I. Purpose

The purpose of this Administrative Directive (ADM) is to issue the Rate Year (RY) 2024-25 Domestic Violence State Aid Rates (DVSARs) for licensed domestic violence (DV) residential programs in New York City (NYC). These DVSARs are for the period July 1, 2024, through June 30, 2025. A separate directive is issued for licensed DV residential programs in the rest-of-state (ROS) counties, outside the five boroughs of NYC.

II. Background

The New York State Office of Children and Family Services (OCFS) issues DVSARs annually to local departments of social services (LDSSs) in an ADM, advising districts of the methodology approved by the New York State Division of the Budget (DOB) for the purchase of services from licensed agencies for providing DV services. Rates contained in this ADM must be used by the LDSSs in contracts

negotiated with the residential providers of DV services. Issuance of these rates are governed by Social Services Law §131-u and the applicable regulations at 18 New York Codes, Rules and Regulations (NYCRR) Part 408.

III. Program Implications

The DVSARs promulgated in this ADM have been calculated using the DOB-approved RY 2024-25 rate methodology for NYC DV residential programs. The approved rate methodology for licensed residential DV programs in NYC includes the following features:

- The DV Flat Per Diem Rates for RY 2024-25 include the following growth adjustment factors:
 - Personal Services (PS) = 3.0%
 - Non-Personal Services (NPS) = 3.3%
 - Food Add-On = 1.8%
- The Food Add-On component of the DVSARs is a negotiated item between the DV residential program agency and the LDSS where the program is located. The Food Add-On Rate is included in the DVSARs when the agency and the LDSS formally request the Food Add-On Rate in writing to OCFS. Thereafter, the Food Add-On Rate is included as part of the DVSAR for the specified program until OCFS is otherwise notified.
- 17-OCFS-ADM-16 indicates that residential DV programs are responsible for the costs of background checks and may not require applicants to pay for them. Applicants include employees, volunteers, consultants, and contractors. DV agencies must continue to track the cost of background checks and include them on line 18, Dues/Licenses/Permits on the OCFS-DV-2562, *Report of Annual Expenditures*, per 18-OCFS-ADM-12.
- Agencies that did not submit the Domestic Violence Standard of Payment (DVSOP) submission for the 2022-23 reporting period will not receive a new DVSAR for RY 2024-25. The 2023-24 rate will remain in effect for those agencies and programs until such time as the submission is completed and submitted to OCFS and an updated rate for RY 2024-25 is requested.
- OCFS will consider revisions to a rate for the following reasons:
 - The Food Add-On Rate needs to be added to or deleted from the base DVSAR.
 - The DVSAR reflects an incorrect rate for the program size and type.

Agencies have thirty (30) days from the issuance of this ADM to appeal the published rate. All appeals must be made in writing and mailed to:

Karen M. Williams, Manager
Rate Setting Unit
Bureau of Budget Management
New York State Office of Children and Family Services
52 Washington Street, Room 314 South
Rensselaer, NY 12144

IV. Required Action

The DVSARs noted in Attachments A and C of this ADM must be paid by the LDSSs to the licensed DV residential agencies that provided residential DV services and care to eligible DV victims during the period of July 1, 2024, through June 30, 2025.

V. Effective Date

This directive is effective as of July 1, 2024.
