I. Purpose

The purpose of this Local Commissioners Memorandum (LCM) is to provide guidance to local departments of social services (LDSSs) for the completion of the required 2022 Annual Plan Update for the county Child and Family Services Plan (CFSP). These guidelines are also being shared with county youth bureaus.

II. Background

LDSSs and county youth bureaus are required by statute to develop and submit to the New York State Office of Children and Family Services (OCFS) local, multiyear plans for the provision of services and the allocation of resources, including the required Persons in Need of Supervision (PINS) Diversion Plan that is developed by LDSSs and county probation departments, dependent on the designated municipality PINS lead agency. The county planning process is designed to reflect the following principles and objectives:

- Support and acknowledge a local collaborative planning process that includes broad stakeholder involvement
- Encourage a planning process that has meaning and utility locally, while preserving accountability to state and federal requirements
- Support a data-driven process that focuses on outcomes for children, youth, families, adults, and communities
- Support the important respective administrative roles and responsibilities of county youth bureaus and LDSSs

Submission Instructions:

LDSSs are required to submit the CFSP electronically using the County Plan System that can be found on the internet at [https://countyplans.ocfs.ny.gov/](https://countyplans.ocfs.ny.gov/).

The system is now available for input of the Annual Plan Update CFSP information. The County Plan System allows for sections of the CFSP to be submitted and approved separately. It is strongly advised that each section be submitted no later than June 1, 2022. If all sections of the CFSP are submitted by such date, OCFS anticipates OCFS review and approval by July 1, 2022.

Each LDSS must grant access to all persons who will be completing a section of the CFSP. The LDSS commissioner and director of services will receive communication from OCFS when the system opens explaining the process. If the district would like to appoint additional contact person(s) to manage local system access, please complete the form located here: [https://forms.office.com/g/tfdNuL0xzv](https://forms.office.com/g/tfdNuL0xzv)
