Background

New York State Office of Children and Family Services (OCFS) announces a Solicitation of Interest (SOI) for qualified entities that provide Job Placement Services and/or Diagnostic Vocational Evaluation Services to individuals who are legally blind. Please see the **Eligibility Criteria** section for additional information.

The New York State Commission for the Blind (NYSCB) is the state entity designated to provide services to New Yorkers who are legally blind. NYSCB is looking to broaden the availability of job placement services and diagnostic vocational evaluation services to individuals who are legally blind in New York State. The expectation is, having a more diverse provider network for these services will result in greater options for NYSCB's participants, particularly in the more isolated regions of the state.

NYSCB estimates that statewide, 200 NYSCB participants will require Job Placement Services and 100 NYSCB participants will require Diagnostic Vocational Evaluation Services annually.

The Placement Services Guidelines and the Diagnostic Vocational Evaluation Guidelines are both available online at: http://ocfs.ny.gov/main/cb/provider_info.asp.

Please see the **Eligibility Criteria** section for additional information.

This advertisement is public notice that OCFS is seeking to contract with organizations to provide Job Placement Services and/or Diagnostic Vocational Evaluation Services. Please see the **Activities/Work to be Performed** section for additional information.

The purpose of this SOI is to invite any eligible and interested entities who believe they can satisfy the needs of this program, to so inform OCFS by a Letter of Interest (LOI). To be considered responsive, your organization's LOI must be received no later than the deadline specified on the first page of this announcement. Please see the **How to Apply** section for additional information and submission requirements.

Activities/Work to be Performed

Funded applicants will provide Job Placement Services and/or Diagnostic Vocational Evaluation Services to New Yorkers who are legally blind.

Job Placement Services

Job Placement Services (JPS) are the services directly related to assisting a participant to prepare for, and achieve or maintain non-subsidized, integrated employment. Job Placement Services are defined within the Placement Services Guidelines: http://ocfs.ny.gov/main/cb/provider_info.asp.

The following are the definitions of the Job Placement Services that are new to the program. These new services and associated payment for outcomes will be further outlined in the Placement Services Guidelines before the start of any agreement resulting from this SOI.

Employment Customization: Employment customization requires the placement provider to have face-to-face meetings with the participant and the employer, which enables them to create a job match that is significantly more complex and difficult than the average job placement. It requires a blend of flexible strategies that result in the provision of individually negotiated and designed services, supports and job opportunities that lead to an employment outcome. The negotiating can be done during the job development phase of job placement. This includes customizing a job description based on the employer's current needs and developing a set of job duties, work schedule, and the specifics of supervision tailored to the individual participant. The key factor in deciding if a service will be considered a customized employment, is the presence of employer negotiation, which include **all** of the following conditions:

- Customizing a job description based on current unidentified and unmet needs of the employer and the needs of the employee
- Developing a set of job duties and/or tasks
- Developing a work schedule (including determining hours worked)
- Determining a job location
- Developing a job arrangement (such as job carving*, job sharing, or a split schedule)
- Determining specifics of supervision

*Job Carving is not in itself Customized Employment but can be a component of it.

Employment Customization is a flat fee service. Employment Customization can be billed in conjunction with "Job Placement 90-Day" only when the written customized employment report documents and verifies the placement provider negotiated with the employer to develop a unique, highly individualized set of job responsibilities which were tailored to the skills and strengths of the individual participant.

Payment will be made to the placement provider upon NYSCB's review and approval of a detailed,

customized employment report that documents the placement provider both, performed the specific customized employment activities related to assessing the individual participant's strengths and the placement provider negotiated with the employer to match a set of job responsibilities to those assessed participant strengths. Services rendered by the placement provider must involve a blend of flexible strategies that result in the provision of individually negotiated and designed services, supports, and job opportunities for the individual participant and lead to the employment outcome of customized employment, which could include self-employment, as described in the service definition herein.

New Employer: A successful placement with an employer in which no participant was previously placed by NYSCB or NYSCB_placement providers is eligible for the New Employer payment in addition to the Job Placement-90 Days outcome. This placement will be found solely by the placement provider and not by or in conjunction with the NYSCB counselor. NYSCB will evaluate each placement based on internal data and the final determination, if a placement qualifies as a New Employer outcome is at NYSCB's sole discretion.

Substantial Gainful Activity: A successful placement in which the participant is engaging in Substantial Gainful Activity (SGA) for a minimum of two (2) months is eligible for the Substantial Gainful Activity Outcome in addition to the Job Placement- 90 Days outcome. This payment will be tied to the yearly federal standard of SGA for blind individuals. Successful SGA will mean that a participant earns at or above the SGA for blind individuals, starting from day 1 to day 30 of employment or from day 31 to 60 of employment, and that their earnings are above the SGA for blind individuals from Day 61-90 days of employment.

Documentation of earnings will be required for this outcome, at the end of 90 days.

Documentation submitted after the placement provider signs the 90-day authorization, will not be accepted.

Additional Job Placement Services Guidelines Changes:

In addition to the above outcomes and payments, the following changes will be incorporated in to the Job Placement Services Guidelines for any agreement resulting from this SOI with a term beginning in 2020. Only job placements that occur in competitive integrated employment settings are eligible for the following outcomes: 6-day Job Placement or 90-day Job Placement. During the job placement process if a participant decides to accept a position that does not meet the threshold of competitive integrated employment, the placement provider may be eligible for payment under Placement Assessment, Job Seeking, and Job Development outcomes, if the standards for these outcomes were met. Job placement providers cannot accept participants into the placement process if the goal of the placement provider or the goal of the participant is to be placed into positions which are not considered to be competitive integrated employment. 6-day Job Placements and 90-day Job Placements will not be eligible for payment if the participant is placed within the job placement provider's organization or related entities.

Job Placement Services - Staff Qualifications

Job Placement Services must be provided to NYSCB referred participants only by NYSCB approved, funded organization staff members who possess the qualifications as defined within the Placement Services Guidelines under either Job Placement Services Staff Qualifications, Diagnostic Vocational Evaluation Staff Qualifications or Situational Assessment Staff Qualifications: http://ocfs.ny.gov/main/cb/provider_info.asp

Diagnostic Vocational Evaluation Services

Diagnostic Vocational Evaluation (DVE) services enable the NYSCB counselor and participant to obtain information, through comprehensive DVE testing and/or community-based situational assessment, to assist in the determination of eligibility or development of a vocational goal, which will enable the participant to make informed choices in selecting a vocational goal and the means to achieve that goal. DVE services also clarify issues which may be impeding vocational rehabilitation services.

DVE services must provide information to assist in the determination of eligibility for or development of a vocational goal, and/or clarify issues which may be impeding vocational rehabilitation services. DVE's are defined within the Diagnostic Vocational Evaluation Guidelines:

http://ocfs.ny.gov/main/cb/provider_info.asp

Diagnostic Vocational Evaluation Services - Staff Qualifications

DVE Services must be provided to referred NYSCB participants only by funded organization staff members who possess the qualifications as defined within the Diagnostic Vocational Evaluation Guidelines: http://ocfs.ny.gov/main/cb/provider_info.asp

Situational Assessment Staff Qualifications: Situational Assessments may be conducted by anyone qualified to provide diagnostic vocational evaluations, or by a job coach, under the supervision of an evaluator or placement specialist, who possess the qualifications as defined within the Diagnostic Vocational Evaluation Guidelines: http://ocfs.ny.gov/main/cb/provider_info.asp

Eligibility Criteria

Applicants who meet the following mandatory requirements are eligible to apply:

- Applicants who have certified that they have Reviewed the NYSCB Job Placement Services and Diagnostic Vocational Evaluation Guidelines and agree to provide the services outlined within http://ocfs.ny.gov/main/cb/provider_info.asp for Job Placement Services and/or Diagnostic Vocational Evaluation Services. This must be documented by the provision of an **Attachment 1 – Submission Checklist** and **Attachment 4 – Listing of NYS Counties and NYC Boroughs**.
- Have a minimum of 1-year experience providing the services for which the organization is proposing (*Job Placement Services and/or Diagnostic Vocational Evaluation Services*). NOTE: The 1-year experience does not need to be specific to providing Job Placement Services and/or Diagnostic Vocational Evaluation Services to individuals who are blind. Providing such services to the general population for a minimum of 1-year would qualify. **This must be documented in your Attachment 2 – Letter of Interest.**
- Be eligible to do business with New York State.
- Employ staff or commit to hiring staff, meeting the minimum staff qualification requirements for the service(s) the organization is applying (*Job Placement Services and/or Diagnostic Vocational Evaluation Services*). Staff Qualifications must be approved by NYSCB before any services can be provided by the funded organization. **The qualifications of current staff and/or the plan to hire additional qualified staff must be described in detail in your Attachment 2 – Letter of Interest.** Omissions in information provided by the applicant may not be resolved in the applicant's favor.
- Organizations with 14C Certificates must: **Specify a date in the Attachment 2 – Letter of Interest**, stating when the organization will cease to operate under a 14c Certificate and will cease paying any of the organization's employees less than the NYS minimum wage. Said

date must be no greater than eighteen (18) months from the anticipated award start date of January 1, 2020. In the event the specified date is greater than eighteen months (*beyond June 30, 2021*), the organization is not eligible for an award under this SOI. (applicable to organizations with 14C certificates only) (See subsection **Note to Organizations with 14C Certificates** under the **Contract/Funding Details** section.)

- Pay the New York State minimum wage or higher to all employees of the organization located in New York State, for the duration of the award term.

Funding Details

Funding for this project is contingent upon the availability of funds in the state and/or federal budgets and the number of eligible applicants that respond to this SOI. In making awards, OCFS must verify geographic coverage of the regions proposed.

NYSCB intends to make multiple fee-based awards throughout New York State, ranging in value from \$10,000 to \$1,500,000 per 5-year term, in response to this SOI. Referrals of NYSCB participants to funded organizations will be made in accordance with federal regulation "Title 34 → Subtitle B → Chapter III → Part 361.52 Informed Choice" that requires the participant to select the vendors based upon information/options provided by NYSCB. There is no guarantee of the number of referrals and/or revenue from any award pursuant to this SOI.

NYSCB further intends to award a fee-based contract or letter of agreement (LOA) to all organizations meeting the eligibility requirements and whose proposals pass the minimum pass/fail requirements in the Checklist. Payment for services will be according to the fixed fee schedule (see **Payment Schedule** section) and upon NYSCB's approval of the Consumer Information System (CIS) authorization, as applicable.

The individual award funding levels will be determined by a panel of experts consisting of Job Placement and Diagnostic Vocational Evaluation Counselors who hold advanced degrees and have extensive experience in the field of Job Placement Services and Diagnostic Vocational Evaluation Services. The panel will estimate levels of utilization for each award and use the utilization amounts to estimate the award value for each funded organization. In the event the panel underestimates usage for any award, NYSCB will reach out to the funded organization and perform the necessary amendment to realign values with utilization.

Organizations who meet the eligibility requirements to receive an award under this SOI, but are determined by the NYSCB panel of experts to be providing \$ 10,000 or less in Job Placement Services and/or Diagnostic Vocational Evaluation Services in a given calendar year, will be offered a LOA to provide services as a "Non-Contract Provider" (*This LOA will hereafter be referred to as a "Non-Contract Provider Authorization Agreement."*) Funded organizations providing services under a Non-Contract Provider Authorization Agreement will be paid the various fixed fee(s) applicable for the service(s) provided to NYSCB's referred participants, through a CIS authorization (*In accordance with [New York State Division of Budget Bulletin H-1032 Revised](#)*). Further, organizations can request to be designated as a Non-Contract Provider by requesting to be so designated within their Letter of Interest (LOI) and submitting a completed *Job Placement Services and Diagnostic Vocational Evaluation Services Non-Contract Provider Authorization Agreement* (Attachment 5). The Non-Contract Provider Authorization Agreement provides an administratively streamlined way for otherwise qualified organizations who are unsure of the fiscal viability of expanding into the provision of Job Placement Services and/or Diagnostic Vocational Evaluation Services to individuals who are legally blind. To provide and receive payment for more than \$10,000 in Job Placement Services and/or Diagnostic Vocational Evaluation Services, in a given calendar year, a funded organization may be required to have a contract with NYSCB/OCFS. Any organization that opts to initially be designated a Non-Contract Provider in response to this SOI will have the ability to become a "contract

provider” at any time during this 5-year award term, contingent upon contract approval by the NYS Attorney General (AG) and the NYS Office of the State Comptroller (OSC).

Please be aware that NYSCB promotes Participant Informed Choice and ultimately the usage of any contract or Non-Contract Provider Authorization Agreement will be determined by NYSCB participants and not by the panel of experts and therefore all contract or Non-Contract Provider Authorization Agreement values should be considered estimates of potential usage only.

Non-Contract Provider organizations that do not respond to this SOI will not be eligible to become contract providers under this procurement.

If the organization proposes both Job Placement Services and Diagnostic Vocational Evaluation Services and the organization meets the eligibility requirements stipulated herein this SOI and whose proposal passes the minimum pass/fail requirements stipulated in the Checklist, NYSCB will combine both service types under one contract or Non-Contract Provider Authorization Agreement with the funded organization.

Note to Organizations with 14C Certificates

Organizations who currently hold certificates issued under section 14(c) of the Fair Labor Standards Act, which authorizes the payment of subminimum wages to employees may submit a response to this SOI in anticipation of the organization eliminating such positions as per the NYS Employment First Commission Recommendations. (See *link below*)

https://www.nyess.ny.gov/docs/employment_first_march2015_final.pdf

NYSCB will not contract with, or approve a Non-Contract Provider Authorization Agreement with, organizations who pay their employees less than the NYS minimum wage. If the organization otherwise meets the requirements of this SOI and said organization is chosen for an award, the start date of the resulting contract or Non-Contract Provider Authorization Agreement will be the next business day after the organization ceases paying its employees less than the NYS minimum wage. Any contracts or Non-Contract Provider Authorization Agreements resulting from this SOI will have the same anticipated end date of December 31, 2024. See **Eligible Criteria** section for more information on how to submit a LOI if your organization holds a 14C Certificate.

Payment Schedule

The award of a contract or Non-Contract Provider Authorization Agreement will NOT guarantee the funded organization(s) any referrals or related payments from NYSCB. Referrals will be made by NYSCB only as the need arises in the local NYSCB District Offices. Therefore OCFS/NYSCB does not guarantee any specific level of income, or level of referrals in any of the contracts or Non-Contract Provider Authorization Agreements resulting from this SOI.

The anticipated start date is **1/1/2020**, and the anticipated end date is **12/31/2024**. Funding is anticipated to be available for the first year of the contract. The award of a contract does not guarantee that funding will be available for subsequent years.
