to support young

people who have significant trauma histories to work effectively on policies and practices without causing harm to themselves.

A. Desired Outcomes:

The outcomes reflect the overall goals of supporting and facilitating an effective YAB. These goals should be met through providing high quality supports and programming to the board members as described in this section and in **Sections 4.1.B, 4.1.C, and 4.1.D.**

- The YAB will reflect the diversity of New York State across intersectional areas (e.g. geographically, racially, gender/gender identity, system experience).
- The YAB will be able to provide timely, insightful, and complete guidance and input regarding areas of need as identified by OCFS.
- The YAB will identify areas of desired systemic change and provide practical, implementable solutions.
- The YAB members will present at conferences, meetings, and other forums as identified by the vendor, OCFS, or board members, regarding their perspectives on the work and opportunities for systems reform.

- The YAB must meet at least monthly virtually or in person, or a combination of either. YAB will meet in person at least twice annually, if practicable.
- The vendor must have the ability to support the technology and infrastructure needed to run the program. This includes online platform access, ability to track the time and attendance of the YAB members, ability to timely pay and reimburse members for approved costs, and other related tasks.

C. Performance Requirements:

- Create and/or maintain an online application platform that is accessible and youth-friendly.
- Recruit YAB members so to maintain a minimum of 10 members at all times, and be able to increase recruitment at OCFS's request.

The following requirements must be met across the course of the project:

- Provide quarterly reports and claims to OCFS within 30 business days of the end of each contract quarter. Reports will include the data as required by OCFS as well as a narrative regarding the progress of the overall program and the YAB members' progress. Additional reporting may be requested by OCFS outside the quarterly timeframe.

- Applicants are required to perform the overall management and facilitation of the YAB and must not subcontract this role.
- For those applicants who propose subcontracting, it is preferable to identify subcontracting agencies during the application process. Applicants who plan to subcontract must state in the application the specific components of the scope of work to be performed through subcontracts. Applicants should note that as the lead organization (prime contractor) they will have total responsibility for all contract activities, including those performed by subcontractors, and will be the primary contact for OCFS.
- The contractor must not enter into any subcontracts, or revisions to subcontracts, for the performance of the obligations contained herein until it has received the prior written permission of the State. OCFS shall have the right to review and approve each and every subcontract before giving written permission to the contractor to enter into the subcontract.

4.2 **Accessibility of Web-Based Information and Applications**

Any web-based Intranet and Internet information and applications development or programming delivered pursuant to this procurement must comply with New York State Enterprise IT Policy [NYS-P08-005](#), *Accessibility Web-Based Information and Applications*, and NYS Enterprise IT Standard NYS-S08-005, *Accessibility of Web-Based Information Applications*, as such policy or standard may be amended, modified or superseded, which requires that state agency web-based intranet and internet information and applications are accessible to persons with disabilities. Web content must conform to NYS Enterprise IT Standards NYS-S08-005 as determined by quality assurance testing. OCFS will conduct such quality assurance testing and the test results

must be satisfactory to OCFS before web content will be considered a qualified deliverable under the contract or procurement.

5.0 PROPOSAL CONTENT AND SUBMISSION

5.1 Technical Proposal Content/Work Plan

This section describes the content requirements of the Work Plan and how to prepare your Work Plan to assist you with your application. As your organization develops its NPS budget for this contract, you must identify the discretionary purchases subject to the MWBE/SDVOB goals (See **Section 7.10 & Section 7.11** for more information). The following NPS budget categories are subject to review for goals:

NPS Budget Category	MWBE/SDVOB Goal

e. Other Expenses/Miscellaneous	Discretionary expenses in this category subject to goals

*If MWBE/SDVOB are not going to be utilized, you should include enough detail in the applicable Budget Narrative section(s) to show why that spending category line should not be considered discretionary and counted toward your goals (i.e., ‘There are no MWBE/SDVOB vendors for this commodity/service in our area.’ ‘We have established contracts with vendor xxx for this commodity/service.’ etc.). The OCFS Contract Compliance Unit may reach out to you for further details/explanations and will require justification and information documenting good-faith efforts.

B. For State-Funded Awards

Total administrative costs are limited to **15%** of the total grant award as established by OCFS policy. OCFS reserves the right to adjust this limit at its sole discretion.

- Total administrative expenses are limited to 15% of the grant award, less expenses for equipment, capital expenditures, rental costs, participant support costs, and the portion of each subcontract in excess of \$25,000.

- Administrative expenses include and are not limited to:
 - that portion of the salaries and benefits of staff performing administrative and coordination functions that cannot be attributed to particular program services. This includes but is not limited to staff that have the following functions: executive director or chief executive officer; financial officers such as the chief financial officer or controller and accounting, billing, claiming, or accounts payable and receivable; human resources; public relations; administrative office support; and information technology, where such expenses cannot be attributed directly to the provision of program services;
 - that portion of expenses for office operations that cannot be attributed directly to the provision of program services, including telephones, computer systems and networks, professional and organizational dues, licenses, permits, subscriptions, publications, audit services, postage, office supplies, conference expenses, publicity and annual reports, insurance premiums, equipment that is expensed (rather than depreciated) in cost reports, where such expenses cannot be attributed directly to the provision of program services; and
 - up to the first \$25,000 of each subcontract.
- Indirect costs are considered in the total administrative costs for this project (indirect cost plus any directly charged administrative personnel, related fringes and non-personal services).
- Some common methods of allocating indirect costs are based upon time, space, units of service or percentage of funding.
- All administrative costs must be individually identified.

All costs included in the direct cost categories must be directly attributable to the project. State Finance Law and Generally Accepted Accounting Principles require that any expense incurred over more than one funding source or program must be charged proportionately, and the method of allocation must be documented.

Applicants assume all risks for timely, properly submitted electronic proposals. **Proposals (online administrative form and email submission documents) must be received by the due date and time identified in Section 1.2 Calendar of Events.** Required forms and attachments must be received by OCFS secure email servers to be considered properly received.
- B. Prospective applicants are **strongly encouraged** to submit their applications well in advance of the deadline to allow sufficient opportunity for the applicant to obtain assistance and take corrective action should there be a technical issue with the submission process. **OCFS highly recommends submitting at least 48 hours prior to the final deadline.** Failure to leave adequate time to address issues identified during the submission process may jeopardize an applicant's ability to submit their application.
- C. Proposals received after the deadline for submission of proposals may be rejected. Receipt of late proposals, as a general rule, cannot be accepted.
- D. Email delivery receipts are recommended. Upon submission of the online form portion of the application, bidders will automatically receive a confirmation email from funding@ocfs.ny.gov. For the email submission portion of the application, where applicants are submitting required forms and attachments to OCFS via email, **OCFS will reply to provide confirmation that the proposal has been received.** Please provide at least 24 hours for OCFS to respond to your email. Applicants are responsible for contacting OCFS prior to the deadline if confirmation has not been received. If applicants contact OCFS too close to the deadline, there may not be sufficient time for you to receive assistance. **To help reduce the possibility of OCFS emails being blocked by spam filtering, please ensure funding@ocfs.ny.gov is added to your email system's address book.**

- E. Proposals must be signed by an individual who is authorized to legally bind the offeror to the provisions of the proposal. The successful applicant's proposal and the RFP will be made part of the contract.
- F. **Proposal submissions for this procurement should only contain proposals for this specific funding opportunity and applicants should only submit one proposal per submission form and submission email.** No information beyond that specifically requested is required and applicants are requested to keep their submissions to the shortest length consistent with making a complete presentation of qualifications and services being proposed. The proposal must contain sufficient information to assure the State of its accuracy. Failure by an applicant to respond to a requirement stated in this RFP may cause the proposal to be found non-responsive and the proposal disqualified.
- G. A proposal's email submission should contain multiple document attachments. No facsimile or hard copy bids will be accepted. All proposal documents must be sent as attachments, as OCFS is unable to download linked documents. Documents must be attached to the email submission in a manner that results in the electronic document(s) being transmitted with the email. Clickable links to download the proposal and/or the use of third-party file hosting services are **not** permissible, as the applicant's email submission is not transmitting the electronic document(s) of the proposal to OCFS. Please ensure all documents are clearly identified and labeled.
- H. **Documents that are incomplete or cannot be viewed may result in disqualification.** Document file names are encouraged to be logical and make the attachment(s) easily identifiable. Please ensure all documents provided via email are complete, correct, viewable, and comply with the requirements of the RFP. Proposals that cannot be read, are password protected (locked), are incomplete, or that contain any omissions, erasures, alterations, additions, or items not required by the RFP, or that contain irregularities of any kind, may be rejected. **DO NOT PROVIDE PASSWORD PROTECTED OR SECURED DOCUMENTS. ENSURE ALL PASSWORDS ARE REMOVED BEFORE SUBMITTING YOUR DOCUMENTS.**
- I. Please be aware that although proposals must be submitted electronically, any required proposal document that requires a notarization must be obtained by the applicant and a copy of the notarized form submitted with the proposal. The original hardcopy signature page must be kept by the applicant. If applicable, a hardcopy version of the notarized document must be supplied during the contract development stage by selected awardees if requested by OCFS.
- J. Applicants must list and clearly explain all exceptions and/or caveats to any item contained in this RFP or sample contract language. All

exceptions and/or caveats included in the proposal will be reviewed and only those of a non-substantive nature will be considered for inclusion in a final contract. Those of a substantive nature will need to be rescinded in writing by the applicant or the proposal will be disqualified as non-conforming.

6.0 MINIMUM CRITERIA/EVALUATION PROCESS

6.1 Minimum Criteria (Pass/Fail Review Criteria)

Bidders must meet the Minimum Qualifications to submit a Proposal in accordance with **Section 3.1 Minimum Qualifications** and **Section 3.2 Prequalification Process**. Bidders not meeting these requirements will be disqualified from further consideration.

6.2 Evaluation Process

Applications will be evaluated and scored by trained reviewers using a structured, preapproved evaluation instrument. The final score will be based on the average of the reviewer scores. Applications that receive a minimum average score of **65** points or more will be considered for funding. Award recommendations will be based on the highest scoring applications and ranked by final average score.

In the event a funding decision encounters a tie between two or more proposals, the tied applicant who scores higher in **Section 5.1.B** will be awarded. If the proposals remain tied, the tied applicant who scored higher in **Section 5.1.C** will be awarded.

One vendor will be awarded to provide and manage the statewide OCFS Youth Advisory Board YAB.

Applicants may submit one proposal in response to this RFP and may receive a maximum of one award. If the number of allowable proposals is exceeded, then OCFS will accept and review only the first application received.

OCFS reserves the right to make adjustments to the funding amount requested based on programmatic need and funding availability.

6.3 Bonus Points

Not applicable.

6.4 **OCFS Procedure for Handling Debriefing Requests, Formal Protests, and Appeals**

A. Applicability

The intent and purpose of these procedures is to define the debriefing process, as well as the protest and appeal procedures. This includes the steps that must be taken when an interested party challenges a contract award from OCFS. These procedures shall apply to all contract awards made by OCFS.

B. Definitions

1. "Interested party" shall mean a participant in the procurement process and those whose participation in the procurement process has been foreclosed by OCFS.
2. "Contract award" shall mean a written determination from OCFS to an offeror, indicating that OCFS has accepted the offeror's bid or offer.
3. "Debriefing" is the practice whereby, upon request of a bidder, OCFS reviews with such bidder the reasons its bid was not selected for an award. OCFS views debriefing as a learning process so that the bidder will be better prepared to participate in future procurements.
4. "Formal Protest" shall mean a written challenge to an OCFS contract award.
5. "Procurement" shall mean any method used to solicit or establish a contract (e.g., invitation for bid, request for proposal, single/sole source, etc.)
6. "Protesting party" is the party who is filing a protest to the bid, contract award or other aspect of procurement.
7. "Formal protest determination" shall mean the determination of a formal protest by OCFS' deputy commissioner for administration of OCFS or his or her designee.
8. "Decision after appeal" shall mean the decision on the appeal of a formal protest by OCFS' commissioner or his or her designee.

C. Debriefing Request

In accordance with [section 163](#) of the NY State Finance Law, OCFS must, upon request, provide a debriefing to any unsuccessful offeror that responded to the RFP, regarding the reasons that the proposal or bid submitted by the unsuccessful offeror was not selected for an award.

1. OCFS will provide notice in writing or electronically to all unsuccessful offerors that the offeror will not receive a funded award under the RFP. An unsuccessful offeror wanting a debriefing must request a debriefing in writing, within 15 calendar days of receiving the notice from OCFS that the offeror's proposal did not result in an award.
2. When OCFS receives of a timely written request from the unsuccessful offeror, OCFS will schedule the debriefing to occur within a reasonable

period of time. Debriefings will be conducted in-person, unless OCFS and the offeror mutually agree to utilize other means, including, but not limited to, telephone, video-conferencing or other types of electronic communications.

3. Such debriefing will include: (a) the reasons that the proposal, bid or offer submitted by the unsuccessful offeror was not selected for an award; (b) the qualitative and quantitative analysis employed by OCFS in assessing the relative merits of the proposals, bids or offers; (c) the application of the selection criteria to the unsuccessful offeror's proposal; and (d) when the debriefing is held after the final award, the reasons for the selection of the winning proposal, bid or offer. The debriefing will also provide, to the extent practicable, general advice and guidance to the unsuccessful offeror concerning potential ways for their future proposals, bids or offers to be more responsive.

D. Formal Protest and Appeal Procedure

Any interested party who believes that they have been treated unfairly in the application, evaluation, bid award, or contract award phases of the procurement, may present a formal protest to OCFS and request administrative relief concerning such action.

1. Submission of Bid or Award Protests

Formal protests **must** be in writing and received by OCFS within five business days after the protesting party knows or should have known of the facts that constitute the basis of the formal protest.

In addition, formal protests concerning a pending contract award **must** be in writing and received by OCFS within 10 business days from notice of award/non-award or, if a debriefing was requested by the interested party, within five business days from the date the debriefing was held (whichever is later).

Formal protests will not be accepted by OCFS concerning a contract award after the contract between OCFS and the offeror who received the contract award has been approved by the NYS Office of the State Comptroller (OSC).

2. Review and Formal Protest Determination

- a. Formal protests must be filed with the OCFS deputy commissioner for administration. Any protests filed with the OCFS program division responsible for the procurement will be forwarded to the deputy commissioner for administration. Copies of all formal protests will be provided by the deputy commissioner for administration to the OCFS Division of Legal Affairs and other necessary parties within OCFS, as determined by the deputy commissioner for administration.

- b. Formal protests shall be resolved through written correspondence; however, either the protesting party or OCFS may request a meeting to discuss a formal protest. Where further formal resolution is required, the program division responsible for the procurement may designate a state employee not involved in the procurement ("designee") to determine and undertake the initial attempted resolution or settlement of any formal protest.
- c. The OCFS program division responsible for the procurement will conduct a review of the records involved in the formal protest, and provide a memorandum to the deputy commissioner for administration or the deputy commissioner's designee summarizing the facts, an analysis of the substance of the protest, and a preliminary recommendation including: (a) an evaluation of the findings and recommendations; (b) the materials presented by the protesting party and/or any materials required of or submitted by other bidders; (c) the results of any consultation with the OCFS Division of Legal Affairs; and (d) a draft response to the formal protest.
- d. The OCFS deputy commissioner for administration, or his or her designee, shall hear and make a formal protest determination on all formal protests. A copy of the formal protest determination, stating the reason(s) upon which it is based and informing the protesting party of the right to appeal an unfavorable decision to the OCFS commissioner, shall be sent to the protesting party or its agent within 30 business days of receiving the formal protest, except that upon notice to the protesting party, OCFS may extend such period. The formal protest determination will be recorded and included in the procurement record, or otherwise forwarded to the OSC.

3. Appeal of Formal Protest Determination

- a. If the protesting party is not satisfied with the formal protest determination, the protesting party **must** submit a written notice of appeal to OCFS' commissioner no more than 15 business days after the date the formal protest determination is sent to the protesting party.
- b. The commissioner or his or her designee shall review the formal protest documentation and make a decision on all appeals.
- c. An appeal may not introduce new facts unless responding to facts or issues unknown to the protesting party before the formal protest determination.

4. Reservation of Rights and Responsibilities of OCFS

- a. OCFS reserves the right to waive or extend the time requirements for protest submissions, decisions and appeals herein prescribed when, in its sole judgment, circumstances so warrant to serve the best interests of the state.
- b. If OCFS determines that there are compelling circumstances, including the need to proceed immediately with contract award and development of final contracts in the best interests of the state, then these protest procedures may be suspended, and such determination shall be documented in the procurement record.
- c. OCFS will consider all information relevant to the protest, and may, at its discretion, suspend, modify, or cancel the protested procurement action, including solicitation of bids, or withdraw the recommendation of contract award before issuance of a formal protest decision.
- d. Unless a determination is made to suspend, modify or cancel the protested procurement action, or withdraw the recommendation of contract award, OCFS will continue procurement and contract award activity before the formal protest determination. The receipt of a formal protest will not otherwise stop action on the procurement and award of the contract(s) or on development of final contracts.
 - i. The procurement record and awarded contract(s) will be forwarded to OSC, and a notice of the receipt of a formal protest and any appeal will be included in the procurement record. If a formal protest determination, or a decision after appeal, has been reached before transmittal of the procurement record and the contract(s) to OSC, a copy of the formal protest determination or decision after appeal will be included in the procurement record and with the contract(s).
 - ii. If a formal protest determination or decision after appeal is made after the transmittal of the procurement record and contract(s) to OSC, but before OSC approval, a copy of the formal protest determination or decision after appeal will be forwarded to OSC when issued, along with a letter either: a) confirming the original OCFS recommendation for award(s); b) modifying the proposed award recommendation; or c) withdrawing the original award recommendation.
 - iii. All records related to formal protests and appeals shall be retained for at least one year following resolution of the formal protest. All other records concerning the procurement shall be retained according to the applicable requirements for records retention.

E. Appeal to the Office of the State Comptroller

If the protesting party is still not satisfied with the result of its protest after conclusion of the formal protest and appeal procedure described above, the protesting party may file a written appeal with the OSC within 10 business days of the date the protesting party received OCFS' protest determination. An appeal to the OSC's Bureau of Contracts must be in writing and must contain the specific factual and/or legal allegations setting forth the basis upon which the protesting party challenges the contract award by OCFS. Such appeal must be filed with the director of the Bureau of Contracts at the NYS Office of the State Comptroller, 110 State Street, 11th Floor, Albany, NY 12236.

7.0 MANDATORY CONTRACTING REQUIREMENTS

7.1 Contract Readiness

New York State's Prompt contracting laws require all state agencies to complete contract development and the signatory process within statutorily prescribed time frames. Awardees must be available and prepared to respond within the required time frames. If selected, awardees may be required to travel to Rensselaer, New York for contract development and will be expected to cover the costs of that travel. OCFS may rescind the awards of awardees who cannot satisfactorily complete the contracting process to commence services by the anticipated contract start date.

7.2 Standard Contract Language

The terms and conditions for all funded projects are specified in a detailed contract that must be signed by OCFS and approved by the NYS Office of the Attorney General (OAG) and the OSC before payments may be made. Contractor obligations or expenditures before the contract start date shall not be reimbursed. This RFP includes all relevant contract terms and conditions, which can be found in **SECTION 8.0 CONTRACT DOCUMENTS**. Upon contract award and completion of negotiations, OCFS will send successful awardees the complete contract for development and signature before submitting it to the OAG and to OSC for approval.

7.3 Workers' Compensation Insurance and Disability Benefits Coverage

Sections 57 and 220 of the [Workers' Compensation Law](#) (WCL) and [section 142](#) of the State Finance Law require that businesses contracting with New York State have and maintain and provide evidence of appropriate workers' compensation and disability benefits insurance coverage. If an award is made from this RFP, updated proof of coverage must be provided during contract development. Failure to submit the proof will delay the contract development process, and may result in the award being rescinded. Municipalities are not required to show proof of coverage.

Please note: The ACCORD form is not acceptable proof of Workers' Compensation or Disability Insurance coverage.

1. Proof of Workers' Compensation Coverage

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate workers' compensation insurance coverage, submit ONE of the following forms. Access the forms at: <http://www.wcb.ny.gov/content/main/forms/AllForms.jsp>.

- **Form C-105.2** - *Certificate of Workers' Compensation Insurance* issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund³; or
- **Form SI-12⁴** - *Certificate of Workers' Compensation Self-Insurance*; or **Form GSI-105.2⁵** *Certificate of Participation in Workers' Compensation Group Self-Insurance*; or
- **CE-200⁶** - *Certificate of Attestation of Exemption* from NYS Workers' Compensation and/or Disability and Paid Family Leave Benefits coverage.

2. Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a state contract, or contract renewal, submit appropriate proof of coverage to the state contracting entity issuing the contract. To prove the awardee has appropriate disability benefits insurance coverage, submit ONE of the following forms. Access the forms at: <http://www.wcb.ny.gov/content/main/forms/AllForms.jsp>

- **Form DB-120.1³** - *Certificate of Disability Benefits Insurance*; or
- **Form DB-120.2** – *Certificate of Participation in Disability Benefits Group Insurance*; or
- **Form DB-155⁷** - *Certificate of Disability Benefits Self-Insurance*; or
- **CE-200⁸** - *Certificate of Attestation of Exemption* from NYS Workers' Compensation and/or Disability Benefits Coverage.

7.4 **Confidentiality and Awardee, Contractor, Employee, and Volunteer Background Checks**

OCFS is responsible for maintaining the safety of the youth served by OCFS programs.

7.4.1 Confidentiality

New York State law requires that any client identifiable information be kept confidential. Any awardee, or contractor, employee, or volunteer of the awardee, who will be provided with confidential information of recipients served by the awardee must complete and sign form [OCFS-4715, Confidentiality Non-Disclosure Agreement](#). This form must be completed before the start date of the contract and before any such awardee, contractor, employee or volunteer is permitted access to youth served by an awardee or to any financial or client identifiable information concerning such youth. For additional information see Attachment A-1, Section 7 Confidentiality and Protection of Human Subjects, located at the link to a standard contract listed in **SECTION 8.0**.

7.4.2 Criminal History Background Checks

Any awardee, or contractor, employee or volunteer of the awardee, who will have the potential for regular and substantial contact with youth in care or receiving residential services must be subject to background screening before hire or utilization in a position paid through this award. The screening must include a review of individuals' backgrounds through the following three services: NYS Justice Center for the Protection of Persons with Special Needs Staff Exclusion List (SEL), New York Statewide Central Register of Child Abuse and Maltreatment (SCR); and a criminal history background check via a vendor that will submit information to both the division of criminal justice services and the federal bureau of investigation. Additional information regarding all three services will be provided upon the grant of an award. Please note that the grant of an award may be negatively impacted if background checks reveal that an individual proposed to provide services is on the SEL, is the subject of any indicated reports of child abuse and maltreatment, or has convictions for one or more prior criminal offenses. Awardees are responsible for notifying OCFS if a background check reveals that a contractor, employee or volunteer of the awardee proposed to provide services has a criminal history. Any criminal history revealed as a result of such screening will be evaluated by OCFS pursuant to Correction Law [Article 23-A, section 752](#) on a case-by-case basis taking into consideration the duties of the position and those factors set forth in Correction Law [Article 23-A, section 753](#). OCFS will evaluate the results of the screening in accordance with Correction Law Article 23-A and notify the awardee of its determination. The awardee shall be responsible for the cost associated with any required background screens of the individuals identified in this section.

7.5 Charities Registration (not-for-profit corporations only)

Not-for-profit vendors must be registered with the NYS Office of the Attorney General as a charitable organization, and the registration must be up-to-date at the time of contracting. Vendors must be sure all their documents are up-to-date

and comply with the vendor responsibility requirements as outlined below. To determine the status of your charity's registration information, contact:

https://www.charitiesnys.com/RegistrySearch/search_charities.jsp

7.6 Federal Requirements (if federally funded)

See Attachment A-2, *Federal Assurances and Certifications*, which is in the Master Contract for Grants and is referenced in **SECTION 8.0 CONTRACT DOCUMENTS**.

7.7 Required Electronic Payments and Substitute Form W-9

The Governor's Office of Taxpayer Accountability has issued a directive that all state agency and state authority contracts, grants and purchase orders executed after February 28, 2010, shall require vendors, contractors, and grantees to accept electronic payment (e-pay).

As NYS proceeds with implementing the new Statewide Financial System (SFS), the OSC is preparing a centralized vendor file. To assist OSC in this project, vendors are directed to provide a *Substitute Form W-9* which includes the taxpayer identification number, business name, and business contact person. This data is critical to ensure that the vendor file contains the information state agencies need to contract with and pay vendors.

Please note that the contractor payee name and address provided to OSC for the pay program must match exactly the contractor's name and address contained in the contractor's contract with OCFS. If these do not match, then a check is printed and mailed to the payee. Note that limited exemptions may be granted for extenuating circumstances.

Vendors should file a *Substitute Form W-9* with their Electronic Payment Authorization form.

Further information concerning these requirements, including forms and contacts for questions, can be found at the following links:

7.8 Iran Divestment Act

By submitting a bid in response to this solicitation or by assuming the responsibility of a contract awarded hereunder, bidder/contractor (or any assignee) certifies that it is not on the "Prohibited Entities List," as defined by the *Entities Determined To Be Non-Responsive Bidders/Offerors Pursuant to The New York State Iran Divestment Act of 2012* (the Act), which is posted on the OGS website at <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

and further certifies that it will not utilize on such contract any subcontractor that is identified on the “Prohibited Entities List.” Bidder/contractor is advised that should it seek to renew or extend a contract awarded in response to the solicitation, it must provide the same certification at the time the contract is renewed or extended.

During the term of the contract, should OCFS receive information that a person (as defined in State Finance Law §[165-a](#)) is in violation of the above-referenced certifications, OCFS will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased engagement in the investment activity that is in violation of the Act within 90 days after the determination of such violation, then OCFS shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, seeking compliance, recovering damages, terminating the contract and/or declaring the contractor in default.

OCFS reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List before the award, assignment, renewal or extension of a contract and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the “Prohibited Entities List” after contract award.

7.9 Statewide Financial System

Recipients of grant awards must also be registered in the NYS Statewide Financial System (SFS) Central Vendor Registry File and provide their identification number at the time of contracting. To register and for additional information on the vendor file, visit:

7.10 Minority- and Women-owned Business Enterprises (MWBE) – Equal Employment Opportunity (EEO) - Requirements and Procedures

This section outlines contractor requirements and procedures for business participation opportunities for New York State-certified Minority- and Women-owned Business Enterprises (MWBE) and Equal Employment Opportunities (EEO) for minority group members and women. All forms can be found [here](#).

7.10.1 New York State Executive Law (Article 15-A)

Pursuant to NYS Executive Law [Article 15-A](#) and Parts 140-145 of Title 5 of the New York Codes, Rules, and Regulations OCFS is required to promote opportunities for the maximum feasible participation of New York State-certified MWBE and the employment of minority group members and women in the performance of OCFS contracts. OCFS has established its overall agency goal of 30% MWBE participation, 15% for New York State-certified Minority-owned Business Enterprises (MBE) and 15% for New York State-certified Women-owned Business Enterprises (WBE). OCFS supports the establishment of partnerships with MWBE as subcontractors,

suppliers, protégés, or in other supporting roles to the maximum extent practicable and consistent with the legal requirements of the State Finance Law and Executive Law Article 15-A. Certified MWBE may be readily identified through the directory of NYS certified MWBE at: <https://ny.newnycontracts.com>.

7.10.2 MWBE Business Participation Opportunities – OCFS-Established Goals

Procurement and contract goals are established based on the current availability of MWBE to assist in the execution of a distinct element of the work of the contract. The goal for this procurement may be higher or lower than the percentage level of the Agency’s overall goal depending on such factors as the type of services involved, the location of these services, and the availability of MWBE who are able to provide a Commercially Useful Function (CUF) in the performance of services required. For purposes of this solicitation, OCFS hereby establishes an overall goal of 0% of discretionary non-personnel service spending for New York State-certified MWBE participation, 0% for MBE participation and 0% for WBE participation. A contractor (“contractor”) on any contract resulting from this procurement (“contract”) must document its good-faith efforts to provide meaningful participation by MWBE as subcontractors and suppliers who will perform a CUF in the performance of the contract. To that end, by submitting a response to this RFP, the respondent agrees that OCFS may withhold payment pursuant to any contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of NYS certified MWBE can be viewed at: <https://ny.newnycontracts.com>. For guidance on how OCFS will evaluate a contractor’s “good-faith efforts,” refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBE for the performance of a CUF, as defined in 5 NYCRR § 140.1, and include responsibility for the execution of a distinct element of the work of the contract, evidencing the responsibilities and risks of the business owner may be applied towards the achievement of the applicable MWBE participation goal. The portion of a subcontract with an MWBE serving as a broker which can be credited towards the goal shall be 25% of the sum paid on the subcontract.

7.10.3 Contract Compliance

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a contract resulting from this RFP, such finding constitutes a breach of contract and OCFS may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBE had the

contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBE for work performed or materials supplied under the contract.

By submitting a bid or proposal, a respondent agrees to demonstrate its good-faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State contract System (NYSCS), which can be accessed at <https://ny.newnycontracts.com>, provided, however, that a respondent may arrange to provide such evidence via a nonelectronic method by contacting OCFS.

Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:

- A. An MWBE Utilization Plan must be completed in the NYSCS within 20 days of receipt of Award Letter notification. Contracts will not be executed until the MWBE Utilization Plan has been approved in the NYSCS.

OCFS will review the submitted MWBE Utilization Plan and advise the respondent of OCFS acceptance or issue a notice of deficiency within 30 days of receipt.

- B. If a notice of deficiency is issued, the respondent will be required to respond to it within seven business days of receipt by submitting to the OCFS a written remedy in response to the notice of deficiency to contractcompliance@ocfs.ny.gov. If the written remedy that is submitted is not timely or is found by OCFS to be inadequate, OCFS shall notify the respondent and direct the respondent to submit, within five business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

OCFS may disqualify a respondent as being non-responsive under the following circumstances:

- a) If a respondent fails to submit an MWBE Utilization Plan;
- b) If a respondent fails to submit a written remedy to a notice of deficiency;
- c) If a respondent fails to submit a request for waiver; or
- d) If OCFS determines the respondent has failed to document good-faith efforts.

The successful respondent will be required to attempt to use, in good faith, any MBE or WBE identified within its approved MWBE Utilization Plan, during the performance of the contract. Requests for a partial or total waiver of established goal requirements made subsequent to contract award may be made at any time during the term of the contract to OCFS, but MUST be made before the submission of a request for final payment on the contract.

The successful respondent will be required to submit an MWBE quarterly Contractor Compliance and Payment Audit Report to OCFS in the NYSCS by the 10th day following each end of quarter over the term of the contract, documenting the progress made toward achievement of the MWBE goals of the contract.

7.10.4 Equal Employment Opportunity (EEO) Requirements

By submitting a bid or proposal in response to this solicitation, the respondent agrees with all terms and conditions of the State of New York Master Contract for Grants Standard Terms and Conditions. The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the work), except where the work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the contract; or (ii) employment outside New York State.

The respondent will be required to submit [OCFS-3460, Minority- and Women-owned Business Enterprises \(MWBE\) and Equal Employment Opportunity Policy Statement](#), as referenced in **Section 5.4 Proposal Content**, to OCFS with its bid or proposal.

If awarded a contract, respondent shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit the same, in a format that OCFS requires, on a quarterly basis during the term of the contract.

Pursuant to [Executive Order No. 162](#), non-grant contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to [Article 15](#) of the Executive Law (the Human Rights Law), all other state and federal statutory and constitutional non-discrimination provisions, the contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the contract, leading to the withholding of funds, suspension or termination of the contract or such other actions or enforcement proceedings as allowed by the contract.

7.11 Service-Disabled Veteran-Owned Business (SDVOB)

[The Service-Disabled Veteran-Owned Business Act](#), signed into law by Governor Andrew M. Cuomo on May 12, 2014, allows eligible veteran business owners to become certified as a NYS Service-Disabled Veteran-Owned Business (SDVOB) in order to increase the participation of such businesses in New York State's contracting opportunities. The SDVOB Act, which is codified under [Article 3 of Veterans' Services Law](#), acknowledges that SDVOBs strongly contribute to the economies of the state and the nation. Therefore, consistent with its Master Goal Plan, OCFS has an established agency goal of 6% and strongly encourages vendors who contract with OCFS to consider using certified SDVOBs that are responsible and responsive for at least 6% of discretionary non-personnel service spending in the fulfillment of the requirements of their contracts with OCFS. Such partnering may include utilizing certified SDVOBs as subcontractors, suppliers, protégés, or in other supporting roles to the maximum extent practicable, and consistent with the legal requirements of the State Finance Law and the Veterans' Services Law. Certified SDVOBs may be readily identified through the directory of certified businesses at: [List of Certified NYS Service-Disabled Veteran-Owned Businesses](#).

The Omnibus Procurement Act of 1992 requires that by signing a bid proposal, contractors certify that whenever the total bid amount is greater than \$1 million:

1. The contractor has made reasonable efforts to encourage the participation of NYS Business Enterprises as suppliers and subcontractors on this project and has retained the documentation of these efforts to be provided upon request to the State of New York.
2. The contractor has documented their efforts to encourage the participation of NYS Business Enterprises as suppliers and subcontractors by showing that they have done the following:
 - Solicited offers, in a timely and adequate manner, from New York State Empire State Development (ESD) business enterprises, including certified MWBE; or
 - Contacted ESD to obtain listings of NYS Business Enterprises and MWBE; or
 - Placed notices for subcontractors and suppliers in newspapers, journals or other trade publications distributed in NYS; or
 - Participated in offeror outreach conferences; and
 - Provided a statement indicating the method by which they determined that NYS Business Enterprises are not available to participate on the contract as subcontractors or suppliers, *if the contractor has determined such*; and

- Provided a statement verifying no intention of using subcontractors if *the contractor has no such intention*.
3. The contractor has complied with the federal Equal Opportunity Act of 1972 (P.L. 92-961), as amended.
 4. The contractor will be required to notify NYS residents of employment opportunities by listing any such positions with the Community Services Division of the NYS Department of Labor, providing for such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The agency agrees to document these efforts and to provide said documentation to OCFS upon request.
 5. Offerors located in a foreign country are notified that the State may assign or otherwise transfer offset credits to third parties located in NYS, and the offerors shall be obligated to cooperate with the State in all respects in making such assignment or transfer, including, but not limited to, executing all documents deemed by the State to be necessary or desirable to effectuate such assignment or transfer, and using their best efforts to obtain the recognition and accession to such assignment or transfer by any applicable foreign government.
 6. Offerors are hereby notified that State agencies and authorities are prohibited from entering into contracts with businesses whose principal place of business is in a “discriminatory jurisdiction.” This is defined as a state or political subdivision that employs a preference or price distorting mechanism to the detriment of or otherwise discriminates against a NYS business enterprise in the procurement of commodities and services by the same or a non-governmental entity influenced by the same. A list of discriminatory jurisdictions is maintained by Commissioner of the NYS ESD.

7.13 Executive Order Numbers 14 and 16

[Executive Order No. 14](#), dated February 27, 2022, requires State agencies to terminate any contracts and to refrain from entering into any new contracts with an institution or company that is determined to be a Russian or Russia supporting entity.

[Executive Order No. 16](#), dated March 17, 2022, requires State agencies to refrain from entering into any new contract or renewing any existing contract with an entity conducting business operations in Russia.

Executive Orders 14 and 16 include the following definitions:

- “Russian entity” means an institution or company that is headquartered in Russia or has its principal place of business in Russia.

- “Supporting entity” means any institution or company providing assistance to the Russian government in its campaign to invade the sovereign country of Ukraine, either through in-kind support or for-profit.
- “Entity conducting business operations in Russia” means an institution or company, wherever located, conducting any commercial activity in Russia or transacting business with the Russian Government or with commercial entities headquartered in Russia or with their principal place of business in Russia in the form of contracting, sales, purchasing, investment, or any business partnership.

By submission of a response to this solicitation the offeror certifies that the offeror:

- a. is not a Russian or Russia supporting entity, as those terms are defined in the Executive Order No. 14 (dated February 27, 2022).
- b. is not an entity conducting business operations in Russia, as those terms are defined in the Executive Order No. No. 16 (dated March 17, 2022).

7.14 Executive Order Number 175 (if Applicable)

In accordance with the requirements of [Executive Order No. 175](#), contractor will be expected to adhere to net neutrality principles in the provision of internet services under any contract entered into as a result of this RFP, regardless of delivery method unless the director of contracts, or his/her designee as noted in **Section 1.1 Procurement Contact**, determines that adherence to net neutrality principles for a particular purpose is not in the best interests of the state. Nothing in this provision supersedes any obligation or authorization a provider of broadband Internet access service may have to address the needs of emergency communications or law enforcement, public safety, or national security authorities, consistent with or as permitted by applicable law, or limits the provider’s ability to do so. As used herein, “net neutrality” means that contractor will not block, throttle, or prioritize internet content or applications or require that end users pay different or higher rates to access specific types of content or application. For the purposes of this contract, the prohibition against blocking or throttling of internet content or applications does not apply to reasonable network management practices.

7.15 Executive Order Number 177

[Executive Order 177](#), dated February 3, 2018, directs NYS agencies and authorities not to enter into any contracts with entities that have institutional policies or practices that fail to address the harassment and discrimination of individuals on the basis of their age, race, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military status, or other protected basis. The contractor must provide the EO 177 certification statement before any award being made by OCFS.

Such policy shall, at a minimum, meet the requirements of section two hundred one-g of the labor law.’” The contractor must provide the foregoing certification before any award being made by OCFS. 9.0 GLOSSARY OF OUTCOME-BASED CONTRACTING TERMS

Fiscal Documentation: Documentation necessary for payment.

Grants Gateway: The NYS Grants Gateway went into operation on May 15, 2013, and served as the primary outlet for state agencies to post upcoming and available funding opportunities. Effective January 16, 2024, the Grants Gateway is being deactivated in favor of the Statewide Financial System (SFS) Grants Management module.

Guide to Financial Operations (GFO): This website was created as the central storehouse of OSC policies and is intended to replace individual OSC Bulletins. The GFO can be found at <http://www.osc.state.ny.us/agencies/guide/MyWebHelp>.

Legal Documents: Legally required application/contract components.

Organizational Qualifications: The organizational characteristics and capacity (e.g., agency mission, past accomplishments/experience in serving the target population or in providing similar services to a different population, experience in collaborating with community agencies needed for program success, key people, and fiscal capability) that are likely to result in successful performance target attainment.

Baseline Estimate: The projected status of the target population without the proposed intervention. A baseline is the best estimate, using prior program experience, collected data, and/or research results, of what would happen to the target population without the program's intervention and its benefits. Projection should be numerical (a number or a percentage). A baseline estimate is required for each performance target.

Outcomes: The desired benefits or changes for the target population following their interaction with a program. These are the expected results of program intervention. Outcomes may relate to knowledge, skills, attitudes, behaviors or conditions. Either the investor or provider may set them. (They are broader and more general than performance targets. They do not require numerical projection). In some instances, the outcome may be a system change rather than an individual behavior change.

Performance Targets: Performance targets are the *measurable* verifiable improvements in the condition or behavior of program recipients that the provider expects to achieve *by the end of the contract period*. Targets are quantifiable and verifiable indicators of program performance. They contribute to the attainment of the desired outcomes for the target population. Attainment of several performance targets may be needed to indicate the achievement of a single outcome. Performance targets must include a description of the methods that will be used to verify target achievement.

Milestones: *Measurable interim* changes in the condition or behavior of the target population used to track whether the program is on course to achieve its performance targets. These are critical points of change or target population achievement that must occur to progress towards the performance targets. You must include a description of the methods that will be used to verify milestone achievement.

Program Budget: Definition of program expenditures and funding sources.

Program Description: Detailed explanation of the means (service model, plan or approach) the provider will use to achieve its performance targets and outcomes. This should include a description of the program's core features (i.e., the kinds of services provided, their intensity and duration, the essential elements, theoretical approach, delivery strategies, involvement of target population in planning, etc.).

Project Work Plan: Steps necessary to implement a program.

Staffing Pattern: Please identify the staff assigned to a program, regardless of whether it is paid through OCFS funds.

Statewide Financial System (SFS) Grants Management: The Grants Management Module of SFS went into operation on January 16, 2024, and serves as the primary outlet for state agencies to post upcoming and available funding opportunities.

Target Population: The specific group of people (individuals, families, community members or, in certain instances, the specified personnel or entity/entities) that are the focus of change, and who will directly interact with the program. In certain instances where the desired outcome is systemic change, an agency as a whole may be considered the target population.

Verification: Statement of methods used to verify performance target and milestone attainment and/or submission of actual documentation.

Vendor Responsibility: Compliance with New York State Finance Law and guideline provisions related to vendor integrity providing reasonable assurance that the potential contractor has the capacity to perform the requirement of the contract. This includes authority to do business in the state, capacity, and performance in addition to the aforementioned integrity.

Vision: OCFS Program Area Statement of ideal end-state sought for a population (e.g., prevention of child abuse and neglect).
