R3: This Local Commissioners Memorandum (LCM) was revised and reissued on July 1, 2024, to reflect the addition of \$3.5M, which has been added to the allocations for the period April 1, 2023, through September 30, 2024. Changes are reflected in Attachments A, B, and C.

R2: This LCM was revised and reissued on October 16, 2023, to reflect the addition of \$32M, which were added to the allocations for the period April 1, 2023, through September 30, 2024. Changes are reflected in Attachments A, B, and C.

R1: This LCM was revised and reissued on August 18, 2023, to reflect the addition of \$18.9M, which were added to the allocations for the period April 1, 2023, through September 30, 2024. Changes are reflected in Attachments A, B, and C.

I. Purpose

The purpose of this Local Commissioners Memorandum (LCM) is to inform local departments of social services (LDSSs) of their allocations and maintenance of effort (MOE) levels for the New York State Child Care Block Grant (NYSCCBG) Child Care Assistance Program (CCAP) for the period April 1, 2023, through September 30, 2024.

II. Background

In order for an LDSS to participate in the NYSCCBG CCAP, the commissioner of the LDSS must agree to comply with the program requirements of the NYSCCBG as set forth in Title 5-C of Article 6 of the Social Services Law; Title 18 of the New York State Code of Rules and Regulations (18 NYCRR) Parts 358, 404, 405, 407, 415, and 628; and New York State Office of Children and Family Services (OCFS) policy directives, including Administrative Directives (ADM)s, LCMs, and Informational Letters (INFs). Title 5-C of Article 6 of the Social Services Law, section 410-x(4), requires OCFS to establish in regulation the applicable market-related payment rates that will establish the ceilings for state and federal reimbursement for payments made under the NYSCCBG. The amount to be paid or allowed for child care assistance funded under the NYSCCBG shall be the actual cost of care but no more than the applicable market rate established in regulations. LDSSs must pay the applicable market rate unless the actual cost of care is less, in which case LDSSs must pay the actual cost of care. The LDSS also must agree to comply with the requirements for the federal Child Care and Development Fund (CCDF). LDSSs provide such legal assurances as part of the submission of their Child and Family Services Plans.

III. Program Implications

A. ALLOCATION INFORMATION

Attachment A provides LDSS allocations for the NYSCCBG child care assistance funds for the period beginning April 1, 2023, and ending September 30, 2024. The allocations are listed for three six-month periods. The lists show allocations for the period April 1, 2023, to September 30, 2023, the last half of the federal fiscal year (FFY) 2022-23; the period October 1, 2023, to March 31, 2024, the first half of the FFY 2023-24; and April 1, 2024, to September 30, 2024, the second half of the FFY 2023-24. Previously, 22-OCFS-LCM-08, dated April 29, 2022, notified LDSSs of their NYSCCBG allocations for the period April 1, 2022, to September 30, 2022, the last half of FFY 2021-22, and for the period October 1, 2022, to March 31, 2023, the first half of the FFY 2022-23. Any unspent funds allocated for that period will be carried into and be available for the period ending September 30, 2023. Any portion of an LDSS's NYSCCBG allocation for FFY 2022-23 (October 1, 2022, through September 30, 2023) that is not claimed by the LDSS by March 31, 2024, will remain available to the LDSS through the end of FFY 2023-2024 (September 30, 2024). This would include any Temporary Assistance for Needy Families (TANF) funds transferred from an LDSS's Flexible Fund for Family Services (FFFS) allocation for the period October 1, 2023, to September 30, 2024. However, claims for expenditures for October 1, 2022, through September 30, 2023, cannot be rolled forward into the next FFY.

Attachment B provides the total LDSS funding available for NYSCCBG for FFY 2022-23 (beginning October 1, 2022, and ending September 30, 2023).

Unspent NYSCCBG funds that remain available to LDSSs in subsequent periods are referred to as rollover. Funds are unspent when claims submitted fall short of the amount allocated to an LDSS plus their prior period rollover. This amount is presented along with each LDSS's NYSCCBG allocation in Attachment B to clarify the amount available to each LDSS for the FFY 2023 period.

Attachment C provides the total LDSS funding available for NYSCCBG for FFY 2023-2024 (beginning October 1, 2023, and ending September 30, 2024).

The initial allocation methodology for this fiscal term was based solely on each LDSS's proportionate share of the block grant funds as determined by the average level of annual child care claims for the past three years, FFY 2019-20 through FFY 2021-22. OCFS has been monitoring spending and liquidation on all programs and grants administered by the Division of Child Care Services. After evaluating spending levels, an additional \$18.9M was added to the allocations on August 18, 2023, for the period April 1, 2023, through September 30, 2024. OCFS continued to monitor claiming and an additional \$32M was added to the allocations on October 16, 2023, for the period of April 1, 2023, through September 30, 2024. OCFS has continued to monitor claiming, and an additional \$3.5M has been added to the allocations for the period of April 1, 2023, through September 30, 2024, to cover expenditures projected for this period. These additional funds have been allocated to LDSSs that have spending patterns that indicate additional supplemental funds are necessary to support recent increases in utilization of CCAP. Based on the supplemental allocations, LDSSs are expected to have sufficient funds available to continue to open cases and maintain eligibility for families that remain eligible at the end of their current authorization period. OCFS recognizes that program changes may change spending patterns and will continue to monitor spending over the course of this allocation period to support LDSSs implementing these changes. However, it is the responsibility of the LDSS to monitor spending and communicate any anticipated funding needs to OCFS over the course of the allocation period, including whether the county plans to update its Child and Family Services Plan to be able to initiate waitlists if necessary. This also includes but is not limited to notifying OCFS when an LDSS establishes a waitlist, if identified as an option in the LDSS's Child and Family Services Plan, or denies child care assistance application(s) at the case determination due to a lack of available funds.

While the NYSCCBG allocation is the primary resource available to LDSSs in meeting their child care assistance needs for low-income families and individuals on public assistance, all LDSSs have the ability to utilize additional funds from the FFFS for child care assistance costs. Additional information on utilizing FFFS funds may be found in the SFY 2023-24 FFFS ADM, 23-OCFS-ADM-13, *2023 Bridge – Flexible Fund for Family Services (FFFS)*, and in the 2023-24 FFFS LCM, 23-OCFS-LCM-17, *2023-24 Flexible Fund for Family Services (FFFS)*.

An LDSS may spend no more than 5% of its FFY NYSCCBG allocation, including any funds transferred from FFFS, for administrative activities. Administrative activities do not include the costs of providing direct services such as eligibility determinations and redeterminations; preparation and participation in judicial hearings; child care placements; the recruitment, licensing, inspection, review, and supervision of child care placements; rate setting for contract development; resource and referral services; training; or the establishment and maintenance of computerized child care information systems.

An LDSS, at its option, may make payments for eligible families to be transported to and from a child care provider. An LDSS will be reimbursed for transportation expenses charged by a child care provider that are separate and apart from the regular rate charged by the provider. The LDSS may make arrangements using other providers of transportation services. Expenditures for transportation are reimbursed as a program cost under the LDSS's NYSCCBG allocation if the provision of transportation services is included in the LDSS's Child and Family Services Plan.

B. ELIGIBLE FAMILIES

Effective October 1, 2023, there was a change to eligible families as defined in 18 NYCRR 415.2. LDSSs must use the funding allocated in this directive to fund child care assistance to families who are eligible in accordance with the applicable rules at the time of the application.

C. PARENTAL CHOICE

LDSSs must inform parents or caretakers requesting NYSCCBG services that they may either

- choose to have care provided by one of the child day care providers with whom the LDSS has contracted for the provision of child care services; or
- request a child care certificate, which enables the parents or caretakers to select from a full range of child care arrangements, including care by licensed or registered child care providers and providers of legally exempt child care.

The child's parents or caretakers must be given discretion in selecting or arranging for the purchase of child care services from any eligible provider. The case record should document that parents or caretakers have been apprised of the full range of providers eligible for payment and of their right to elect to use a child care certificate. LDSSs must allow parents to select, and must have a method to pay, any and all legally operating eligible providers with whom they do not contract. A contract may not be made a condition of receiving payment from NYSCCBG funds.

D. REIMBURSEMENT

Claims for expenditures for child care services for families receiving public assistance will be reimbursed at 75% with NYSCCBG funds, up to the LDSS's NYSCCBG allocation ceiling. Claims for expenditures for child care for all other eligible families will be reimbursed at 100% with NYSCCBG funds, as long as the LDSS's MOE is met, up to the LDSS's NYSCCBG allocation ceiling.

E. MAINTENANCE OF EFFORT

Each LDSS must maintain local spending for child care services at a level established by OCFS in accordance with state statute. The MOE for each LDSS is listed in Attachment D and is unchanged from the previous year.

The MOE was calculated by totaling the LDSS share of expenditures in FFY 1994-95 for child care services claimed under the following categories: State Low-Income Day Care program and administrative costs, Transitional Child Care, At-Risk Low-Income Child Care, Child Care and Development Block Grant, Emergency Assistance to Families, Job Opportunities and Basic Skills (JOBS)-related child care, and employment-related child care. The MOE for those LDSSs participating in the Child Assistance Program (CAP) was adjusted to reflect the LDSS share for FFY 1996-97 CAP child care expenditures included in their NYSCCBG allocations.

Each LDSS must meet its MOE level in cash in FFY 2022-23 and in each subsequent FFY. The MOE is met by the 25% local share of claims for expenditures for public assistance recipients, as reported on Schedule H, *Non-Title XX Services for Recipients*, and any other non-Title XX expenditures that are allowable but not reimbursed under the NYSCCBG allocation. Claims submitted under NYSCCBG will be processed to ensure that the LDSS's MOE requirement is met. Claims for administrative costs exceeding the 5% administrative cap will not count toward meeting the MOE and will not be eligible for federal and state reimbursement.

F. SYSTEMS INFORMATION

Procedures for the authorization of payment for child care services in the Welfare Management System (WMS) are as follows:

For child care payments for eligible families applying for or receiving public assistance, the LDSS can continue to use the DSS-3209, *IM/WMS Authorization*. The LDSS may, at its option, use the DSS-2970, *WMS Services Authorization*, to authorize payment for child care for public assistance families. Purchase of Service Type Suffix Code (Data Element #23021) value "S-Block Grant DC 75%" designates child care services funded under the NYSCCBG for public assistance applicants/recipients and reimbursed at 75% federal and state share, up to the LDSS's allocation ceiling.

The LDSS has the option to authorize payments for child care for NYSCCBG eligible families not in receipt of public assistance on the DSS-3209 for Supplemental Nutrition Assistance Program and Medical Assistance-only cases.

For all other eligible families, the LDSS must authorize payment in WMS Services by using Purchase of Service Type Suffix Code value "R-Block Grant DC 100%" on the DSS-2970, *WMS Services Authorization*, which designates child care services funded under NYSCCBG for non-public assistance families and reimbursed at 100% federal and state share, up to the LDSS's allocation ceiling.

In circumstances of an adult-only public assistance case in which the children are not included in the public assistance filing unit, child care payment is authorized as a public assistance family and reimbursed at 75% federal and state share. For cases in which children are in receipt of public assistance but the caretaker is not included in the public assistance filing unit, child care is authorized in WMS Services and reimbursed at 100% federal and state share, up to the LDSS's allocation ceiling.

WMS Services continue to support the monitoring of the issuance and return of child care certificates. Instructions for the child care certificate are included in [92 LCM-138, Child Care Certificate Program](#) and in the *BICS Operations Manual*, page A-62, BICS Production Request 32, Request for Self-Selected Day Care Certs, in the edition dated April 1, 2005. Information is also provided in the *Benefit Issuance Control Subsystem (BICS) Services Payments Processing (BSPP) Manual*, Chapter 2, Authorizations, and Self-Selected Day Care Certificates.

G. CLAIMING INSTRUCTIONS

NYSCCBG expenditures for child care assistance for families receiving public assistance are claimed on Schedule H, *Non-Title XX Services for Recipients* (LDSS-4283), column 17 (Day Care Block Grant 75%). NYSCCBG program expenditures for child care assistance for all other eligible families are claimed on Schedule H, column 16 (Day Care Block Grant 100%). Please refer to the *Fiscal Reference Manual*, Volume 2, Chapter 3, for detailed instructions for completing Schedule H.

NYSCCBG child counts and expenditures also must be reported on the Schedule G-2, *Summary of All Payments for Day Care* (LDSS-2109EL). Expenditures made under the service types allowed must be reported on the Schedule G-2, via the Automated Claiming System. The BICS Schedule G-2 report provides the information needed to file the report. Please refer to the *Fiscal Reference Manual*, Volume 2, Chapter 3, for Schedule G-2 instructions.

Administrative expenditures for the NYSCCBG that are not direct charged on the Schedule D-2 are claimed in accordance with the Services Random Moment Survey (RMS) as Child Care Block Grant costs on line 6, section 1A (associated central services costs are claimed on line 4, section 2) of the Schedule D-2, *Allocation for Claiming General Services Administration Expenditures* (LDSS-2347B). Instructions

for completing the Schedule D-2 are contained in Chapter 9 of the *Fiscal Reference Manual*, Volume 3 (Cost Allocation Plan).

Claiming instructions for LDSS administrative expenditures related to the training of employees that are claimed on the Schedule D-6, *Reimbursement Claim for Training* (LDSS-2347-C), for the NYSCCBG program are provided in Chapter 13 of Volume 3 of the *Fiscal Reference Manual*.

The *Fiscal Reference Manual* (FRM) is available here: FRM Vol. 2 & 3 – <https://otda.ny.gov/resources/fiscal-reference/>

H. SUBAWARD INFORMATION

Title 45 U.S. Code of Federal Regulations Part 75 (45 CFR 75), *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards*, section 352(a), states “all pass-through entities must ensure that every subaward is clearly identified to the subrecipient as a subaward and includes the following information at the time of the subaward and if any of these data elements change, includes the changes in subsequent subaward identification.” Attachment E provides the required subaward information for subrecipients.
