TO: Local District Commissioners

SUBJECT: Mailing of Child/Teen Health Plan Dental Brochure to Licensed Dentists

ATTACHMENTS: I - Child/Teen Health Plan Dental Brochure
(Attachment not available on-line.)

Enclosed please find a copy of the revised Child/Teen Health Plan Dental Brochure that is being sent to all dentists licensed in New York State.

The brochure, developed under contract with the Center for the Development of Human Services Buffalo State College, is intended to inform dentists about the Child/Teen Health Plan (C/THP) and advise them of the new fees for children's dental services that became effective January 1, 1989.

As you can see, the business reply card, completed by the dentist will be returned to the State Child/Teen Health Plan Unit. We will, in turn, forward the names of those dentists wanting to be contacted by the local department of social services to the C/THP coordinator in the county where their primary practice is located. Dentists requesting information on enrolling in the New York State Medicaid program will be sent an enrollment package. We will also inform the C/THP coordinator of those dentists enrolled as a result of this mailing.

If you have any questions, please contact the Child/Teen Health Plan staff at 1-800-342-3715 extension 3-4054.
