1. Subdivision (a) of section 427.2 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(a) Foster care of children means all activities and functions provided relative to the care of a child away from [his] their home 24 hours per day in a foster family free home or a duly certified or approved foster family boarding home or a duly certified group home, agency boarding home, child care institution, a supervised setting, a qualified residential treatment program, programs for youth who have been or are at-risk of sex trafficking, specialized programs to serve prenatal, postpartum or parenting youth, or in a health care facility or any combination thereof.

2. Paragraph (2) of subdivision (b) of section 427.2 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(2) Residential program. The child is cared for away from [his or her] their home 24 hours a day in a foster family free home; a duly licensed, certified, or approved foster family boarding home; a duly licensed or certified group home, agency boarding home, child care institution, supervised setting, a qualified residential treatment program, programs for youth who have been or are at-risk of sex trafficking, specialized programs to serve prenatal, postpartum or parenting youth, or in a health care facility; or any combination thereof.

3. Paragraph 4 of subdivision (c) of section 427.2 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(4) [Minor parent/child] Parenting youth and child of parenting youth case.

(i) the [minor parent] parenting youth and child of the parenting youth meets the criteria specified in paragraphs (1) through (3) of this subdivision;

(ii) the child [or children of the minor parent] of the parenting youth reside(s) with the [minor parent] parenting youth in a foster family home or residential facility and such child of a parenting youth or children of a parenting youth are not in the care and custody or custody and guardianship of the local commissioner of social services; and

(iii) the costs of the care of the child of the parenting youth or children of the [minor parent] parenting youth are combined with the costs of the care of the [minor parent] parenting youth.

4. Subdivision (d) of section 427.2 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(d) Foster family boarding home means a residence owned, leased, or otherwise under the control of a single person or family who has been certified or approved by an authorized agency or is used by a local probation department, the State Department of Mental Hygiene or the Office of Children and Family Services to care for children, and such person or family receives payment from the agency for the care of such children. Such home may care for not more than six children, including all children under the age of 13 residing in the home, whether or not they are received for board. However, up to two additional children may be cared for if
such children are siblings, or are siblings of a child living in the home, or are part of a [minor
parent/child] parenting youth and child of a parenting youth unit as defined in section 427.2(s) of
this Part, or are children freed for adoption and placed for adoption with the person(s) who have
been certified or approved as foster parents. Such home may exceed these limits only to
receive or board a child or children returning to that foster family boarding home pursuant to
section 443.6 of this Title.

5. Subdivision (h) of section 427.2 of Title 18 of the Official Compilation of Codes,
Rules and Regulations of the State of New York is amended to read as follows:

(h) Group home means a family-type home for the care and maintenance of not less
than seven nor more than 12 children who are at least five years of age, operated by an
authorized agency, in quarters or premises owned, leased, or otherwise under the control of
such agency; except that such minimum age shall not be applicable to siblings placed in the
same facility, nor to children of parenting youth whose [mother] parent is placed in the same
facility.

6. Subdivision (s) of section 427.2 of Title 18 of the Official Compilation of Codes, Rules
and Regulations of the State of New York is amended to read as follows:

(s) [Minor parent/child] Parenting youth and child of parenting youth unit means a family
consisting of a [foster] child in foster care or an adopted child who is a [minor] parent and the
child or children of such [minor parent] child in foster care or an adoptive child residing together
in the same foster family home, residential facility or adoptive home.

7. Subdivision (b) of section 428.3 of Title 18 of the Official Compilation of Codes, Rules
and Regulations of the State of New York is amended to add new paragraphs (3) and (4) to
read as follows:

(3) For foster care placement cases in which the child is placed in a qualified residential
treatment program as defined in section 441.2 of this Title, the uniform case record must also
include:

(i) Details regarding the family and permanency team, including but not limited to:

(a) Its composition;

(b) The reasonable and good faith effort to identify and include all the individuals
described in section 409-h of the Social Services Law and section 439.3 of this Title to
participate in the family and permanency team;

(c) All contact information for members of the family and permanency team, as well as
contact information for other family members and fictive kin who are not part of the family and
permanency team;

(d) Evidence that meetings of the family and permanency team, including meetings
relating to the assessment required under section 409-h of the Social Services Law, are held at
a time and place convenient for the family;
(e) If reunification is the goal, evidence demonstrating that the parent from whom the child was removed provided input from the members of the family and permanency team;

(f) Evidence that the assessment required under section 409-h of the Social Services Law is determined in conjunction with the family and permanency team;

(g) The placement preferences of the family and permanency team relative to the assessment that recognizes children should be placed with their siblings unless there is a finding by the court that such placement is contrary to their best interest; and

(h) If the placement preferences of the family and permanency team and child are not the placement setting recommended by the qualified individual conducting the assessment under section 409-h of the Social Services Law, the reasons why the preferences of the team and of the child were not recommended.

(ii) Details regarding the assessment conducted by the qualified individual, as such term is defined in section 441.2 of this part, including, but not limited to:

(a) The written assessment completed by a qualified individual; and

(b) The determination of whether the child’s needs can be met in a foster home, and if it was determined by the qualified individual that the needs of the child cannot be met by the family of the child or in a foster family home, in accordance with section 409-h of the Social Services Law, the specific reasons why; and

(iii) Documentation of the court’s findings at the court review of the placement in a qualified residential treatment program in accordance with sections 393 of the Social Services Law, or section 353.7, 756-b, 1055-c, 1091-a, or 1097 of the Family Court Act, as may be applicable.

(iv) If the child meets the definition of long stayer as provided for in section 439.5 of this Title and a long stayer review is conducted in accordance with that section, the determination of the commissioner of OCFS, or the commissioner’s designee, regarding the appropriateness of the child’s continued placement in a qualified residential treatment program.

(4) If a youth is parenting a child, as part of a parenting youth and child of parenting youth unit as defined in section 427.2 of this Title, the uniform case record shall be updated to include information on casework contacts with both the parenting youth and child of the parenting youth as required under section 441.21 of this Title.

8. A new Part 439 is added to Article 3 of Volume B of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York to read as follows:

PART 439 QUALIFIED RESIDENTIAL TREATMENT PROGRAMS

439.1 Applicability

439.2 Required Assessment
439.1 Applicability. The provisions of this Part shall apply whenever, on or after September 29, 2021, a child in the care and custody or the custody and guardianship of the commissioner of a local social services district or the Office of Children and Family Services is:

(a) Placed into a qualified residential treatment program, as such term is defined in section 441.2 of this Title on or after September 29, 2021; or

(b) Where placement of a child into a qualified residential treatment program is contemplated and an assessment in accordance with section 439.2 of this Part and in accordance with section 409-h of the Social Services Law is initiated regarding potential placement of a child into a qualified residential treatment program on or after September 29, 2021.

439.2 Required Assessment.

(a) Prior to a child's placement in a qualified residential treatment program, as defined in section 441.2 of this Title, but at least within 30 days of the start of a placement in a qualified residential treatment program of where the placement into the qualified residential treatment program would occur on or after September 29, 2021, a qualified individual as defined in section 441.2 of this Title shall complete an assessment as to the appropriateness of such placement utilizing an age-appropriate, evidence-based, validated, functional assessment tool approved by the federal government for such purpose.

(b) Such assessment shall be in accordance with section 409-h of the Social Services Law and any applicable federal requirements, and shall include, at minimum:

(1) An assessment of the strengths and needs of the child;

(2) A determination of the most effective and appropriate level of care for the child in the least restrictive setting, including whether the needs of the child can be met with family members or through placement in a foster family home, or a qualified residential treatment program or a qualified residential treatment program exception, as such terms are defined in section 441.2 of this Title, consistent with the short-term and long-term goals for the child as specified in the child's permanency plan. Such assessment shall be completed in conjunction with the family and permanency team established pursuant to section 439.3 of this Part; and
(3) Develop a list of child-specific short- and long-term mental and behavioral health goals.

439.3 Family and Permanency Team

(a) If an assessment is initiated pursuant to section 439.2 of this Part and in accordance with section 409-h of the Social Services Law, the social services district shall assemble a family and permanency team for the child as such term is defined in section 441.2 of this Title. The qualified individual, as such term is defined in section 441.2 of this Title, that is conducting the assessment required under section 409-h of the Social Services Law shall work in conjunction with the team while conducting and making the assessment.

(b) The family and permanency team shall consist of all appropriate biological family members, relatives, and fictive kin of the child as well as, as appropriate, professionals who are a resource to the family of the child, such as the attorney for the child or the attorney for the parent, if applicable, and teachers, medical or mental health providers who have treated the child, or clergy. In the case of a child who has attained age 14, the family and permanency team shall include the members of the permanency planning team for the child that are selected by the child in accordance with 42 United States Code section 675 and the state's approved Title IV-E state plan.

(c) The social services district shall document in the child’s case plan those items as set forth in section 428.5 of this Title pertaining to the formation and preferences of the family and permanency team.

439.4 Qualified Residential Treatment Program Requirements

(a) A qualified residential treatment program as defined in section 441.2 of this Title shall meet all applicable requirements contained within Parts 442, 447 and 448 of this Title, as applicable, except:

(1) As expressly stated within this section;

(2) Where there is a conflict between the standards in this Part and standards set forth elsewhere in this Title, in which case the standards set forth in this Part shall apply; or

(3) When a waiver or exception to the particular regulatory requirement is granted under this Title.

(b) A qualified residential treatment program must also meet the following requirements:

(1) A qualified residential treatment program must be operated by an authorized agency as defined in section 371 of the Social Services Law and must meet applicable federal and state statutory requirements and administrative directives issued by the Office for qualified residential treatment programs.

(2) The provisions of Parts 476 and 477 of this Title shall apply to any application for, and issuance and conditions of, an operating certificate to operate a qualified residential treatment program.
(3) The qualified residential treatment program must have a trauma-informed treatment model designed to address the needs of children with serious emotional or behavioral disorders, including clinical needs as appropriate, as approved by the Office. Such trauma-informed model must align with nationally recognized standards for trauma-informed principles and meet the requirements set by the Office, which may include, but not be limited to, a plan for:

(i) Implementation of the use of evidence-based, peer-reviewed and research-supported clinical practices;

(ii) Staff training and development regarding how trauma-informed care will be provided within the program, including, but not necessarily limited to, a description of initial and ongoing training for staff; and

(iii) How the staff leadership of the qualified residential treatment program will implement the qualified residential treatment model of care, including, but not limited to a description of:

(a) What measures or indicators are included in an organizational assessment that evaluates progress and ongoing status of implementation;

(b) How feedback on measures or indicators from staff, children and youth, and other family members will be gathered;

(c) Efforts to sustain the qualified residential treatment program’s model of care; and

(d) Efforts to promote among staff and throughout the program, including work with the children and families, cultural awareness, and competency regarding race, culture, gender, sexual orientation and socioeconomic factors

(4) The qualified residential treatment program shall have available 24 hours a day, seven days a week:

(i) Nursing available from either a registered nurse or licensed nurse practitioner; and

(ii) Other licensed clinical staff who provide care on-site and within the scope of their practice as defined by state law in accordance with the selected treatment model for the qualified residential treatment program as approved by the Office of Children and Family Services.

(5) The qualified residential treatment program must have programs, approved by the Office, regarding facilitation of family and resource outreach and inclusion in the treatment process of including a plan of how the qualified residential treatment program will:

(i) Conduct case activities with the needs of the children, youth and/or parent(s) in mind;

(ii) Elicit children’s, youth’s and/or parents’ understanding and perspective on case circumstances;

(iii) Conduct case discussions with transparency, including conversations regarding permanency options and concurrent planning; and
(iv) Demonstrate active involvement of children, youth and family in case planning discussions

(6) Qualified residential treatment programs must incorporate the child’s family and permanency team as defined in section 441.2 of this Title into the activities of the child’s support team as required by section 441.22 of this Title.

(7)(i) The program must provide discharge planning.

(ii) Discharge planning must begin on the first day of placement.

(a) The discharge plan must be developed in conjunction with the support team and as appropriate, with input from health care providers, mental health service providers, other service providers involved with the child, the parent/caretaker, identified kin or fictive kin resources and the child; and

(b) Goals in a child’s discharge plan must be measurable and contain factors that may include, but not be limited to the following:

(1) Goals based on the child’s support plan;

(2) A permanency goal that addresses the reasons for placement in the qualified residential treatment program and how the child’s living arrangement will be supported post-discharge;

(3) An education goal that describes the child’s educational needs, whether any special education services are required, and how this goal will be supported post-discharge;

(8) Aftercare. The qualified residential treatment program must offer and plan to provide at least six months of aftercare services in accordance with section 439.6 of this Part.

(9) The program must be certified by the Office of Children and Family Services in accordance with section 439.7 of this Part.

439.5 Long Stayers – Special Provisions

(a) As used in this section the term “long stayer” shall mean any child who is placed in a qualified residential treatment program as defined in section 441.2 of this Title, for:

(1) More than 12 consecutive months when the child is age 13 or over; or

(2) More than 18 nonconsecutive months when the child is age 13 or over; or

(3) More than 6 consecutive or nonconsecutive months when the child has not yet attained 13 years of age.

(b)(1) When a child meets the definition of long stayer as defined in subdivision (a) of this section, the local department of social services with care and custody or care custody and
guardianship of the child must submit information justifying such continued placement to the
Office for a long stayer review, as described in subdivision (c) of this section.

(2) Prior to submitting the justification, a review of the appropriateness of the continued
placement must be made by either a qualified individual or to a team of staff including licensed
clinicians that have been regularly serving the child. Such review shall consider the same
factors as required by section 409-h of the Social Services Law and section 439.2 of this Part to
determine the appropriateness of the child’s continued placement in the qualified residential
treatment program. Provided, however, that:

(i) For children age 13 or older approaching 12 consecutive months in a qualified
residential treatment program, such information shall be submitted by day 310 of the child’s
placement;

(ii) For children age 13 or older approaching 18 nonconsecutive months in a qualified
residential treatment program, such information shall be submitted by day 485 of the child’s
placement; and

(iii) For children under age 13, such information shall be submitted by day 125 of the
child’s placement in a qualified residential treatment program.

(3) Prior to submission of the necessary information to the Office of Children and Family
Services, a qualified individual or team of staff including licensed clinicians that have been
regularly serving the child in the qualified residential treatment programs, shall:

(1) Review all relevant information;

(2) Conduct an evaluation in accordance with the standards outlined in section 409-a of
the Social Services Law and section 439.2 of this Part;

(3) Make a recommendation as to the necessity of the child’s continued placement in a
qualified residential treatment program;
(4) Provide a written copy of such evaluation to the Office of Children and Family Services and the applicable local department of social services; and

(5) Enter such determination into the system of record.

(d) If the child is in the care and custody or care or custody and guardianship of a local department of social services, the commissioner of such local department of social services must review and certify the recommendation, and if it is a recommendation to continue placement, the justification for continued placement in a qualified residential treatment program prior to submission to the Office of Children and Family Services.

(e) The Office of Children and Family Services will conduct a long stayer review, utilizing a long stayer review team, to determine if a continued placement in a qualified residential treatment program level of care is appropriate and required.

(1) Upon receipt of the required information from the local department of social services, the long stayer review team shall:

(i) Review the documentation for completeness. If the documentation is incomplete or if no such determination is submitted by the date due, the long stayer review team shall promptly notify the local department of social services that, if the missing information is not submitted within two days, the Office of Children and Family Services may deny the request for continued placement in a qualified residential treatment program.

(ii) If the long stayer review team determines that continued placement in the qualified residential treatment program is not supported, notify the local department of social services and the qualified residential treatment program of its decision and recommend that an appropriate placement be found for the child.

(a) For children age 13 or older approaching 12 consecutive months in a qualified residential treatment program, such notification shall be made by day 335 of the child’s placement.

(b) For children age 13 or older approaching 18 nonconsecutive months in a qualified residential treatment program, such notification shall be made by day 515 of the child’s placement.

(c) For children under age 13, such notification shall be made by day 155 of the child’s placement in a qualified residential treatment program.

(iii) If the long stayer review team determines that continued placement in the qualified residential treatment program is supported, it shall submit its recommendation to the commissioner of the Office of Children and Family Services, or such commissioner’s designee, for review and consideration, and for such commissioner or such commissioner’s designee to make a determination regarding the appropriateness of the child’s continued placement in a qualified residential treatment program.

(a) For children age 13 or older approaching 12 consecutive months in a qualified residential treatment program, such recommendation shall be submitted by day 340 of the child’s placement.
(b) For children age 13 or older approaching 18 nonconsecutive months in a qualified residential treatment program, such recommendation shall be submitted by day 520 of the child’s placement.

(c) For children under age 13, such recommendation shall be submitted by day 160 of the child’s placement in a qualified residential treatment program.

(f) Formal notification of the commissioner’s determination will be forwarded to the local department of social services and the qualified residential treatment program and documented in the system of record.

(1) For children age 13 or older approaching 12 consecutive months in a qualified residential treatment program, such determination shall be forwarded by day 365 of the child’s placement.

(2) For children age 13 or older approaching 18 nonconsecutive months in a qualified residential treatment program, such determination shall be forwarded by day 540 of the child’s placement.

(3) For children under age 13, such information shall be submitted by day 180 of the child’s placement in a qualified residential treatment program.

439.6 Aftercare

(a) Youth who are stepped down to a placement in a foster family-home or discharged from foster care from a qualified residential treatment program must be offered, at minimum, six months of aftercare services as such term is defined in section 441.2 of this Title by the agency that provided the qualified residential treatment services.

(b) Qualified residential treatment programs shall:

(1) Begin planning discharge and aftercare services for every child entering their qualified residential treatment program within 72 hours of the child’s entry into that residential program and incorporate such planning into the child’s discharge planning activities required pursuant to section 439.4 of this Part;

(2) Utilize the support team plan developed in accordance with section 441.22 of this Title to identify the goals and objectives that will guide the discharge and aftercare plan;

(3) Provide or contract for the provisions services identified by the support team and aftercare plan for at least six months.

(c) The local department of social services with care and custody or custody and guardianship of the child must partner with the authorized agencies operating the qualified residential treatment programs around each child’s aftercare goals and objectives where necessary.

439.7 Certification for Qualified Residential Treatment Programs
(a) Any authorized agency may apply to the Office of Children and Family Services for certification for the program as a qualified residential treatment program. Such application must be in writing and shall be made in the time and manner as directed by the Office of Children and Family Services.

(b) At minimum, such application must:

(1) Demonstrate that the program is in compliance with requirements of this Part and, specifically, any requirement that may apply to a qualified residential treatment program through application of Parts 441 or 442 of this Title.

(2) Demonstrate that the program has obtained approval from the Office of Children and Family Services for the requisite manuals, policies and procedures for certification as a qualified residential treatment program, including, but not necessarily limited to:

(i) Policy and policy manuals required by section 441.4 of this Title;

(ii) Appropriate policies and procedures specific to the care and services that must be provided to children anticipated to be placed in the qualified residential treatment program and their families as may be required by this Part or a policy or administrative directive of the Office of Children and Family Services.

(3) Any other information as may be required by the Office of Children and Family Services.

439.8 Waivers

(a) Any provision of other Parts of this Title notwithstanding, a written waiver of one or more of the non-statutory requirements of this Title may be issued be the Office of Children and Family Services to an applicant for, or the holder of, an operating certificate from the Office of Children and Family Services to operate a qualified residential treatment program under this Part. Provided however, that no program may apply for a waiver for any requirements regarding non-discrimination. A waiver pursuant to this section may be issued at the time of application for an operating certificate to become a qualified residential treatment program or subsequent to the issuance of an operating certificate to operate a qualified residential treatment program. A program which applies for a waiver subsequent to the issuance of an operating to be a qualified residential treatment program, must operate in full compliance with the regulations at all times prior to the issuance of a waiver.

(b) An applicant for, or holder of, a certificate to operate a qualified residential treatment program must submit to the Office of Children and Family Services, in writing, any request for a waiver pursuant to this section. The Office of Children and Family Services may prescribe a form to be used for waiver requests. The application for a waiver must include:

(1) The specific regulation or regulations for which a waiver is sought;

(2) The reason a waiver is necessary; and
(3) A description of what will be done to achieve or maintain the intended purpose of the regulation or regulations for which a waiver is sought and to protect the health, safety and welfare of the youth in the program.

(c) The Office of Children and Family Services may require the applicant for, or holder of, an operating certificate to make physical plant modifications, and/or to adopt special methods, procedures, and/or policies to protect the health, safety and welfare of youth as a condition of granting and maintaining a waiver granted pursuant to this section.

(d) Written approval of a request for a waiver will be granted only pursuant to a determination by the Office of Children and Family Services that the proposed waiver will not adversely affect the health, safety or welfare of the youth in the program and that the intended purpose of the regulation or regulations to be waived will be met.

(e) Waivers may be time limited, at the discretion of the Office of Children and Family Services. Where a waiver is time limited, the program may apply for a continuation of the waiver. If the program does not apply for a continuation of the time-limited waiver or the continuation of the time-limited waiver is not granted by the Office of Children and Family Services, the program must resume compliance with the regulation or regulations for which the waiver had been issued upon the expiration of the waiver.

(f) Failure to adhere to the terms of the waiver and to any alternative measures required by the Office of Children and Family Services as a condition of granting the waiver will result in recission of the waiver and may constitute sufficient cause for the Office of Children and Family Services to limit, suspend, or revoke the operating certificate of the qualified residential treatment program for which the waiver was granted. The Office of Children and Family Services must notify the program in writing of the recission of a waiver, and the recission will become effective upon the receipt by the program of the written notification. The written notification of the recission may be communicated through personal delivery, electronic mail, telefax or regular mail, at the discretion of the Office of Children and Family Services.

9. Article 3 of Volume B of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to add a new Part 440 to read as follows:

PART 440 PROGRAMS FOR YOUTH WHO HAVE BEEN OR ARE AT-RISK OF SEX TRAFFICKING

440.1 Purpose

440.2 Definitions

440.3 Approval

440.5 Other Applicable Standards

440.6 Waivers
440.1 Purpose. The purpose of this Part is to establish the requirements to operate a program that provides high-quality residential care and supportive services to children and youth aged 10 and older who have been found to be, or are at risk of becoming, survivors of sex trafficking.

440.2 Definitions

(a) Approval to operate a facility means a written operating certificate issued by the Office to an authorized agency to operate a group home, agency boarding home or institution facility in accordance with all applicable regulations.

(b) Culture includes but is not limited to the practices of people in the facility that promote healing, connection and participation in self-growth of youth and families.

(c) Facility is defined as the building and grounds of a group home, agency boarding home or institution, as those terms are defined in section 441.2 of this Title, that has been approved by the Office pursuant to Parts 476 or 477 of this Title.

(d) Justice Center means the New York State Justice Center for the Protection of People With Special Needs.

(e) Office means the Office of Children and Family Services.

(f) Permanency resources is defined as an individual or individuals who are willing and available to care for the youth upon discharge.

(g) Positive youth development is defined as an intentional, prosocial approach that engages youth within their communities, schools, organizations, peer groups, and families in a manner that is productive and constructive; recognizes, utilizes, and enhances young people’s strengths; and promotes positive outcomes for young people by providing opportunities, fostering positive relationships and furnishing the support needed to build on their leadership strengths.

440.3 Approval.

(a) An authorized agency shall apply to the Office in writing for an operating certificate to operate a group home, agency boarding home or institution as a facility in which this program type operates, in a form and manner as required by the Office.

(1) At minimum, such application shall:

(i) Demonstrate that the facility is in compliance with requirements of this Part and, specifically, any requirement that may apply to a program for youth who have been or are at-risk of sex trafficking through application of Part 441 of this Title and that the program will serve no more than 12 youth;

(2) Demonstrate that the facility has obtained approval from the Office for the requisite manuals, policies and procedures for certification as a program for youth who have been or are at-risk of sex trafficking, including, but not necessarily limited to:
(i) Policy and policy manuals required by section 441.4 of this Title; and

(ii) Policies and procedures specific to the care and services that shall be provided to youth and their families who may be served in a program for youth who have been or are at-risk of sex trafficking as may be required by this Part or a policy or administrative directive of the Office; and

(3) Any other information as may be required by the Office.

(b) The provisions of Parts 476 and 477 of this Title shall apply to any application for, and issuance and conditions of, an operating certificate to operate a group home, agency boarding home or institution as a facility for this program type.

440.4 General Requirements.

(a) Programs shall have a physical environment, culture and programming to support the healing of youth who have experienced significant sexual trauma.

(b) Physical Plant. In addition to all physical plant requirements set forth in Parts 442, 447 and 448 as applicable, facilities shall additionally maintain a physical environment that is home-like and welcoming.

(1) Furnishings shall be maintained in good and clean condition, and be durable without being institutional in nature, materials and design.

(2) The facility should apply standards of design and materials that are trauma-responsive as required by the Office. Such standards include efforts to minimize noise, and the use of color and light to promote healing and calming responses.

(3) Single occupancy bedrooms should be made available to each youth. Youth may opt to share a bedroom with one other youth in a bedroom that meets all requirements with Parts 442, 447 and Part 448 as applicable.

(c) Program Requirements.

(1) A program must provide high-quality residential care and supportive community-based services tailored to the needs of adolescents and young adults as approved by the Office. The program must meet the cultural, therapeutic, medical, developmental and recreational needs of the youth as required by the Office.

(2) Therapeutic model. Programs must utilize therapeutic approaches that are evidence based or evidence informed to promote healing for adolescents with complex sexual trauma histories.

(3) Health care and health education. Programs must provide comprehensive sexual health education and health care that is responsive to youth with sexual trauma.

(4) Education and vocational supports. Programs must provide access to community-based education and vocational services and opportunities to children and youth served.
(d) Program culture.

1. Programs must be strengths based, rooted in positive youth development, and provide community-based opportunities for youth to thrive as required by the Office.

2. The program must create a positive affirming environment for youth of all racial and ethnic backgrounds and gender identities and sexual orientations.

3. The culture should reflect and affirm the backgrounds and identities of the youth and families and be oriented toward self-efficacy and risk tolerance.

(e) Youth engagement and positive youth development. Programs must include meaningful opportunities for youth voice, choice and leadership in their lives, in the program and in their community. Such engagement should include input into hiring, program design, behavioral supports and other areas as required by the Office.

(f) Policies and procedures manual. Programs must maintain a policy and procedure manual, which is to be updated with input from youth and families, as required by the Office.

(g) Youth manual. Programs must have a youth manual written in plain, youth-friendly language that clearly explains the rights and responsibilities of youth, program rules and other elements as required by the Office. Manuals must be reviewed annually, and there must be a process by which youth are involved in the updates.

(h) Engagement of permanency resource(s). Programs must engage and support youth’s permanency resources. Such support may include but not be limited to:

1. Psychoeducation about commercial sexual exploitation and trafficking;

2. Safety planning, including online safety;

3. Prevention for siblings and other youth in the home, as applicable;

4. Addressing stigma; and

5. Therapeutic supports to facilitate a successful transition and discharge plan;

(i) Staffing.

1. Programs must have direct care and supervisors of direct care staff to meet the needs of youth and as required by the Office.

2. Programs should implement a staff recruitment and retention strategy that encourages the employment of persons with relevant lived experiences.

3. Programs should provide supportive supervision and opportunities for self-care to all staff to address any secondary traumatic stress.
(j) Aftercare. Programs must provide for aftercare to youth and families as required by the Office.

(k) Admissions and Discharges.

(1) Admission. Youth of all genders may be admitted to a program only after all other options have been explored, except in those circumstances where a youth who otherwise meets the requirements set out by this section requests to be admitted.

(2) Discharge. Youth shall not be discharged solely due to frequent episodes of leaving a program without consent or destruction of property.

(l) Office approval. Programs must seek Office approval for changes to any approved program model, staffing plan, therapeutic approach, admission and discharge procedure, or aftercare services.

440.5 Other Applicable Standards.

(a) An institution, group home or agency boarding home holding an operating certificate from the Office as a facility in which this program type will operate shall comply with all standards otherwise applicable to such facility pursuant to this Title, except where there is a conflict between the standards in this Part and standards set forth elsewhere in this Title, in which case the standards set forth in this Part shall apply. Placements into these facilities and any changes in the placement of such youth shall be subject to all applicable provisions of the Family Court Act, section 404 of the Social Services Law, and all other applicable provisions of law in addition to the requirements of this Part.

(b) Office staff performing official functions shall have full access at all times to the grounds and buildings of these programs and facilities, the staff and residents, and any records of the facility in whatever form the records are maintained, including electronic and video records. The Office may require from the persons and/or agency operating the facility and/or program any information or documents the Office deems necessary for the discharge of the Office’s oversight of the facility and/or program.

(c) A group home, agency boarding home or institution holding an operating certificate from the Office as a facility in which this program type will operate shall be subject to and must comply with the requirements as set forth in Part 433 of this Title.

(d) A group home, agency boarding home or institution holding an operating certificate from the Office as a facility in which this program type will operate shall be subject to and must comply with the requirements set forth in Part 441 of this Title and, as applicable to the type of facility, Parts 442, 447 or 448 of this Title.

(e) Records of youth in a facility in which this program type will operate or receive programming as defined in this Part shall be maintained in the form and manner required by the Office, including but not limited to maintenance of those records required by the Office to be maintained in the system of record in the same manner as records for youth in foster care under the Social Services Law and Part 428 of this Title.
(f) Records concerning youth in these facilities or receiving this programming are confidential and shall be subject to the provisions of section 372 of the Social Services Law and any other applicable provisions of law concerning the confidentiality of records. Information that could reasonably identify a youth as being in such a program or facility shall not be released by the Office, a social services district, or an authorized agency, expect as otherwise provided by law.

440.6 Waivers.

(a) Any provision of other Parts of this Title notwithstanding, a written waiver of one or more of the non-statutory requirements of this Title may be issued by the Office to an applicant for, or the holder of, an operating certificate from the Office to operate a program for youth who have been or are at-risk of sex trafficking under this Part. Provided however, that no program may apply for a waiver for any requirements regarding non-discrimination. A waiver pursuant to this section may be issued at the time of application for an operating certificate to become a program for youth who have been or are at-risk of sex trafficking or subsequent to the issuance of an operating certificate to program for youth who have been or are at-risk of sex trafficking. A program which applies for a waiver subsequent to the issuance of an operating certificate to become a program for youth who have been or are at-risk of sex trafficking, must operate in full compliance with the regulations at all times prior to the issuance of a waiver.

(b) An applicant for, or holder of, a certificate to operate a program for youth who have been or are at-risk of sex trafficking must submit to the office, in writing, any request for a waiver pursuant to this section. The Office may prescribe a form to be used for waiver requests. The application for a waiver must include:

(1) The specific regulation or regulations for which a waiver is sought;

(2) The reason a waiver is necessary; and

(3) A description of what will be done to achieve or maintain the intended purpose of the regulation or regulations for which a waiver is sought and to protect the health, safety and welfare of the youth in the program.

(c) The Office may require the applicant for, or holder of, an operating certificate to make physical plant modifications, and/or to adopt special methods, procedures, and/or policies to protect the health, safety and welfare of youth as a condition of granting and maintaining a waiver granted pursuant to this section.

(d) Written approval of a request for a waiver will be granted only pursuant to a determination by the Office that the proposed waiver will not adversely affect the health, safety or welfare of the youth in the program and that the intended purpose of the regulation or regulations to be waived will be met.

(e) Waivers may be time limited, at the discretion of the Office. Where a waiver is time limited, the program may apply for a continuation of the waiver. If the program does not apply for a continuation of the time-limited waiver or the continuation of the time-limited waiver is not
granted by the Office, the program must resume compliance with the regulation or regulations
for which the waiver had been issued upon the expiration of the waiver.

(f) Failure to adhere to the terms of the waiver and to any alternative measures required
by the Office as a condition of granting the waiver will result in recission of the waiver and may
constitute sufficient cause for the Office to limit, suspend, or revoke the operating certificate of
the program for youth who have been or are at-risk of sex trafficking for which the waiver was
granted. The Office must notify the program in writing of the recission of a waiver, and the
recission will become effective upon the receipt by the program of the written notification. The
written notification of the recission may be communicated through personal delivery, electronic
mail, telefax or regular mail, at the discretion of the Office.

10. Paragraph (3) of subdivision (a) of section 441.2 of Title 18 of the Official
Compilation of Codes, Rules and Regulations of the State of New York is amended to read as
follows:

(3) Placement.

(i) the child's care and custody or guardianship and custody have been transferred to an
authorized agency pursuant to the provisions of section 358-a, 383-c, 384 or 384-a of the Social
Services Law; or

(ii) the child has been placed with a social services official pursuant to article 3, 7, 10,
10-B or 10-C of the Family Court Act.

11. Subdivisions (h) and (i) of section 441.2 of Title 18 of the Official Compilation of
Codes, Rules and Regulations of the State of New York are amended to read as follows:

(h) Group home means a family-type home for the care and maintenance of not less
than seven, nor more than 12, children who are at least five years of age, operated by an
authorized agency, in quarters or premises owned, leased or otherwise under the control of
such agency, except that such minimum age shall not be applicable to siblings placed in the
same facility nor to children whose [mother] parent is placed in the same facility.

(i) Agency boarding home means a family-type home for the care and maintenance of
not more than six children operated by an authorized agency, in quarters or premises owned,
leased or otherwise under the control of such agency, except that such a home may provide
care for more than six [brothers and sisters] siblings of the same family.

12. Subdivision (k) of section 441.2 of Title 18 of the Official Compilation of Codes,
Rules and Regulations of the State of New York is amended to add a new paragraph (7) to read
as follows:

(7) Carbon monoxide detector means a device that detects the presence of carbon
monoxide (CO) gas to prevent carbon monoxide poisoning.

13. Section 441.2 of Title 18 of the Official Compilation of Codes, Rules and
Regulations of the State of New York is amended to add new subdivisions (q), (r), (s), (t), (u)
and (v) to read as follows:
(q) **Family and permanency team** means the family and child permanency team that is
required to be assembled in accordance with section 409-h of the Social Services Law and
section 439.2 of this Title.

(r) **Qualified individual** means a trained professional or licensed clinician acting within
their scope of practice who shall have current or previous relevant experience in the child
welfare field and who shall conduct the assessment required for a child in accordance with
section 409-h of the Social Services Law and section 439.2 of this Title. Such individual shall
not be an employee of the Office of Children and Family Services, nor shall such person have a
direct role in case management or case planning decision-making authority for the child for
whom such assessment is being conducted, in accordance with 42 United States Code sections
672 and 675a and the state's approved Title IV-E state plan.

(s) **Qualified residential treatment program** means a program that is a non-foster family
residential program in accordance with 42 United States Code sections 672 and 675a and the
state's approved Title IV-E state plan and that meets the requirements of section 439.4 of this
Title and which is approved by the Office to operate as a qualified residential treatment
program.

(t) **Aftercare** shall mean services and supports provided to a child and, where applicable,
such child's family or discharge resource to increase the success and well-being of the child
when stepped-down to a home-based placement or when discharged from foster care
altogether.

(u) **Qualified residential treatment program exception** means: a supervised setting as
defined in section 371 of the Social Services Law and governed by Part 449 of this Title; a
program for youth who have been or at risk of sex trafficking governed by Part 440 of this Title;
or a specialized program to serve prenatal, postpartum or parenting youth certified pursuant to
this Title.

(v) **Child of a parenting youth**, means a child, children or an infant who is not in foster
care but who resides with their parent who is in foster care, pursuant to paragraph (3) of
subdivision (a) of this section, and where the child and parent are part of a parenting youth and
child of a parenting youth unit as such term is defined in section 427.2 of this Title.

14. Subdivision (a) of section 441.4 of the Official Compilation of Codes, Rules and
Regulations of the State of New York is amended to read as follows:

(a) Each child-care agency and facility operated by such agency will maintain, and keep
current and available, a manual or manuals which clearly state the policies of such agency with
respect to its programs including policies on agency continuous quality improvement, admission
criteria and procedures, psychiatric and medical care, social services, treatment of youth of all
sexual orientations, genders, gender identities and expression, child care, education, religious
observance, religious instruction and training, discharge criteria and procedures, discipline and
restraint, appropriate custodial conduct, children's rights, use of de-escalation rooms, shelter,
clothing, youth's personal property, diet, work and recreation, plant maintenance, fire, sanitation
and safety, and any other policy or procedure that is subject to approval of the Office in
accordance with any provision contained within this Title.
15. Paragraph (1) of subdivision (c) of section 441.21 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(1) Casework contacts with the child is defined as individual or group face-to-face contacts between the case planner, or the caseworker assigned to the child, as directed by the case planner, or the case manager, and the child. The purpose of the contacts is to assess the child's current safety and [well being] well-being, to evaluate or reevaluate the child's permanency needs and permanency goal, and to guide the child towards a course of action aimed at resolving problems of a social, emotional or developmental nature that are contributing towards the reason(s) why such child is in foster care. Where a youth is parenting a child, as part of a parenting youth and child of parenting youth unit as defined in section 427.2 of this Title, diligent efforts must be made to also see the child, children or infant of the parenting youth at each casework contact, to assess the safety and wellbeing of such child, children or infant of the parenting youth and to observe the parenting skills of the parenting youth. Such contact, assessment and observations must be documented in the parenting youth’s uniform case record.

16. Subdivision (a) of section 441.24 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(a) Authorized agency staff and volunteers shall not engage in or condone discrimination or harassment against prospective foster parents, foster parents, or [foster] children in foster care or any family members being served by the agency, on the basis of race, creed, color, national origin, age, sex, religion, sexual orientation, gender identity or expression, marital status, or disability. Authorized agencies shall promote and maintain a safe environment, take reasonable steps to prevent discrimination and harassment against youth by other youth; promptly investigate incidents of discrimination and harassment by staff, volunteers and youth[,]; and take reasonable and appropriate corrective or disciplinary action when such incidents occur. Certified or approved foster parents shall not engage in discrimination or harassment against [foster] children in foster care or any family members being served by the agency, on the basis of race, creed, color, national, origin, age, sex, religion, sexual orientation, gender identity or expression, marital status, or disability, and shall promote and maintain a safe environment.

17. Part 441 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to add a new section 441.26 to read as follows:

441.26 Waivers. (a) Any provision of other Parts of this Title notwithstanding, a written waiver of one or more of the non-statutory requirements of this of this Part may be issued be the Office to an applicant for, or the holder of, a license or an operating certificate from the Office to operate a program or facility pursuant to this Title. Provided however, that no program or facility may apply for a waiver for any requirements regarding non-discrimination. A waiver pursuant to this section may be issued at the time of application for a license or operating certificate to become a program or facility pursuant to this Title. A program or facility which applies for a waiver subsequent to the issuance of a license or operating certificate, must operate in full compliance with the regulations at all times prior to the issuance of a waiver.

(b) An applicant for, or holder of, a license or certificate to operate a program or facility pursuant to this Title must submit to the office, in writing, any request for a waiver pursuant to
this section. The Office may prescribe a form to be used for waiver requests. The application for a waiver must include:

(1) The specific regulation or regulations for which a waiver is sought;

(2) The reason a waiver is necessary; and

(3) A description of what will be done to achieve or maintain the intended purpose of the regulation or regulations for which a waiver is sought and to protect the health, safety and welfare of the youth in the program or facility.

(c) The Office may require the applicant for, or holder of, a license or operating certificate to make physical plant modifications, and/or to adopt special methods, procedures, and/or policies to protect the health, safety and welfare of youth as a condition of granting and maintaining a waiver granted pursuant to this section.

(d) Written approval of a request for a waiver will be granted only pursuant to a determination by the Office that the proposed waiver will not adversely affect the health, safety or welfare of the youth in the program or facility and that the intended purpose of the regulation or regulations to be waived will be met.

(e) Waivers may be time limited, at the discretion of the Office. Where a waiver is time limited, the program or facility may apply for a continuation of the waiver. If the program or facility does not apply for a continuation of the time-limited waiver or the continuation of the time-limited waiver is not granted by the Office, the program or facility must resume compliance with the regulation or regulations for which the waiver had been issued upon the expiration of the waiver.

(f) Failure to adhere to the terms of the waiver and to any alternative measures required by the Office as a condition of granting the waiver will result in recission of the waiver and may constitute sufficient cause for the Office to limit, suspend, or revoke the license or operating certificate of the facility or program for which the waiver was granted. The Office must notify the program or facility in writing of the recission of a waiver, and the recission will become effective upon the receipt by the program of the written notification. The written notification of the recission may be communicated through personal delivery, electronic mail, telefax or regular mail, at the discretion of the Office.

18. Section 442.17 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(f) Increased capacity.

(1) If a facility wishes to provide care and maintenance to more than 10 [mothers and 10 babies of such mothers] parenting youth and child of parenting youth unit as defined in subdivision (s) of section 427.2 of this Title, the facility must first submit a written request for an increase in capacity to the [appropriate office of the department] Office and receive the [department’s] written approval from the Office.

(2) Approval of such a request is subject to both an assessment of the need for the [mother and baby] parenting facility to care for additional residents and the ability of the facility to maintain the health and safety standards set forth in this section and to meet such other requirements of this section and this Part, which the [department] Office deems appropriate.

19. Subdivision (e) of section 442.21 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:
(e) An institution [primarily] serving [children under 12] parenting youth and a child of
parenting youth unit as defined in subdivision (s) of section 427.2 of this Title shall have on its
staff, or otherwise make provision for the services of, a pediatrician.

20. Subdivision (i) of section 442.21 of the Official Compilation of Codes, Rules and
Regulations of the State of New York is amended to read as follows:

(i)(1) The agency must always have on duty at least one person at each site operated
by an institution for each shift who is certified by the American Red Cross as trained in first aid
and cardiopulmonary resuscitation, including infant cardiopulmonary resuscitation if the program
is providing care to a parenting youth and child of a parenting youth unit as defined in
subdivision (s) of section 427.2 of this Title. All child care staff whose duties are predominantly
recreational in nature must be certified by the American Red Cross as trained in first aid.

(2) All nursing staff employed by an institution must be certified by the American Red
Cross as trained in first aid and cardiopulmonary resuscitation techniques, including infant
cardiopulmonary resuscitation if the program is providing care to a parenting youth and a child
of a parenting youth unit as defined in subdivision (s) of section 427.2 of this Title.

21. Section 442.25 of the Official Compilation of Codes, Rules and Regulations of the
State of New York is REPEALED and a new section 442.25 amended to read as follows:

442.25 Waivers.

(a) Any provision of other Parts of this Title notwithstanding, a written waiver of one or
more of the non-statutory requirements of this of this Part may be issued be the Office of
Children and Family Services to an applicant for, or the holder of, a license to operation of an
institution under this Part. Provided however, that no program may apply for a waiver for any
requirements regarding non-discrimination. A waiver pursuant to this section may be issued at
the time of application for a license to operate an institution. An institution which applies for a
waiver subsequent to the issuance of a license to operate an institution under this Part, must
operate in full compliance with the regulations at all times prior to the issuance of a waiver.

(b) An applicant for, or holder of, a license to operate an institution must submit to the
Office, in writing, any request for a waiver pursuant to this section. The Office of Children and
Family Services may prescribe a form to be used for waiver requests. The application for a
waiver must include:

(1) The specific regulation or regulations for which a waiver is
sought;

(2) The reason a waiver is necessary; and

(3) A description of what will be done to achieve or maintain the intended purpose of the
regulation or regulations for which a waiver is sought and to protect the health, safety and
welfare of the youth in the facility

(c) The Office of Children and Family Services may require the applicant for, or holder
of, a license to make physical plant modifications, and/or to adopt special methods, procedures,
and/or policies to protect the health, safety and welfare of youth as a condition of granting and maintaining a waiver granted pursuant to this section.

(d) Written approval of a request for a waiver will be granted only pursuant to a or welfare of the youth in the facility and that the intended purpose of the regulation or regulations to be waived will be met.

(e) Waivers may be time limited, at the discretion of the Office of Children and Family Services. Where a waiver is time limited, the program may apply for a continuation of the waiver. If the program does not apply for a continuation of the time-limited waiver or the continuation of the time-limited waiver is not granted by the Office of Children and Family Services, the facility must resume compliance with the regulation or regulations for which the waiver had been issued upon the expiration of the waiver.

(f) Failure to adhere to the terms of the waiver and to any alternative measures required by the Office of Children and Family Services as a condition of granting the waiver will result in recission of the waiver and may constitute sufficient cause for the Office of Children and Family Services to limit, suspend, or revoke the license to operate an institution for which the waiver was granted. The Office of Children and Family Services must notify the facility in writing of the recission of a waiver, and the recission will become effective upon the receipt by the institution of the written notification. The written notification of the recission may be communicated through personal delivery, electronic mail, telefax or regular mail, at the discretion of the Office of Children and Family Services.

22. A new section 442.26 is added to Part 442 of the Official Compilation of Codes, Rules and Regulations of the State of New York is added to read as follows:

(10) Every sleeping room occupied by children and/or children of parenting youth shall have good natural light and ventilation, and every sleeping room occupied by children shall have one or more windows opening directly to the outside.

(11) No bed shall be located in any unfinished attic, basement, stair hall, closet or room commonly used for other than bedroom purposes.

(12) Children of different [sex] genders above the age of four shall not sleep in the same room unless:

(i) Such occupants of the room are siblings or would constitute a parenting youth and a child of a parenting youth unit, as such term is defined in section 427.2 of this Title; and

(ii) It has been determined to be in the best interest of all children to share a sleeping room age-appropriate safe sleep protocols are followed, and the sharing of the same sleeping room does not create a danger to the health or safety of the occupants of the agency boarding home.

27. Paragraph (1) of subdivision (d) of section 447.2 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(1) No more than two children under 2 years of age shall be cared for in any agency boarding home unless such children are children of parenting youth.

28. Part 447 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to add a new section 447.10 to read as follows:

447.10 Certification for Specialized Programs to Serve Prenatal, Postpartum or Parenting Youth.

(a) Any facility governed by this Part may apply to the Office of Children and Family Services for certification for the program as a specialized program to serve prenatal, postpartum or parenting youth. Such application shall be in writing and shall be made in the time and manner as directed by the Office of Children and Family Services.

(b) At minimum, such application must:

(1) Demonstrate that the facility is in compliance with requirements of this Part and, specifically, any requirement contained within this Part that applies to parenting a youth, a child of a parenting youth, or a parenting youth and child of a parenting youth unit, as such terms are defined in section 427.2 of this Title.
(2) Demonstrate requisite Office of Children and Family Services approval of manuals, policies and procedures for a specialized program to serve pregnant, postpartum or parenting youth. Such materials include but are not limited to:

(i) Policy and policy manuals required by section 441.4 of this Title;

(ii) Policies and procedures specific to the care and services that shall be provided to a parenting youth, a child of a parenting youth, a parenting youth and a child of a parenting youth unit, as such terms are defined in section 427.2 of this Title, and for youth who are pregnant or postpartum, including but not limited to:

(a) Admission and intake procedures;

(b) Training for staff on topics related to the care and treatment of pregnant, postpartum or parenting youth and the children of parenting youth, which may include, but not be limited to:

(1) Child development;

(2) Care for postpartum youth;

(3) Youth and family engagement;

(4) Safety risks during pregnancy and for postpartum youth; and

(5) Safety risks for infants if the facility will provide care to any child of a parenting youth that may be an infant.

(c) Staffing ratios

(d) Proposed model of trauma-informed care;

(e) Promotion of cultural awareness, and competency regarding race, culture, gender, sexual orientation and socioeconomic factors;

(k) Specific services and programing tailored to meet the needs of pregnant, postpartum, parenting youth or the children of parenting youth; and

(3) Include any other information as may be required by the Office of Children and Family Services.
29. Part 447 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to add a new section 447.11 to read as follows:

447.11 Waivers

(a) Any provision of other Parts of this Title notwithstanding, a written waiver of one or more of the non-statutory requirements of this of this Part may be issued by the Office of Children and Family Services to an applicant for, or the holder of, a license or an operating certificate from the Office of Children and Family Services to operate a program or facility pursuant to this Part. Provided however, that no program or facility may apply for a waiver for any requirements for non-discrimination. A waiver pursuant to this section may be issued at the time of application for a license or operating certificate to become a program or facility pursuant to this Title. A program or facility which applies for a waiver subsequent to the issuance of a license or operating certificate, must operate in full compliance with the regulations at all times prior to the issuance of a waiver.

(b) An applicant for, or holder of, a license or certificate to operate a program or facility pursuant to this Part must submit to the office, in writing, any request for a waiver pursuant to this section. The Office of Children and Family Services may prescribe a form to be used for waiver requests. The application for a waiver must include:

(1) The specific regulation or regulations for which a waiver is sought;

(2) The reason a waiver is necessary; and

(3) A description of what will be done to achieve or maintain the intended purpose of the regulation or regulations for which a waiver is sought and to protect the health, safety and welfare of the youth in the program or facility.

(c) The Office of Children and Family Services may require the applicant for, or holder of, a license or operating certificate to make physical plant modifications, and/or to adopt special methods, procedures, and/or policies to protect the health, safety and welfare of youth as a condition of granting and maintaining a waiver granted pursuant to this section.

(d) Written approval of a request for a waiver will be granted only pursuant to a determination by the Office of Children and Family Services that the proposed waiver will not adversely affect the health, safety or welfare of the youth in the program or facility and that the intended purpose of the regulation or regulations to be waived will be met.

(e) Waivers may be time limited, at the discretion of the Office of Children and Family Services. Where a waiver is time limited, the program or facility may apply for a continuation of the waiver. If the program or facility does not apply for a continuation of the time-limited waiver or the continuation of the time-limited waiver is not granted by the Office of Children and Family Services, the program or facility must resume compliance with the regulation or regulations for which the waiver had been issued upon the expiration of the waiver.

(f) Failure to adhere to the terms of the waiver and to any alternative measures required by the Office of Children and Family Services as a condition of granting the waiver will result in recission of the waiver and may constitute sufficient cause for the Office of Children and Family Services to limit, suspend, or revoke the license or operating certificate of the program or facility.
for which the waiver was granted. The Office of Children and Family Services must notify the facility or program in writing of the recission of a waiver, and the recission will become effective upon the receipt by the program of the written notification. The written notification of the recission may be communicated through personal delivery, electronic mail, telefax or regular mail, at the discretion of the Office of Children and Family Services.

30. Paragraph (4) of subdivision (b) of section 448.3 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(4) Provision for a staff member to be in attendance to care for every four children of parenting youth who are infants under two years of age in a facility caring for [mothers and their children when the mothers are] parenting youth and children of parenting youth when the parenting youth is placed out of the home.

31. Subparagraphs (i) – (vi) of paragraph (4) of subdivision (d) of section 448.3 of the Official Compilation of Codes, Rules and Regulations of the State of New York are amended to read as follows:

(i) Every sleeping room occupied by children and/or children of parenting youth shall have good natural light and ventilation, and shall have one or more windows opening directly to the exterior.

(ii) Separate and accessible drawer space for personal belongings and sufficient closet space for indoor and outdoor clothing shall be available for each child and each child of a parenting youth.

(iii) No bed shall be located in any unfinished attic, basement, stair hall, closet, or room commonly used for other than bedroom purposes.

(iv) Except for [mothers and their children] parenting youth and any child of a parenting youth, children of different [sexes] genders over the age of five shall not sleep in the same room unless such children are siblings, and unless it has been determined to be in the best interest of the children who are either part of a parenting youth and a child of a parenting youth unit, as such term is defined in section 427.2 of this Title or part of a sibling group. Where children of different genders occupy the same sleeping room in accordance with this subparagraph, they must have separate sleeping accommodations appropriate to their age and developmental stage, and consistent with safe sleep protocols.

(v) [All single sleeping rooms for children] The minimum floor area of a single sleeping room occupied by a child, including a parenting youth shall contain not less than 80 square feet of floor area and a minimum horizontal dimension of seven feet, and for a child of a parenting youth, not less than 40 square feet.

37. Part 448 of Title 18 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to add a new section_448.12 to read as follows:

448.12 Waivers.
(a) Any provision of other Parts of this Title notwithstanding, a written waiver of one or more of the non-statutory requirements of this of this Part may be issued be the Office to an applicant for, or the holder of, a license or an operating certificate from the Office to operate a program or facility pursuant to this Part. Provided however, that no program or facility may apply for a waiver regarding any requirements regarding non-discrimination. The waiver pursuant to this section may be issued at the time of application for a license or operating certificate to become a program or facility pursuant to this Title. A program or facility which applies for a waiver subsequent to the issuance of a license or operating certificate, must operate in full compliance with the regulations at all times prior to the issuance of a waiver.

(b) An applicant for, or holder of, a license or certificate to operate a program or facility pursuant to this Part must submit to the office, in writing, any request for a waiver pursuant to this section. The Office may prescribe a form to be used for waiver requests. The application for a waiver must include:

(1) The specific regulation or regulations for which a waiver is sought;

(2) The reason a waiver is necessary; and

(3) A description of what will be done to achieve or maintain the intended purpose of the regulation or regulations for which a waiver is sought and to protect the health, safety and welfare of the youth in the program or facility.

(c) The Office may require the applicant for, or holder of, a license or operating certificate to make physical plant modifications, and/or to adopt special methods, procedures, and/or policies to protect the health, safety and welfare of youth as a condition of granting and maintaining a waiver granted pursuant to this section.

(d) Written approval of a request for a waiver will be granted only pursuant to a determination by the Office that the proposed waiver will not adversely affect the health, safety or welfare of the youth in the program or facility and that the intended purpose of the regulation or regulations to be waived will be met.

(e) Waivers may be time limited, at the discretion of the Office. Where a waiver is time limited, the program or facility may apply for a continuation of the waiver. If the program or facility does not apply for a continuation of the time-limited waiver or the continuation of the time-limited waiver is not granted by the Office, the program or facility must resume compliance with the regulation or regulations for which the waiver had been issued upon the expiration of the waiver.

(f) Failure to adhere to the terms of the waiver and to any alternative measures required by the Office as a condition of granting the waiver will result in recission of the waiver and may constitute sufficient cause for the Office to limit, suspend, or revoke the license or operating certificate of the program or facility for which the waiver was granted. The Office must notify the facility or program in writing of the recission of a waiver, and the recission will become effective upon the receipt by the program of the written notification. The written notification of the recission may be communicated through personal delivery, electronic mail, telefax or regular mail, at the discretion of the Office.
38. The title of Part 449 of Title of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

Part 449 Supervised [Independent Living Programs] Settings.

39. Subdivision (c) – (h) of section 449.1 of the Official Compilation of Codes, Rules and Regulations of the State of New York are amended and new subdivisions (i) and (j) are added to read as follows:

(c) Supervised setting means, in accordance with section 371 of the Social Services Law, a residential placement in the community approved and supervised by an authorized agency in accordance with this Part to provide a transitional experience for older youth in which such youth may live independently. A supervised setting includes, but is not limited to, placement in a supervised independent living program as defined in this section, college housing, shared housing with non-foster care youth and room rentals.

(d) Supervised setting program authorization means written approval issued by OCFS to an authorized agency for the operation and approval of supervised settings.

(e) Supervised independent living program authorization means written approval issued by OCFS to an authorized agency in accordance with this Part for the operation of a supervised independent living program.

(f) Supervised independent living program means one or more of a type of agency-operated boarding home operated and certified by an authorized agency in accordance with this Part to provide a transitional experience for older youth who, based upon their circumstances, are appropriate for transition to the level of care and supervision provided in the program.

(g) Supervised independent living unit means a home or apartment certified in accordance with the standards set forth in this Part by an authorized agency approved by OCFS to operate a supervised independent living program for the care of up to four youth including their children. Each supervised independent living unit must be located in the community separate from any of the authorized agency’s other congregate dwellings.

(h) Supervised independent living program certification means a certificate issued by an authorized agency approved to operate a supervised independent living program for the operation of a supervised independent living unit. Such certification is non-transferable and is effective for a one year period.

(i) Youth means a child or young adult in the care and custody or the custody and guardianship of the commissioner of a local department of social services or OCFS.

(j) Adult permanency resource means a caring committed adult who has been determined by a social services district to be an appropriate and acceptable resource for a youth and is committed to providing emotional support, [advise] advice and guidance to the youth and to assist the youth as the youth makes the transition from foster care to responsible adulthood.

40. Section 449.2 of Title of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:
449.2 Conditions for application and approval of a supervised [independent living] setting program.

(a) An authorized agency may not operate a supervised [independent living] setting program until it [received] receives the written approval of OCFS.

(b) An authorized agency desiring to operate a supervised [independent living] setting program must apply to OCFS for authorization to operate such a program in a manner as required by OCFS. Such application must include:

(1) a description of the need for the program and a list of the social services districts interested in using the program, [including letters of support from all districts that intend to use the proposed program];

(2) a description of the services that will be provided, including a plan setting forth how the services will be provided;

(3) the population to be served;

(4) proposed staffing, including the proposed staff to youth ratio for the program and the procedures for obtaining background checks on prospective employees, volunteers or consultants;

(5) a description of how [units] settings will be located and [certified] approved or certified;

(6) a certification that all supervised [independent living units] settings will be operated in compliance with this Part; and

(7) any other information required by OCFS.

(c) A review to determine the applicant's compliance with OCFS requirements will be conducted by OCFS after the receipt of the application and all required supporting documentation.

(d) A notice of approval or denial of the application will be issued by OCFS after the completion of the review [and, if].

(1) If the application is approved, a letter of approval will be issued by OCFS to the applicant.[(e)]

(2) If an application is denied, OCFS will give written notice of the denial to the applicant, informing the applicant of the reasons therefore and of the applicant's right to request a hearing before a hearing officer designated by OCFS in accordance with the procedures set forth in Part 343 of this Title. [(f)] The applicant's request for a hearing to review the denial of an application for an operating certificate must be made within 60 days after written notice of denial.[(g) the supervised independent living program and each independent living unit]
(e) Supervised settings are subject to the inspection, supervision and enforcement powers of OCFS, as set forth in Article 7 of the Social Services Law.

41. Section 449.3 of Title of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

449.3 Conditions for operation of a supervised [independent living program] setting program by an authorized agency.

(a) After receiving approval to operate a supervised [independent living] setting program from OCFS, the authorized agency may operate a program and certify or approve supervised [independent living units] settings for occupancy by youth at the sites for which the authorized agency has issued supervised [independent living program] setting certifications or approvals.

(b) An authorized agency may only issue supervised [independent living program] setting certifications or approvals for sites that are in compliance with the requirements of this Part.

(c) An authorized agency operating an approved supervised independent living program must notify OCFS of the certification, renewal and/or closure of each supervised independent living unit. Such notice must be made by the authorized agency within 10 days of such certification, renewal or closure in the form and manner as required by OCFS. Prior to placement in a supervised setting, with the exception of college-owned housing, the authorized agency operating the supervised setting program must perform a readiness assessment for the youth. Such readiness assessment must be in a form and manner prescribed by OCFS and must determine that the placement in the supervised setting is appropriate based on the needs of the individual youth.

(d) The authorized agency is responsible for the inspection, monitoring and/or supervision, as applicable, of all the supervised [independent living units operated] settings certified or approved by the authorized agency.

(e) A professionally trained caseworker, a person with experience in child welfare, or a person holding a master's degree in a related field who is in the employ of the authorized agency must supervise the supervised independent living program.

(f) The person designated to supervise the program must make the determination as to the youth to be placed in each supervised independent living unit, or such determination may be made by an interdisciplinary team when it is the general practice of the authorized agency to use such teams to make placement decisions.

(g) Adequate staffing must be maintained to provide services, visits, and supervision. The supervision of youth participating in a supervised independent living program must be performed by designated staff member(s) of the authorized agency who are qualified to perform such function; staff member(s) so designated must visit and consult with each youth at the supervised independent living unit at least twice per week. At least one visit per week must be held outside of standard business hours. An increased number of visits are required, when necessary, to address the individual health and safety needs of the residents of the supervised independent living unit. Visits conducted pursuant to this subdivision may satisfy the casework contact requirements of section 441.21(c) of this Title to the extend that visits are made by the
child's case planner or caseworker assigned to the child by the case planner.\(\text{(h)}\) The authorized agency must re-evaluate and renew the certification or approval of each supervised [independent living unit] setting on an annual basis using standards contained in this Part. This evaluation must be documented in the authorized agency’s record.\(\text{(i)}\)

\(\text{(f)}\) Reimbursement for certified or approved supervised [independent living units] settings will be provided on a basis and in a manner as determined by OCFS. \(\text{(j)}\)

\(\text{(g)}\) An authorized agency operating a supervised [independent living program] setting program must submit fiscal and program data to OCFS in accordance with the provisions of Part 427 of this Title.

\(\text{(h)}\) In addition to the requirements for casework contacts contained in 441.21, staff must visit or communicate with each youth placed in a supervised setting no less than once per week and in the case of a supervised independent living unit, no less than twice a week. With the exception of youth placed in college-owned housing, at least one casework contact per month must be a face-to-face contact.

\(\text{(i)}\) Supervised setting must be in compliance with all applicable provisions of state and local laws, ordinances, rules and regulations concerning health, safety and nondiscrimination.

\(\text{(j)}\) In addition to the conditions set forth above, the following conditions apply solely to supervised independent living programs:

\(\text{(1)}\) An authorized agency operating an approved supervised independent living program must notify OCFS of the certification, renewal and/or closure of each supervised independent living unit. Such notification must be made by the authorized agency within 10 days of such certification, renewal or closure in the form and manner as required by OCFS.

\(\text{(2)}\) A professionally trained caseworker, a person with experience in child welfare, or a person holding a master’s degree in a related field who is in the employ of the authorized agency must supervise the supervised independent living program.

\(\text{(3)}\) The person designated to supervise the program must make the determination as to the youth to be placed in each supervised independent living unit, or such determination may be made by an interdisciplinary team when it is the general practice of the authorized agency to use such teams to make placement decisions.

\(\text{(4)}\) Adequate staffing must be maintained to provide services, visits, and supervision. The supervision of youth participating in a supervised independent living program must be performed by designated staff member(s) of the authorized agency who are qualified to perform such function; staff member(s) so designated must visit and consult with each youth at the supervised independent living unit at least twice per week. At least one visit per week must be held outside of standard business hours. An increased number of visits are required, when necessary, to address the individual health and safety needs of the residents of the supervised independent living unit. Visits conducted pursuant to this subdivision may satisfy the casework contact requirements of section 441.21(c) of this Title to the [extend] extent that visits are made by the youth’s case planner or caseworker assigned to the youth by the case planner.
42. The title of section 449.4 of the Official the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

449.4 Requirements for each supervised [independent living unit] setting.

43. The opening clause and subparagraph (i) of paragraph (1) of subdivision (a) of section 449.4 of the Official the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(a) Personnel

(1) Each authorized agency operating a supervised [independent living] setting program must establish a procedure to review and evaluate the backgrounds of and information supplied by all applicants for employee, volunteer or consultant positions in the supervised [independent living] setting program. This procedure must take into account any appropriate collective bargaining agreement(s), and in the case of a supervised independent living program operated by a social services official, must also comply with applicable provisions of the Civil Service Law. As part of this procedure, each employee, volunteer, or consultant applicant must submit all of the following information:

(i) a statement or summary of the applicant's employment history, including, but not limited to, any relevant child-caring experience, any experience working with transition age youth with histories of trauma, incarceration, homelessness or foster care, and any of the applicant's own lived experience in foster care;

44. Paragraphs (2) and (3) of subdivision (a) of section 449.4 of the Official the Official Compilation of Codes, Rules and Regulations of the State of New York are amended to read as follows:

(2) Persons [caring] providing supervision and support for youth must be in good physical and mental health, and free from any communicable disease infection, must be shown by a certificate from a physician at the time of initial employment and annually thereafter.

(3) If an applicant discloses in the sworn statement furnished in accordance with subparagraph (1)(iv) of this subdivision that he or she has been convicted of a crime, the authorized agency operating the supervised [independent living] setting program must determine, in accordance with guidelines developed and disseminated by OCFS, whether to hire the applicant or to use the volunteer or consultant. If the authorized agency determines it will hire the applicant or use the applicant as a volunteer or consultant, the authorized agency must maintain a written record, as part of the application file or employment or other personnel record of such person, of the reason(s) why such person was determined to be appropriate and acceptable as an employee, volunteer or consultant.

45. The opening clause of subparagraph (i) of paragraph (4) of subdivision (a) of section 449.4 of the Official the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows

(i) With regard to any person who is actively being considered for employment, or to any individual or any person who is employed by an individual, corporation, partnership or association which provides goods or services to the authorized agency, [.] The] the authorized
agency operating the supervised [independent living] setting program must inquire of OCFS whether any such person is the subject of an indicated report of child abuse or maltreatment on file with the Statewide Central Register of Child Abuse and Maltreatment. In addition, the authorized agency may inquire whether any current employee or any person who is being considered for use as a volunteer or for hiring as a consultant with youth who are being cared for by the supervised setting [independent living] program is the subject of an indicated report of child abuse or maltreatment on file with the Statewide Central Register of Child Abuse and Maltreatment. An inquiry regarding any current employee may be made only once in any six-month period.

46. Subparagraph (v) and the opening clause of subparagraph (vi) of paragraph (4) of subdivision (a) of section 449.4 of the Official the Official Compilation of Codes, Rules and Regulations of the State of New York are amended to read as follows:

(v) If the applicant, employee or other person about whom the authorized agency has made an inquiry is found to be the subject of an indicated report of child abuse or maltreatment, the authorized agency must determine, on the basis of information it has available and in accordance with guidelines developed and disseminated by OCFS, whether to hire, retain or use the person as an employee, volunteer or consultant, or to permit the person providing goods or services to have access to youth being cared for by the authorized agency. Whenever such person is hired, retained, used or given access to youth, the authorized agency must maintain a written record, as part of the application file or employment or other personnel record of such person, of the specific reason(s) why such person was determined to be appropriate and acceptable as an employee, volunteer, consultant, or provider of goods or services with access to youth being cared for by the supervised [independent living] setting program.

(vi) If the authorized agency denies employment or makes a decision not to retain an employee, not to use a volunteer, not to hire a consultant, or not to permit a person providing goods or services to have access to youth being cared for by the supervised [independent living] setting program, the authorized agency must provide a written statement to the applicant, employee, volunteer or consultant or other person indicating whether the denial or decision was based in whole or in part on the existence of the indicated report and, if so, reasons for the denial or decision. If the denial or decision was based in whole or in part on such indicated report, the statement must also include written notification, in the form prescribed by OCFS to the applicant, employee, volunteer, consultant or other person that:

47. Subparagraph (iii) of paragraph (5) of subdivision (a) of section 449.4 of the Official the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(iii) Each program under this section is required by section 553 of the Executive Law, and subdivision 1 of section 378-a of the Social Services Law, to obtain criminal history background checks for certain prospective employees, [or volunteers] who will have the potential for substantial, unsupervised or unrestricted physical contact with children or vulnerable persons] or consultants through the Justice Center as authorized by article 20 of the Executive Law.

48. Subdivisions (b), (c) and (d) of section 449.4 of the Official the Official Compilation of Codes, Rules and Regulations of the State of New York are amended to read as follows:
(b) Physical facility requirements for supervised setting, except for college-owned housing

1. A safety checklist in a form and format prescribed by OCFS must be completed with the youth prior to initial placement in any supervised setting, with the exception of a setting classified as college-owned housing, and prior to any change in placement to another supervised setting, or at least annually thereafter.

2. A supervised [independent living unit] setting must be in an appropriate neighborhood and so located that it [is readily accessible] allows access to necessary services and adequate transportation.

3. A supervised [independent living unit] setting must be of sufficient size to provide proper accommodations for the youth placed in the [unit] setting and in compliance with all applicable state and local ordinances, rules, regulations and codes.

4. A supervised [independent living unit] setting must be kept in clean and sanitary condition and in good repair, and must provide for the reasonable comfort and wellbeing of the youth.

5. A supervised [independent living unit] setting must be [protected by a fire detection system, a sprinkler system, as those terms are defined in section 441.2 of this Title, or] in compliance with all applicable state and local ordinances, rules, regulations and codes, including having a smoke detection system or individual smoke detectors and individual carbon monoxide detectors as required by applicable local codes and the New York State Uniform Fire Prevention and Building Code.

6. Buildings used in whole or in part as a supervised [independent living unit] setting must comply with all applicable laws, ordinances, rules, regulations and codes relating to buildings, fire protection, health and safety.

7. In addition to the above, the following requirements also apply if the supervised setting is a supervised independent living unit:

8. All areas of fire hazard in the supervised independent living unit must be protected by a sprinkler system or fire detection system, as those terms are defined in section 441.2 of this Title. Areas of fire hazard must be separated from other areas by construction having a fire resistance rating of at least one hour. An area of fire hazard means a heating equipment room; a woodworking shop; a paint shop; a storeroom for mattresses, furniture, paints and/or other combustible or flammable materials or liquids; and any other space or room exceeding 100 square feet in floor area where other combustible or flammable materials are regularly stored.

9. Other than quantities of flammable materials necessary for the operation and maintenance of the supervised independent living unit, which must be kept in closed containers in storage cabinets, and fuel oil, which must be kept in oil storage tanks, flammable materials must not be stored in the supervised independent living unit.

10. All fire protection systems and equipment must be designed, installed and maintained in accordance with the New York State Uniform Fire Prevention and Building Code.
All fire protection systems and equipment must be inspected according to local and New York State building codes. A written report of such inspections must be kept on file by the authorized agency. All identified defects in systems or equipment must be corrected and re-inspected immediately. This inspection requirement does not apply to supervised settings that are located in private, owner-occupied buildings or college owned housing.

[(v)(iii)] A supervised [independent living unit] setting must be free from all conditions that constitute a hazard to the life, health or safety of any person. The following are prohibited:

(a) portable electric space heaters or self-contained fuel-burning space heaters, unless specifically permitted by the authorized agency and plugged into a grounded outlet

(b) solid-fuel-burning, free-standing stoves, except where approved in writing by the authorized agency;

(c) use of fuel-burning or electric “hot plates”;  

(d) illegal connections for gas appliances;

(e) combustible or flammable containers for ashes;

(f) the accumulation of combustible or flammable materials in any part of the unit;

(g) damaged equipment, furnishings or physical plant, when their condition makes them unsafe for normal use

(h) broken plumbing or stopped sewers that are not promptly repaired;

(i) [exposed steam pipes, heating pipes and radiators and unenclosed heating plants and equipment with which youth may come in contact;]

(j) use of materials containing asbestos in any construction, renovation or repair of any supervised independent living program where such construction, renovation or repair occurs on or after July 1, 1993;

(k) any furniture, toys or construction containing lead-based paint;

(l)] any lead paint hazard or paint condition conducive to lead poisoning, as such term is defined in 10 NYCRR 67.1. Any building used in whole or in part as a supervised independent living unit occupied by a child six years of age or younger must be inspected to determine if it is presents such hazard. The authorized agency must request the local health department to perform such inspection and is responsible for correcting any hazard called to its attention as a result of such inspection. In the event that such request for inspection is rejected by the local health department, the authorized agency must notify OCFS immediately;

[(m)] (j) extension cords, unless approved in writing by the authorized agency; and

[(n)] (k) any other condition deemed hazardous by OCFS or the authorized agency
(l) In addition to the above, the following items are additionally prohibited if the supervised setting is a supervised independent living unit:

(1) exposed steam pipes, heating pipes and radiators and unenclosed heating plants and equipment with which youth may come in contact;

(2) use of materials containing asbestos in any construction, renovation or repair of any supervised independent living program where such construction, renovation or repair occurred on or after July 1, 1993;

(3) any furniture, toys, or construction containing lead-based paint in any supervised independent living unit in which the youth lives with their child.

[(vi)] (iv) Fire extinguishers must be provided in each supervised independent living unit setting and maintained in accordance with the New York State Uniform Fire Prevention and Building Code. Additionally, if the supervised setting is a supervised independent living unit the fire extinguishers must be wall mounted between two feet and four-and-one-half feet above the floor; all staff members and youth must be instructed in the proper operation of extinguishers; and in each unit there must be a minimum of one fire extinguisher on each floor and, additionally, one in the kitchen, one in the laundry room and one outside any heating equipment room. [(vii)]

(v) A supervised independent living unit setting must have a minimum of two means of egress from the unit's floor that are readily accessible to the youth. For a window opening to qualify as a means of egress, it must be in compliance with all applicable state and local ordinances, rules, regulations and codes. A fully sprinklered building does not require a second means of egress. In addition, if the supervised setting is a supervised independent living unit, for the window opening to qualify as a means of egress, it must be at least 24 inches high and 20 inches wide with the bottom of the window no higher than three feet eight inches above the floor unless acceptable access is provided by steps or furniture fixed in place. An upper level window, to qualify as a means of egress, must also have a platform outside the window and a stair, permanently affixed to the building, leading to ground level. [(viii)]

(vi) Youth placed in a supervised setting that is a supervised independent living unit are not permitted to sleep above the second story in a building of type 5, wood frame construction (that type of construction in which the walls, partitions, floors and roof are wholly or partly of wood or other combustible materials) unless a fully approved operating fire protection and/or fire detection systems exists throughout the building including basement and attic areas. Youth of limited mobility and an unaccompanied child of parenting youth as such term is defined in section 441.2 of this Title are not permitted above the first story in a building of wood frame construction. A building of wood frame construction occupied by youth of limited mobility must be protected by a sprinkler system and the first story must be handicap accessible for youth of limited mobility and accommodate the needs of such youth.

[(ix)] (vii) All exit doors and means of egress, halls and stairs must be in compliance with all applicable state and local ordinances, rules, regulations and codes and must be well lighted and kept clean, free of obstruction and ready at all times for immediate use. [Battery-operated] In addition, if the supervised setting is a supervised independent living unit, battery-operated or generator-powered emergency lighting units or systems must be provided and maintained in accordance with the New York State Uniform Fire Prevention and Building Code.
(x) Each supervised independent living unit must be provided with emergency lights, such as flashlights or battery-operated lanterns, in good working order.

(xi) Each supervised independent living unit must have a plan for evacuation of the unit, posted in a conspicuous place on each floor level in the unit. The agency must maintain a diagram of the living unit’s floor plan on file.

(xii) Youth and staff must be instructed in how to evacuate the building in which the supervised independent living unit is located. Newly admitted youth, newly hired staff and volunteers must be instructed in evacuation procedures as part of their orientation to the supervised independent living unit. Evacuation procedures must be reviewed quarterly with youth after placement.

(xiii) Electrical wiring and equipment must comply with the New York State Uniform Fire Prevention and Building Code and any other applicable laws, ordinances, rules, regulations and codes. Certification of such compliance is required for all new supervised independent living units prior to opening and a record of such certification of compliance must be kept on file by the authorized agency. OCFS may require recertification of the safety of an electrical system in any supervised independent living unit where the electrical system appears to be unsafe or inadequate, or if new electrical work has been done.

(xiv) Heating, ventilating and other mechanical systems must comply with the New York State Uniform Fire Prevention and Building Code and any other applicable laws, ordinances, rules, regulations and codes and must be designed, installed, located and maintained so that under normal conditions of use such equipment and systems are not a danger to the health or welfare of youth or staff in the building in which the supervised independent living unit is located. Heating plants and equipment must be protected from tampering by youth.

(xv) All shop, maintenance, grounds and farm equipment must be equipped with approved safety devices and must be maintained in safe working condition. Youth must not operate such equipment except under the close supervision of responsible staff members.

(xvi) A minimum of one non-coin operated, single line telephone must be provided and must be accessible at all times in each supervised independent living unit occupied by youth or each youth must be provided with a personal cellular telephone. Emergency telephone numbers for fire, police and medical assistance must be posted in the supervised independent living unit.

(xvii) Each authorized agency must request in writing an annual safety inspection of the buildings in which supervised independent living units are located and all fire protection equipment by local fire authorities and/or the authorized agency fire and casualty insurance carrier who must be requested to give the authorized agency a written report of their findings. An authorized agency is responsible for correcting any hazards called to its attention as a result of such inspection that could affect a supervised independent living unit in the building and for keeping a copy of the report and a written record of the action taken, with date, on file. An authorized agency must keep a copy of the written request for inspection and the response on file and must notify OCFS immediately in the event that such request for inspection is rejected by the local fire authorities or the authorized agency’s fire and casualty insurance carriers.

(xviii)]
An authorized agency must report promptly by telephone to OCFS the occurrence of any fire in any supervised [independent living unit] setting, or within any building in which such authorized agency has approved or certified a supervised [independent living unit] setting. This report must be made as soon as possible and in no event later than 24 hours after the fire, and the authorized agency must then confirm the occurrence of the fire by a written report to OCFS within 10 working days after the date of the fire. The written report must include:

(a) the date and time of the fire;
(b) the extent of personal injuries;
(c) the extent of property damage;
(d) the probable cause of the fire, if known;
(e) which fire department responded;
(f) whether youth were relocated, and, if so, where;
(g) whether fire and smoke detection and alarm devices or systems operated properly;
(h) whether evacuation procedures were followed;
(i) the location of the fire;
(j) a description of the progress of the fire, the manner in which the fire spread and what efforts were made and methods were used to combat the fire; and
(k) any problems encountered with evacuation procedures, response by the fire department and ability of the fire department to combat the fire effectively.

[(xix)] (ix) All fireplaces and their chimneys in the supervised [independent living unit] setting must be inspected and cleaned annually by a qualified person. [(5)]

(x) The following additional requirements only apply if the supervised setting is a supervised independent living unit:

(a) Each supervised independent living unit must be provided with emergency lights, such as flashlights or battery-operated lanterns, in good working order.

(b) Each supervised independent living unit must have a plan for evacuation of the unit, posted in a conspicuous place on each floor level in the unit. The agency must maintain a diagram of the living unit's floor plan on file.

(c) Youth and staff must be instructed in how to evacuate the building in which the supervised independent living unit is located. Newly admitted youth, newly hired staff and volunteers must be instructed in evacuation procedures as part of their orientation to the supervised independent living unit. Evacuation procedures must be reviewed quarterly with youth after placement.
(d) Electrical wiring and equipment must comply with the New York State Uniform Fire Prevention and Building Code and any other applicable laws, ordinances, rules, regulations and codes. Certification of such compliance is required for all new supervised independent living units prior to opening and a record of such certification of compliance must be kept on file by the authorized agency. OCFS may require recertification of the safety of an electrical system in any supervised independent living unit where the electrical system appears to be unsafe or inadequate, or if new electrical work has been done.

(e) Heating, ventilating and other mechanical systems must comply with the New York State Uniform Fire Prevention and Building Code and any other applicable laws, ordinances, rules, regulations and codes, and must be designed, installed, located and maintained so that under normal conditions of use such equipment and systems are not a danger to the health or welfare of youth or staff in the building in which the supervised independent living unit is located. Heating plants and equipment must be protected from tampering by youth.

(f) Each authorized agency must request in writing an annual safety inspection of the buildings in which supervised independent living units are located and all fire protection equipment by local fire authorities and/or the authorized agency fire and casualty insurance carrier who must be requested to give the authorized agency a written report of their findings. An authorized agency is responsible for correcting any hazards called to its attention as a result of such inspection that could affect a supervised independent living unit in the building and for keeping a copy of the report and a written record of the action taken, with date, on file. An authorized agency must keep a copy of the written request for inspection and the response on file and must notify OCFS immediately in the event that such request for inspection is rejected by the local fire authorities or the authorized agency's fire and casualty insurance carriers.

(6) There must be an adequate and accessible supply of hot and cold water of safe quality in the supervised [independent living unit] setting. [(6)]

(7) The supervised [independent living unit] setting must be effectively screened against flies and other insects. [(7)]

(8) Temperature in the supervised [independent living unit] setting must be maintained at a comfortable level according to New York State Fire Prevention and Building Codes. [(8)]

(9) Adequate bathing, toilet and lavatory facilities must be provided in the supervised [independent living unit] setting and must be kept in sanitary condition. [(9)]

(10) Each youth must have a separate bed. Single bedrooms must [contain at least 70 square feet. This requirement does not apply if the supervised setting is college-owned housing with communal meal space.

(9) Youth must have individual toilet articles [and requisites] for personal grooming and hygiene [suitable to ages and needs] that are safe and age and developmentally appropriate.

(10) Youth must have appropriate seasonal clothing in sufficient quantity. Clothing must be kept clean and in good repair.

(11) [A supervised independent living unit may occupy a house or apartment rented or owned by the authorized agency.

(12) No supervised independent living unit may house more than four youth including their children.

(13) If two or more youth live together in the same unit, they must be of the same gender unless the authorized agency receives approval to place siblings of the opposite gender together by utilizing the waiver process identified in section 449.6 of this Part.

(14) Only persons placed in the supervised independent living program by the authorized agency may reside in a supervised independent living unit. Youth must be provided regular and ongoing opportunities to engage in age or developmentally-appropriate activities, in accordance with the requirements of the reasonable and prudent parenting standard. [(15)]
Supervised [independent living] setting programs must be in compliance with all applicable provisions of State and local laws, ordinances, rules and regulations concerning health, safety and nondiscrimination.

49. Subdivision (b) of section 449.6 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(b) An authorized agency operating a supervised [independent living] setting program must maintain a record of each youth received for care, showing the name, date of birth and religious faith of the youth; the supervised [independent living unit] setting to which the youth is assigned; and other information pertinent for identification and supervision of the youth.

50. Section 449.7 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

449.7 Waivers

(a) [In] Any provision of other Parts of this Title notwithstanding and in order to encourage the development of appropriate programs that will enable [foster] youth in foster care to live on their own in the community, a written waiver of one or more of the non-statutory provisions of this Part may be granted by OCFS to authorized agencies which propose to operate or which operate supervised [independent living program and supervised independent living unit] setting programs. Provided however, that no authorized agency may apply for a waiver regarding any requirements regarding non-discrimination. Such waiver may be granted only after an authorized agency has submitted to OCFS: the specific regulation or regulations for which a waiver is sought; the reason a waiver is necessary; and a plan which describes the operation or proposed operation of the authorized agency's supervised [independent living] setting program and demonstrates that granting the waiver will not create any hazardous conditions which could impair the health or safety of the youth, and OCFS has approved the waiver plan in writing.

(b) An authorized agency which operates a supervised [independent living] setting program and which has applied for a waiver must comply with the provisions of this Part until OCFS approves the requested waiver in writing.

(c) An authorized agency which does not operate a supervised [independent living] setting program but proposes to do so subject to a waiver and which submits a waiver plan to OCFS pursuant to this subdivision may not operate the supervised [independent living program or supervised independent living unit] setting program or approve any supervised setting until such waiver plan has been approved pursuant to this subdivision.

(d) OCFS may require the applicant for, or holder of, a license or operating certificate to make physical plant modifications, and/or to adopt special methods, procedures, and/or policies to protect the health, safety and welfare of youth as a condition of granting and maintaining a waiver granted pursuant to this section.

(e) Written approval of a request for a waiver will be granted only pursuant to a determination by OCFS that the proposed waiver will not adversely affect the health, safety or welfare of the youth in the program or facility and that the intended purpose of the regulation or regulations to be waived will be met.
(f) Waivers may be time limited, at the discretion of OCFS. Where a waiver is time limited, the program or facility may apply for a continuation of the waiver. If the program or facility does not apply for a continuation of the time-limited waiver or the continuation of the time-limited waiver is not granted by OCFS, the program must resume compliance with the regulation or regulations for which the waiver had been issued upon the expiration of the waiver.

(g) Failure to adhere to the terms of the waiver and to any alternative measures required by OCFS as a condition of granting the waiver will result in recission of the waiver and may constitute sufficient cause for OCFS to limit, suspend, or revoke the license or operating certificate of the facility or program for which the waiver was granted. OCFS must notify the facility or program in writing of the recission of a waiver, and the recission will become effective upon the receipt by the program of the written notification. The written notification of the recission may be communicated through personal delivery, electronic mail, telefax or regular mail, at the discretion of OCFS.

51. Section 449.8 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

449.8 Discontinuance.

An authorized agency may not discontinue the operation of a supervised [independent living] setting program except upon service of written notice to OCFS at least 90 days in advance of the proposed discontinuance. Such notice must comply with the requirements of section 476.2(d) of this Title.

52. Subparagraph (vi) of paragraph (4) of subdivision (a) of section 628.3 of the Official Compilation of Codes, Rules and Regulations of the State of New York is amended to read as follows:

(vi) running away--up to seven consecutive days, except authorized agencies that have received approval from the Office of Children and Family Services to operate a program for youth who have been or are at risk of sex trafficking, pursuant to Part 440 of this Title, may be reimbursed for up to 14 consecutive days for youth who have been or are at risk of sex trafficking who run away.
