		18 NYCRR Part 427	SSL 398-a EL 4402 EL 4405	Standards of Payment for Foster Care of Children – Program Manual	

I. Purpose

The purpose of this Administrative Directive (ADM) is to issue Maximum State Aid Rates (MSARs) for Foster Care Programs, and In-State Committee on Special Education (CSE) Maintenance Rates for State Education Department (SED) approved Residential Schools, **effective July 1, 2007, through March 31, 2008**. This ADM also includes Foster Care Maintenance Rates currently in effect for Long-Term Residential Chemical Dependency Programs licensed and approved by the New York State Office of Alcoholism and Substance Abuse Services (OASAS).

A subsequent ADM will be published to specify rates for the balance of the 2007-08 rate year, April 1, 2008, through June 30, 2008, to implement the statutory cost-of-living adjustment (COLA), to be effective April 1, 2008, as authorized by Chapter 57 of the Laws of 2006. The statutory COLA that will be applied to applicable rates effective April 1, 2008, is the third and last COLA that was authorized by the SFY 2006-07 Enacted Budget. This COLA will affect all programs for which OCFS establishes rates pursuant to section 398-a of the Social Services Law and sections 4003 and 4405 of the Education Law.

In the subsequent ADM to implement the COLA effective April 1, 2008, local departments of social services (LDSSs) will be advised regarding payment requirements. However, LDSSs will not be required to do any special claiming in order to finance the required payments of the legislative COLA initiative.

II. Background

Annually, the Office of Children and Family Services (OCFS) issues MSARs and CSE Maintenance Rates to LDSSs advising them of the annual rate methodology approved by the State's Division of the Budget.

MSARs define the reimbursement limits for LDSSs in negotiating contracts with authorized foster care providers, pursuant to Social Services Law §398-a and 18 New York State Codes, Rules and Regulations (NYCRR) Part 427. **Pursuant to Section 398-a (2-a) of the Social Services Law, LDSSs are required to pay no less than 100 percent of each OCFS-established congregate care rate as well as each administrative/services rate for a therapeutic, special needs, or emergency foster home program.** The details of such minimum payment requirements are specified in 05-OCFS-ADM-04.

CSE Maintenance Rates must be paid, as published by OCFS, for children placed by local school districts into SED-approved residential schools, pursuant to sections 4402 and 4405 of Education Law.

Rates for Long-Term Residential Chemical Dependency (RCD) Programs licensed by OASAS must be used for foster children placed in such settings pursuant to SSL §398(6)(g)(2), based upon a foster care rate methodology agreed to in 1993 between OASAS and the New York State Department of Social Services (now OCFS). This ADM includes the most currently available Foster Care Maintenance Rates for these OASAS programs for youth. However, our understanding from OASAS is that RCD programs will be converting to a new Medicaid eligible service: Residential Rehabilitation Services for Youth (RRSY). That means, upon conversion to this new service, the provider will bill the approved Medicaid rate directly to the Medicaid payment system (eMedNY), instead of billing a foster care rate to the placing social services district. Information about the conversion and the corresponding Medicaid rates is available at: <http://www.oasas.state.ny.us/admin/hcf/rrsy.cfm>.

Our understanding from OASAS is that conversions of RCD to RRSY services will be phased in over approximately three years, and that the provider's currently approved foster care rate for the RCD program will remain in effect until either the provider converts to the new RRSY service or until OASAS updates the provider's rate, whichever occurs first.

III. Program Implications (Rates effective July 1, 2007, through March 31, 2008)

A. **MSARs and In-State CSE Maintenance Rates for Group Care Programs:** The following policies are applicable to all such MSARs and In-State CSE Maintenance Rates, effective July 1, 2007:

1. **MSARs for Group Care Programs:** The following aggregate growth factors, which include the **COLAs authorized by Chapter 57 of the Laws of 2006**, were used in the calculation of group care MSARs:
 - a. **Personal Service (PS):** The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 11.0 percent for PS, which includes an aggregate one-year increase of 2.5 percent.
 - b. **Other-Than-Personal Service (OTPS):** The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 12.9 percent for OTPS, which includes an aggregate one-year increase of 3.3 percent.
2. **In-State CSE Maintenance Rates:** The In-State CSE Maintenance Rates for Special Act School Districts and on-campus schools affiliated with Article 81 institutions are composed of the MSAR effective July 1, 2007, for the institution program, plus the 2006-07 Medical Per Diem established by the Department of Health (DOH). When the 2007-08 Medical Per Diems are approved by DOH, the In-State CSE Maintenance Rates will be revised to reflect those changes.

The LDSS where the child is a legal resident is responsible for the 10-month CSE Maintenance payment, in the first instance. Changes in the Education Law and SSL brought about by passage of Chapter 62 of the Laws of 2003 provide that the

school district of residence must reimburse the LDSS for 20 percent of the maintenance costs for such children. Pursuant to the 2003 amendments, the local school district placing the child will be responsible for the 10-month CSE tuition payment and a portion of the 10-month CSE maintenance payment. The LDSS is not responsible for either the maintenance or tuition payments for CSE summer school placements.

03-OCFS-LCM-22 and 04-OCFS-LCM-13 specified information regarding the procedures for implementing these statutory amendments.

CSE Maintenance Rates for children placed by local school districts are not negotiable and must be paid as published.

3. **Program Classification Reviews:** For all group care programs, OCFS is continuing its policy of allowing program rate classification self-surveys in response to requests from agencies that view their populations as having changed.
4. **Capital Projects for Congregate Care Facilities Operated by Voluntary Agencies:** OCFS is continuing its capital rate policies, which would allow OCFS to include in the MSAR an add-on rate to specifically fund an approved capital project for a voluntary agency. Two mechanisms are available to support these policies:
 - a. The Dormitory Authority of the State of New York (DASNY) funding mechanism, which was authorized under Chapter 472 of the Laws of 2004, is designed to improve the health and safety of children in residential institutions operated by private agencies for which OCFS establishes a maintenance rate. To implement Chapter 472, OCFS issued 05-OCFS-LCM-18, which specified the details of that mechanism, which allowed for the submission of applications through January 31, 2006. **Based on the applications currently in process, there are no new opportunities to apply under this mechanism, given the State's legislative limit of a \$60 million bonding authority.**
 - b. The Property Parameter Waiver (PPW) funding mechanism, which was also implemented in 05-OCFS-LCM-18, can support the same objectives as the DASNY initiative within the context of existing funding formulas for Foster Care or CSE maintenance. For PPW proposals, ongoing applications may be submitted.
 - c. The applications and instructions for either capital project mechanism mentioned above are available at the following Internet address in a separate section titled "Capital Project Applications..." at <http://www.ocfs.state.ny.us/main/rates/>

B. MSARs for Foster Boarding Home (FBH) Programs: The following policies are applicable to all rates associated with FBH programs, effective July 1, 2007:

1. **Administrative/Services Rates for Voluntary Agencies:** The following aggregate growth factors, which include the **COLAs authorized by Chapter 57**

of the Laws of 2006, were used in the calculation of MSARs for the administrative/services rates for FBH programs:

- a. **PS:** The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 10.5 percent for PS, which includes an aggregate one-year increase of 2.0 percent.
 - b. **OTPS:** The historical cost base and rate model parameters reflect a two-year aggregate growth factor of 12.5 percent for OTPS, which includes an aggregate one-year increase of 3.2 percent.
 - c. **Property Cost Transfer Policy:** OCFS is continuing its policy of supporting an offset of an FBH program's property overage with available growth that is not being used in the program's administrative cost center. The offset is automatically calculated, which means the MSAR reflects the application of available administrative growth to an overage of property expenditures.
2. **Payments to Foster Parents:** OCFS policies effective July 1, 2007, regarding MSARs for "pass-through" payments for the foster parent components of the FBH program (including adoption subsidy payments) are as follows:
- a. **Basic Room and Board Payment to Foster or Adoptive Parents:** There are no changes to the MSARs for board and care payments to foster or adoptive parents effective July 1, 2007, through March 31, 2008.
 - b. **Clothing Allowance:** There are no changes to the MSARs for replacement clothing paid to foster or adoptive parents effective July 1, 2007, through March 31, 2008.
 - c. **Diaper Allowance:** There are no changes to the MSARs for diaper payments to foster or adoptive parents, for birth through three years of age, effective July 1, 2007, through March 31, 2008.
 - d. **Payments to Foster Parents for Emergency Placements:** The MSAR for this type of payment is calculated as 200 percent of the MSAR effective July 1, 2007, for a non-special or non-exceptional child (i.e., 200 percent of the basic rate associated for the child according to his/her age).
 - e. **AIDS Per Diem Add-On:** The \$15 AIDS per diem add-on continues to be effective July 1, 2007, for children with HIV/AIDS placed in regular FBH programs. The treatment of the \$15 per diem revenue for rate setting purposes is as follows: revenue from the \$15 AIDS per diem was subtracted from the allowable direct care costs for each FBH program, and the adjusted costs were compared with the direct care parameter to determine the rate base.
 - f. **Finder's Fee for Recruiting New Foster Homes:** OCFS is continuing the policy of allowing LDSSs to pay a voluntary finder's fee of up to \$200 to existing foster parents who recruit new foster parents. For detailed information regarding how to apply this policy, please refer to Chapter 8, Section G, of the

Standards of Payment for Foster Care of Children Program Manual at:
<http://www.ocfs.state.ny.us/main/rates/FosterCare/Manual/>.

- C. **Rate Stabilization for New Programs:** OCFS is continuing its rate stabilization policy for all new programs for which it is first using historical program expenses. There is a ten (10) percent margin of rate variance. The first cost-based rate for a new program will be no more than, or no less than, ten (10) percent of the prior year's budget-based rate.
- D. **Supervised Independent Living Programs (SILPs):** The MSARs for double occupancy SILPs, triple occupancy SILPs, and four- and five-bed mother/child SILPs, on average, increased by 3.2 percent in the MSARs effective July 1, 2007.
- E. **Foster Care Maintenance Rates for Residential Chemical Dependency Programs licensed by OASAS:** All rates approved by OASAS for foster children placed into Residential Chemical Dependency Programs are accepted by OCFS for purposes of payment and reimbursement. These rates are not negotiable and must be paid as published.
- F. **CSE Maintenance Rates for Out-of-State Schools:** Annually, OCFS issues out-of-state CSE Maintenance Rates to LDSSs based on rate information approved by other states, recommended by SED, and reviewed and approved by OCFS. CSE Maintenance Rates, approved by OCFS, must be used by LDSSs as the basis for making CSE Maintenance payments for children approved by SED for placements in out-of-state private residential schools. Issuance of and payment responsibilities for these rates are governed by Section 4405 of Education Law. These rates are not negotiable and must be paid as published. A separate ADM is issued by OCFS for Out-of-State CSE Maintenance Rates.
- G. **Rates Under Review:** Where the published MSAR is coded as "under review," it means that there may be outstanding issues regarding the calculation of that MSAR, and that it may be revised.

IV. Program Implications (COLA to be effective April 1, 2008)

As stated above, a subsequent ADM will be published to implement the legislative COLA and to specify revised rates for the balance of the 2007-08 rate year (April 1, 2008, through June 30, 2008).

V. Systems Implications

All existing procedures for processing MSAR payments and reimbursing claims will continue to be applicable.

VI. Rate Consultations/Rate Adjustments

The purpose of issuing MSARs is to specify the OCFS-approved maximum reimbursement program rates for state and federal claiming purposes, as well as to provide guidance to LDSSs in their contract negotiations with providers of foster care. **MSAR payment requirements, pursuant to Section 398-a (2-a) of the SSL, prohibit LDSSs from paying less than the MSAR established by OCFS for each congregate care rate and for each administrative/services rate for a therapeutic, special needs, or emergency foster home program operated by a voluntary agency, as specified in 05-OCFS-ADM-04.**

Where a local district agrees to contract for a rate that is greater than the published MSAR, OCFS can assist the local district and/or the voluntary agency in developing a program intensification request to increase the MSAR.

OCFS regulation 18 NYCRR 427.9 allows the LDSS and/or the voluntary foster care agency to request a rate consultation in regard to a promulgated MSAR, as follows:

- For the LDSS that is requesting rate consultation, such a request must be submitted in writing, and be received by OCFS within 30 days of the date a rate is issued (as specified in 18 NYCRR 427.9 and in Chapter 9 of the Standards of Payments for Foster Care of Children Program Manual). The LDSS should send such requests for a rate consultation to:

Daniel Zeidman, Chief Rate Analyst
Office of Children and Family Services
Rate Setting Unit, Rm. 314 South
52 Washington Street
Rensselaer, NY 12144

- A voluntary agency requesting a rate consultation must use the Web-based Statewide Standards of Payment (SSOP) system to submit its request electronically. Pursuant to OCFS regulations, such requests must be received (in this case electronically) within 30 days of the date a rate is issued.

Note: Rate calculation policies specified in this ADM are not subject to consultation or appeal.

VII. Effective Date

This directive is effective as of the date of its issuance.

/s/ William T. Gettman, Jr.

Issued By:

Name: William T. Gettman, Jr.
