OCFS-4616EL (Rev. 11/98)

Transmittal No: 99 OCFS LCM-31

Date: December 07, 1999

Division: Administration

TO: Local District Commissioners

SUBJECT: FISCAL: Allocation of TANF Transfer to Title XX

ATTACHMENTS: (A) SFY 1999-2000 TANF Transfer to Title XX
ALLOCATIONS (On-Line)

(B) SFY 1999-2000 Allocation of Family and
Children's Services Block Grant and
Transfer of TANF Funds to Title XX
(On-Line)

The purpose of this memorandum is to notify social services districts of their allocation from the State Fiscal Year (SFY) 1999-2000 budget of the \$241,000,000 in TANF funds transferred to the Social Services Block Grant (Title XX), pursuant to Chapters 53 and 405 of the Laws of 1999.

As these allocations replace those published in 99 OCFS LCM-18, payments already made will be adjusted. These funds are available for October 1998 - September 1999 claims.

These Transfer funds have been allocated based on the final allocation percentage determined for the Family and Children's Services Block Grant. The \$241M is composed of \$140.2M that will be distributed to social services districts and an \$100.8 million set aside which must be used for preventive services, adoption services and foster care services other than foster care maintenance costs. A chart depicting the allocation schedule of the \$140.2M and a chart depicting the impact of the \$100.8M are included with this memorandum as attachments.

Due to Federal TANF income eligibility requirements, the TANF funds transferred to Title XX must be expended for services to families whose income is no greater than 200 percent of the Federal Poverty Income level for the family size. All Title XX rules apply to these funds, including the prohibition for use for foster care maintenance.

Date December 07, 1999

Local Social Services Districts should be aware that the \$95 million statewide claiming restriction for Child Protective Services (CPS) is still in effect. The claiming restriction requires that districts claim a portion of their CPS expenditures for reimbursement from their Title XX funds and/or the TANF funds set aside for child welfare services under the Emergency Assistance to Families (EAF) program. A separate LCM will be issued to provide more details on the claiming restriction.
