Date: September 20, 1991

Division: Family & Children
Services

TO: Local District Commissioners

SUBJECT: Day Care Salary Enhancement Allocation Corrections

ATTACHMENTS: Salary Enhancement District Allocations
(not available on line)

This is to inform you of changes to the salary enhancement allocations for day care centers and Head Start Programs which were issued in 91 LCM-157 dated August 30, 1991.

We have been informed that several eligible Head Start Programs were excluded in the calculations of district allocations for Head Start Programs but included in the day care center allocations. Therefore, the allocations for both day care centers and Head Start Programs have been recalculated and are being reissued as set forth in Attachment A.

If you have any questions on this program or its requirement, please contact the Bureau of Child Care, Joseph DeLucia or Eileen Mahoney at (518) 474-9324.
