I. Purpose

The purpose of this Administrative Directive (ADM) is to publish Adjusted Per Diem Chargeback Rates for Calendar Year (CY) 2002 through CY 2007 for care provided to youth placed in facilities and programs operated by the Office of Children and Family Services (OCFS).

These Adjusted Per Diem Chargeback Rates for CY 2002 through CY 2007 will be used as the basis for making bill adjustments for youth who were placed in OCFS-operated facilities during these periods. The bill adjustments calculated for each of these periods will reconcile the difference between amounts previously billed at the Final CY 2002 through CY 2007 Per Diem Chargeback Rates compared to those billed at the Adjusted Per Diem Chargeback Rates for CY 2002 through CY 2007, as specified in this ADM.

II. Background

Chargeback rates for OCFS-operated facilities are used for billing the care provided to youth placed in residential programs directly operated by OCFS. Chapters 109, 110 and 111 of the Laws of 2010 collectively require OCFS to reissue the chargeback rates for CY 2002 and thereafter to remove the adjustment that was made each year to reduce the costs to localities related to the discontinued use of certain federal funds for such costs. These Adjusted Per Diem Chargeback Rates eliminate the \$12 million credit adjustment in State funds that was made each year to the rates for CY 2002 through CY 2007, which resulted in approximately \$6 million total in lower costs to localities each year. Each year, this adjustment was made as the last step in the rate setting process after all other calculations had been completed. The Final Per Diem Chargeback Rate for CY 2008 and each subsequent Per Diem Chargeback Rate issued by OCFS will be calculated without the \$12 million credit for the cost of care. The Final CY 2008 Per Diem Chargeback Rate is expected to be published with the third quarter billing for CY 2010.

Chapters 109, 110 and 111 of the Laws of 2010 further provide that, if a social services district fails to provide reimbursement to OCFS for any per diem chargeback rate within 60 days of receiving a bill for services, or by the date certain set by OCFS for providing reimbursement, whichever is later, New York State (the State) may exercise its set-off rights by withholding the amount due from any amounts due and owing to the district from OCFS under the Executive Law or the Social Services Law.

III. Program Implications

The Adjusted Chargeback Rates for CY 2002 through CY 2007 as specified in this ADM have been approved in accordance with Section 529 of the Executive Law. These rates will be used by OCFS to bill for the differences between the Final Rates for youth placed in applicable OCFS-operated facilities in CY 2006 as previously set forth in 07-OCFS-ADM-16 issued on December 21, 2007, and in CY 2002 through CY 2005 and CY 2007, as previously set forth in 09-OCFS-ADM-03 issued on February 3, 2009, and the Adjusted Per Diem Chargeback Rates for youth placed in applicable OCFS-operated facilities during the same periods.

Adjustments for the Adjusted Per Diem Chargeback Rates for CY 2002 through CY 2007 will be included in the second quarter CY 2010 bills.

IV. Required Action

Chargeback bills for the second quarter CY 2010 bill will include rate adjustments for CY 2002 through CY 2007 using the approved Adjusted Per Diem Chargeback Rates for CY 2002 through CY 2007 specified in this ADM. The State may exercise its set-off rights and reduce other payments due to any district that fails to pay its bill within 60 days of receiving the bill or the date certain put in the bill, whichever is later.

Payments or correspondence about bills should be directed as follows:
