The purpose of this release is to introduce the revised "School Attendance Verification" form (DSS-3708). The form is designed to be mailed directly to the school at the time of application or recertification.

The only revision to the (4/89) version, which is included in the (4/90) version, is listed below:

1. On the reverse of the form, Question #6, a request for a telephone number was added on the same line as the requested name of the individual (other than parent or guardian) to be notified in an emergency.

Attached is a sample copy of the revised DSS-3708. In order to ensure that usage of the revised form begins within a reasonable amount of time, you may continue to use the existing (4/89) supply until your stock is depleted, or until September 1, 1990, whichever occurs first.

Requests for additional copies of these forms are to be submitted on Form WMS-47 (Rev. 9/89): "WMS Order Form", and should be sent to:
