DSS-4037EL (Rev. 9/89)

Transmittal No: 91 LCM-147

Date: August 21, 1991

Division: Administration

TO: Local District Commissioners

SUBJECT: Legal Services for the Disabled  
1990-91 Chargeback

ATTACHMENTS: Chargeback Worksheets (Not Available On-Line)

Attached are the worksheets which will support the chargeback to your local district for its share (50%) of the Legal Advocates for Disabled 1990-91 program. The local cost of this service represents fifty percent of the expenditures incurred for the legal representation of disabled individuals. The chargeback was calculated based on the cost per case incurred by the legal entity multiplied by the number of clients represented for each district. This chargeback will be effected in the May 1991 settlement (to be issued at the end of August) for all districts except New York City and Erie County. The contracts for New York City and Erie County have been delayed. The chargebacks for these two districts will be made at a later time.

As illustrated, the final chargebacks will include corrections to the 1989-90 program year. The revisions for 1989-90 are an adjustment to bring the estimated charges to the actual figure. The net adjustment figure includes the actual charge for the 1990-91 state fiscal year and the adjustment to actual charges for the 1989-90 state fiscal year.

If you have any questions with regard to the above, please contact Roland Levie at 1-800-342-3715, extension 4-7549 or Marvin Gold at (212) 804-1108.
