DSS-329EL (Rev. 9/89)
The purpose of this release is to introduce the mandated revised DSS-4403: "Determination Of Eligibility For Emergency Assistance To Families (EAF)" (Rev. 5/94).

EAF is a federally participating program designed to deal with crisis situations threatening a family with children under age 21 and to meet needs resulting from a sudden occurrence or a set of circumstances demanding immediate attention. The DSS-4403 was created to assist in the Department's goal of increasing federal funding by aiding workers in correctly claiming EAF at case acceptance.

The revisions to this form are:

I. The Revision Date was changed to 5/94.

II. In the box at the top, "Case Load Number" was removed.

Delivery of this form to the Albany Warehouse is expected in July 1994. Your district will not automatically receive copies.

Since NYC/HRA currently is using a Department-approved local equivalent for this form, supplies will not be shipped to New York City.

In order to ensure that usage of the revised forms begins within a reasonable amount of time, you may continue to use the existing (5/93) version of this form until your stock is depleted, or until September 1994, whichever occurs first.

Note: All requests for approval of local equivalent forms must be submitted in accordance with the procedures described in 89 INF-53 and pages 12-1 through 12-7 of the Local District Manager's Guide.

Requests for the DSS-4403 (Rev. 5/94) should be submitted on Form WMS-47 (Rev. 9/89) and should be sent to:
