* To provide greater than \$10,000 in JPS/DVE services in a calendar year an organization must be under contract. If an organization has an existing *Non-Contract Provider Authorization Agreement* which was approved as part of the solicitation of Interest (SOI) procurement of the *Job Placement Services and Diagnostic Vocational Evaluation Services*, the organization may apply for a contract during the contract term (1/1/2020-12/31/2024). In the event a *Non-Contract Provider Authorization Agreement* was approved after the SOI procurement period but during the contract term, the organization must wait until the *Job Placement Services and Diagnostic Vocational Evaluation Services* is re-procured to apply for a contract, if the organization wishes to provide greater than \$10,000 in Job Placement Services and/or Diagnostic Vocational Evaluation Services in a calendar year.
