I. Purpose

The purpose of this Local Commissioners Memorandum (LCM) is to advise local departments of social services (LDSS) of the availability of a \$1,000,000 funding set-aside within the State Fiscal Year (SFY) 2013-14 appropriation of \$12,124,750 for Community Optional Preventive Services (COPS) programs. This amount is separated from the remainder of the COPS funding amount of \$11,124,750 due to the differences in requirements for this funding, and LCM 13-OCFS-LCM-10 addresses that COPS funding. This LCM provides instructions to the LDSSs on how to apply for this separate funding, and provides reporting and claiming instructions.

II. Background

Community Optional Preventive Services (COPS) are a subset of the broader category of “preventive services.” COPS are intended to help families where placement is not imminent, but where youth and/or families live in particular communities or have other conditions or circumstances that put them at an elevated risk of foster care. In 1988, a Request for Proposals (RFP) was issued to select and fund COPS programs. About 20 programs were funded from that RFP, and a subsequent RFP was issued in New York City. In 2002, with the implementation of the Child Welfare Services finance provisions, which provided for 65 percent state reimbursement for all preventive services, funding became available for the expansion of COPS. In order for a COPS proposal to be approved, LDSSs were required to submit a plan to OCFS that described the program, specified the target population in need, and demonstrated that the population was at an elevated risk of foster care but not at imminent risk of out-of-home placement.

In 2008, LDSSs were surveyed regarding their COPS programs and this information was published in January 2009 in the “Community Optional Preventive Services (COPS): Findings from OCFS’s COPS Survey.” As part of this survey, LDSSs were specifically asked to report on performance targets and achievement of these targets. Likewise, in 2009 and 2010, LDSSs were required to report performance targets or outcomes on their COPS programs to OCFS.

In 07-OCFS-LCM-12, outcome is defined as “the anticipated change in, or maintenance of, conditions or behaviors of a targeted population as a result of the provision of services.” Performance targets provide evidence as to whether the program accomplished its outcomes. It is important that performance targets and outcomes established are specific, measurable, achievable, realistic and time bound. For more information regarding how to develop outcomes, you may wish to visit the OCFS website at: http://www.ocfs.state.ny.us/main/sppd/eff_practices/

COPS are aimed at supporting community services that work with youth and families before a serious problem develops, with the long-term goal of reducing the need for foster care and offering a less costly alternative to placement. Current COPS programs provide a wide range of services to avert placement, including (but not limited to) home visiting programs, mental health services, respite, day treatment programs, after-school and summer programs, PINS/JD diversion, family engagement, mediation services, relative/kinship assistance, mentoring programs, alternatives for youth, parenting education, transitional support, and youth court.

Although individual programmatic eligibility determinations are unnecessary, there must be an acceptable method for determining whether a case is below or over 200 percent of the federal poverty level, consistent with criteria outlined in Chapter 3 of the OCFS “Eligibility Manual for Child Welfare Programs.” Individual family eligibility determinations can be done by a simplified family-specific determination as to whether the income is below or over 200 percent of poverty and the recipients

are either U.S. citizens or qualified aliens. Alternatively, the need to do individual eligibility determinations for COPS programs can be waived if the LDSS identifies a reliable source of information to calculate the proportion of the target population that is below 200 percent of the poverty standard (e.g., the percent of students receiving subsidized school lunches in the community[ies] being served). Any alternative measure for determining if a family's income is either below or over 200 percent of poverty is subject to OCFS approval. Participation in a COPS program may not be limited to those families who are below 200 percent of the federal poverty level.

III. Program Implications

For SFY 2013-14, \$12,124,750 in COPS funding was made available, of which \$1,000,000 was set aside to be used to provide funding to an eligible program or programs with evaluation results that show program effectiveness and demonstrate private monetary support. Any program costs supported through a district's share of the \$11,124,750 COPS allocation cannot be used to access funding from the \$1,000,000 set-aside. This \$1,000,000 in funding is for COPS services provided from October 1, 2012, through September 30, 2013. Eligible COPS expenditures must be made by October 31, 2013, and claimed by March 31, 2014.

An LDSS must submit claims that separately identify the costs of COPS services. In order to receive reimbursement for a COPS program, an LDSS must demonstrate that the program had been approved by OCFS on or before October 1, 2008. In addition, the expenses claimed cannot exceed the costs for the programs that were in effect October 1, 2008. An LDSS may contract to restart a program that was approved by OCFS as of October 1, 2008, and in operation on that date, that subsequently ceased providing COPS; however, this may only be done at the same level of funding as of October 1, 2008. Furthermore, an LDSS cannot receive state reimbursement for any COPS services provided during a time when it did not have a contract in place, and the LDSS cannot contract retroactively for the services. For example, if an LDSS terminated a contract on December 31, 2012, and the LDSS did not enter into a new contract until April 15, 2013, it could claim for the services provided from October 1, 2012, through December 31, 2012, and for the services provided from April 15, 2013, through September 30, 2013, but not for any services provided from January 1, 2013, through April 14, 2013, during the time period that a contract did not exist.

LDSSs may receive dollar for dollar (or 50 percent) state reimbursement based on the private funds they receive for the costs of eligible services provided through September 30, 2013, up to the amount of the \$1,000,000 COPS funding set-aside. Donated funds must equal at least 25 percent of the total program cost, with a required minimum of at least \$15,000 for the period of July 1, 2012, through June 30, 2013. If there are insufficient funds in the capped appropriation to reimburse LDSSs the dollar for dollar eligible COPS expenditures claimed, LDSSs will receive their proportionate share of the \$1,000,000 set-aside based on the LDSS's total eligible COPS expenditures claimed compared to the statewide total of eligible expenditures claimed. OCFS may reallocate

any unspent funds from an LDSS to other LDSSs that have claims in excess of their allocation. Any donated funds must be received from July 1, 2012, through June 30, 2013. For claims to be approved for payment, LDSSs must demonstrate the receipt of donated funds by July 20, 2013.

LDSSs may receive state reimbursement based on the private (donated) funds they receive for the costs of eligible services provided through September 30, 2013, up to the amount of the \$1,000,000 COPS funding set-aside. Donated funds must equal at least 25 percent of the total program cost, with a required minimum of at least \$15,000. For example, if a district has \$15,000 donated funds and \$60,000 eligible COPS expenditure, the state share match is \$15,000 and the local share is \$45,000, which includes the \$15,000 donated funds and the \$30,000 regular local share. A second example, if a district has a \$200,000 eligible COPS expenditure, donated funds requirement would be \$50,000, the state share match would be \$50,000 and the local share is \$150,000, which includes the \$50,000 donated funds and the \$100,000 regular local share.

Application Instructions

LDSSs that are applying for this separate \$1,000,000 of COPS funding may do so by submitting an Application for Community Optional Preventive Services \$1,000,000 Set-aside Funding (Attachment A) for FFY 2012-13/SFY 2013-14, and documentation that they meet the eligibility criteria:

1. Evaluation Required

LDSSs or programs must demonstrate quality of services provided and program effectiveness.

- Demonstrate how the program is a “best practice” or “evidence based program”;
- Must include Disproportionate Minority Representation (DMR) Data;
- Must document amount of funds used for program evaluation;

2. Demonstrate private monetary support

LDSSs must demonstrate private monetary support received from July 1, 2012, through June 30, 2013. Documentation of private monetary support must be submitted to OCFS no later than July 20, 2013. The following are examples of acceptable documentation of private monetary support:

- Letter from agency/organization providing monetary support;
- Cancelled check from agency/organization providing monetary support;
or
- Financial records showing receipt of private funds.
- Donated funds must be equal to 25% of the total program cost, with a minimum of at least \$15,000.

3. Program Budget

A detailed program budget must be provided.

4. Program Design

Submit a program outline explaining the design, components, services to be provided, and population intended to be served that is being funded.

In order to be eligible, the COPS services must have been provided during the time period of October 1, 2012 through September 30, 2013, and reimbursement must be claimed by March 31, 2014.

Each LDSS that will be applying for this separate \$1,000,000 COPS funding needs to complete an Application for Community Optional Preventive Services \$1,000,000 Set-Aside Funding (Attachment A) with the supporting documentation listed above and submit it by July 20, 2013 to:

Robert Dick, Jr.
NYS Office of Children and Family Services
Strategic Planning and Policy Development
52 Washington Street, Room 322 N
Rensselaer, NY 12144

Or email a copy to Robert.Dick@ocfs.ny.gov

After July 20, 2013, OCFS will review the submitted applications for this funding with supporting documentation and will make a determination if each COPS program that has applied for this funding meets the requirements for funding. LDSSs will be notified if their COPS programs have met the eligibility criteria and the amount of their allocation from this separate \$1,000,000 in COPS funding.

All LDSSs that have submitted an Application for Community Optional Preventive Services \$1,000,000 Set-Aside Funding (Attachment A) with complete documentation by July 20, 2013, and meet the criteria for this separate COPS funding of \$1,000,000, will get a proportionate share of the funds.

COPS Program Report Form

COPS programs that are funded out of this separate \$1,000,000 allocation will need to provide a COPS Program Outcome Report to OCFS. For each COPS program that receives this funding, LDSSs will need to complete a COPS Program Report (Attachment B) and submit the reports to OCFS by October 15, 2013. This template asks LDSSs to provide demographic information and to report on current performance targets or outcomes, which have been required for all preventive service programs (see 07-OCFS-LCM-12).

For the purpose of this requirement:

“Performance” means quantifiable and verifiable interim changes in, or maintenance of, the conditions or behaviors of the target population resulting from the provision of services that indicate progress towards an outcome.

“Outcome” means the anticipated change in, or maintenance of, conditions or behaviors of a targeted population as a result of the provision of services.

Please complete a COPS Program Report Form (Attachment B) for each COPS program that receives an allocation from the \$1,000,000 separate funding, and submit by October 15, 2013, to:

Robert Dick, Jr.
NYS Office of Children and Family Services
Strategic Planning and Policy Development
52 Washington Street, Room 322 N.
Rensselaer, NY 12144

Or email a copy to Robert.Dick@ocfs.ny.gov

IV. Claiming Instructions

An LDSS will use the following set of instructions to claim reimbursement for eligible COPS set-aside services from October 1, 2012, through September 30, 2013. Expenditures must be made by October 31, 2013, and claims must be submitted no later than March 31, 2014.

If there are insufficient funds in the capped appropriation to reimburse LDSSs the dollar for dollar eligible COPS expenditures claimed, LDSSs will receive their proportionate share of the COPS \$1,000,000 set-aside funding capped appropriation based on the LDSS’s total COPS eligible expenditures claimed compared to the statewide total of eligible expenditures claimed. OCFS may reallocate any unspent funds from an LDSS to other LDSSs that have claims in excess of their allocation.

The expenditures for the COPS 2012-2013 set-aside should be claimed through the RF17 claim package for special project claiming. These costs should be identified as F17 functional costs and reported on the Schedule D “DSS Administrative Expenses Allocation and Distribution by Function and Program (LDSS-2347)” in the F17 column in the RF2A claim package. The individual project costs should also be reported under the project label COPS 2012-2013 Set-Aside on the LDSS-4975A “RF17 Worksheet, Distribution of Allocated Costs to Other Reimbursable Programs.”

Program costs should be reported as object of expense 37 - Special Project Program Expense on the LDSS-923B Summary-Program (page 2) “Schedule of Payments for

Expenses Other Than Salaries for Other Reimbursable Programs.” Total project costs and shares should be reported on the LDSS-4975 “Monthly Statement of Special Project Claims Federal and State Aid (RF-17).”

Please note that by signing the RF-17 Claim Package certification statement, the administrative official and fiscal officer also attests that your district has met the required level of donated funds and that these amounts are included in the total costs reported on the RF-17 Claim Package.

Instructions for reporting expenditures on the Schedules D and RF-17 Claim Package are found in Chapters 7 & 18 of the FRM Volume 3. The FRMs are available online at: <http://otda.state.nyenet/bfdm/finance/>.

OCFS may reallocate any unspent funds from an LDSS to other LDSSs that have claims in excess of their allocation.
