Local Commissioners Memorandum

Transmittal:	24-OCFS-LCM-12
To:	Municipal Youth Bureau Directors
Issuing Division/Office:	Division of Youth Development and Partnerships for Success
Date:	June 28, 2024
Subject:	Municipal Allocations for Youth Team Sports for Program Year October 1, 2024 – September 30, 2025
Contact Person(s):	See section VI.
Attachments:	Appendix A: <i>Municipal Youth Team Sports Allocations, October 1, 2024 – September 30, 2025</i> OCFS-5011 , <i>Universal Application for Youth Sports Funding</i>

I. Purpose

The purpose of this Local Commissioner Memorandum (LCM) is to advise municipal youth bureaus on the availability of Youth Team Sports (YTS) allocations for the program year October 1, 2024 – September 30, 2025.

II. Background

In state fiscal year (SFY) 2023-24, the enacted budget included funding to the New York State Office of Children and Family Services (OCFS), for the first time, to support youth team sports programs for underserved youth under age 18. The funding has been continued in SFY 2024-25.

III. Program Implications

YTS funding must be awarded to local community-based organizations and nonprofits. Youth bureaus may, in limited circumstances, be approved to directly operate or fund programming. Those circumstances are described in the Eligibility and Funding section below.

Each youth bureau must submit to OCFS one Resource Allocation Plan (RAP) for each program to be funded. Additional detail on how to complete a RAP can be found in Quality Youth Development System (QYDS) under “BYD and System Documents.”

In rare instances, a county may identify mid-year that it has been allocated Youth Team Sports funds that it cannot spend or claim. When this occurs, counties are encouraged to contact OCFS as soon as possible. Sharing this information with OCFS may allow those unused funds to be reallocated to another county with similar programming and demonstrated fiscal need. When counties demonstrate

fiscal need by accurately completing the RAP, they may become eligible to receive additional funds should they become available.

Similar to the Youth Sports and Education Opportunity Funding (YSEF), YTS is grounded in the principles of positive youth development. It is intended to provide support to local team sports programs across New York State in communities where such programs may be scarce or under-resourced. Unlike YSEF, YTS has a sole focus on team sports. For the purposes of YTS, a “team sport” is defined as an organized physical activity in which groups of two or more individuals compete with two or more opposing individuals. Sporting activities where individuals engage in competition on behalf of an organized group, including, but not limited to, team tennis, team golf, or racing sports such as swimming or skiing, are included in this definition.

YTS may be used to fund programming that provides opportunities for youth in under-resourced communities to learn and participate in team sports activities. This may include educational instruction necessary to prepare youth to participate in team sports.

To ensure that funding is going to the intended population, municipal youth bureaus must distribute funds based on local need,¹ considering factors, including, but not limited to, the following:

- Historically under-resourced communities.
- High rates of public housing and/or family homelessness.
- Opportunity zones or neighborhoods/cities/areas deemed “low-income” via externally available tools like the New York State Council on Children and Families Kids’ Well-being Indicators Clearinghouse.
- Marginalized communities or groups with higher barriers to participation in team sports (e.g., youth with disabilities; girls; transgender/gender non-binary youth; and youth who identify as lesbian, gay, bisexual, or questioning).
- Federally and/or New York State-recognized tribes and tribal organizations.
- Neighborhoods that experience higher rates of crime and violence and low-performing schools.

All funded programs must aim to foster the following:

- Physical health and well-being – Increasing physical activity and positive relationships to one’s body.
- Mental health and well-being – Improving outcomes related to youth mental health, and social and emotional skills development and connectedness.
- Employment – Increasing qualifications and skills, such as collective problem-solving, teamwork, and dispute resolution, which help prepare youth for suitable employment.
- Community cohesion – Breaking down barriers to reduce discrimination, crime, and violence in communities, and help young leaders emerge.

Requirement to Advertise

To provide equitable access to government funding, OCFS has developed a universal application form that must be used as part of the procurement process by municipal youth bureaus (see appended form OCFS-5011, *Universal Application for Youth Sports Funding*). In addition, the opportunity to apply for funding at the local level must be widely advertised, and adequate time frames for inquiries and

¹ Data sources to consult in assessing local needs include, but are not limited to, the New York State Council on Children and Families Kids’ Well-being Indicators Clearinghouse, <https://www.nyskwic.org/>; public data from the New York State Education Department, <https://data.nysed.gov/>; and youth arrest data from the New York State Division of Criminal Justice Services, <https://www.criminaljustice.ny.gov/crimnet/ojsa/juvenilearrests/index.htm>.

application must be provided. Municipal youth bureaus must provide information and technical assistance to interested organizations on how to apply for available funding.

Eligibility and Funding

Municipal youth bureaus will contract directly with local nonprofit or community-based organizations for up to \$50,000 per program. Organizations that serve multiple areas through different programs may be funded above \$50,000. Funding may provide general operating support to give programs flexibility to efficiently allocate resources for quality programming.

Municipal youth bureaus seeking to directly operate or fund a project must first demonstrate to OCFS that diligent outreach and recruitment activities were conducted to all known eligible entities and articulate the outcomes of such activities to OCFS. In addition, municipal youth bureaus must submit to OCFS an attestation stating they conducted outreach to all known nonprofit and community-based organizations in their municipality and that there were no entities eligible to administer the program. YTS funds can supplement existing municipal youth team sports programming; however, they cannot be used to supplant existing municipal funding for such programs.

Line-item budgets should focus on programming costs, including, but not limited to, the following:

- Coaches/instructors/direct service staff/mentors (including training/professional development) necessary to support youth's ability to participate in team sports.
- Referee fees.
- Purchase of equipment or uniforms.
- Capital investment (e.g., swimming facilities, fields, fences, storage, lighting).
- Facility/field space cost.
- Purchase of Automated External Defibrillators (AEDs) by local nonprofit or community-based organizations to support the requirements of Chapter 681 of the Laws of 2023, as amended by Chapter 9 of the Laws of 2024.

Programs eligible for funding must meet the criteria below:

- Provide team sports activities for youth under age 18 in under-resourced communities.
- Serve youth in New York State.
- Have a child protection policy in place that includes adherence to local city, agency, school district, and state child protection guidelines.
- Collect registration data, including participant demographic information, as required by OCFS in a manner that allows for accurate reporting of anonymized aggregate data.

Organizations, expenditures, and activities not eligible for funding are the following:

- For-profit organizations or businesses.
- Private foundations, as defined in section 509(a) of the U.S. Internal Revenue Code.
- Organizations that discriminate based on age; ethnicity/race; political affiliation; religion; sexual orientation; gender; gender identity; physical or other disability; national origin; or any protected characteristic under local, state, and/or federal law.
- Research or project-planning activities.
- Elite or private sports camps, programs, or teams.
- Endowments, memorials, budget deficits, or fundraising activities.
- Religious organizations whose sports programs do not have a secular and community focus.
- Lobbying, political, or fraternal activities.

Touchstone Life Areas and Services, Opportunities and Supports (SOS) in the Quality Youth Development System (QYDS)

Municipal youth bureaus will be required to report demographics and outcomes through the Quality Youth Development System (QYDS). The Life Area and Services, Opportunities and Supports (SOS) selections that will be required in QYDS for the YTS are as follows:

- Life Area: 2PEH Physical and Emotional Health
- SOS: 0232 Year-Round/Seasonal Activities
- Performance measures:
 - How Much: 0232A.1 # of youth participating (unduplicated)
 - How Well: 0232B.4% of youth completing the program
 - Better Off: 0232C.2 – Number and percent of youth who attain/or improve on a skill and/or report an increase in knowledge/awareness

IV. Allocation Methodology

Allocations are based on a minimum allocation of \$10,000 with the balance proportionately split based on each municipality's population of youth under the age of 18.

V. Claiming

A maximum of 15% of the municipality's total YTS allocation may be used to support administration/overhead costs for municipal youth bureaus. State share is available for 100% of eligible expenditures included in the approved RAP. Additional details on how to complete a RAP and submit claims can be found in QYDS under "BYD and System Documents." **Claims are due 3/31/2026.**

VI. Contacts

For questions about YTS, please email the shared mailbox for youth bureaus at YouthBureau@ocfs.ny.gov.
