Transmittal No: 91 LCM-105

Date: May 31, 1991

Division: Income Maintenance

TO: Local District Commissioners

SUBJECT: Cumulative Interim Assistance Reimbursement (IAR) Annotation  
Report

ATTACHMENTS: District Specific Cumulative IAR Annotation Report  
(Except NYC) - not available on-line

Attached is the Cumulative IAR Annotation Report for your district. This report lists the name, Social Security number and CIN of all SSI applicants who are or were in receipt of HR, PG-ADC or VA benefits during the period their SSI case was pending and whose federal Social Security Administration (SSA) file is annotated as of April 19, 1991. This annotation assures that the client's initial SSI check(s) will be sent to your district by SSA if the individual is determined eligible for SSI. The names of individuals listed are in alphabetical order, last name first.

The names on this list were previously reported to local social services districts in the weekly WINR 9142 report at the time their SSA file was first annotated.

Districts can use the weekly WINR 9142 and this new cumulative report to track PA applicants or recipients who have applied for SSI and to assure that SSA has coded the clients' SSI files so that the local district will receive the clients' initial SSI checks.

If you have any questions about this report or its use, please contact Charles Giambalvo, Bureau of Income Support Programs, at 1-800-342-3715, extension 4-3231.
