I. Purpose

The purpose of this Administrative Directive (ADM) is to issue the 2018-19 domestic violence state aid rates (DVSARs) for licensed domestic violence (DV) residential programs in New York City. These DVSARs are for the period July 1, 2018, to June 30, 2019. A separate directive is issued for licensed DV residential programs in the rest-of-state counties outside New York City.

II. Background

The New York State Office of Children and Family Services (OCFS) issues DVSARs annually to local departments of social services (LDSSs) in an ADM, advising them of the methodology approved by the New York State Division of the Budget (DOB) for the purchase of services from licensed agencies providing residential DV services. Rates contained in these ADMs must be used by the LDSSs in the contracts they negotiate with voluntary agency providers of DV services. Issuance of these rates is governed by Social Services Law §131-u and the applicable regulations at 18 NYCRR Part 408.

III. Program Implications

The DVSARs promulgated in this ADM have been calculated using the DOB-approved 2018-19 rate methodology for DV residential programs in New York City, which is the same methodology used in previous years except for the elimination of a “surplus penalty.” (See 16-OCFS-ADM-03.)

The approved rate methodology for licensed residential DV programs in New York City includes the following features:

- The DV Flat Per Diem Rates for 2018-19 have been proposed for the following cost of living adjustment (COLA) factors:
 - Personal Service (PS) = 3.25 percent
 - Non- Personal Service (NPS) = 1.5 percent
 - Food Add-On = 2.2 percent
- DV Per Diem Rates established by the LDSSs prior to the implementation of the current DV rate methodology continue to be grandfathered in where those rates are higher than the applicable DV Flat Per Diem Rate. Affected programs will continue to receive the higher of either the grandfathered-in rate or the DV Flat Per Diem Rate as the basis for determining the current DVSARs for those programs.
- Programs that reported surpluses from government income in the base year will no longer have DVSARs that reflect a calculated rate reduction factor. The revision made in 16-OCFS-ADM-03 of the DVSAR allocation methodology that was originally set forth in 92 LCM-34 has eliminated the surplus penalty from the DVSAR methodology.
- The Food Add-On component of the DVSARs is a negotiated item between the DV residential program agency and the LDSS where the program is located. The Food Add-On is included in DVSARs when the agency and the LDSS formally request the Food Add-On Rate in writing to OCFS. Thereafter, the Food Add-On Rate is included as part of the DVSAR for the specified program until OCFS is otherwise notified.
- 17-OCFS-ADM-16 indicates that Residential DV programs are responsible for the background check costs and may not require applicants to pay it. Applicants include employees, volunteers, consultants and contractors. DV Agencies should track background check costs and include them in line 18, Dues/Licenses/Permits, 18-OCFS-ADM-12 of the OCFS-DV-2652, *Report of Actual Expenditures*. The current 1.5 percent increase in the NPS portion of the DV Flat Per Diem Rate

should defray these costs. OCFS will monitor the costs in line 18 and reevaluate whether reimbursement is sufficient to cover these costs in future years.

- OCFS will consider revisions to a DVSAR for the following reasons:
 - The Food Add-On Rate needs to be either added or deleted from the DVSAR.
 - The DVSAR reflects an incorrect DV Flat Rate Per Diem for the program type and size.

Agencies have thirty (30) days from the issuance of a DVSAR to appeal the published rate. All appeals must be made in writing and mailed to:

IV. Required Action

The DVSAR rates noted in Attachments A and C must be paid by the LDSS to licensed DV residential agencies providing residential care to eligible victims of domestic violence during the period of July 1, 2018, to June 30, 2019.

V. Effective Date

The effective date of this policy is July 1, 2018.
