05-OCFS-ADM-04		18 NYCRR Part 427	SSL 398-a	Standards of Payment for Foster Care of Children – Program Manual	

I. Purpose

The purpose of this Administrative Directive (ADM) is to issue Maximum State Aid Rates (MSARs) for Foster Care Programs, and In-State Committee on Special Education (CSE) Maintenance Rates for State Education Department (SED) approved Residential Schools, **effective July 1, 2006, through September 30, 2006**. This ADM also includes Foster Care Maintenance Rates currently in effect for Long-Term Residential Chemical Dependency Programs licensed and approved by the New York State Office of Alcoholism and Substance Abuse Services (OASAS).

A subsequent ADM will be published to specify rates for the balance of the 2006-07 rate year, in accord with the legislative cost-of-living adjustment (COLA) authorized by the 2006-07 State Fiscal Year (SFY) Enacted Budget. The application of the COLA, beginning with rates effective October 1, 2006, will affect all programs for which OCFS establishes MSARs pursuant to section 398-a of the Social Services Law and sections 4003 and 4405 of the Education Law.

In that subsequent ADM, local social services districts (LSSDs) will be advised regarding payment requirements associated with the COLA initiative. The additional funding to support the COLA increases is already included in the LSSDs' SFY 2006-07 Foster Care Block Grant allocations. Therefore, LSSDs will not be required to do any special claiming in order to finance payments that will be required by the COLA initiative.

II. Background

Annually, the Office of Children and Family Services (OCFS) issues MSARs and CSE Maintenance Rates to local social services districts (LSSDs) advising them of the methodology approved by the State's Division of the Budget. The MSARs specify the maximum reimbursement limits for LSSDs with respect to state and federal claiming of payments made for such program activities/services.

MSARs define the reimbursement limits for LSSDs in negotiating contracts with authorized foster care providers, pursuant to Social Services Law §398-a and 18 New York State Codes, Rules and Regulations (NYCRR) Part 427. **Pursuant to Section 398-a (2-a) of the Social Services Law, LSSDs are required to pay no less than 100 percent of each OCFS-established congregate care rate as well as each administrative/services rate for a therapeutic, special needs, or emergency foster home program.** The details of such requirements are specified in 05-OCFS-ADM-04.

CSE Maintenance Rates must be paid, as published by OCFS, for children placed by local school districts into SED-approved residential schools, pursuant to sections 4402 and 4405 of Education Law.

Rates for Long-Term Residential Chemical Dependency (RCD) Programs licensed by OASAS must be used for foster children placed in such settings, pursuant to SSL §398(6)(g)(2), based upon a foster care rate methodology agreed to in 1993 between OASAS and the New York State Department of Social Services (now OCFS). This ADM includes the most currently available Foster Care Maintenance Rates for these Title IV-E eligible OASAS programs for youth.

III. Program Implications (Rates effective July 1, 2006, through September 30, 2006)

A. **MSARs and In-State CSE Maintenance Rates for Group Care Programs:** The following policies are applicable to all such MSARs and In-State CSE Maintenance Rates, effective July 1, 2006:

1. **MSARs for Group Care Programs:** The following aggregate growth factors were used in the calculation of group care MSARs:
 - a. **Personal Service (PS):** The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 5.8 percent for PS, which includes an aggregate one-year increase of 3.0 percent.
 - b. **Other-Than-Personal Service (OTPS):** The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 10.8

percent for OTPS, which includes an aggregate one-year increase of 3.8 percent.

2. **In-State CSE Maintenance Rates:** The In-State CSE Maintenance Rates for Special Act School Districts and on-campus schools affiliated with Article 81 institutions are composed of the MSAR effective July 1, 2006, for the institution program, plus the 2006-2007 Medical Per Diem established by the Department of Health (DOH).

The LSSD where the child is a legal resident is responsible for the 10-month CSE maintenance payment, in the first instance. Changes in the Education Law and SSL brought about by passage of Chapter 62 of the Laws of 2003 provide that the school district of residence must reimburse the LSSD for 20 percent of the maintenance costs for such children. Pursuant to the 2003 amendments, the local school district placing the child will be responsible for the 10-month CSE tuition payment and a portion of the 10-month CSE maintenance payment. The LSSD is not responsible for either the maintenance or tuition payments for CSE summer school placements.

03-OCFS-LCM-22 and 04-OCFS-LCM-13 provided specific information regarding the procedures for implementing these statutory amendments.

CSE Maintenance Rates for children placed by local school districts are not negotiable and must be paid as published.

3. **Program Classification Reviews:** For all group care programs, OCFS is continuing its policy of allowing program rate classification self-surveys in response to requests from agencies that view their populations as having changed.
4. **Capital Projects for Congregate Care Facilities Operated by Voluntary Agencies:** OCFS is continuing its capital rate policies, which would allow OCFS to include in the MSAR an add-on rate to specifically fund an approved capital project for a voluntary agency. Two mechanisms are currently approved to support these policies:
 - a. The Dormitory Authority of the State of New York (DASNY) funding mechanism, which was authorized under Chapter 472 of the Laws of 2004, is designed to improve the health and safety of children in residential institutions operated by private agencies for which OCFS establishes a maintenance rate. To implement Chapter 472, OCFS issued 05-OCFS-LCM-18, which specified the details of that mechanism. However, the only invitation to submit DASNY funded proposals was provided in 05-OCFS-LCM-18, and the submission date specified in that LCM has past.

- b. The Property Parameter Waiver (PPW) funding mechanism, which was also implemented in 05-OCFS-LCM-18, can support the same objectives as the DASNY initiative within the context of existing funding formulas for Foster Care or CSE maintenance. For PPW proposals, ongoing applications may be submitted.
- c. The applications and instructions for either capital project mechanism mentioned above are available at the following Internet address in a separate section titled "Capital Project Applications...".

<http://www.ocfs.state.ny.us/main/rates/>

B. MSARs for Foster Boarding Home (FBH) Programs: The following policies are applicable to all rates associated with FBH programs, effective July 1, 2006:

1. **Administrative/Services Rates for Voluntary Agencies:** The following aggregate growth factors were used in the calculation of MSARs for the administrative/services rates for FBH programs:
 - a. **PS:** The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 5.8 percent for PS, which includes an aggregate one-year increase of 3.0 percent.
 - b. **OTPS:** The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 11.9 percent for OTPS, which includes an aggregate one-year increase of 3.6 percent.
 - c. **Property Cost Transfer Policy:** OCFS is continuing its policy of supporting an offset of an FBH program's property deficit with available growth that is not being used in the program's administrative cost center. The offset is automatically calculated, which means the published MSAR reflects the transfer of such available growth in the administrative component of each agency's FBH program rate that has an overage of property expenditures.
2. **Payments to Foster Parents:** OCFS policies effective July 1, 2006, regarding MSARs for "pass-through" payments for the foster parent components of the FBH program are as follows:
 - a. **Basic Room and Board Payment to Foster or Adoptive Parents:** There are no changes to the MSARs for basic room and board payments to foster or adoptive parents effective July 1, 2006, including MSARs for adoption subsidy payments for adoptions finalized prior to July 1, 1987.

- b. **Clothing Allowance:** There are no changes to the MSARs for replacement clothing allowances paid to foster parents effective July 1, 2006.
 - c. **Diaper Allowance:** There are no changes to the MSARs for diaper allowances paid to foster parents effective July 1, 2006, for birth through three years of age.
 - d. **Payments to Foster Parents for Emergency Placements:** The MSAR for this type of payment is calculated as 200 percent of the MSAR effective July 1, 2006, for a non-special or non-exceptional child (i.e., 200 percent of the basic rate associated for the child according to his/her age).
 - e. **AIDS Per Diem Add-On:** The \$15 AIDS per diem add-on continues to be effective July 1, 2006, for children with HIV/AIDS placed in regular FBH programs. The treatment of the \$15 per diem revenue for rate setting purposes is as follows: revenue from the \$15 AIDS per diem was subtracted from the allowable direct care costs for each FBH program, and the adjusted costs were compared with the direct care parameter to determine the rate base.
 - f. **Finder's Fee for New Foster Homes:** OCFS is continuing the policy of allowing LSSDs to pay a voluntary finder's fee of up to \$200 to existing foster parents who recruit new foster parents. For detailed information regarding how to apply this policy, please refer to Chapter 8, Section G, of the Standards of Payment for Foster Care of Children Program Manual.
- C. **IT CONNECTIONS Specialists:** MSARs, effective July 1, 2006, include a second year of the system-wide program intensification approved in the 2005-06 rate package to fund the compensation costs of Information Technology specialists approved to support CONNECTIONS work in voluntary agencies. The increases in rates effective July 1, 2006, reflect the one-year PS growth factor of 3.0 percent.
- D. **Rate Stabilization for New Programs:** OCFS is continuing its rate stabilization policy for all new programs for which we are first using historical program expenses. There is a ten (10) percent margin of rate variance. No new program rate is allowed to go up or down by more than ten (10) percent of the prior year's budget-based rate.
- E. **Supervised Independent Living Programs (SILPs):** The MSARs for double occupancy SILPs, triple occupancy SILPs, and four- and five-bed mother/child SILPs, on average, increased by 3.3 percent in the MSARs effective July 1, 2006.
- F. **Foster Care Maintenance Rates for Residential Chemical Dependency Programs licensed by OASAS:** All rates approved by OASAS for foster children

placed into Residential Chemical Dependency Programs are accepted by OCFS for purposes of payment and reimbursement. These rates are not negotiable and must be paid as published.

- G. CSE Maintenance Rates for Out-of-State Schools:** Annually, OCFS issues out-of-state CSE Maintenance Rates to LSSDs based on rate information approved by other states, recommended by SED, and reviewed and approved by OCFS. CSE Maintenance Rates, approved by OCFS, must be used by LSSDs as the basis for making CSE Maintenance payments for children approved by SED for placements in out-of-state private residential schools. Issuance of, and payment responsibilities for, these rates are governed by Section 4405 of Education Law. These rates are not negotiable and must be paid as published. OCFS will continue its policy of publishing a separate ADM for Out-of-State CSE Maintenance Rates.
- H. Rates Under Review:** Where the published MSAR is coded as “under review,” it means that the MSAR is likely to be revised. An MSAR designated as “under review” is published as an interim rate so that payment and claiming functions can continue while the review is completed. Such a rate may be adjusted, if needed, once OCFS receives additional cost-related information from the relevant voluntary agency.

IV. Program Implications (COLA Initiative beginning October 1, 2006)

As stated above in Section I, the SFY 2006-07 Enacted Budget authorized COLAs to affect all programs for which OCFS establishes MSARs pursuant to section 398-a of the Social Services Law and sections 4003 and 4405 of the Education Law. A subsequent ADM will be published to implement the COLA and to specify revised rates for the balance of the 2006-07 rate year.

When that ADM is published, LSSDs will be advised regarding payment requirements, in the manner specified by OCFS. The additional funding to support the COLA increases is already included in the LSSDs’ SFY 2006-07 Foster Care Block Grant allocations. Therefore, LSSDs will need to revise payment rates, but will not be required to do any special claiming in order to finance those payments.

V. Systems Implications

All existing procedures for processing MSAR payments and reimbursing claims will continue to be applicable.

VI. Rate Consultations/Rate Adjustments

The purpose of issuing MSARs is to specify the OCFS-approved maximum reimbursement program rates for state and federal claiming purposes, as well as to provide guidance to LSSDs in their contract negotiations with providers of foster care. **MSAR payment requirements, pursuant to Section 398-a (2-a) of the SSL, prohibit LSSDs from paying less than the MSAR established by OCFS for each congregate care rate and for each administrative/services rate for a therapeutic, special needs, or emergency foster home program operated by a voluntary agency, as specified in 05-OCFS-ADM-04.**

Where a local district agrees to contract for a rate that is greater than the published MSAR, OCFS can assist the local district and/or the voluntary agency in developing a program intensification request to increase the MSAR.

OCFS regulation 18 NYCRR 427.9 allows the LSSD and/or the voluntary foster care agency to request a rate consultation in regard to a promulgated MSAR. **OCFS regulations require that all requests for rate consultations be initiated in writing, and be received by OCFS within 30 days of the date a rate is issued (as specified in 18 NYCRR 427.9 and in Chapter 9 of the Standards of Payments for Foster Care of Children Program Manual). The rate calculation policies specified in this ADM are not subject to consultation or appeal.**

All requests for a rate consultation should be directed to:

James Smith
Office of Children and Family Services
Rate Setting Unit, Rm. 314 South
52 Washington Street
Rensselaer, NY 12144

I. Effective Date

This directive is effective as of the date of its issuance.
